Dress Code

For all MWGA-sponsored events and competitions, players and caddies shall be neat in appearance with respect to personal grooming and clothing. The following dress code shall apply to all grounds of the host club.

Appropriate golf attire in accordance with the host club’s dress code policy is required. In addition, MWGA Policy requires that sleeveless tops must have a collar. Shorts, skorts, or skirts should be fingertip length or longer (i.e. When the player’s arms are at her sides, the garment hem should be at or below the level of her fingertips.) In cases where the host club dress code and the MWGA dress code conflict, the stricter policy will apply.

Attire that is not acceptable includes, but is not limited to, the following: Cut-offs, sweat pants, midriff tops, racer-back shirts, tank tops, athletic shorts, T-shirts, blue denim jeans or shorts.

The player and her caddie shall check in at the registration table on the first day of the tournament. Thereafter the player and caddie shall check in with the starter 10 minutes before her scheduled starting time. The Official in Charge shall decide whether the dress code requirement has been met and shall have authority to withdraw the entry of a player not complying. If a player or caddie falls out of compliance on the golf course the player shall be disqualified.

It is the responsibility of each player to understand the rules governing the competition.
