## MESSAGE FROM THE PRESIDENT

On behalf of the 66,000 members and 400 member golf courses of the Minnesota Golf Association I would like to welcome you to the 2015 MGA Yearbook and Media Guide – a tool intended to inform and educate everyone connected with the game of golf in Minnesota about the many opportunities available for all golfers and golf enthusiasts.

For more than a century, the MGA has been leading the steward for amateur golf in our state. What started out in 1901, with seven member clubs and a goal to identify the best amateur player, has grown to encompass more than 24 state championships and national qualifiers. Competitions aside, MGA serves all golfers in a state that consistently ranks at or near the top in golfer participation. In fact, golf means approximately \$2.4 billion to the state's economy (read more at page 12). In association with 16 allied organizations representing those who make a living from the game to those who see the game as a way to improve other peoples' lives, the not-for-profit MGA is a year-round organization that serves the game for all golfers in Minnesota.

The MGA actively supports, financially and otherwise, a diverse number of organizations like the Western Golf Association's Evans Scholars program and a number of other organizations that promote the game to disabled golfers, disadvantaged youth and groups that have traditionally found challenges in their path when it comes to the game of golf.

In addition, our award-winning magazine, *Minnesota Golfer*, provides entertaining and informative coverage on the local golf scene, and our website, **mngolf.org**, is a primary resource for all information and events related to the MGA and golf in Minnesota.

The MGA is able to give back to the game because first and foremost our member clubs and associate members choose to join in and support the MGA. Our exceptional staff, board members, ambassadors and volunteers turn this support into an out-and-out wave of activity on behalf of the game in our state.

Thanks, everyone, your support is so greatly appreciated. Together let's make 2015 a great year for the game that we all love so much!

*Kip Colwell,  
MGA President*

## THE MGA STORY

The Minnesota Golf Association, founded in 1901, is a nonprofit organization dedicated to upholding and promoting the game of golf and its values for all golfers in Minnesota. The MGA currently serves more than 400 member clubs and 66,000 amateur golfers throughout the state which makes the MGA one of the largest golf associations in the country. The MGA, through its programs and services, strives to preserve the integrity of the game to make golf more enjoyable for all.

Seven golf clubs founded the Minnesota Golf Association in 1901, creating an organization designed to foster, promote and conserve golf within the state. In the more than 114 years since its inception, the MGA has produced a long list of services oriented towards the golfer, the golf course and the game itself.

The first of those services was the competitive golfing event, the Amateur Championship. First played at the conclusion of the MGA's inaugural meeting, the Amateur is one of the oldest and longest running sporting events in the state. It has become a popular tradition with over 800 golfers competing annually. The growth of golf has prompted the addition of events to the MGA's championship schedule. There are now 15 MGA amateur championships for golfers of all ages and abilities.

For the younger golfers, the MGA sponsors a statewide junior program. Each junior competes on a district level for three weeks. The top two teams and individuals in each district advance to regional competition where the top two teams and individuals from each region qualify for the MGA Junior Team Championship. Almost 900 juniors from approximately 125 courses participate every year.

Golfers interested in supporting the MGA can join the MGA's Membership Program through member clubs by contacting a club directly or through the MGA Join Online Program. Members receive a regularly updated USGA Handicap Index® and MGA publications including the *Minnesota Golfer* magazine and the MGA Member Links eNewsletter, and have the opportunity to compete in MGA championships and events. Associate Member dues are the primary source of funding for the MGA's services.

For the golf courses in the state, the MGA offers club memberships. With a tradition founded on service, the MGA offers golf courses a unique network of information and assistance. An extensive course rating program keeps MGA member clubs' ratings up to USGA standards. This ensures that every member handicap accurately reflects a golfer's potential ability. MGA member clubs also receive club rosters, tournament schedules, course rating posters and dozens of other important pieces of literature each year. An MGA golf calendar informs golfers about various club events and tournaments that occur around the state. The MGA compiles these dates every spring and sends the calendar to all Associate Members on its mailing list – more than 55,000 households.

When new courses, tourists and Minnesotans need information, the MGA's databases include names, numbers and facts to answer almost any inquiry. The MGA also includes a volunteer network of MGA directors. These individuals are largely responsible for assisting the MGA with its communications and services around the state. In addition, the MGA actively monitors state legislation to ensure the best interests of the game of golf are pursued. Any changes that will affect MGA member clubs are quickly passed along.

With the *Rules of Golf* being an integral part of the game, rules education and dissemination are an important service offered by the MGA. Not only does the MGA have input on the USGA's Rules of Golf Committee, it actively advocates those rules around the state. This involvement includes the sale of *Rules of Golf* and *Decisions* books, managing the Rules Hotline and the presentation of Rules Seminars.

# **ALLIED GOLF ASSOCIATIONS** *and Frequently Used Contacts*

Minnesota is fortunate to have several golf associations that serve the game of golf in a variety of ways and the MGA is privileged to work with its many allies. To ensure the health of golf in Minnesota, the MGA supports other state allied golf associations through administrative and financial support and resource sharing. The golf industry's direct impact to Minnesota's economy is \$1.2 billion annually, so the golf industry's health is vital to many Minnesota citizens.

An Allied Association is an organization that is golf-related and has a mission or vision that is consistent with the MGA's mission. The MGA and allied associations work to support each others' missions or visions while respecting each association's unique role in fostering the game of golf in Minnesota. ## Advocacy for Golf in Minnesota

The MGA monitors the state capitol for legislative issues that might impact golf in Minnesota. Over the last several years, the MGA and its Allied Associations have worked with legislators on a number of issues including creating legislation ensuring the regulated use of phosphorus by golf courses and developing proportional property taxes for Minnesota golf courses.

## Golf is a \$2.4 billion Industry in Minnesota.

In general, golf in Minnesota provides \$361 million in golf tourism, \$776 million in wage earnings (34,653 jobs), and \$52 million in funds raised for charity. Minnesota golf is part of a larger \$76 billion U.S. economy (Golf 20/20).

The MGA and allied associations commissioned an Economic Impact Study of the Golf Industry to articulate the contribution of golf to Minnesota's economy and establish the golf industry as a significant business sector. In 2006, the size of Minnesota's direct golf economy was approximately \$1.2 billion (or a total of \$2.4 billion, if the effects of golf dollars from other linked industries are factored in). The golf industry is on a par with several other important industries: dairy products (\$1.1 billion), printed circuitry (\$1.3 billion), and accounting, tax and payroll (\$1.4 billion).

## Course Rating & Measuring

One of the responsibilities of the MGA as the central handicap authority for Minnesota and authorized golf associations is to provide course rating and measuring services to its member clubs. MGA member clubs are usually rated three times in their first ten years of existence. More mature courses are re-rated every five-to-seven years. This ensures the accuracy and effectiveness of the USGA Handicap System™ for all MGA member clubs. New and reconstructed courses are a top priority at the MGA. Nearly all courses within the United States have been measured and rated using the USGA Course Rating System™ Rating guidelines. This allows golfers to report their scores from any of these courses in the country for handicapping purposes. The use of the USGA Course Rating System makes the USGA Handicap Index™ portable from course to course. MGA course raters have attended USGA calibration seminars and training sessions to qualify for their positions. Each year the MGA's two course rating teams measure and rate approximately 100 golf courses in Minnesota. Laser measuring and strict adherence to USGA specifications ensures accurate ratings at all MGA member clubs. The MGA rating teams are among the top rating teams in the United States.

## Evans Scholars – College Scholarships

The MGA, in association with the Western Golf Association, provides Evans Scholarships to deserving caddies. Scholarships are awarded to caddies with financial need who have demonstrated outstanding scholastic performance and community service. Scholarships include tuition and housing. Currently, there are sixty active scholars at the University of Minnesota, eleven of whom are women. Since 1930, when the first two Scholars enrolled at Northwestern University, nearly 10,000 Evans Scholars Alumni have graduated from college, including more than 600 from Minnesota. For more information, contact Anne Colehour at 952-345-3969.

## For the Good of the Game – And its Future Success

The MGA is proud to support programs such as the Evans Scholars Foundation, the Fairway Foundation, the Minnesota Minority Junior Golf Association, the Physically Limited Golfers' Association and The First Tee. In addition to the recognition as allied associations, the MGA publishes an annual golf calendar helping to raise awareness of charitable golf tournament fundraising at MGA member clubs.

### GHIN Handicap Service

The USGA Handicap System™ was developed to make the game of golf more enjoyable by enabling players of differing skill levels the ability to compete on an equitable basis. The system provides a Course Handicap™, regardless of ability, and adjusts the player's USGA Handicap Index® up or down as his or her game changes. A USGA Handicap Index, issued by a golf club or authorized golf association, is a service mark of the USGA, and indicates a measurement of a player's potential ability on a course of standard playing difficulty.

On January 1, 2005, the MGA, authorized golf association and the central handicap authority for Minnesota, to administer and implement the USGA Handicap System License Program in Minnesota, designed to better maintain the integrity and reliability of the USGA Handicap System.

MGA Members can track their Handicap Index by receiving the MGA eRevision through email, sent out at each revision throughout the golf season.

The MGA issues approximately 66,000 handicaps annually, including reduced-rate handicaps for juniors. It only takes five scores to calculate a USGA Handicap Index. Minnesota's active season is April 1 to October 31. However, handicap revisions occur twice monthly on the 1st and 15th of each month throughout the year. Once a handicap is established, it can be verified on the Internet via the MGA's website, [mngolf.org](http://mngolf.org), or at [ghin.com](http://ghin.com). The MGA has a full-time staff that provides superior customer service to all MGA member clubs and Associate Members who have questions relating to GHIN or the USGA Handicap System.

### Growth of the Game

In 2003, the MGA and several key allied golf organizations formed the **Minnesota Golf Council** to "grow the game" in Minnesota.

#### Play Golf Minnesota

Play Golf Minnesota is a week-long series of golf events timed around spring's season-openings for golf in Minnesota. The Minnesota Golf Association and the Minnesota Section of the PGA of America partner in an awareness-raising program called Play Golf Minnesota. Last year, more than 50 golf courses from around the state participated in Play Golf Minnesota by hosting golf clinics, lessons and special offers targeted to beginner, junior, women and senior golfers.

The eighth annual Play Golf Minnesota week is scheduled for April 25-May 3, 2015. More information about the special events planned for the week and a list of participating golf courses can be found at [playgolfminnesota.com](http://playgolfminnesota.com). This is an important marketing opportunity for MGA member clubs to make golfers in their community aware of special events to get them more involved in the game.

#### Join the Club

"Join the Club" was launched as a way to link unaffiliated and new golfers to MGA clubs seeking new golfers. At [mngolf.org](http://mngolf.org), golfers can search and locate a golf club in their area that is searching for new members. Golf clubs can promote league and club memberships as well as allow unaffiliated golfers who are new to the game to sign up online for an MGA Membership.

## “Bring Your Family to the Golf Course”

Now in its twelfth year, the MGA’s “Bring Your Family to the Golf Course” program has successfully introduced new players to the game and encouraged families and adults to participate in the game of a lifetime. MGA member courses participating in the “Bring Your Family” program offer a free green fee for youths under the age of 18 accompanied by a paying adult. Participating golf courses are encouraged to include lessons and clinics targeted to family golfers.

The 2015 program will run July 6-12 with a list of participating clubs at [mngolf.org](http://mngolf.org) in late June. Many MGA courses find family programs an effective way to grow the game at their facility and run family programs throughout the summer.

## Guest Speaker Bureau

The MGA provides a speaker service for club meetings or special gatherings to discuss MGA services, programs and other related topics.

## Hole-in-One Certificates

The MGA recognizes holes-in-one made by MGA members on our website and in a comprehensive database is available at [mngolf.org](http://mngolf.org). MGA members can enter their “ace” information online including telling a story about their perfect shot and uploading a photo. Recent holes-in-one are featured on the homepage. Members can also report it to the club pro or manager where they had their hole-in-one to forward their information onto the MGA. Once a hole-in-one has been recorded online, a player may print out a handsome certificate recognizing their accomplishment or request the MGA staff to send out a printed certificate. In 2014, more than 625 holes-in-one were recorded by MGA Members. Simply go to the homepage of [mngolf.org](http://mngolf.org) and look for the highlighted area recognizing holes-in-one. You can see recent hole-in-one stories and photos, explore the searchable MGA hole-in-one database and record your own hole-in-one!

## Internship in Golf Administration

The MGA conducts a P.J. Boatwright Jr. internship program that provides education and training in all areas of golf administration. In 1991, the USGA established the P.J. Boatwright Jr. Internship Program, in honor of P.J. Boatwright Jr., a past United States Golf Association Director of Rules and Competitions. Each year, the USGA perpetuates a memorial tribute to P.J. Boatwright Jr. through funding of internship programs for regional golf associations throughout the country, including the MGA. This program is designed to give experience to individuals who are interested in pursuing a career in golf administration, while assisting state and regional golf associations, as well as other non-profit organizations dedicated to the promotion of amateur golf, on a short-term, entry level basis. Interns help conduct tournaments, junior golf programs, membership services, and other general activities that promote the best interests of golf.

## MGA SERVICES *continued*

### Junior Golf

The MGA developed a junior program in 1961 and since that time, the program has grown. In order to preserve this trend, today and in the future, the MGA actively promotes junior golf throughout the state. Almost 900 juniors compete annually around the state in the MGA Junior Program. Both boys and girls are eligible to play up to their 19th birthday. MGA Member Clubs have been very supportive in this venture in donating tee times to accommodate these juniors as the program is provided at no cost to junior golfers.

The MGA's junior scope is even broader. The MGA offers the Minnesota State Junior Boys' Championship and works in conjunction with the Minnesota Women's Golf Association to offer the Minnesota State Junior Girls' Championship. The MGA also participates in national and international junior events. The MGA oversees United States Golf Association qualifying for the U.S. Junior Championship. Juniors who qualify locally compete at the national championship. The MGA helps defray the travel expenses so juniors from Minnesota can attend the event every year.

### Member Days

This popular and growing program allows our MGA Members to play outstanding golf courses from around the state. Primarily an MGA Member benefit, this day of fun golf and camaraderie is also an opportunity for MGA member clubs to host a full field of avid golfers eager to experience a championship-quality event. There is a nominal fee for the golfer, which includes green fees, prizes, food and fun. See page 172 for the 2015 schedule.

### Regional Meetings

Regional meetings provide an opportunity for golf course officials and MGA members to meet and discuss various topics with MGA staff and directors as well as provide great networking opportunities for those attending. The purpose of these meetings are to educate attendees along with enhancing communication between the MGA, member clubs and individual members. Meetings are held throughout the state each year, providing local club officials the opportunity to meet and discuss how the MGA is serving the needs of local clubs and members, and to discuss issues that are specific to the local area.

### Regional Volunteer Network

More than 300 volunteers dedicate their time and talent to work on 16 MGA committees making possible all the programs and services that make the game of golf better in Minnesota. In an effort to better serve MGA members throughout Minnesota, the MGA developed and implemented a regional format. The state is divided into six regions, including the Metro, Northwest, Northeast, Southwest, Southeast and West Central; each region is represented by a vice president who coordinates regional activities with the MGA staff. To help coordinate regional activities, each regional vice president works with a team of volunteer ambassadors to promote communication between the MGA and member clubs on the local level. The role of the ambassador is to develop better relationships and communication flow between the MGA and member clubs at a local level to ensure the best possible service.

### Rules of Golf

The MGA coordinates and conducts sanctioned *Rules of Golf* workshops throughout Minnesota that are open to the public. Since 2004, the MGA office monitors a "rules hotline" to answer questions on the *Rules of Golf* during the evenings and weekends as an additional benefit to MGA member clubs, 1-800-642-4405, ext. 965 or 952-345-3965.

## Senior Tour

In 1996, the MGA Senior Tour began as a series of 18-hole events to enable senior golfers of all playing abilities to participate in competitive MGA events. Today the MGA Senior Tour serves more than 800 senior players statewide. For the 2015 season there are four regional sections (for male players 55 & older) and the Super Senior section (for male players 70 & older) each offering their own schedule of nine 18-hole individual competitions. Additionally, four two-person team events and one 36-hole individual event are offered to all sections. New in 2015 is a Senior Tour Women's Membership (for female golfers 50 & older)! The Women's membership includes two to four women's flight offerings in each of the other section schedules and two of the two-person team events. Regional section events and All Section events include both net and gross competition in two divisions, Senior (ages 55-64) and Master (ages 65-over) for the regional sections while the Super Senior section and Women's flights have one division competing in net and gross. Entry to the MGA Senior Tour is open to amateur golfers who are current Members of the MGA and whose club is a member club of the MGA. Each year culminates with the Senior Tour Finals held at a prestigious course in the state. The top players from each section qualify. Contact the Senior Tour Department at 952-345-3978 or [seniortour@mngolf.org](mailto:seniortour@mngolf.org) for more details.

## Tourism

Golf-related tourism is an important industry and vital to the state's economic engine. The golf industry accounts for more than **\$361 million** in golf-related revenues. The MGA supports golf tourism efforts through its joint partnership with the Explore Minnesota Golf Alliance and Explore Minnesota Tourism. The MGA's website, [mngolf.org](http://mngolf.org), provides a search engine of member club information enabling locals and out-of-towners to quickly access information ranging from phone numbers, green fees and directions to yardage, par, slope and course ratings for all MGA member clubs.

## Turfgrass Research

The MGA provides complimentary USGA Agronomist visits to select MGA Member Clubs. Since the program's inception, approximately 135 courses have received a visit from a USGA Agronomist. Courses are selected based on hosting MGA events and for promoting MGA membership and programs. For more information, contact Joel Comstock at 952-345-3968.

## USGA Liaison

The MGA, as the central handicap authority for Minnesota and an authorized golf association, is designated by the USGA to administer and implement the USGA Handicap System™ License Program. In addition, the MGA monitors national issues of importance to member clubs, processes amateur status reinstatement applications, and conducts local and sectional qualifying competitions for USGA championships, including the U.S. Open, Senior Open and Amateur Championship.

# MGA AWARDS

## MGA Member Club of the Year

Rochester Golf and Country Club was named MGA Member Club of the Year in 2014.

The honor is based on the facility's support of the MGA Associate Members program, involvement with the MGA Junior program, and willingness to host MGA championships and qualifiers.

Rochester Golf & Country Club, a historic 18-hole A.W. Tillinghast-designed facility located just west of the Mayo Clinic, first opened for play in 1915.

In its 99-year history, Rochester Golf & Country Club has graciously hosted numerous MGA championships, qualifiers and events, including: Four USGA qualifiers, two Minnesota State Junior Boys' Championships, six Minnesota Women's State Championships, five MGA State Amateur Championships, one MGA Players' Championship, one MGA Mid-Amateur Championship, seven MGA Senior Tour events, seven MGA Associate Member Days, the 1993 U.S. Women's Mid-Amateur Championship and the 2010 Women's Western Amateur. The club is scheduled to host the 2015 MGA Mid-Amateur Championship, along with the Somerby Golf Club of Byron, Minn.

Rochester Golf & Country Club actively supports the MGA's non-profit mission through a large and active MGA Associate Members program, which includes nearly 420 golfers, and has assumed an active role in adopting new handicap software and hardware testing.

The club received a plaque and is featured in the winter 2015 Directory Issue of *Minnesota Golfer*, the official publication of the MGA.

### MGA Volunteer of the Year

More than 300 volunteers dedicate their time and talent to make it possible for the MGA to provide all the programs and services that make the game of golf better in Minnesota. Volunteer assignments range from working at MGA events and on committees to acting as a liaison with member clubs through the MGA Ambassador Program. The award is based on commitment to the MGA and amateur golf, through volunteering efforts, such as the number of days and hours worked, ability, willingness to do required assignments, initiative, and attitude.

Also known as the President’s Award, the 2014 Volunteer of the Year Award was given to Glen Hasselberg of The Vintage at Staples golf club in Staples, Minn., for his exceptional volunteer service for more than two decades. Hasselberg, 65, of Staples, began volunteering for the MGA in 1998 as a regional vice president. He has served as a tournament volunteer since 2001, and as a member of the Tournament and Rules committee since 2009. Hasselberg has also been actively involved with the MGA Junior Program since 2000, serving as both a district and regional site captain.

“In attitude, actions and rapport with colleagues, staff, tournament players and spectators, Glen truly epitomizes the spirit of the President’s Award,” said Ken Gerzsenyi, MGA president, at the 2014 MGA Annual Meeting.

### **MGA Fritz Corrigan Evans Scholar of the Year**

The MGA Fritz Corrigan Evans Scholar of the Year Award is bestowed annually to the Evans Scholar from the University of Minnesota chapter house for outstanding achievement in academics, leadership and community service. The 2014 winner was Aron Elias.

Elias, a senior at the University of Minnesota majoring in applied economics, caddied at Golden Valley Golf & Country Club. In 2014, he served his second term as the University of Minnesota Evans Scholars president. In 2013, Elias was elected vice president of the Evans Scholars National Committee and was instrumental in coordinating the annual Evans Scholars Winter Outing and Golf Ball in Chicago, attended by more than 500 active Evans Scholars. This year, he was voted president, representing all Evans Scholars at events such as the

BMW Championship at Cherry Hills in Denver, Colo. Elias is one of a select group of Evans Scholars to have been named to the national committee two consecutive years.

In Minnesota, Elias received the Adelor J. Petit New Scholar of the Year award in 2012, voted top new scholar by his fellow chapter members. He intends to pursue a career in commodity trading or financial consulting after graduation.

The Chick Evans Scholarship program is a four-year college scholarship for deserving caddies, sponsored by the Western Golf Association in association with the MGA. In 2014, there were 865 Evans Scholars attending 19 universities around the country.

In 1996, the MGA renamed the Evans Scholar of the Year award in honor of Fritz Corrigan, a long-time supporter of the Evans Scholarship program who helped establish the Evans Scholars Chapter House at the University of Minnesota.

## The Warren J. Rebholz Distinguished Service Award

The Warren J. Rebholz Distinguished Service Award was established in 1994 to honor individuals who, through their actions, have exemplified the spirit of the game at its highest level and who have made a substantial contribution to the game in Minnesota, or on a national or international level. Individuals may come from any golf-related area or discipline. The award is named in honor of Warren Rebholz, the longtime MGA executive director (1970-1992) and former “Commish” of the popular MGA Senior Tour.

The 2014 recipient was John Valliere. He is a former officer of the Minnesota Golf Association (he was president, 2007-2008), a long-time tournament volunteer and board member, and is an ongoing committee volunteer with the USGA (Regional Affairs). Valliere left his mark on the local golf scene thanks to his knack for getting in on the ground

floor: he was a founder of the Midwest Public Golf Course Managers' Association, and served as its first president. He was one of the founding members of the Explore Minnesota Golf Alliance, an organization which was instrumental in putting Minnesota golf on the national map; and he is also a two-term member of the Governor's Tourism Council. And, as general manager of Braemar Golf Course, among Valliere's numerous innovations was the establishment of the first league for golfers with disabilities more than 30 years ago, and one of the first leagues to serve executive women golfers.

Upon his retirement from Braemar in 2010 after 41 years, Rob Tennant, MGA president, commended Valliere on his years of service to the game and wrote that Minnesota golf owed him a tremendous debt of gratitude for his passionate promotion of the state's golf facilities and public golf, for his boundless enthusiasm in support of MGA's mission, and for his tireless efforts as a leader and mentor to those in the golf industry.

# MGA-PGA MINNESOTA GOLF HALL OF FAME

*MGA-PGA Minnesota Hall of Fame is located at Bunker Hills Golf Club*

The MGA-PGA Minnesota Golf Hall of Fame was established in 1987 to recognize Minnesotans for their outstanding contributions to the game of golf. A task force meets annually to determine nominations. The MGA-PGA Minnesota Golf Hall of Fame is housed at Bunker Hills Golf Club in Coon Rapids and is operated and supported by the Minnesota Golf Association and the Minnesota Section of the Professional Golfers' Association of America. The 2013 inductees are following. For more information, contact MGA Executive Director, Tom Ryan at 952-345-3971 or Minnesota Section PGA Executive Director, Jon Tollette at 763-754-0820.

*Fred Boos*

## **Fred Boos**

As an avid golfer and the General Manager of Grand View Lodge, Boos had a dream to bring championship golf to the Brainerd Lakes area of Minnesota. That vision came true in 1990, when The Pines at Grand View Lodge opened for play. It's safe to say that the golf tourism explosion that followed in northern Minnesota would not have happened without Boos' dream becoming a reality. Since 1990, Minnesota's golf tourism spending has increased ten-fold to more than \$350 million annually, and The Pines and many of the other championship resort courses that followed are now nationally ranked and recognized as leading golf destinations in the United States.

A supporter of golf championships, The Pines and The Preserve courses at Grand View Lodge have hosted several state championships including the Minnesota Section PGA Championship, Minnesota Golf Association Net Team and Senior Players' championships, as well as several other high school, junior and senior events.

*Bill Brask  
(University of Minnesota  
Golf Captain, c. 1968)*

## **Bill Brask**

A native of San Diego, Calif., Brask attended the University of Minnesota to play golf and capped off a great collegiate career with a Big Ten Championship in 1968 and All-American honors in both 1967 and 1968. Brask turned professional and spent several years on the Asian Tour, winning the 1978 Indian Open and 1984 Hong Kong Open.

Returning to Minnesota, Brask became the Head Golf Professional at Olympic Hills Golf Club and during his 17-year tenure went on to win three Minnesota Section PGA Championships and two Minnesota Golf Champions titles. In 2000 Brask qualified for the Senior PGA Tour, spending three years on the Tour making eighty starts where his best finish was a tie for 2nd at the 2000 Bank One Senior Championship.

### Leigh Klasse

One of the most decorated amateur women golfers in Minnesota history, Klasse has accumulated twenty-three State golf championships, including ten senior titles. Klasse has won four MWPGA Public Links Championships, three MWPGA Match Play titles, six MGA Mid-Amateur Championships, four MWGA Senior Amateur titles, four MWPGA Senior Public Links titles and two MWGA Senior Match Play Championships.

*Leigh Klasse*

### Betty Swanson

Born and raised in Saint Paul, Minn., Betty Swanson grew up on the east side, where she started playing golf at Keller Golf Course. Swanson was a professional career woman, which limited her play in State golf championships, but she made the most of it during the 1960's winning the Minnesota Women's Amateur Championship three times and finishing runner-up four other times. Swanson also won the 1979 Minnesota Senior Women's State Amateur.

### Craig Waryan

Following in the footsteps of his father Bill and Uncle Don, Craig Waryan has dedicated his golf career to the betterment of the game and the PGA. Waryan, a thirty-five year member of the PGA, dedicated himself to the PGA, serving on several Minnesota Section Boards and Committees, including a term as President of the Section in 1984-85. Waryan has won several awards from the Minnesota Section including being named Golf Professional of the Year in 1986 and 1992. Waryan has been the Golf Professional at several facilities within the Section including Elk River Country Club, Edinburgh USA and Troy Burne Golf Club.

*Craig Waryan*

Waryan is also an accomplished instructor and player, coaching more than twenty students who have won state golf championships and is consistently ranked among Minnesota's top instructors by Golf Digest magazine. As a player, Waryan has won two Minnesota Section Senior Match Play titles and finished runner-up three times.

### Lynn Esau Zmistowski

Born and raised in Rochester, Minn., Lynn Esau Zmistowski won seven state titles in a span of nine years before she relocated to Colorado. Esau Zmistowski won two Minnesota Junior State Championships, two MWPGA Public Links Championships, and three Minnesota Women's Amateur Championships (one match play and two stroke-play titles).

Continuing her fine play in Colorado, Zmistowski won two Colorado State Amateur Championships and two Colorado Senior Stroke Play Championships. Zmistowski is also a member of the Colorado Golf Hall of Fame and Rochester, Minn., Sports Hall of Fame and received the USGA Ike Granger Award for volunteer service.

## 2014 RESULTS

### 40TH MINNESOTA GOLF CHAMPIONS

May 9-11, 2014

Golden Valley Golf & Country Club, Golden Valley, Minn.

7,004 yards, par 73

*2014 Champion: Donald Constable*

Donald Constable shot a 5-under par 68 to win the 2014 Minnesota Golf Champions tournament at Golden Valley Golf and Country Club.

Constable began the final day in a tie for second place with Jeff Sorenson at 1-under, but shot a 4-under par 33 on the opening nine holes to quickly take control of the tournament and eventually cruise to a 5-stroke victory.

"I hit the ball good today," Constable said. "I didn't make much for putts during the first two days but I made a few more today—to play good anywhere you need to putt well. I hit a lot of good iron shots so my ball striking was solid all day."

Constable would wrap up the tournament with four consecutive pars on the final four holes to capture his first Minnesota Golf Champions title.

Minnesota Gopher Jon DuToit began the day with a two-stroke lead, but that lead evaporated with bogeys at the second and sixth holes as DuToit made the turn at 2-over par 39.

Four-time winner and two-time defending champion Clayton Rask carded a 1-under par 72 during Sunday's final round to finish five strokes behind Constable.

Justin Smith, University-Les Bolstad Golf Course, finished fourth at even par 219, while Scott Gustafson, Hazeltine National Golf Club, and Don Berry, Edinburgh USA, finished tied for fifth at 220.

# MPGA FOUR-BALL CHAMPIONSHIP

**Format:** 36 holes of Four-Ball stroke play in elective flights without handicap (Championship or Senior) with the remaining players divided into net flights based upon the numbers of entries and handicap. Each team member playing with 90% of his sloped handicap. The cumulative 36-hole team score (best-ball net of the team from each hole) will be the team's score for the championship.

**Eligibility:** Amateur players who are members of a club that is a member of the Minnesota Public Golf Association (MPGA) and carry an active GHIN handicap. Age requirement for Senior division is at least 50 years of age as of the first day of the championship.

**Handicap Index:** The partner's handicap indexes may not differ by more than 8.0 at time of entry. If the difference in handicaps changes to more than 8.0 between partners when the pairings are set-up, the higher handicap player will be reduced to 8.0 above the lower handicap player and then be put into the correct division.

### 37TH MPGA FOUR-BALL CHAMPIONSHIP

May 17-18, 2014

Monticello Country Club, Monticello, Minn.

6,453 yards, par 71

*2014 Champions: Andy Jacobson and Aaron Barber*

There are many that insist it's not how you start, but how you finish. If Andy Jacobson and Aaron Barber didn't subscribe to that notion prior to the final round at the 2014 MPGA Four-Ball Championship, they certainly will from now on.

Jacobson and Barber began the final round tied for the lead but birdied four of the final nine holes to card a 6-under par 65 to win the championship by three strokes at Monticello Country Club.

The team of Sammy Schmitz and Jesse Polk carded a final round 4-under par 67 to finish in second at 131.

In the Senior Division, John Sexton and Tom Heidrick took the top honors finishing at 138.

In the Net Division the pairing of Mike Sorenson and Rogers Sommers finished first at 129.

# MWPGA FOUR-BALL CHAMPIONSHIP

**Format:** This is an 18 hole four-ball stroke play competition where two women play as partners, each playing her own ball. The lower score of the partners is the score for the hole.  
**Eligibility:** Players must be current MWPGA league members. Team members may belong to different clubs. The lower handicap on each team determines the team's flight.

### 20TH MWPGA FOUR-BALL CHAMPIONSHIP

**May 17, 2014**  
**Valleywood Golf Course, Apple Valley, Minn.**  
**5,254 yards, par 73**

*2014 Champions: Leigh Klasse and Olivia Herrick*

On paper, it looked too close to call, and it played out that way on the golf course Saturday -- but with a twist. The two teams in the featured foursome in the Minnesota Women's Public Golf Association State Four-Ball were Olivia Herrick and Leigh Klasse, and Claudia Pilot and Brenda Williams. All told, they came in with a combined total of 16 championships in this tournament. They battled it out all the way to the 18th hole at Valleywood Golf Club, as expected, and the issue was settled when Williams' birdie putt from about 8 1/2 feet just missed and Klasse's par putt from 8 feet went in.

With the closing par, Klasse (the 2013 & 2014 MGA Senior Women's Player of the Year) and Herrick (the 2013 & 2014 MGA Women's Player of the Year) shot a 3-under-par 70 -- and earned a one-stroke victory. Williams and Pilot had to settle for a 71, and their second second-place finish in a row. Last year, they lost in a playoff to Herrick and Kristen Wagner.

Williams and Pilot weren't alone in second place, however. The team that surprised almost everyone by contending -- and nearly winning -- was the first-time pairing of Bernie Brown and Lori Jacobson. They made a bogey on the 18th hole, their only bogey of the round, and they, too, had to settle for a 71 and tied for second.

*2014 Medalist: Minjee Lee*

Just a week shy of her 18th birthday, and in her first attempt to qualify for the U.S. Women's Open, Australian Minjee Lee carded a final round 5-under par 66 at North Oaks Golf Club to earn a ticket to Pinehurst for the 2014 U.S. Women's Open.

Mexico's Maria Fassi led the field after 18 holes by shooting a 1-over par 72, but struggled in the afternoon and would shoot a 6-over par 77 to finish tied for second at 149.

Lee, the world's No. 1 ranked amateur, finished the opening 18 holes at 3-over par 74 after a double-bogey on the final hole, but really heated up during the final round. On the front nine of the second round, Lee recorded four birdies and would make the turn at 4-under par 32. She added another birdie at the par-4 12th and would finish her round at 5-under par 66 to set a new course record at North Oaks Golf Club.

Amy Anderson, Oxbow, N.D., carded a 3-over par 74 Tuesday after shooting a 4-over par 75 earlier in the day to finish tied with Fassi at 149. After a playoff at the conclusion of regulation, Anderson birdied the first hole to finish as first alternate.

*2014 Champion: Olivia Herrick*

*Herrick*

Claudia Pilot and Leigh Klasse may have 10 combined titles over the last 13 years at the Minnesota Golf Association Women's Mid-Amateur Championship, but newcomer Olivia Herrick posted a 2-over par 144 to win her first Mid-Amateur championship, making things a little more crowded at the top.

Herrick, who turned 25 in August, shot an even par 71 Sunday despite a slow start, finishing the opening round with a two-stroke cushion over Pilot. She would start slow again Monday playing in the final group alongside Pilot and Klasse, as players battled high winds all afternoon.

Herrick, Dellwood Country Club, quickly fell to 1-over par with a bogey on the third hole and fell to 3-over for the round with back-to-back bogeys on the seventh and eighth. She was finally able to put a red number on the scorecard when she chipped in for birdie on the par-5 12th hole.

With another birdie on the 16th hole, Herrick showed signs of closing in on the championship despite making bogey on the 17th, narrowing her lead to just one stroke.

After Pilot's tee shot on the final hole found the right rough, Herrick stepped up and blasted her driver into the wind down the center of the fairway, nicely setting up her approach from 150-yards.

MGA

WOMEN'S MID-AM

With the tournament nearly in reach, Herrick showcased her experience as she put her approach in the middle of the 18th green, leaving herself with a 20-foot putt for birdie. Herrick quietly two-putted for par and clinched the tournament by two strokes as Pilot's par putt refused to fall and looped around the right edge.

After a round of 77 Sunday, 2009 champion Alison Hurley, carded a 1-over par 72 to finish third at 149, just five strokes behind Herrick.

Kara Salava, Keller Golf Club, fired back-to-back rounds of 75 to finish fourth at 150, while Betsy Aldrich, Woodhill Country Club, finished fifth at 151.

New Prague senior McKenzie Neisen and sophomore Taylor Ledwein just seem to play better golf when they're together. Neisen and Ledwein both qualified for the 2014 3A State Tournament as individuals, and the pair also advanced to the U.S. Women's Amateur Public Links Championship.

Ledwein earned medalist honors after carding an even par 73, while Neisen's 1-over par 74 put her in a three-way sudden death playoff to determine the final two qualifying positions. Neisen knocked in her par putt on the first playoff hole to earn a spot in the championship.

Hailee Pieper, Watertown, S.D., carded a 1-over par 73 Monday and earned the final qualifying position as she rolled in her par putt on the first hole of sudden death.

*2014 Champion: Don Berry*

For the third straight year Don Berry overcame a deficit during the final round of the Minnesota Senior Open, shooting a 3-under par 69 at Hastings Country Club to win his third consecutive title.

Berry carded a 2-over par 74 during the opening round, two strokes behind the leaders. Round two he rallied to finish at 1-under par 143, taking the championship by four strokes over Brad Schmierer at 147.

He would clinch the tournament with a short par putt on the 18th to capture his third Minnesota Senior Open title in three years.

As for the secret to winning three consecutive years Berry laughed, "I don't know—I guess I'm just one of the younger guys out here. That's probably the only secret."

It could've been assumed that Schmierer would have home course advantage as he has been a longtime member of the club, but it didn't seem to be the case this week.

Schmierer carded a 2-over par 74 in round one and needed to overcome a 2-stroke deficit on day two. After a bogey on the 15th hole, Schmierer dropped to 4-over for the tournament and finished with three straight pars to take second place at 147.

Bob Neuberger, Rush Creek Golf Club, and Tom Whaley, Minneapolis Golf Club, finished in a tie for third place to share low amateur honors.

### 3RD TAPEMARK WOMEN'S CHARITY PRO-AM

June 5 & 8, 2014

Southview Country Club, West St. Paul, Minn.

6,150 yards, par 71 men • 4,745 yards, par 71 women

*2014 Champions: Don Berry and Lisa Grimes*

Don Berry always knew he'd win one more Tapemark, he was just starting to wonder when it would happen. The last of his six Tapemark titles was in 2002. Berry finished the three-day event with a record-tying score of 16-under, matching Jeff Sorenson's total in 2009. Ryan Helminen, last year's champion, finished 2nd, three strokes back at 13-under. Chris Meyer finished 3rd at 12-under.

Lisa Grimes was glad to be playing in her first Tapemark Women's Pro-Am. Her schedule hadn't allowed her to play the first two years, but she celebrated her inaugural appearance by winning the Nora McGuire Championship Trophy, by shooting 4-under par. Coming in second was Karen Davies at 2-under.

Low amateur titles were taken by Scott Fenwick, finishing 7-over in the Men's Championship and Taylor Drenttel, finishing 12-over in the Women's Championship.

## 2014 RESULTS

### 8TH MGA MID-PLAYERS' CHAMPIONSHIP

June 17-20, 2014 \*Rain delay extended play an extra day.

Brackett's Crossing CC, Lakeville, Minn.

6,770 yards, par 71

2014 Champion: Troy Johnson

After heavy rains washed out the final round of the Minnesota Golf Association Mid-Players' Championship Thursday at Brackett's Crossing Country Club, Troy Johnson continued his business Friday, beating Joel B. Johnson, 4 and 3, to win his third title in six years.

Johnson, Rush Creek Golf Club, never trailed at any point during his five matches, seldom made bogey and didn't once play the 17th or 18th holes during the tournament.

"Today I played great—I did a lot of the same that I've done all week. I tried to be very consistent and my putting was spot on today," he said. "I knew [J.B. Johnson] was playing really well coming in and my goal was to not make bogeys and that was the deciding factor."

Capturing his third title in the eight years of the tournament, Johnson said the tournament format seems to be the secret to his success.

"A lot of it is match play. For me, it doesn't seem like I make a ton of birdies all the time. The importance isn't necessarily on score—it's more hole by hole and I try to focus on each hole," he said.

It was the second finals appearance for Joel Johnson (he finished runner-up to Greg Melhus in 2010), but he struggled to find any consistency for most of the match Friday.

While Troy Johnson didn't have much trouble during matches leading up to the finals, all four of Joel Johnson's matches were extremely close, with three of them needing to be decided in extra holes.

"They were very tiring and very exhausting," he said of his path to the finals. "It's a very tough tournament when you have to play 36 holes in hot and steamy conditions. Golf is a crazy game. The first couple of days I was able to go at the flag and get them tight and today nothing went my way.

## 2014 RESULTS

### 15TH MGA SENIOR PLAYERS' CHAMPIONSHIP

June 17-20, 2014 \*Rain delay extended play an extra day.

Brackets Crossing CC, Lakeville, Minn.

6,593 yards, par 71

2014 Champion: Pat Vincelli

Senior golfer Pat Vincelli outlasted 2012 Senior Men's Player of the Year, Leif Carlson, to win 1-up, becoming the oldest player to win the MGA Senior Players' Championship at 68-years-old.

"I've waited an awful long time for this and I'm elated," Vincelli said after his victory. "Leif is such a great competitor and he's got a track record a mile long. I don't know how many USGA events he's played in, but I was probably the underdog and used that to my advantage."

Carlson's list of tournament wins is extensive, but the Senior Players' is one that seems to elude him year after year. He was ousted in the semifinals last year at Island View Golf Club, losing to MGA Executive Director Tom Ryan, 2 and 1, and was a quarterfinalist in both 2011 and 2012.

With his trophy firmly wrapped in his arms following his round Friday, Vincelli just laughed when asked about his game and whether the victory gives him momentum moving forward.

"I don't know. I'm not playing as much tournament golf anymore; I'm content playing in occasional tournaments. Some guys travel all over the country playing in all kinds of events, but I'm comfortable with where I'm at."

### 11TH MWPGA MATCH PLAY CHAMPIONSHIP

June 20-22, 2014

Phalen Park Golf Course, St. Paul, Minn.

*\*Host site change from Brookview GC to Phalen Park GC due to flooding.*

5,311 yards, par 71

*2014 Champion: Sarah Burnham*

*2014 Runner-Up:  
Leigh Klasse*

With three Minnesota Women's Public Golf Association Match Play Championship titles already under her belt, Leigh Klasse did everything in her power to make it a fourth at Phalen Park Golf Course.

At the end of the day however, newcomer Sarah Burnham played just a little bit better as Burnham defeated Klasse to win the championship, 1-up, in her first MWPGA event.

While Klasse held a 1-up lead after nine holes by shooting a 2-under par 34, Burnham caught fire on the final nine holes, shooting 4-under par 31 to finish at 5-under par 66 to clinch the match on the 18th hole.

Klasse, Keller Golf Club, started fast with a birdie on the opening hole after putting her approach to two feet to quickly take a 1-up lead.

As the final group made their way to the second green, tournament officials called players off the course due to severe weather in the area.

Play resumed after nearly an hour stoppage, but it didn't seem to slow either Klasse or Burnham.

On the fifth, Burnham stuck her approach to six feet and left herself with an uphill left-to-right putt. She played the break perfectly and her putt rolled to the center of the cup for her second consecutive birdie to square the match.

Both Klasse and Burnham birdied the 406-yard, par-5 seventh hole to remain even on the day. Klasse was able to hit a fairway wood just short of the green out of a difficult lie just off the fairway.

Showcasing a brilliant short game during all three of her matches, Klasse chipped to five feet and rolled in her birdie putt. Burnham hit a fairway wood into the green and was left with a 15-foot, uphill putt for eagle, which stopped just inches from the cup as she had birdied three of her last four holes at that point.

Klasse took advantage of a poor chip by Burnham on the ninth, just missing her birdie putt but won the hole with a par to take a 1-up lead heading into the final nine holes.

Burnham's ball striking and putting had been superb throughout the championship, but it seemed to be magnified on the final nine holes as she started the back nine with birdie-eagle-par-birdie, to quickly take control of the match at 2-up.

Burnham rolled in her final birdie of the match on the 13th hole to take a 2-up lead as she read her 8-foot, left-to-right putt brilliantly to find the bottom of the cup. She would cruise from there making six consecutive pars to finish the match.

Klasse made one final push late in the round as she put her approach on the 17th hole to two feet from 115-yards. She would roll in her birdie putt to pull within one and keep the match alive.

Needing another birdie on the final hole to force a playoff, Klasse's tee shot found the right side of the fairway on the doglegged hole, giving her no chance to take aim at the front-right pin with trees lining the right fairway.

Klasse hit a low punch left of the flag that found the green but settled 30 feet from the pin. After Klasse two-putted for par, Burnham rolled in her par putt to seal the championship.

Burnham captured her first MWPGA championship in just her first attempt and emphasized the importance of hitting greens and making putts throughout the tournament.

Getting off to a big lead during her semifinal match, Burnham said she probably lost her focus a bit which allowed Cassie Deeg to come back from a 5-down deficit to square the match Saturday, before Burnham eventually pulled away.

"Overall I played really solid today. I was able focus more; neither one of us had a big lead today. It was a really close match and made it easier to stay focused. It was a fun match."

## 2014 RESULTS

### 36TH MGA PLAYERS' CHAMPIONSHIP

June 23-25, 2014

Woodhill Country Club, Wayzata, Minn.

6,575 yards, par 71

*2014 Champion: Johnny Larson*

When Johnny Larson walked off the 16th green at the Minnesota Golf Association Players' Championship at Woodhill Country Club, he trailed Trent Peterson by two holes with just two to play.

Larson's late surge on the final two holes evened the match at the end of regulation and on the first playoff hole, Larson stuck an 9-iron to three feet and rolled in his birdie to capture the championship.

Peterson needed only two putts to close out the championship, but left his birdie putt five feet short of the cup. Larson breathed new life after Peterson's par putt slid just past the cup as the championship headed to extra holes.

On the first playoff hole, Larson opted to aim right for the pin, an aggressive move as there was very little room to miss right of the flag.

Larson said he told his dad, who caddied for him during the final match, that he was fortunate to still be in the match at that point and was taking dead-aim at the flagstick.

The result all but sealed the match as Larson had a 3-foot putt for birdie. Peterson's approach landed on the front edge and after his birdie stopped short, Larson rolled in his putt to capture the title.

*2014 Champion: Dylan Gergen*

*Gergen*

With a birdie on the fourth playoff hole Sunday at Hastings Country Club, Dylan Gergen avenged his second place finish from a year ago to win his second Twin Cities Championship in three years.

Players were pulled off of the course on three occasions Saturday as the weather eventually shortened the opening round at Bunker Hills Golf Club in Coon Rapids, Minn., Saturday to just nine holes with Gergen and Joel B. Johnson taking the early lead at 1-under par 35.

Sunday the tournament shifted sites to Hastings Country Club and Gergen fired a 4-over par 75 to finish tied for first place with Adam Wynia at 110.

Gergen, Mendakota Country Club, hit an extraordinary approach shot from 130-yards on the fourth playoff hole, which used the slope of the fourth green perfectly and rolled to within two feet.

Wynia's approach landed on the front edge of the green and after his birdie putt missed by inches, Gergen rolled in his birdie to win the championship.

Gergen won the championship in 2009 when it was held at Bunker Hills and Keller Golf Club. Last year he finished tied for second, three strokes behind 2013 MGA Player of the Year Sammy Schmitz at Bunker Hills and Hastings Country Club.

TWIN CITIES MEN'S

Wynia's success on the par-3's continued as he made birdie on the 17th and would shoot the low round of the tournament at 71 to finish at 3-over par 110 to force a playoff with Gergen. Both Gergen and Wynia made par on the first two playoff holes and then bogeys on the third playoff hole. With both players in the fairway on the fourth hole, Gergen hit his 9-iron to two feet. After Wynia's approach landed on the front edge of the green he rolled his birdie putt to inches of the cup but the ball wouldn't drop and he would make par giving the championship to Gergen.

### 24TH MGA MIXED AMATEUR TEAM CHAMPIONSHIP

June 30-July 1, 2014

**Emerald Greens Golf Course, Hastings, Minn.**

**6,361 yards, par 72 men • 5,650 yards, par 72 women**

*2014 Overall Champions:  
Dominic Kieffer and Cassie Deeg*

*Deeg and Kieffer*

Cassie Deeg and Dominic Kieffer paired up for the first time Monday at the 24th MGA Mixed Team Championship and posted a respectable 8-under par 64 at Emerald Greens Golf Course.

The strong chemistry continued as the two trailed by one stroke going into Tuesday's final round, firing a 12-under par 60, missing a birdie for a 59 by inches on the final hole, to finish at 124 and win the championship by five strokes over Leigh Klasse and J.T. Johnson. Their score of 12-under par 60 on day two is the lowest 18-hole score in the history of the event

"There was never a point when we were struggling today," Deeg said after the victory. "We both hit shots close and we made putts. We didn't have any really long putts, but we made a lot of 15-footers. [Kieffer] knocked one really close on 9 and I put one really close on 17 and we had a lot of two-putt birdies on the par-5's."

"We putted really well and it seemed so much easier because we helped each other with our lines and then we seemed to hit the center of the cup. It was awesome teamwork and it was a lot of fun," Kieffer said. "This was the most fun I've ever had playing golf."

The husband and wife pairing of Amy Schmucker and Matthew Ras-mussen carded a 7-under par 65 on the final day to win the Husband and Wife Division, and finished fifth overall at 132.

### 88TH MINNESOTA STATE JUNIOR BOYS' CHAMPIONSHIP

July 7-8, 2014

Dacotah Ridge Golf Club, Morton, Minn.  
6,642 yards, par 72

*2014 Champion: Freddy Thomas*

*Thomas*

When Freddy Thomas began his round Tuesday at the Minnesota State Junior Boys' Championship at Dacotah Ridge Golf Club, he had a hefty seven-stroke lead. His conservative approach to the final round worked according to plan as he cruised to a seven stroke victory, finishing at even par 144.

Thomas, Lakeville, Minn., got out to a big lead during the opening round Monday as he fired a 6-under par 66 and followed it with a 6-over par 78 on a day in which the wind kept players from posting low scores.

Max Redetzke, Lakeville, Minn., was one of two players tied for second after the opening round and carded a 6-over par 78 during the final round Tuesday to finish second at 151.

Last year's champion Jack Holmgren, Wayzata, Minn., fired consecutive rounds of 76 to finish in a tie for third with Freddy's twin brother, Bobby Thomas, at 152.

### 67TH MWPGA STATE PUBLIC LINKS CHAMPIONSHIP

July 12-13, 2014

Monticello Country Club, Monticello, Minn.

5,261 yards, par 71

*2014 Champion: Olivia Herrick*

Olivia Herrick saw firsthand how important a good start is to a golf tournament Saturday as she knocked in her first career ace on the opening hole of the 67th Minnesota Women's Public Golf Association State Public Links Championship at Monticello Country Club.

On Sunday, Herrick showed just how critical it is to make a strong finish as she made birdies on the final two holes to card a 6-under par 136 to win her third State Public Links Championship by three strokes over Sarah Burnham.

Burnham added another strong performance to her 2014 season as she started with a Class AAA team state championship, finishing second individually, before winning the MWPGA Match Play Championship. After winning the Minnesota Women's Four Ball Championship, Burnham claimed the Minnesota Junior Girls State Championship Tuesday at Bunker Hills Golf Club.

Claudia Pilot, a four-time winner of the event, began her final round four strokes behind Herrick, and finished third at 147 after carding a 5-over par 76 Sunday.

Lexi Bollant fired a 2-over par 73 Sunday to finish in fourth place at 148, while Leigh Klasse, also a four-time winner, finished in fifth place at 150.

### 111TH MGA AMATEUR CHAMPIONSHIP

July 21-23, 2014

Golden Valley Golf & Country Club, Golden Valley, Minn.

6,981 yards, par 72

*2014 Champion: Jesse Bull*

When Jesse Bull's four-foot birdie found the bottom of the cup to clinch the 111th Amateur Championship, he became the first home-course champion at Golden Valley Golf and Country Club since George Wright in 1939.

Bull rolled in a birdie on the 18th hole to card a 2-under par 70 during the final round to finish the championship at 4-under par 212, one stroke better than Erik Christopherson's 213.

He began the final round in second place, two shots off the lead but was frustrated after the conclusion of his round Tuesday, finishing with three consecutive bogeys to shoot 1-over par 73.

Playing in the final group with Troy Johnson and Christopherson, on the 15th, Bull put his approach to 15 feet and drained the putt for birdie to move into a tie for the lead at 3-under par for the tournament.

Bull rolled in pars on 16 and 17, and was handed a one-stroke lead after Christopherson made bogey on the 17th.

On the final hole, Christopherson reached the green in two, but his eagle putt moved right to left and stopped about two feet short of the hole, giving Bull an opportunity to win the tournament with a birdie.

Bull chipped up to four feet, keeping his ball below the hole and rolled in his birdie to win his first amateur title.

Bull had been close a number of times in recent years, but failed to hoist a trophy. He had three top-10 finishes a year ago and 10 finishes inside the top 25 over the last six years.

Troy Johnson, Rush Creek Golf Club, led after two rounds but was disqualified at the conclusion of his round for signing an incorrect scorecard.

### 97TH MINNESOTA STATE OPEN

July 25-27, 2014

Bunker Hills Golf Club, Coon Rapids, Minn.

7,137 yards, par 72

2014 Champion: Trent Peterson

Trent Peterson has seen his share of winning—he's done it from an early age and he's done it often. Peterson has junior championships under his belt as well as high school, collegiate and state amateur championships.

After a brief stint as a professional from 2009-2011, Peterson opted to regain his amateur status and was forced to sit out the entire 2012 season. Since returning to the amateur play he has been looking for a win.

With a par putt on the first playoff hole against PGA professional and former Minnesota Gopher Justin Smith, Peterson could call himself a champion again as he carded an 8-under par 208 to win his first Minnesota State Open.

### 19TH MINNESOTA WOMEN'S STATE MATCH PLAY CHAMPIONSHIP

July 28-30, 2014

Minneapolis Golf Club, Minneapolis, Minn.

6,274 yards, par 73

*2014 Champion: McKenzie Neisen*

*Neisen*

New Prague's McKenzie Neisen has long been considered one of the state's best junior golfers. Neisen claimed her second consecutive Class AAA state championship in June at Bunker Hills Golf Club, finishing second the previous two years.

Neisen has qualified for four USGA events, but had yet to collect her first win as an amateur golfer. That changed Wednesday as Neisen two-putted for par to beat defending champion, Anna Laorr, to win the 19th Minnesota Women's State Match Play Championship.

Neisen, made quick work of Lynn Anderson during her opening round, before knocking off 2011 winner, Cassie Deeg. Neisen cruised to a 5 and 4 victory over three-time state high school champion, Katherine Smith, to reach the finals against Laorr.

As one of the longer hitters in the field Neisen's length off the tee was key for most of the tournament, but it seemed to become a factor down the stretch as she put two approach shots on the par-5 12th and 14th holes close to roll in birdies and take a 3-up lead with just three holes to play.

Two-putting for a par on the 16th hole, Neisen clinched the match and claimed her first Minnesota amateur championship in the process.

Neisen had four top 10 finishes a year ago and after her win Wednesday said she gladly welcomes the change to champion.

### 53RD MGA AMATEUR FOUR-BALL CHAMPIONSHIP

August 18-20, 2014

Pebble Creek Golf Club, Becker, Minn.

6,872 yards, par 72

*2014 Champions: Jesse Polk and Sammy Schmitz*

The tandem of Jesse Polk and Sammy Schmitz proved to be lethal at the 53rd MGA Amateur Four-Ball Championship as the two got off to a roaring 12-under par start during the opening round, cruising to a 4-stroke win Wednesday at Pebble Creek Golf Club.

The victory Wednesday is the first four-ball title for both Polk and Schmitz as they carded a 65 on the final day to finish on top at 19-under par 125, while this year's Minnesota Public Golf Association four-ball champions, Andy Jacobson and Aaron Barber, finished second at 15-under par 129.

Polk, Hastings Country Club, and Schmitz, Valleywood Golf Course, opened with a pair of birdies at the second and third holes to quickly jump to 14-under for the championship, before rolling in another at the fifth.

The two would make the turn at 16-under with a birdie at the eighth before giving back a stroke on the tenth with a bogey. Polk and Schmitz carded four more birdies over the final six holes to shoot 65 on the final day, claiming the championship at 19-under par 125.

Jacobson and Barber, both of Eagle Creek Golf Club, began the final round five shots behind Polk and Schmitz and got their round started with four birdies over the first six holes to jump to 12-under for the championship and added another at the ninth to make the turn at 13-under.

The duo continued its solid play over the final nine holes with three birdies but it wouldn't be enough to catch the eventual winners, as Jacobson and Barber finished second at 15-under 129.

### 43RD MINNESOTA WOMEN'S STATE AMATEUR CHAMPIONSHIP

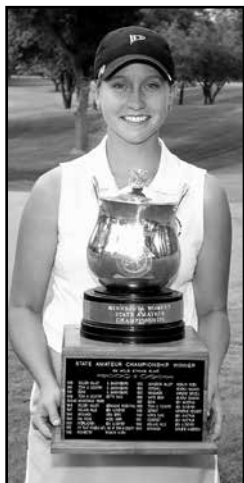

**August 18-20, 2014**

**Forest Hills Golf Club, Forest Lake, Minn.**

**6,042 yards, par 72**

*2014 Champion: Cassie Deeg*

*Deeg*

University of Nebraska junior, Cassie Deeg, will return to campus with her head held just a little higher as Deeg fired an even par 72 Wednesday to win the 2014 Minnesota Women's State Amateur Championship at Forest Hills Golf Club.

Deeg entered the final round with a one-shot advantage and would go on to win by five shots over Minnesota Gopher Anna Laorr, who finished second at 8-over par 224, while Celia Kuenster, Hailey Boner and Sarah Burnham finished tied for third at 225.

Deeg, Golden Eagle Golf Club, has already compiled an impressive resume as the 20-year-old won the Class AAA state championship in 2011, along with the women's public links and match play championships the same year.

She added another public links title to her credit last season and claimed her first collegiate victory as well. Deeg has been named Big Ten Golfer of the Week three times in just two seasons and added her biggest amateur victory Wednesday.

Deeg rolled in five consecutive pars before finishing her championship on the highest of notes by draining a 30-foot birdie on the final hole to claim her first Minnesota Women's State Amateur Championship at 3-over par 219.

### 39TH MINNESOTA SENIOR WOMEN'S STATE AMATEUR CHAMPIONSHIP

August 24-25, 2014

Blueberry Pines Golf Club, Menahga, Minn.

5,491 yards, par 72

*2014 Champion: Leigh Klasse*

*Klasse*

Leigh Klasse carded a 2-over par 74 during the final round of the Minnesota Senior Women's Amateur Championship Monday at Blueberry Pines Golf Club to win her fifth consecutive title.

Klasse, Keller Golf Club, began the day tied for the lead with Claudia Pilot and despite bogeying three of her last five holes, Klasse finished two strokes better than Pilot at 8-over par 152.

Continuing her consistent play from the previous day, Klasse began her round with five consecutive pars before dropping to 7-over with a bogey at the sixth.

Klasse rebounded with a birdie on the ninth to make the turn at 6-over before rolling in another birdie at the 10th. After three straight pars, Klasse dropped a shot on the par-4 14th hole, and another at the 16th to slip to 7-over.

She would finish the tournament with a bogey on the final hole to card an 8-over par 152, to claim her fifth straight championship.

With eight titles to her credit, Nancy Harris holds the senior women's amateur record as she won back-to-back titles in 1992-93, another in 1995 and three straight from 1999-2001. Harris added two more titles with back-to-back wins in 2003-04.

Pilot, the Pines at Grand View Lodge, fired a 4-over par 76 during the final round Monday to finish second at 10-over par 154.

Last year's runner-up Brenda Williams carded a 5-over par 77 during the final round to finish third at 13-over par 157, five shots behind Klasse.

### 84TH MINNESOTA PGA PROFESSIONAL CHAMPIONSHIP

August 26-27, 2014

Somerby Golf Club, Byron, Minn.

7,029 yards, par 72

*2014 Champion: Timothy Brovold*

Overcoming a four-stroke deficit during the final round of the 2014 Minnesota PGA Professional Championship, Timothy Brovold carded a 4-under par 140 to claim the title by a single stroke at Somerby Golf Club.

Brovold, Bunker Hills Golf Club, began the second round with a quiet front nine as he made eight pars with a single bogey at the par-5 fourth hole, making the turn at 1-under for the tournament.

He rolled in a birdie at the 10th and quickly went to 3-under with another birdie at the 12th hole.

With his fourth birdie of the afternoon at the par-4 15th, Brovold moved to 4-under and ended with three consecutive pars to turn in a flawless scorecard and finish on top of leaderboard at 4-under par 140.

Paul Speltz, Midland Hills Country Club, began the final round tied for second place just one shot off the lead but fell to 2-under for the championship after bogeying the opening hole.

Speltz rolled in 13 consecutive pars before making back-to-back birdies at the 16th and 17th to momentarily share the lead. He was unable to make par on the final hole and ended with a bogey to finish second at 3-under par 141.

John Kendall (Giant's Ridge Golf Course), Don Berry (Edinburgh, USA) and Kris Kroetsch (Fargo Country Club) finished tied for third place at 2-under par 142, while three players finished tied for sixth at 143.

### 41ST MGA SENIOR AMATEUR FOUR-BALL CHAMPIONSHIP

August 26-27, 2014

Indian Hills Golf Club, Stillwater, Minn.  
6,416 yards, par 72

*2014 Champions: Mike Cleland and David Hanson*

When Mike Cleland and David Hanson won the Minnesota Golf Association Senior Amateur Four-Ball Championship eight years ago at Elk River Golf Club, the two failed to make one bogey during two rounds of play.

Cleland and Hanson accomplished the same feat during the first and second rounds at Indian Hills Golf Club this week with similar results as the two carded a 16-under par 128 to win the championship by three strokes over John Anderson and Bill Tadewald, both from Bunker Hills Golf Club.

“It was a dream come true,” Hanson said after the victory. “It was great and it was really fun. I love the golf course and [Cleland] is a wonderful partner. I’ll be 69 next month and I thought we could compete against the younger guys and we just wanted to play our best.”

The team of Jim Lehman, Windsong Farm, and David Steingart, Edina Country Club, finished in a tie for third place at 9-under par 135 with Mike Snodgrass and Charles Kost, both of Marshall Golf Club, as well as Mike Herzog, Windsong Farm, and Jerry Rose, Alexandria Golf Club.

Lehman recorded a double-eagle on the par-5 18th hole as his second shot, using a 4-hybrid, found the cup from 204 yards away.

September 8-10, 2014

Somerset Country Club, Mendota Heights, Minn.  
6,429 yards, par 72/5,855 par 72 (Grand Master)

*2014 Champion: Jim Lehman*

After two days of challenging course conditions at the 93rd Minnesota Golf Association Senior Amateur Championship, Wednesday's final round at Somerset Country Club didn't get any easier as temperatures plunged, only to be made worse by biting winds.

Through five lead changes, Jim Lehman found a way to come from behind for the second straight year to capture the championship by a single stroke over Mark Knutson and David Haslerud, shooting 9-over par 225.

"Any time you can win a state championship, it's a huge honor and a huge thrill," Lehman said of his second consecutive win. "I have invested a lot of time and effort into playing golf over the last few years. It doesn't happen very often, but to be able to win a tournament of this magnitude in Minnesota is an absolute thrill."

**Format:** This tournament is a 27-hole, one-day event. Each two-man team will play nine holes partner best ball, nine holes partner scramble (best shot), and nine holes partner alternate shot. Divisions will be determined by the Committee based on the number of entries received and their combined handicaps. Teams will play within their divisions with no handicap.

**Eligibility:** Open to amateur players who are members of a club that is a member of the Minnesota Public Golf Association and carry an active GHIN handicap.

**Handicap Index:** The partner's handicap indexes may not differ by more than 8.0 at time of entry. If the difference in handicaps changes to more than 8.0 between partners when the pairings are set-up, the higher handicap player will be reduced to 8.0 above the lower handicap player and then be put into the correct division

### INAUGURAL U.S. AMATEUR FOUR-BALL SECTIONAL QUALIFYING

September 15, 2014

StoneRidge Golf Club, Stillwater, Minn.

7,013 yards, par 72

Clinton Dammann and Mike Fiedler fired a 7-under par 65 as did the team of Greg and Mike Melhus to advance to the tournament next spring.

“Our expectations were low coming in. We were texting this morning and said we were each good for probably one birdie,” Fiedler joked following the round. “We got off to a good start—the group we were playing with birdied the first four holes so we tried to follow that and the putts kept dropping.”

The team of Greg and Mike Melhus, both from the Links at Northfork, quickly dipped into red numbers Monday with a pair of birdies on the first two holes before rattling off five consecutive pars.

“To play in the inaugural USGA Four-Ball is a pretty cool honor and it’ll be the first USGA event for Mike, so I couldn’t think of a better spot to do it,” Greg said.

The team of Gene Elliott and Mike McCoy earned the third and final qualifying position after finishing tied for third at 6-under par 66 and edging five other teams in a six-way playoff.

**September 22, 2014**  
**StoneRidge Golf Club, Stillwater, Minn.**  
**6,036 yards, par 72**

A chip-in for birdie on the 17th hole by Jenny Graeser proved to be the difference Monday as Graeser and her partner, Katie Gustafson, shot an even par 72 at StoneRidge Golf Club to qualify as the lone qualifiers for the inaugural U.S. Women's Amateur Four-Ball Championship.

"We were really good at not having bad holes today," Graeser said. "There were only a couple of times where we both had a bad hole at the same time and hit some bad shots. We were lucky, we kind of scrapped it around and the last couple holes were pretty intense."

The two hadn't played much tournament golf together before the 2014 season, but paired up to win the Iowa Women's Four-Ball Championship by 14 strokes.

Gustafson, a graduate of Iowa State University in May, was named Iowa Golf Association Women's Player of the Year in 2013 and after claiming the four-ball title with Graeser in June, went on to win the Women's Match Play Championship three weeks later.

*Johnson*

During the 2008 Minnesota Public Golf Association Public Links Championship, Troy Johnson drilled a 30-foot bending birdie putt at Chaska Town Course en route to his first amateur victory.

Six years later, Johnson found himself in an oddly familiar situation on the 16th green at Chaska Town Course as he nonchalantly rolled in another 30-foot birdie to take a one-stroke lead at the 2014 Minnesota Golf Association Mid-Amateur Championship.

“I made birdie there [in 2008] to stay in the tournament and when I got over that putt today, it was basically the same putt,” Johnson said. “I let it go and it ended up going in.”

Johnson relinquished the lead on the final hole with a bogey Thursday, but on the first playoff hole with Jonathan Hanner and Erik Christopherson, Johnson dropped a 10-foot birdie to win his second MGA Mid-Amateur Championship in four years.

After Hanner and Christopherson each made par on the first playoff hole, Johnson stepped up and dropped his birdie to claim his second victory of the season.

“I felt like I was swinging good today, I missed some putts, but I think just being patient was what I was doing well today,” Johnson said.

MGA

MID-AMATEUR

Along with the win Thursday, Johnson claimed his third MGA Mid-Players' Championship in June and is on the USGA State Team Championship in 2014.

Hanner, Baker National Golf Club, sat tied for 13th after the first two rounds and eight shots off the lead beginning the final round Thursday, but came surging back with a 68 to finish the tournament at 1-under par 214 and forcing a three-way playoff.

"I'm pleased, I've never been in this spot before—it's kind a new deal for me. I take away all positives, it's just a learning experience for me," Hanner said. "Hopefully if I get in this position again, I'll be a little more relaxed and prepared next time and a little more confident."

Christopherson, Baker National Golf Club, finished the second round in a five-way tie for eighth place and began the final round Thursday seven shots behind the leader.

Christopherson rolled in two birdies on the front nine to make the turn at even par for the tournament and cruised over the final nine holes with eight pars and one birdie.

At the par-4 16th, Christopherson put his tee shot to 12 feet, where he missed his eagle putt but tapped in for birdie to share the lead at 1-under with Hanner. Christopherson failed to record a bogey during his round of 69 Thursday.

Christopherson finished as runner-up to Jesse Bull during the MGA Amateur Championship in July, and after finishing second again, remains confident moving forward into next season.

# USGA STATE TEAM CHAMPIONSHIP

The USGA Men's State Team Championship, as well as the Women's State Team Championship, grew out of the USGA's Centennial celebration in 1995. It was believed that a new championship, one in which each state could be represented by non-college, amateur golfers, was a good way to cap the USGA's year-long birthday celebration. In enthusiasm and fine golf, the State Team Championship proved such a success that it has been instituted to return every two years, alternating men and women each year.

Invitations are extended for the Minnesota team based on MGA player point standings with an emphasis on recent finishes, and additional competitive criteria intended to field the strongest teams possible.

Format: Each state fields teams of three players. There are 54 holes of stroke play with only the best three scores counted each of three rounds.

## USGA STATE TEAM CHAMPIONSHIP *Continued*

In the championship's short tenure, Minnesota amateur golf has shined: the men's team has won twice (1997, 2001), nearly won in 1999, and holds two more top-ten finishes; the women's team has one win (2001), and four top-ten finishes.

In 2001, the MGA's centennial year, Minnesota played host to the 4th USGA State Team championships -- the men's team was victorious at Hazeltine National Golf Club in Chaska, and the women's team also claimed a win at Woodhill Country Club in Wayzata - making Minnesota the only state to claim the men's and women's state team titles concurrently.
