MESSAGE FROM THE PRESIDENT

On behalf of the 70,000 members and 400 member golf courses of the Minnesota Golf Association I would like to welcome you to the 2014 MGA Yearbook and Media Guide – a tool intended to inform and educate everyone connected with the game of golf in Minnesota about the many opportunities available for all golfers and golf enthusiasts.

For more than a century, the MGA has been leading the steward for amateur golf in our state. What started out in 1901, with seven member clubs and a goal to identify the best amateur player, has grown to encompass more than 24 state championships and national qualifiers. Competitions aside, MGA serves all golfers in a state that consistently ranks at or near the top in golfer participation. In fact, golf means approximately \$2.4 billion to the state's economy (read more at page 11). In association with 16 allied organizations representing those who make a living from the game to those who see the game as a way to improve other peoples' lives, the not-for-profit MGA is a year-round organization that serves the game for all golfers in Minnesota.

The MGA actively supports, financially and otherwise, a diverse number of organizations like the Western Golf Association's Evans Scholars program and a number of other organizations that promote the game to disabled golfers, disadvantaged youth and groups that have traditionally found challenges in their path when it comes to the game of golf.

In addition, our award-winning magazine, *Minnesota Golfer*, provides entertaining and informative coverage on the local golf scene, and our website, mngolf.org, is a primary resource for all information and events related to the MGA and golf in Minnesota.

The MGA is able to give back to the game because first and foremost our member clubs and associate members choose to join in and support the MGA. Our exceptional staff, board members, ambassadors and volunteers turn this support into an out-and-out wave of activity on behalf of the game in our state.

Thanks, everyone, your support is so greatly appreciated. Together let's make 2014 a great year for the game that we all love so much!

*Ken Gerzsenyi,
MGA President*

THE MGA STORY

The Minnesota Golf Association, founded in 1901, is a nonprofit organization dedicated to upholding and promoting the game of golf and its values for all golfers in Minnesota. The MGA currently serves more than 400 member clubs and 70,000 amateur golfers throughout the state which makes the MGA one of the largest golf associations in the country. The MGA, through its programs and services, strives to preserve the integrity of the game to make golf more enjoyable for all.

Seven golf clubs founded the Minnesota Golf Association in 1901, creating an organization designed to foster, promote and conserve golf within the state. In the more than 100 years since its inception, the MGA has produced a long list of services oriented towards the golfer, the golf course and the game itself.

The first of those services was the competitive golfing event, the Amateur Championship. First played at the conclusion of the MGA's inaugural meeting, the Amateur is one of the oldest and longest running sporting events in the state. It has become a popular tradition with over 800 golfers competing annually. The growth of golf has prompted the addition of events to the MGA's championship schedule. There are now 17 MGA amateur championships for golfers of all ages and abilities.

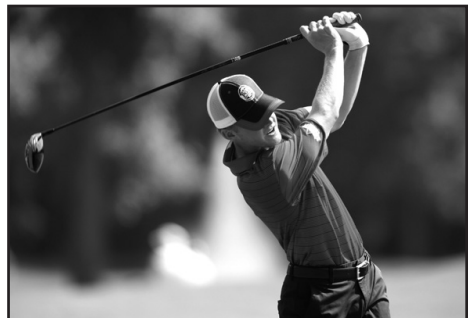

For the younger golfers, the MGA sponsors a statewide junior program. Each junior competes on a district level for three weeks. The top two teams and individuals in each district advance to regional competition where the top two teams and individuals from each region qualify for the MGA Junior Team Championship. Almost 900 juniors from approximately 125 courses participate every year.

Golfers interested in supporting the MGA can join the MGA's Membership Program through member clubs by contacting a club directly or through the MGA Join Online Program. Members receive a regularly updated USGA Handicap Index® and MGA publications including the *Minnesota Golfer* magazine and the MGA Member Links eNewsletter, and have the opportunity to compete in MGA championships and events. Associate Member dues are the primary source of funding for the MGA's services.

For the golf courses in the state, the MGA offers club memberships. With a tradition founded on service, the MGA offers golf courses a unique network of information and assistance. An extensive course rating program keeps MGA member clubs' ratings up to USGA standards. This ensures that every member handicap accurately reflects a golfer's potential ability. MGA member clubs also receive club rosters, tournament schedules, course rating posters and dozens of other important pieces of literature each year. An MGA golf calendar informs golfers about various club events and tournaments that occur around the state. The MGA compiles these dates every spring and sends the calendar to all Associate Members on its mailing list – more than 62,000 households.

When new courses, tourists and Minnesotans need information, the MGA's databases include names, numbers and facts to answer almost any inquiry. The MGA also includes a volunteer network of MGA directors. These individuals are largely responsible for assisting the MGA with its communications and services around the state. In addition, the MGA actively monitors state legislation to ensure the best interests of the game of golf are pursued. Any changes that will affect MGA member clubs are quickly passed along.

With the *Rules of Golf* being an integral part of the game, rules education and dissemination are an important service offered by the MGA. Not only does the MGA have input on the USGA's Rules of Golf Committee, it actively advocates those rules around the state. This involvement includes the sale of *Rules of Golf* and *Decisions* books, managing the Rules Hotline and the presentation of Rules Seminars.

Advocacy for Golf in Minnesota

The MGA monitors the state capitol for legislative issues that might impact golf in Minnesota. Over the last several years, the MGA and its Allied Associations have worked with legislators on a number of issues including creating legislation ensuring the regulated use of phosphorus by golf courses and developing proportional property taxes for Minnesota golf courses.

Golf is a \$2.4 billion Industry in Minnesota.

In general, golf in Minnesota provides \$361 million in golf tourism, \$776 million in wage earnings (34,653 jobs), and \$52 million in funds raised for charity. Minnesota golf is part of a larger \$76 billion U.S. economy (Golf 20/20).

The MGA and allied associations commissioned an Economic Impact Study of the Golf Industry to articulate the contribution of golf to Minnesota's economy and establish the golf industry as a significant business sector. In 2006, the size of Minnesota's direct golf economy was approximately \$1.2 billion (or a total of \$2.4 billion, if the effects of golf dollars from other linked industries are factored in). The golf industry is on a par with several other important industries: dairy products (\$1.1 billion), printed circuitry (\$1.3 billion), and accounting, tax and payroll (\$1.4 billion).

Course Rating & Measuring

One of the responsibilities of the MGA as the central handicap authority for Minnesota and authorized golf associations is to provide course rating and measuring services to its member clubs. MGA member clubs are usually rated three times in their first ten years of existence. More mature courses are re-rated every five-to-seven years. This ensures the accuracy and effectiveness of the USGA Handicap System™ for all MGA member clubs. New and reconstructed courses are a top priority at the MGA. Nearly all courses within the United States have been measured and rated using the USGA Course Rating System™ Rating guidelines. This allows golfers to report their scores from any of these courses in the country for handicapping purposes. The use of the USGA Course Rating System makes the USGA Handicap Index™ portable from course to course. MGA course raters have attended USGA calibration seminars and training sessions to qualify for their positions. Each year the MGA's two course rating teams measure and rate approximately 100 golf courses in Minnesota. Laser measuring and strict adherence to USGA specifications ensures accurate ratings at all MGA member clubs. The MGA rating teams are among the top rating teams in the United States.

Evans Scholars – College Scholarships

The MGA, in association with the Western Golf Association, provides Evans Scholarships to deserving caddies. Scholarships are awarded to caddies with financial need who have demonstrated outstanding scholastic performance and community service. Scholarships include tuition and housing. Currently, there are sixty active scholars at the University of Minnesota, eleven of whom are women. Since 1930, when the first two Scholars enrolled at Northwestern University, nearly 10,000 Evans Scholars Alumni have graduated from college, including more than 600 from Minnesota. For more information, contact Anne Colehour at 952-345-3969.

For the Good of the Game – And its Future Success

The MGA is proud to support programs such as the Evans Scholars Foundation, the Fairway Foundation, the Minnesota Minority Junior Golf Association, the Physically Limited Golfers' Association and The First Tee. In addition to the recognition as allied associations, the MGA publishes an annual golf calendar helping to raise awareness of charitable golf tournament fundraising at MGA member clubs.

GHIN Handicap Service

The USGA Handicap System™ was developed to make the game of golf more enjoyable by enabling players of differing skill levels the ability to compete on an equitable basis. The system provides a Course Handicap™, regardless of ability, and adjusts the player's USGA Handicap Index® up or down as his or her game changes. A USGA Handicap Index, issued by a golf club or authorized golf association, is a service mark of the USGA, and indicates a measurement of a player's potential ability on a course of standard playing difficulty.

On January 1, 2005, the USGA designated the MGA, authorized golf association and the central handicap authority for Minnesota, to administer and implement the USGA Handicap System License Program in Minnesota, designed to better maintain the integrity and reliability of the USGA Handicap System.

MGA Members can track their Handicap Index by receiving the MGA eRevision through email, sent out at each revision throughout the golf season.

The MGA issues approximately 70,000 handicaps annually, including reduced-rate handicaps for juniors. It only takes five scores to calculate a USGA Handicap Index. Minnesota's active season is April 1 to October 31. However, handicap revisions occur twice monthly on the 1st and 15th of each month throughout the year. Once a handicap is established, it can be verified on the Internet via the MGA's website, mngolf.org, or at ghin.com. The MGA has a full-time staff that provides superior customer service to all MGA member clubs and Associate Members who have questions relating to GHIN or the USGA Handicap System.

Growth of the Game

In 2003, the MGA and several key allied golf organizations formed the **Minnesota Golf Council** to “grow the game” in Minnesota.

Play Golf Minnesota

Play Golf Minnesota is a week-long series of golf events timed around spring's season-openings for golf in Minnesota. The Minnesota Golf Association and the Minnesota Section of the PGA of America partner in an awareness-raising program called Play Golf Minnesota. Last year, more than 50 golf courses from around the state participated in Play Golf Minnesota by hosting golf clinics, lessons and special offers targeted to beginner, junior, women and senior golfers.

PLAY GOLF MINNESOTA

The seventh annual Play Golf Minnesota week is scheduled for April 26-May 4, 2014. More information about the special events planned for the week and a list of participating golf courses can be found at playgolfminnesota.com. This is an important marketing opportunity for MGA member clubs to make golfers in their community aware of special events to get them more involved in the game.

Join the Club

“Join the Club” was launched as a way to link unaffiliated and new golfers to MGA clubs seeking new golfers. At mngolf.org, golfers can search and locate a golf club in their area that is searching for new members. Golf clubs can promote league and club memberships as well as allow unaffiliated golfers who are new to the game to sign up online for an MGA Membership.

“Bring Your Family to the Golf Course”

Now in its eleventh year, the MGA’s “Bring Your Family to the Golf Course” program has successfully introduced new players to the game and encouraged families and adults to participate in the game of a lifetime. MGA member courses participating in the “Bring Your Family” program offer a free green fee for youths under the age of 18 accompanied by a paying adult. Participating golf courses are encouraged to include lessons and clinics targeted to family golfers.

The 2014 program will run July 7-13 with a list of participating clubs at mngolf.org in late June. Many MGA courses find family programs an effective way to grow the game at their facility and run family programs throughout the summer.

Guest Speaker Bureau

The MGA provides a speaker service for club meetings or special gatherings to discuss MGA services, programs and other related topics.

Hole-in-One Certificates

The MGA recognizes holes-in-one made by MGA members on our website and in a comprehensive database is available at mngolf.org. MGA members can enter their “ace” information online including telling a story about their perfect shot and uploading a photo. Recent holes-in-one are featured on the homepage. Members can also report it to the club pro or manager where they had their hole-in-one to forward their information onto the MGA. Once a hole-in-one has been recorded online, a player may print out a handsome certificate recognizing their accomplishment or request the MGA staff to send out a printed certificate. In 2013, more than 615 holes-in-one were recorded by MGA Members. Simply go to the homepage of mngolf.org and look for the highlighted area recognizing holes-in-one. You can see recent hole-in-one stories and photos, explore the searchable MGA hole-in-one database and record your own hole-in-one!

Internship in Golf Administration

The MGA conducts a P.J. Boatwright Jr. internship program that provides education and training in all areas of golf administration. In 1991, the USGA established the P.J. Boatwright Jr. Internship Program, in honor of P.J. Boatwright Jr., a past United States Golf Association Director of Rules and Competitions. Each year, the USGA perpetuates a memorial tribute to P.J. Boatwright Jr. through funding of internship programs for regional golf associations throughout the country, including the MGA. This program is designed to give experience to individuals who are interested in pursuing a career in golf administration, while assisting state and regional golf associations, as well as other non-profit organizations dedicated to the promotion of amateur golf, on a short-term, entry level basis. Interns help conduct tournaments, junior golf programs, membership services, and other general activities that promote the best interests of golf.

Junior Golf

The MGA developed a junior program in 1961 and since that time, the program has grown. In order to preserve this trend, today and in the future, the MGA actively promotes junior golf throughout the state. Almost 900 juniors compete annually around the state in the MGA Junior Program. Both boys and girls are eligible to play up to their 19th birthday. MGA Member Clubs have been very supportive in this venture in donating tee times to accommodate these juniors as the program is provided at no cost to junior golfers.

The MGA's junior scope is even broader. The MGA offers the Minnesota State Junior Boys' Championship and works in conjunction with the Minnesota Women's Golf Association to offer the Minnesota State Junior Girls' Championship. The MGA also participates in national and international junior events. The MGA oversees United States Golf Association qualifying for the U.S. Junior Championship. Juniors who qualify locally compete at the national championship. The MGA helps defray the travel expenses so juniors from Minnesota can attend the event every year.

Member Days

This popular and growing program allows our MGA Members to play outstanding golf courses from around the state. Primarily an MGA Member benefit, this day of fun golf and camaraderie is also an opportunity for MGA member clubs to host a full field of avid golfers eager to experience a championship-quality event. There is a nominal fee for the golfer, which includes green fees, prizes, food and fun. See page 158 for the 2014 schedule.

Regional Meetings

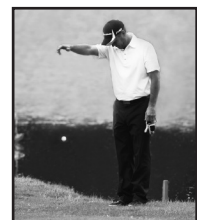

Regional meetings provide an opportunity for golf course officials and MGA members to meet and discuss various topics with MGA staff and directors as well as provide great networking opportunities for those attending. The purpose of these meetings are to educate attendees along with enhancing communication between the MGA, member clubs and individual members. Meetings are held throughout the state each year, providing local club officials the opportunity to meet and discuss how the MGA is serving the needs of local clubs and members, and to discuss issues that are specific to the local area.

Regional Volunteer Network

More than 300 volunteers dedicate their time and talent to work on 16 MGA committees making possible all the programs and services that make the game of golf better in Minnesota. In an effort to better serve MGA members throughout Minnesota, the MGA developed and implemented a regional format. The state is divided into six regions, including the Metro, Northwest, Northeast, Southwest, Southeast and West Central; each region is represented by a vice president who coordinates regional activities with the MGA staff. To help coordinate regional activities, each regional vice president works with a team of volunteer ambassadors to promote communication between the MGA and member clubs on the local level. The role of the ambassador is to develop better relationships and communication flow between the MGA and member clubs at a local level to ensure the best possible service.

Rules of Golf

The MGA coordinates and conducts sanctioned *Rules of Golf* workshops throughout Minnesota that are open to the public. Since 2004, the MGA office monitors a "rules hotline" to answer questions on the *Rules of Golf* during the evenings and weekends as an additional benefit to MGA member clubs, 1-800-642-4405, ext. 965 or 952-345-3965.

Senior Tour

In 1996, the MGA Senior Tour began as a series of 18-hole events to enable senior golfers of all playing abilities to participate in competitive MGA events. Today the MGA Senior Tour serves more than 800 senior players statewide. For the 2014 season there are four regional sections (for players 55 & older) and the Super Senior section (for players 70 & older), each offering their own schedule of nine 18-hole individual competitions. Additionally, four two-person team events and one 36-hole individual event are offered to all sections. Regional section events and All Section events include both net and gross competition in two divisions, Senior (ages 55-64) and Master (ages 65-over) while the Super Senior section has one division competing in net and gross. Entry to the MGA Senior Tour is open to amateur golfers who are current Members of the MGA and whose club is a member club of the MGA. Each year culminates with the Senior Tour Finals held at a prestigious course in the state. The top players from each section qualify.

New for 2014, opportunities for MGA senior women to participate in a few Senior Tour events are available. Contact Karen Spruth at 952-345-3978 or karen@mngolf.org for more details.

Tourism

Golf-related tourism is an important industry and vital to the state's economic engine. The golf industry accounts for more than **\$361 million** in golf-related revenues. The MGA supports golf tourism efforts through its joint partnership with the Explore Minnesota Golf Alliance and Explore Minnesota Tourism. The MGA's website, **mngolf.org**, provides a search engine of member club information enabling locals and out-of-towners to quickly access information ranging from phone numbers, green fees and directions to yardage, par, slope and course ratings for all MGA member clubs.

Turfgrass Research

The MGA provides complimentary USGA Agronomist visits to select MGA Member Clubs. Since the program's inception, approximately 135 courses have received a visit from a USGA Agronomist. Courses are selected based on hosting MGA events and for promoting MGA membership and programs. For more information, contact Joel Comstock at 952-345-3968.

USGA Liaison

The MGA, as the central handicap authority for Minnesota and an authorized golf association, is designated by the USGA to administer and implement the USGA Handicap System™ License Program. In addition, the MGA monitors national issues of importance to member clubs, processes amateur status reinstatement applications, and conducts local and sectional qualifying competitions for USGA championships, including the U.S. Open, Senior Open and Amateur Championship.

MGA AWARDS

MGA Member Club of the Year

Baker National Golf Club was named MGA Member Club of the Year in 2013. The honor is based on the facility's support of the MGA Associate Members program, involvement with the MGA Junior program, and willingness to host MGA championships and qualifiers.

In the early 1970's the Hennepin County Park Reserve District (now the Three Rivers Park District) purchased the Medina Golf Course from the original owner and developer. The 9 hole course was less than 3,000 yards and included a second nine solely consisting of par 3's. In 1990 construction of a new 18-hole, 6,800 yard championship course and a 5,200 square-foot clubhouse was completed. In 2000 Baker National redeveloped the original par-3 course as the new Evergreen Executive Course. Baker National's current 27-hole facility has a footprint in excess of 300 acres.

Baker National participates in the First Tee, a program dedicated to providing affordable and accessible golf opportunities to youth. In 1995, the course received the designation of "Certified Audubon Cooperative Sanctuary" for its efforts to protect and conserve natural resources and preserve the character and integrity of the land.

Over the years, Baker National has graciously hosted many MGA qualifiers and championships including: four MGA amateur qualifiers, two USGA junior qualifiers, 2004 MPGA Junior Public Links Championship, and the 2013 Minnesota State Junior Girls' Championship. In addition, the club has hosted a half dozen MGA Senior Tour events, several MGA Junior Team qualifiers and has been actively involved in the MGA Junior Program for many years.

Baker National actively supports the MGA's non-profit mission through a large and active MGA Associate Members program, which includes 737 active MGA members using the GHIN service. The staff of Baker National actively attend various MGA meetings and events.

The club received a plaque and is featured in the winter 2014 Directory Issue of *Minnesota Golfer*, the official publication of the MGA.

MGA Fritz Corrigan Evans Scholar of the Year

The MGA Fritz Corrigan Evans Scholar of the Year Award is bestowed annually to the Evans Scholar from the University of Minnesota chapter house for outstanding achievement in academics, leadership and community service.

The 2013 winner was Nina Wong, a senior at the University of Minnesota majoring in nursing. Nina caddied at Oak Ridge Country Club. In the Evans Scholars House, Nina served as Vice President of New Scholars and was a 2013 Evans Scholars National Committee Representative. In 2011, Nina received the Adelor J. Petit New Scholar of the Year award for being voted the top New Scholar by her fellow Chapter members. Throughout her four years, Nina was consistently voted by her peers to be in the top 25 percent of the Minnesota Evans Scholars Chapter Evaluations.

Nina spent time volunteering at a local church cooking breakfast for the church members and worked at a group home

where she worked with people who have a variety of mental and physical disabilities. Through her work as the Minnesota Evans Scholars philanthropy chair, Nina also organized blood drives and local running events.

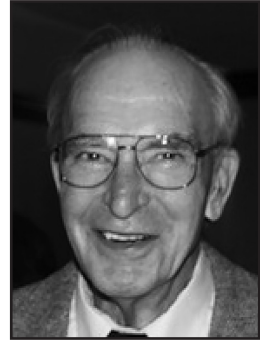

Nina set the bar high for her professional goals. She intends to graduate with a degree in Nursing in spring 2014 and plans to pursue a career in a hospital setting, possibly in the field of oncology.

The Warren J. Rebholz Distinguished Service Award

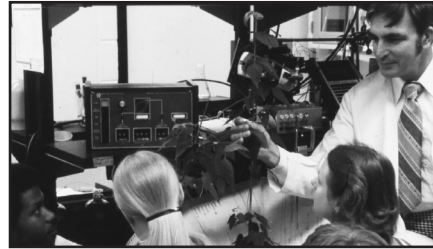

The Warren J. Rebholz Distinguished Service Award was established in 1994 to honor individuals who, through their actions, have exemplified the spirit of the game at its highest level and who have made a substantial contribution to the game in Minnesota, or on a national or international level. Individuals may come from any golf-related area or discipline. The award is named in honor of Warren Rebholz, the long-time MGA executive director (1970-1992) and former “Commish” of the popular MGA Senior Tour.

The 2013 recipient was Don White. Throughout his distinguished career, Dr. Donald White has had a significant impact on the turfgrass industry locally, nationally and internationally. He began teaching at the University of Minnesota in 1961, where he taught several courses related to turfgrass science, landscape design and nursery management to many of today’s superintendents throughout Minnesota and the United States.

As a scientist, Dr. White’s most important contribution to turfgrass research was the development of a commercially viable annual bluegrass, *poa annua*. His research led to the release of the first creeping bluegrass in 1997, and is being used by golf courses throughout the world including Pebble Beach. As an environmentalist, he was a proponent of prairie grasses and reduced impact grasses, later called “sustainable” turf. As an educator, his 45 years of passionate education touched many individuals who became professionals in the turf industry, both on and off the golf course. Before the USGA offered their on-course turf advisory services, Dr. White was providing consulting services on his own time to courses all across the Midwest.

2013 Recipient: Don White

His perseverance and drive have served the game well and his contributions to education and research have been invaluable to golf course superintendents in Minnesota and beyond. In 2006, the MGA and the Minnesota Section PGA recognized White’s career contributions by electing him into the Minnesota Golf Hall of Fame.

MGA-PGA MINNESOTA GOLF HALL OF FAME

MGA-PGA Minnesota Hall of Fame is located at Bunker Hills Golf Club

The MGA-PGA Minnesota Golf Hall of Fame was established in 1987 to recognize Minnesotans for their outstanding contributions to the game of golf. A task force meets annually to determine nominations. The MGA-PGA Minnesota Golf Hall of Fame is housed at Bunker Hills Golf Club in Coon Rapids and is operated and supported by the Minnesota Golf Association and the Minnesota Section of the Professional Golfers' Association of America. The 2013 inductees are following. For more information, contact MGA Executive Director, Tom Ryan at 952-345-3971 or Minnesota Section PGA Executive Director, Jon Tollette at 763-754-0820.

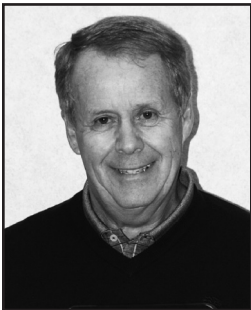

Clive Talbot "C.T." Jaffray

Clive Talbot "C.T." Jaffray

As the co-founder of The Minikahda Club in Minneapolis, Jaffray left his mark on Minnesota golf. Bringing to life the first permanent golf course in Minneapolis, serving on the executive committee of the USGA and as president of the MGA, Jaffray was instrumental in the game's early development in Minnesota. He was also an accomplished player, becoming the first club champion at the first golf club in the state (Town and Country Club, 1898), the first club champion at The Minikahda Club (1899), and an early State Amateur Champion (1906). Jaffray was given the honor of hitting the first shot at the Meadowbrook Golf Course when it opened for play in 1926, and four years later, at 65, he won the Minnesota Senior Amateur Championship.

Larry Murphy

As the Moorhead Country Club Head Professional for more than four decades, Larry Murphy has left an indelible mark as a mentor to numerous employees and assistant pros who have passed through the Moorhead golf shop, many of whom still thrive in the golf industry. One of his notable accomplishments includes the creation of the Fargo-Moorhead Junior Tour, which provides an excellent environment for junior golfers to learn competition golf. Murphy has served on the Minnesota Section PGA of America Board as well as the Dakota Chapter Board. He has won numerous awards from both sections, including Golf Professional of the Year four times (at the chapter level, 1995, 1996, 2000 and 2008), and the Section level (1989).

Larry Murphy

Claudia Pilot

Amateur golfer Claudia Pilot has had great success in Minnesota Women's golf. Pilot has collected numerous wins throughout her career including 12 Minnesota Women's Golf Association (MWGA) titles, 11 Minnesota Women's Public Golf Association (MWPGA) titles, seven Minnesota Golf Association (MGA) titles, and two Minnesota Golf Champions' titles. She has also been a participant and qualifier in many USGA events, reaching the quarterfinal matches at the U.S. Women's Mid-Amateur and Senior Women's Amateur championships, and earning medalist honors at the 2001 USGA Women's State Team. Pilot's competitive consistency has garnered her eight MGA Player of the Year honors, including MGA Women's Co-Player of the Year (1999); MGA Women's Player of the Year (2001-2003, 2005, 2008), and the MGA Senior Women's Player of the Year (2008, 2009).

Claudia Pilot

W.R. "Ray" Smith

As the very first Minnesota Golf Association executive secretary, W.R. "Ray" Smith was known as "Mr. Golf" in Minnesota. Elected to the MGA Board of Directors in 1938, Smith was responsible for keeping the MGA together during and after the turbulent war years. It was Smith's meticulous record keeping that helped make the MGA's reorganization in 1957 under a new set of bylaws go smoothly. Smith coached the Gopher golf team (1930-1946), and had a national collegiate champion in Louis Lick who won the 1940 NCAA individual title (the Gophers missed the team title by just one stroke).

W.R. "Ray" Smith

Smith expanded the University Golf Course from 9 to 18 holes, which was considered at the time to be one of the finest collegiate courses in the country. According to a contemporary newspaper account of Smith's retirement from the University in 1954, Minneapolis Tribune staff writer Bill Carlson credited Smith as having "saved" Minnesota golf, and wrote, "No major amateur tournament in Minnesota is played without his presence, his guiding hand, his knowledge of the rules and his unwavering gentility."

Rosalyn Wisen

Although amateur golfer Rosalyn Wisen was described as petite, she was able to capture seven Minnesota State titles in just five years, thanks to a fierce competitive fire, accuracy that rarely strayed from the fairway, and an excellent short game. She was a three-time MWGA Match Play Champion (1949, 1951, 1952); and a two-time MWGA State Amateur Champion (1952, 1953) and MWPGA Public Links Champion (1954, 1955).

2013 Champion: Clayton Rask

After round one of the 2013 Minnesota Golf Champions Tournament, defending champion Clayton Rask found himself seven shots from the leader. In the final two rounds, Rask shot a staggering 8-under-par to come from behind to win his fourth MGC title Sunday at the Minneapolis Golf Club.

“This is his tournament,” Sammy Schmitz said of Rask following the final round Sunday. Schmitz shot a 3-under par 69 (211) to come up one stroke shy of a playoff with Rask.

With one hole left to play, Rask was still uncertain how players ahead of him had fared.

“Sammy (Schmitz, playing in the group ahead of Rask) told me he thought I was either tied or up by one when we were on 17, so I knew I had to either make par or birdie on the last hole,” Rask explained.

His tee shot on the 18th split the fairway and left himself about 140-yards to the pin. Rask pulled his second shot into the second cut to the left of the green and got a bad bounce on his third, which left him with a slippery, four-foot downhill putt for the victory.

After Tom Hoge and Ryan Helminen both made their putts, Rask buried his par putt to seal the championship at 6-under par 210. Rask claimed his second straight MGC title and fourth overall (2013, 2012, 2007, 2005).

Schmitz, the 2011, 2012 and 2013 Minnesota Golf Association Player of the Year, would bogey the 17th and par the final hole to finish at 5-under par 211 and take low amateur honors.

MGA/PGA CUP MATCHES *Continued*

With a 26-8-2 record against the amateurs of the Minnesota Golf Association, coming into this year's match, it would be easy to assume that the PGA professionals would have little trouble expanding that lead in the 2013 MGA/PGA Cup Matches. The MGA put up an honorable fight in a see-saw battle, but in the end the PGA would win the 37th annual contest 22-18 at Indian Hills Golf Club.

MWPGA FOUR-BALL CHAMPIONSHIP

Format: This is an 18 hole four-ball stroke play competition where two women play as partners, each playing her own ball. The lower score of the partners is the score for the hole.

Eligibility: Players must be current MWPGA league members. Team members may belong to different clubs. The lower handicap on each team determines the team's flight.

2013 Champions: Olivia Lansing & Kristen Wagner

For the third year in a row, and fourth in the past five years, Olivia Lansing has found herself on top of the leaderboard at the MWPGA Four-Ball Championship – and each of her four titles, she's won with a different partner.

It took two playoff holes but Lansing and partner, Kristen Wagner, prevailed as the top performers at Bunker Hills Golf Club.

Lansing, Manitou Ridge GC, and Wagner, Baker National GC, finished their round with a 3-under par 69, which tied them with Brenda Williams and Claudia Pilot and sent them to a playoff.

On the first playoff hole, Lansing and Wagner missed their birdie opportunity, Pilot had a chance to clinch the playoff with a 6-foot birdie putt. Pilot just burned the right edge and both teams made par to force a second playoff hole.

Wagner and Lansing easily found the fairway on the West Course's 430-yard par-5 second hole. Williams' tee shot found the left fairway bunker and Pilot's tee shot put her in trouble along the right rough amongst a row of trees. Williams laid up on her second and Pilot punched a low shot under trees and into the middle of the fairway to set up a good look at the green with her third shot.

Wagner's second shot found the right rough about 10-yards short of the green while Lansing blasted a fairway wood that found the middle of the green and left her with a 40-foot eagle putt for the victory. Both Pilot and Williams would grind to make pars, and after Lansing left her eagle putt short, Wagner drained her 6-foot birdie putt to seal the victory.

"It's a fun day and a great tournament to start the season with," Lansing said.

2013 Champion: Claudia Pilot

If Claudia Pilot's favorite number before the weekend wasn't four, it certainly is now. Pilot rallied from four strokes behind leader Kendal Hake at the 2013 Minnesota Golf Association's Women's Mid-Amateur Championship at Cragun's Resort to win her fourth Mid-Am title by—four strokes.

Pilot posted the low round of the tournament on the final round as she shot an even par 72, carding three birdies and three bogeys en route to her fourth title.

Pilot began her day with pars on the first two holes before dropping a shot on the 290-yard, par-4, third hole, but bounced right back with a birdie on the fourth to stay even. Another birdie on the sixth hole dropped her to 1-under par but a bogey on the eighth hole would again bring her to even as she would finish her first nine holes at even par 36.

Her strong play continued right into the back nine as she would par her first five holes before a bogey on the 15th put her at 1-over for the round. But again, she responded on the very next hole with a birdie on the 440-yard, par-5 16th to stay at even par. With two final pars, Pilot's tournament was complete shooting a second-round 72 (151) to claim her fourth title by four strokes.

Kendal Hake, Heritage Links Golf Club, the leader after the first round, struggled on day two as she relinquished her two-stroke lead over the closest competitors and finished the tournament with an 8-over par 80 (155).

Claudia Pilot

Also finishing in a tie for second was Leigh Klasse, Keller Golf Club, who entered Monday's final round two strokes behind the leader.

Klasse appeared as though she would make a serious run at her seventh title as she finished even par on the front nine, but three double-bogeys on the final nine holes and Klasse would see her chances slip. She finished the round 6-over par 78, and finished 11-over par for the tournament (155).

2013 Champion: Don Berry

Don Berry

For the second year in a row Don Berry has found himself on top of the leader board at the Minnesota Senior open. The championship this year, however, may be just a bit sweeter. Berry shot a final round 70 Wednesday at Hillcrest Golf Club to hoist the trophy in back-to-back attempts.

"I've played more golf in the past two weeks than I have since I was a kid," Berry joked.

On Monday, June 3, Berry, Rogers, Minn., played 36 holes in a U.S. Open Sectional Qualifier at Old Warson Country Club in St. Louis. Monday night he hopped in his truck to drive almost 600 miles home to play in the Minnesota Senior Open Tuesday afternoon. He would fall short of his U.S. Open bid by shooting 75-75—150, finishing tied for 14th place.

"I got off to a really bad start (Tuesday) by bogeying three of my first four holes and just seemed to have trouble getting into my round," he said. Things quickly turned around for Berry during his opening round Tuesday as he went 3-under on his final 14 holes to finish even par.

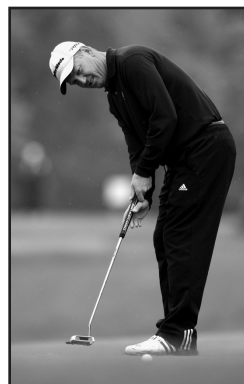

"I knew I'd have to play really well today to have a chance. I needed to putt well and I made a lot of putts on the front today so I was able to get off to a good start," Berry said. Berry's round Wednesday was a mirrored image of his round the day before as he started with birdies on 2, 4 and 6 to quickly move to 3-under par. He rounded out his front nine with three pars to shoot 33.

2013 Champions: Ryan Helminen & Martha Nause

After a weekend of generally dreary -- and occasionally really ugly -- weather, during which time tournament officials and players just hoped they could get all 54 holes in the books, the sun showed up, and the skies cleared in the west just as the last two foursomes were playing their final holes. It was a nice way to end the tournament, at least. But for most of the day, the conditions weren't nearly so benign.

Ryan Helminen, who was in second place at the start of the final round, assessed the situation and decided on a conservative game plan. "I just wanted to hit every green (in regulation) and make a lot of two-putt pars," he said. Basically, he intended to bore the course into submission, and he thought that if could do that, he would end up with the \$6,000 check for first place. He was exactly right. Of course, the hard part was executing his strategy. It's one thing to say you're going to hit every green, and another thing to actually go out and do it. Nevertheless, that was precisely what Helminen did.

2013 Champion: Leigh Klasse

For the third time in Minnesota Women's Public Golf Association Match Play history, Leigh Klasse and Olivia Herrick have played each other in the championship match. And for the third time it took extra holes to determine a winner.

Klasse, Keller Golf Club, defeated Herrick on the first playoff hole in a back and forth match to capture her third title in eight years (2006, 2009, 2013). Klasse held a slim 1-up lead heading into the final hole and had an opportunity to clinch the championship but her putt hung on the lip and wouldn't drop as Herrick won the hole and evened the match. On the first playoff hole, Herrick's approach shot landed 10 yards shy of the green while Klasse put her second shot to about six inches to all but seal the tournament.

MPGA FOUR-BALL CHAMPIONSHIP

Format: 36 holes of Four-Ball stroke play in four flights including one Championship Flight (no handicap) and the remaining entries split as equally as possible using a ranking of combined handicaps into three flights. Each team member playing with 90% of his sloped handicap. The cumulative 36-hole team score (best-ball net of the team from each hole) will be the team's score for the championship.

Eligibility: Amateur players who are members of a club that is a member of the Minnesota Public Golf Association (MPGA) and carry an active GHIN handicap.

Handicap Index: The partner's handicap indexes may not differ by more than 8.0 at time of entry. If the difference in handicaps changes to more than 8.0 between partners when the pairings are set-up, the higher handicap player will be reduced to 8.0 above the lower handicap player and then be put into the correct division.

36TH MPGA FOUR-BALL CHAMPIONSHIP

June 15-16, 2013

Eastwood Golf Club, Rochester, Minn.

6,602 yards, par 71

2013 Champions: Trent Peterson & JT Johnson

Trent Peterson and JT Johnson teamed up in the Minnesota State Public Links Four-Ball Championship and combined for a 66 on round one. This put them in a five-way tie for first. On day two, scores were significantly higher in general, but Peterson and Johnson went in the other direction. They closed out the front nine with four consecutive birdies, and that spurt sent them on the way to a 65, which gave them a weekend tab of 131 and a one-stroke victory.

The hometown team of Steve Hjortness and Kennedy Cheruiyot -- both are members at Eastwood -- finished at 132. From there, it was another four back to the third place finishers, who were also last year's winners, Curtis Mohr and Tyler Goss.

June 18-20, 2013

Island View GC, Waconia, Minn.

6,578 yards, par 72

2013 Champion: Troy Johnson

Troy Johnson has an extensive golf resume with several championship victories and he can add one more after he defeated Jesse Bull 3 and 2 to win the 2013 Minnesota Golf Association's Mid-Players Championship at Island View Golf Club.

Along with winning the MGA Mid-Players twice (2009, 2013), Johnson won the 2011 Minnesota State Open, the 2010 MGA Mid-Amateur, the 2008 MPGA State Public Links Championship and the 2007 MPGA Four Ball Championship.

In the final round Johnson, Rush Creek Golf Club, birdied the first hole, but unfortunately his counterpart Bull eagled the first hole and Johnson found himself 1-down immediately.

The two halved the next three holes before Johnson answered with a birdie on the par-4 fifth hole to bring the match even. Bull took advantage of a Johnson bogey on the sixth hole to again take a 1-up lead.

On the par-4 seventh hole, the match shifted and Johnson began to take control as he would birdie the seventh to even the match and birdie the eighth to take his first lead of the match and would never give it back.

Johnson took his biggest lead of the day at 2-up when he capitalized on a bogey by Bull on the 12th hole, but Bull came charging back to make birdie on the following hole to keep the match close.

Another bogey by Bull on the 15th put Johnson 2-up with three holes to play and with Johnson's 7-foot birdie putt on the 17th, the tournament was over and the hardware in-hand.

2013 RESULTS

14TH MGA SENIOR PLAYERS' CHAMPIONSHIP

June 18-20, 2013

Island View GC, Waconia, Minn.

6,252 yards, par 71

2013 Champion: Steve Whittaker

After almost a year away from golf, Steve Whittaker proved that he still remains one of the best senior amateur golfers in the state by winning the 2013 Minnesota Golf Association's Senior Players Championship, defeating Tom Ryan 2 and 1.

Whittaker, Pebble Creek Golf Club, overcame a 3-down deficit through nine holes and overtook the lead with four holes remaining.

Tom Ryan, Hazeltine National Golf Club, got off to a quick lead as he took advantage of two back-to-back bogeys by Whittaker on the fourth and fifth holes to take a 2-up lead. Ryan birdied the par-3 sixth hole by chipping in from about 30 yards and it appeared as though he was in complete control of the match.

But momentum began to swing in Whittaker's favor as Ryan would bogey three straight holes to end the back nine, maintaining just a 1-up lead.

Staying patient paid off for Whittaker as he made back-to-back birdies on the 14th and 15th to take a big 2-up lead into the 16th hole. The two would have the par-3 16th and from there Ryan would need to win the last two holes to extend the match.

Both players were on the green in three shots on the par-5 17th and both had about 25 foot putts for birdie. When Whittaker's par putt didn't drop in the cup, Ryan had an opportunity to win the hole but his par putt went just wide and Whittaker closed out the match, winning 2 and 1.

"I had a string of bad holes and he went three up right away, but I'm a grinder. Good shots and bad shots are a part of golf," Whittaker said after his victory. "I just kept telling myself to do my best on every shot and soon he had a few bad holes and things changed."

It's a scary thought for a two-time MGA Senior Player of the year, who won his first tournament after almost a year away from the game and three major surgeries, to grade his game as only a 'B-plus' or 'C-plus.'

"Am I back to playing the way I was before? Not yet. But I'm going to be doing my best," he said.

"It was fun; a good experience. To win four matches before the championship was fun. With the injury last year, I haven't played well in a while. My game matched up against everyone I played with. To beat Leif (Carlson), the reigning senior player of the year and to play tough against a two-time player of the year is something I'm proud of."

2013 Champion: Genki Hirayama

Gopher Genki Hirayama got off to a great start and a big lead early at the 2013 Minnesota Golf Association's Players Championship at Interlachen Country Club.

But like the day before, Hirayama's lead would shrink to make the match a little closer than he would've probably liked.

Hirayama faced Trent Peterson, Valleywood Golf Course, in the championship match and again Hirayama had a sizable lead early but even though his lead wavered, he was able to hang on to win the championship, 3 and 2.

"I still don't believe that I won. After the 16th hole I was ready to go to the 17th and 18th," Hirayama said after his championship victory. Even after he won Hirayama walked over to his caddie and asked, "Did I seriously just win this tournament?"

He most certainly did, playing extraordinary golf over six rounds in grueling conditions at one of the best golf courses in the state. Of course, it probably didn't hurt that Hirayama is a caddie at Interlachen.

2013 Champion: Sammy Schmitz

Sammy Schmitz

For the past two seasons, Sammy Schmitz has been one of the most dominant amateur golfers the state has seen. Schmitz widened his lead from the first round to win the 2013 Twin Cities Championship at Hastings Country Club.

Schmitz, Valleywood Golf Course, shot a final round 1-over par 73 to finish at 141 for the tournament, winning by three strokes over defending champion Dylan Gergen, Trent Peterson and Jon Trasmer, all of whom finished at 144.

With his consistent play in 2011, one victory and four Top-10 finishes, Schmitz earned the Minnesota Golf Association's Player of the Year award. With five victories and three Top-10 finishes in 2012, it was a no-brainer that he would earn Player of the Year honors again.

In the first round Schmitz fired a 4-under par 68 in the first round of the Twin Cities Championship at Bunker Hills and held a 2-stroke lead over the defending champion Gergen going into the final round at Hastings Country Club.

After his victory, Schmitz said his familiarity with the course paid off in the final round. “The first three holes were tough but after that I played good on the front nine; I’m just comfortable here,” he said. “I hit a huge drive on 10 and made birdie, so I was 3-under through 10. My goal, I figured, was if I shot 69 or 68, I would be just fine.”

“To win feels good, but it was because we had a really good battle out there. It’s not a deep field – it’s not 156 golfers. It’s a bit of a reduced tournament, but all of the scores were really good. On the 28th hole I was 7-under and Dylan was 5-under,” Schmitz said.

*2013 Overall Champions:
Samantha Sommers & Daryl Schomer*

Carrying a 1-stroke advantage to Tuesday's final round, Samantha Sommers and Daryl Schomer finished at 10-under par 134 in a tie for first place with Samantha Falk and Tyler McMorrow, and needed an extra hole to earn the victory.

After 36 holes the two teams would head back to the 18th hole to decide the winner, which eventually came down to one putt.

Sommers and Schomer landed just short of the green with their second shot. Sommers' putt went about four feet past the hole but Schomer cleaned up and made par. Falk and McMorrow's second shot landed short as well and Falk sent her birdie putt well past the hole leaving McMorrow with a tricky putt to force another playoff. McMorrow knew immediately when the ball left the face of his putter that his putt had missed and the tournament was over.

2013 Champion: Jack Holmgren

Jack Holmgren

Jack Holmgren rallied from two strokes down in the first round to win the 2013 Minnesota State Junior Boys' Championship at Dacotah Ridge Golf Club.

Holmgren shot an opening round 71 and found himself tied for fourth just two strokes behind the leader. Holmgren turned in an impressive 2-under par in the second round despite blustery conditions.

He opened his round with five consecutive pars before a birdie on the par-5 sixth hole put him at 1-under. Holmgren bogeyed the ninth hole to make the turn even par.

"Coming into the last hole I knew I was up by one. Both Matt (Rachey) and I made bogey on 18 and Freddy (Thomas) had a nine on the last hole so I knew I had won," Holmgren said.

Holmgren's consistency proved to be the difference as he hit 14 of 18 greens in regulation and missed only four fairways during his final round. "It's exciting to win—it feels like a lot of hard work has paid off. I'm excited for my upcoming events and to test myself the rest of the summer," Holmgren said after his victory.

2013 Champion: Kate Smith

Kate Smith

At the Class AA Girls State Golf Tournament in June, Detroit Lakes' Kate Smith anxiously awaited her tee time before the skies opened up and rain ferociously fell delaying the start of the final round by nearly five hours.

Smith had similar thoughts cross her mind as strong thunderstorms with heavy rain and strong winds delayed the final round of the 2013 Minnesota State Junior Girls' Championship by two hours.

When things settled and players took to the course, Smith turned in another stellar performance to capture the title by shooting a final round 76 to win by five shots at 147.

"I got off to another good start—I was 2-under through four holes. The wind picked up and I hit a few shots astray, but I played consistent to finish the front nine even par," Smith said.

"I'm very happy; coming into this week I just wanted to play well. There is some really good talent—girls that are committed to some good schools. I wasn't expecting to do this well so it's a lot of fun," Smith said after her win.

Chaska Town Course, Chaska, Minn.

6,531 yards, par 72 boys • 5,628 yards, par 72 girls

Jack Holmgren and Anni Heck both qualified at Chaska Town Course for the 2013 National Junior PGA Championship.

Heck then carded a 7-over par 79 to narrowly beat Wayzata's Sarah Burnham by a stroke, finishing at 148.

At the national tournament July 30-August 2 at Trump National Golf Club in Potomac Falls, Va. neither Holmgren (+18, 74-81-76, 231) or Heck (+15, 79-76-73, 228) made the cut for the final fourth round.

66TH MWPGA STATE PUBLIC LINKS CHAMPIONSHIP

July 13-14, 2013

Ridges at Sand Creek, Jordan, Minn.
5,530 yards, par 72

2013 Champion: Cassie Deeg

Cassie Deeg

Cassie Deeg held off a ferocious run by Kristen Wagner at Ridges at Sand Creek to win the 2013 Minnesota Women's Public Golf Association Public Links Championship.

Deeg carried a one-stroke lead into the final round, but the tournament would be decided in extra holes as both Deeg and Wagner finished at 144.

"I birdied the first hole and was pretty steady after that. I had a couple of bad shots but nothing that got me in too much trouble," Deeg said of her opening nine holes.

Deeg had a perfect opportunity to close out the tournament on the first playoff hole as her second shot on the par-5 first hole got a spectacular bounce and rolled just past the pin, giving her about a 10-foot eagle putt to win.

Wagner answered with a masterful chip shot from the right rough and stopped her ball 10-feet for an excellent birdie opportunity. Deeg's eagle putt missed the right edge and she would tap in for birdie. Wagner stepped up yet again and made a great birdie putt to keep her chances alive.

On the second playoff hole, Deeg made her par putt to seal the victory after Wagner's par attempt rolled almost completely around the lip and stayed out of the cup.

110TH MGA AMATEUR CHAMPIONSHIP

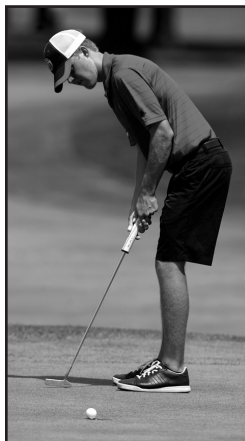

July 15-17, 2013

Medina Golf & Country Club, Medina, Minn.

7,257 yards, par 72

2013 Champion: Sam Matthew

Sam Matthew

When Sam Matthew began his first round at the 110th Minnesota Golf Association Amateur Tournament, he said he wasn't nervous. Despite being just 20-years-old, Matthew shot 2-under par to sit one-stroke behind the leader.

When he began his second round, surely some nerves would start to creep in. Not according to Matthew, he remained completely cool and collected and shot another effortless 2-under par 70 to take a one-stroke lead going into the final day.

Teeing off in the final group on the final day of the biggest amateur tournament in the state, Matthew had to have butterflies on the first tee box. Nope. He again insisted nerves weren't an issue.

It wasn't until late in the final round when Matthew, Roseville, Minn., began to feel the pressure mounting, glancing at the scores as he was closing in on the championship.

"When I got to 16 is when I started to feel it. I looked up and saw that I had a two-stroke lead and that's the first time I got nervous. I bogeyed the next hole, but knew all I had to do was make par on the last two holes," Matthew said.

That's exactly what Matthew did. He would make par on the final two holes to edge Ben Welle by a stroke, finishing at 4-under par 212 to win the amateur championship.

When his final putt dropped, Matthews took off his cap and with a wide grin, acknowledged the sizable crowd that had gathered on the final green as they cheered his 54-hole performance.

"It really hasn't sunk in yet. I didn't change anything from the first two days this week. I just wanted to stay consistent and avoid big numbers," he said.

96TH MINNESOTA STATE OPEN

July 19-21, 2013
Edinburgh USA, Brooklyn Park, Minn.
7,115 yards, par 72

2013 Champion: Jon DuToit

With a birdie on the first playoff hole, Minnesota Gopher Jon DuToit won the 2013 Minnesota State Open at Edinburgh USA Golf Club, beating 2010 Champion Clayton Rask and back-to-back Minnesota Golf Association Player of the Year Sammy Schmitz.

The final group of DuToit, Rask and Schmitz played extremely close as only two strokes separated the three for the majority of the afternoon. At the end of the 18th hole, the three were all tied at 8-under par.

On the first playoff hole, Rask fell short with a par, Schmitz missed his eight-foot birdie opportunity and DuToit wasted little time finding the middle of the cup for birdie and clinched the tournament.

Trent Peterson won the Minnesota Golf Association's Player of the Year honors in 2008. That year he won both the Minnesota Golf Association Players' Championship and the MGA Amateur Championship.

With eight Top 10 finishes in 2013, Peterson was in the running again for Player of the Year, strengthening his case with a victory at the 2013 MPGA State Match Play Championship.

Peterson, jumped out to big 5-up lead over Jordan Hawkinson but Hawkinson, battled back on the final nine holes to get to 2-down, but Peterson would prevail and go on to win his first tournament of the season, 2 and 1.

INAUGURAL MPGA SENIOR MATCH PLAY CHAMPIONSHIP

July 26-28, 2013

Pebble Creek Golf Club Becker, Minn.

6,419 yards, par 72

Bruce Hegland won his second consecutive tournament as he held off a surging Steve Whittaker to take the MPGA Senior State Match Play crown. Hegland, Cannon Golf Club, won the MPGA State Senior Public Links July 22 at Southbrook Golf Club.

Hegland took an early 1-up lead after a birdie on the third hole and increased his lead to 2-up with another birdie on the seventh. With a Whittaker bogey on the 10th hole, Hegland's lead increased again to 3-up.

Whittaker, Pebble Creek Golf Club, did battle back on the back nine though and on the 17th, he made birdie so that Hegland was just 1-up with one hole to play.

Both Hegland and Whittaker found the green with their approach shots on the final hole. Hegland's birdie rolled just short, giving Whittaker an opportunity to extend the match if he made his 6-foot birdie. Whittaker's putt just missed the left edge of the cup and Hegland clinched the inaugural championship.

18TH MINNESOTA WOMEN'S STATE MATCH PLAY CHAMPIONSHIP

July 29-31, 2013

The Jewel Golf Club, Lake City, Minn.

6,001 yards, par 73

Minnesota Gopher Anna Laorr played impressively at the 2013 Minnesota Women's Golf Association State Match Play Championship at the Jewel Golf Club. Over the three-day tournament, Laorr, faced and defeated three of the state's top women golfers. In the quarterfinal, Laorr defeated McKenzie Neisen, 4 and 3. Neisen, New Prague Golf Club, competed at the 65th U.S. Girls' Junior Championship a week earlier and has seven Top 10 finishes in the past three years of amateur golf.

In the semifinals, Laorr defeated Sarah Burnham, Rush Creek Golf Club, rather handily, 5 and 4. Burnham is the defending Twin Cities Junior Girls' champion as well as the reigning Minnesota Women's Amateur champion. Burnham was also named the 2012 Minnesota Golf Association Women's and Junior Girls' Player of the Year and has 10 finishes in the Top 10 during the past two seasons.

For the championship match, Laorr had the daunting task of playing Olivia Herrick. Herrick was named MGA Women's Player of the Year in 2010 and has accumulated 15 championships during her amateur golf career. Laorr clinched the match on the 17th hole winning 2 and 1.

Leigh Klasse, Keller Golf Club, added yet another title to her resume as she defeated Claudia Pilot to win the 2013 MWGA State Senior Match Play Championship. It was her second straight year as she downed Brenda Williams at Mankato Golf Club a year ago.

Klasse got out to a quick lead over Pilot winning the second hole to take a 1-up lead. With two consecutive bogeys on three and four, Klasse's lead quickly jumped to 3-up after just four holes. She held that lead through nine holes. Pilot would win the 10th hole but Klasse took charge shortly after winning three straight holes before clinching the tournament on the 14th hole to win, 5 and 4.

89TH MPGA PUBLIC LINKS CHAMPIONSHIP

August 17-18, 2013

Baker National Golf Club, Medina, Minn.

6,762 yards, par 72

A week prior at Valleywood Golf Course, Trent Peterson took down Justin Bursleson and Sammy Schmitz to win the Club Championship and to put an end to Schmitz's three-year run. Schmitz had a chance for redemption with a little more at stake as he took a two-stroke lead into the final round of the MPGA State Public Links Championship at Baker National Golf Course. Schmitz carded a 3-under par 69 to cruise to his second tournament win of the season by six strokes over nearest competitor Julian Ramirez.

Ramirez, Riverwood National Golf Club, had his best finish of the year as he carded a 3-under par 69 Sunday to finish at 142.

Jordan Hawkinson, Chisago Lakes Golf Course, posted a final round 2-over par 74 to finish in third place at 144. Hawkinson had back-to-back bogeys on the third and fourth holes to go 2-over for the round but responded with a birdie on the sixth hole to get back to 1-over.

92ND MGA SENIOR AMATEUR CHAMPIONSHIP

August 27-29, 2013

Bearpath Golf and Country Club, Eden Prairie, Minn.

6,407 yards, par 72/5,722 par 72 (Grand Master)

2013 Champion: Jim Lehman

When Jim Lehman walked up to the 17th tee box during the final round at Bearpath Golf and Country Club, he trailed David Kokesh by one stroke with two holes to play in the 2013 Minnesota Golf Association Senior Amateur Championship. By the time he got to the 18th tee box, he held a one-stroke lead thanks to the biggest putt of the tournament. Lehman drilled a massive, 40-foot, left to right putt for birdie to take the lead and would go on to win the championship by a stroke at even par 216, as Kokesh finished at 1-over 217.

“I feel very lucky that I made that putt,” Lehman said after the victory. “I was just trying to two-putt and saw a nice line with a left to right break but I hit it really good and it went in. I don’t make a lot of long putts, so I felt like it was a miracle that it went in.”

Joseph Eichten, Stillwater Country Club, carded a final round 70 to finish the tournament in third place at 2-over par 218.

Steve Whittaker, the 2011 champion, finished in fourth place at 3-over par 219, while last year’s winner, Mark Knutson, finished in a tie for fifth place at 4-over par 220.

With a tap-in for par on the first playoff hole at Alexandria Golf Club, Josh Blackman ended Sammy Schmitz’s two-year run as champion.

Blackman began his round two strokes behind the leader and carded an even par 72 before making par in the playoff to defeat Schmitz and David Steingart. It’s the second title for Blackman as he took home the 2005 crown when the championship was played at both Rochester Golf and Country Club and Cannon Golf Club.

“I got off to a good start in the first round at Alexandria Golf Club. I putted pretty well, but I didn’t play very well yesterday at Geneva. It was a tough course—I’d never played it before and didn’t really know where I was going,” Blackman said. “Today I wanted to keep the ball in front of me and avoid big numbers,” he said.

MGA

MID-AMATEUR

Blackman, Mankato Golf Club, began his round with nine straight pars, shooting even par 36 on the front nine to stay at 2-over for the tournament. With a birdie on the par-4 10th hole, Blackman was able to get to 1-under and made another birdie on the 12th to get to 2-under.

After back-to-back bogeys on the 13th and 15th holes, Blackman found himself at even par again. His approach on the 16th found the fringe on the right side of the green, but Blackman rolled his birdie putt perfectly to the cup and it fell to put him back at 1-under for the round.

On the final hole Blackman's approach found the sand left of the green and his third shot rolled to five feet. Blackman pushed his par putt right and he tapped in for bogey to finish the round even par and 2-over par for the tournament (219).

"I scrambled well," Blackman said. "I didn't really know where I stood and when we got to the 16th green people started to flock so I thought something was up. I had an inkling that it was between me and [Steingart]."

Eight years after his first victory, Blackman said he's proud of the way he competed during the week and didn't give up after shooting 76 in the second round.

"It means a lot," Blackman said after the victory. "I didn't play in a lot of MGA stuff because we moved out of state. It's nice to know that eight years later, I can still play as good as I did when I was 33. I think I'm better now than I was when I won the first time."

Schmitz, the 2011 and 2012 MGA Player of the Year, had a chance to make par and force a second playoff but his quick, left to right putt just grabbed the right edge and refused to drop.

David Steingart, Edina Country Club, started the final round one stroke behind the leader and posted a 1-over par 73 to finish at 2-over 219 as well. Steingart had an opportunity to win the tournament but made double-bogey on the final hole before going to a three-way playoff.

2013 RESULTS

40TH MGA SENIOR AMATEUR FOUR-BALL CHAMPIONSHIP

September 16-17, 2013

Bent Creek Golf Club, Eden Prairie, Minn.

6,522 yards, par 72

2013 Champions: Tim Gonsior & Dick Blooston

Temperatures may have cooled off at the 2013 Minnesota Golf Association Senior Four Ball Championship at Bent Creek Golf Club, but the action on the course certainly did not.

Dick Blooston and his partner Tim Gonsior fired a final round 6-under par 65 to overcome a two-stroke deficit to win the championship by three strokes over the team of Leif Carlson and Greg Murphy, and the team of Jim Strandemo and Patrick Vincelli.

After a round of 69 the day before, Blooston, Bent Creek Golf Club, and Gonsior, Golden Valley Golf and Country Club, started on the 10th hole on day two and had everything going in the right direction immediately as Blooston dropped a 25-foot putt for birdie.

As the winds died down on the final nine holes the rain began to fall, but even it couldn't cool off Blooston and Gonsior as the two made four consecutive pars before a birdie at the par-4 fifth hole put the two at 5-under for the round, and 7-under for the tournament.

Carlson, Valleywood Golf Course, and Murphy, Keller Golf Club, took the early lead after the first round, shooting a 5-under par 66 but just couldn't get in sync in the final round as the two carded an even par 71 to finish the tournament at 5-under (137).

Also finishing tied for second was the pair of Strandemo and Vincelli who carded a meager 1-under par 70 in round one to come back with a flurry the next day, shooting 4-under par 67 to finish three strokes behind Blooston and Gonsior.

USGA STATE TEAM CHAMPIONSHIP

The USGA Men's State Team Championship, as well as the Women's State Team Championship, grew out of the USGA's Centennial celebration in 1995. It was believed that a new championship, one in which each state could be represented by non-college, amateur golfers, was a good way to cap the USGA's year-long birthday celebration. In enthusiasm and fine golf, the State Team Championship proved such a success that it has been instituted to return every two years, alternating men and women each year.

Invitations are extended for the Minnesota team based on MGA player point standings with an emphasis on recent finishes, and additional competitive criteria intended to field the strongest teams possible.

Format: Each state fields teams of three players. There are 54 holes of stroke play with only the best three scores counted each of three rounds.

USGA STATE TEAM CHAMPIONSHIP *Continued*

In the championship's short tenure, Minnesota amateur golf has shined: the men's team has won twice (1997, 2001), nearly won in 1999, and holds two more top-ten finishes; the women's team has one win (2001), and four top-ten finishes.

In 2001, the MGA's centennial year, Minnesota played host to the 4th USGA State Team championships -- the men's team was victorious at Hazeltine National Golf Club in Chaska, and the women's team also claimed a win at Woodhill Country Club in Wayzata - making Minnesota the only state to claim the men's and women's state team titles concurrently.

MPGA COMBINATION CHAMPIONSHIP

Format: This tournament is a 27 hole, one day event. Each two-man team will play nine holes partner best ball, nine holes partner scramble (best shot), and nine holes partner alternate shot. Divisions will be determined by the Committee based on the number of entries received and their combined handicaps. Teams will play within their divisions with no handicap.

Eligibility: Open to amateur players who are members of a club that is a member of the Minnesota Public Golf Association and carry an active GHIN handicap.

Handicap Index: The partner's handicap indexes may not differ by more than 8.0 at time of entry. If the difference in handicaps changes to more than 8.0 between partners when the pairings are set-up, the higher handicap player will be reduced to 8.0 above the lower handicap player and then be put into the correct division

- Minnesota historically ranks at or near the top in golfer participation in the U.S. In 2008, the Minnesota Golf Association's research found that 31 percent of Minnesota's household population play golf. Based on a household population of 2,080,877* (*source: Minn State Demographic Center, 2007 est.), approximately 654,000 residents call themselves golfers.
- Nearly 90 percent of Minnesota's golf courses are open to the public.
- The MGA counts 508 golf courses in the state: 55 private; 351 daily fee/semi-private, 83 municipal, and 19 resort.
- In 2006, Minnesota ranked 11th in the U.S. in number of golf facilities, according to NGF.
- Minnesota has 25 stand-alone driving ranges, according to NGF.
- The MGA provides the USGA GHIN Handicap service to its 70,000 associate members (76% men; 22% women; and 2% juniors, for the year ending 2012).
- MGA members posted 1.3 million rounds in 2013, or about 19 average rounds posted.
- More than half (52.7 percent) of surveyed respondents to a 2001 Minnesota Office of Tourism study said that golf was highly important in choosing their destination.
- Golf visitors ranked Minnesota fourth highest from a list of 13 golf destinations, behind only Florida, Arizona and South Carolina.
- Minnesota is the only state to have hosted all 13 USGA national championships, and the Walker Cup, Curtis Cup, and men's and women's State Team championships.
- In addition, Minnesota has hosted the 1932, 1954, 1959, 2002 and 2009 PGA Championships.
- Major championships on tap: 2016 Ryder Cup (Hazeltine National GC, Chaska); and 2017 USGA Senior Amateur Championship (The Minikahda Club, Minneapolis).
