MESSAGE FROM THE PRESIDENT

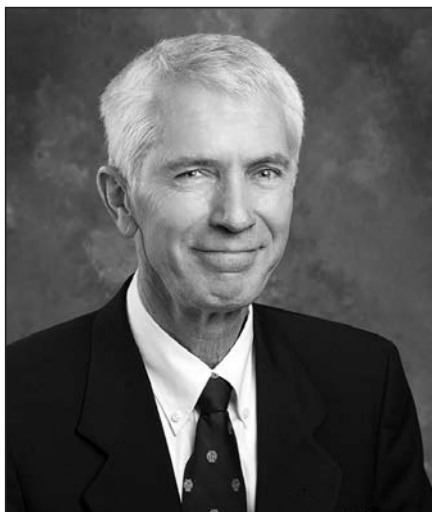

For more than a century, the Minnesota Golf Association has been a steward of the amateur game in our state. What began in 1901, with seven member clubs and a goal to identify the best amateur player, today encompasses nearly 35 state championships, national qualifiers and numerous regional and club competitions. Minnesota consistently ranks at or near the top in golfer participation and represents an industry that means \$2.3 billion annually to the state's economy. Clearly, we are passionate about playing the game and take seriously our role as its steward.

In association with 15 allied organizations representing those who make a living from the game to those who see the game as a way to improve the lives of others, the new MGA is a year-round non-profit organization that serves the game for all golfers in Minnesota. The MGA actively supports, financially and otherwise, a diverse number of organizations like the Western Golf Association's Evans Scholars program and a number of other organizations that promote the game to disabled golfers, disadvantaged youth and groups that have traditionally found challenges in their paths when it comes to the game of golf.

The reason the MGA is able to give back to the game is first and foremost because of the nearly 75,000 associate members and the more than 400 member golf clubs who choose to join in and support the MGA. Our exceptional staff, board members, ambassadors and volunteers turn this support into programs and services on behalf of the game in our state.

Thanks, everyone. Your support is so greatly appreciated. Together let's make 2021 a great year for the game that we all love so much!

Mike Malone

*Mike Malone,
MGA President*

MGA OFFICERS

Mike Malone,
MGA President

As president, Malone leads the executive committee and board of directors in developing policies and programs of the MGA and appoints chairs to the organiza-

tion's committees. Malone has been involved in the golf industry for nearly four decades, including serving as the head golf professional at Waseca Lakeside Golf Club, the Dahlgreen Golf Club, and he is the owner and director of golf at the Ridges of Sand Creek in Jordan. He serves on the board of the Midwest Golf Course Owners Association, was a past president, and is also a former board member of the Minnesota Section of the PGA. Malone, who played college golf at Broward College, in Fort Lauderdale, Fla., was named the Minnesota Section of the PGA Golf Professional of the Year in 2007. He lives in Edina.

Paul Meierant,
Secretary/Treasurer

As secretary/treasurer, Paul Meierant is responsible for the financial affairs of the MGA. He has been actively involved in amateur golf administration since his election to

the MGA Board of Directors in 2009. Meierant has served as chairperson of the MGA's Marketing and Communications Committee and as a member on the MGA's Handicap and Course Rating and Regional Affairs committees. For the past six years, he served the association as an officer in his role as an MGA Regional Vice President. Meierant has a background in retail management and executive leadership at several leading local retailers including the Target Corporation, Hammer Made and SuperValu. Originally from St. Louis, Mo., he lives in Edina with his wife Rachel and two daughters.

Ede Rice,
Vice President

As vice president, Rice fulfills the duties of the president when the latter is absent or unavailable to perform the office. She has been actively involved in ama-

teur golf administration since becoming the first woman elected to the MGA Board of Directors in 1994. Rice is a passionate advocate for caddie scholars at the University of Minnesota Chapter House of the Western Golf Association's Evans Scholars Program. She has been a WGA director since 1995 and was the first woman elected to the WGA Board of Governors in 2010. Rice is an accomplished competitive golfer having won the Minnesota Women's (and Senior Women's) Amateur Four-Ball championships in 2006, and earning the distinction of MGA Senior Women's Player of the Year. She was recognized with the MGA Warren J. Rebholz Distinguished Service Award in 2012 and continues to devote her time as a tournament volunteer and rules official. Rice and her husband Jack live in Edina and belong to Edina Country Club and Woodhill Country Club.

Tom Smith,
Past President

As past-president, Smith remains actively involved in the MGA as chair of the nominating committee and as a tournament volunteer. Smith has been actively involved in ama-

teur golf administration having served on the MGA's board of directors since 2004. Smith is also an accomplished tournament golfer, having twice won the MGA Senior Amateur Four-Ball championship, the 2005 MGA Senior Players' Match Play and the Senior Player of the Year, and qualified for the MGA Senior Tour finals eight consecutive years. After a career in real estate and insurance, Smith and his wife Peggy purchased the Brackett's Crossing Country Club in 1993, and have transformed the Lakeville operation into a successful family-oriented golf club and banquet facility.

THE MGA STORY

The Minnesota Golf Association, founded in 1901, is a nonprofit organization dedicated to upholding and promoting the game of golf and its values for all golfers in Minnesota. The MGA currently serves more than 400 member clubs and nearly 75,000 amateur golfers throughout the state which makes the MGA one of the largest golf associations in the country. The MGA, through its programs and services, strives to preserve the integrity of the game to make golf more enjoyable for all.

Effective December 31, 2016, the MGA merged with the Minnesota Women's Golf Association (MWGA) and the Minnesota Women's Public Golf Association (MWPGA). The merger has created more playing opportunities for all female MGA members, or some 17,000 throughout the state.

Seven golf clubs founded the Minnesota Golf Association in 1901, creating an organization designed to foster, promote and conserve golf within the state. In the more than 119 years since its inception, the MGA has produced a long list of services oriented towards the golfer, the golf course and the game itself.

The first of those services was the competitive golfing event, the Amateur Championship. First played at the conclusion of the MGA's inaugural meeting, the Amateur is one of the oldest and longest running sporting events in the state. It has become a popular tradition with over 700 golfers competing annually. The growth of golf has prompted the addition of events to the MGA's championship schedule. There are now 24 MGA amateur championships for golfers of all ages and abilities.

For the younger golfers, the MGA has the State Junior Boys' and Girls' Championships along with the Junior Team Championship. The Junior Team Championship has competitive young golfers put their own team of four together to play in either the Open division or Girls' division. Along with junior championships, there is also a Family Day golf event, a Junior Girls' Clinic and the MGA provides opportunities for junior golfers to play golf for \$5 or less through the Youth on Course program.

Golfers interested in supporting the MGA can join the MGA's Membership Program through member clubs by contacting a club directly or through the MGA Join Online Program. Members receive a regularly updated Handicap Index® and MGA publications including the *Minnesota Golfer* magazine and the MGA Member Links eNewsletter, and have the opportunity to compete in MGA championships and events. Associate Member dues are the primary source of funding for the MGA's services.

For the golf courses in the state, the MGA offers club memberships. With a tradition founded on service, the MGA offers golf courses a unique network of information and assistance. An extensive course rating program keeps MGA member clubs' ratings up to USGA standards. This ensures that every member handicap accurately reflects a golfer's potential ability. MGA member clubs also receive club rosters, tournament schedules, course rating posters and dozens of other important pieces of literature each year. An MGA golf calendar informs golfers about various club events and tournaments that occur around the state. The MGA compiles these dates every spring and sends the calendar to all Associate Members on its mailing list – more than 75,000 households.

In addition, the MGA actively monitors state legislation to ensure the best interests of the game of golf are pursued. Any changes that will affect MGA member clubs are quickly passed along.

With the *Rules of Golf* being an integral part of the game, rules education and dissemination are an important service offered by the MGA. Not only does the MGA have input on the USGA's Rules of Golf Committee, it actively advocates those rules around the state. This involvement includes the sale of *Rules of Golf* and *Official Guide* books, managing the Rules Hotline and the presentation of Rules Seminars.

ALLIED GOLF ASSOCIATIONS *and Frequently Used Contacts*

Minnesota is fortunate to have several golf associations that serve the game of golf in a variety of ways and the MGA is privileged to work with its many allies. To ensure the health of golf in Minnesota, the MGA supports other state allied golf associations through administrative and financial support and resource sharing. The golf industry's direct impact to Minnesota's economy is \$1.6 billion annually (\$2.3 billion including indirect impact), so the golf industry's health is vital to many Minnesota citizens.

An Allied Association is an organization that is golf-related and has a mission or vision that is consistent with the MGA's mission. The MGA and allied associations work to support each others' mission or visions while respecting each association's unique role in fostering the game of golf in Minnesota. A complete list of MGA Allied Associations, their mission statements, as well as contact information follows:

Advocacy for Golf in Minnesota

The MGA monitors the state capitol for legislative issues that might impact golf in Minnesota. Over the last several years, the MGA and its allied associations have worked with legislators on a number of issues including creating legislation ensuring the regulated use of phosphorus by golf courses, developing proportional property taxes for Minnesota golf courses, management of vital natural resources such as water, and working with Governor Tim Walz and the Minnesota Department of Health to develop operations protocols to open Minnesota's golf courses quickly and safely during the COVID-19 pandemic

In general, golf in Minnesota annually provides \$480 million in golf tourism, \$743 million in wage earnings (24,933 jobs), and \$64 million in funds raised for charity. Minnesota golf is part of a larger \$84 billion U.S. economy (World Golf Foundation).

The MGA and allied associations commissioned an Economic Impact Study of the Golf Industry to articulate the contribution of golf to Minnesota's economy and establish the golf industry as a significant business sector. In 2016, the size of Minnesota's direct golf economy was approximately \$1.6 billion (or a total of \$2.3 billion, when the effects of golf dollars from other linked industries are factored in). The golf industry is on a par with several other important industries: dairy products (\$1.6 billion) and professional spectator sports (\$742 million).

Minnesota Golfer

The award-winning *Minnesota Golfer*, the official publication of the MGA, is distributed four times per year to a primary audience of 75,000. Readers include MGA Members, golf industry decision makers including golf professionals, club managers, golf course superintendents, course owners, club officials, sales representatives and the news media. A digital version of current and recent issues also appear online at mngolf.org.

The *Minnesota Golfer* is an effective tool for advertisers to help achieve their marketing goals with the most avid golf audience in Minnesota.

mngolf.org

The MGA's website, mngolf.org, features a hugely popular course search engine and is an exceptional resource for information. This site displays key member club information such as telephone numbers, green fees, directions, course amenities, yardage and par as well as the course and slope ratings of all MGA member clubs. MGA Members are able to sign up for MGA events and programs via the website. While players, visitors and the media are able to view Minnesota golf news on a daily basis and "Live Scoring" during most MGA championships, in season news and stories on the local golf scene are updated nearly daily on the MGA website throughout the year. The MGA also has a mobile-friendly web design for the convenience of MGA members and visitors using smartphone technology.

For more information on marketing opportunities with the MGA, please contact our account representative, Connie Van Housen at 612-723-2901 or cvanhousen@mspcommunications.com

Create Your Own Personal Profile Page on mngolf.org

For MGA members, tournament players, and volunteers who frequently visit the MGA website, mngolf.org, you can create a secure, password-accessible personal profile page to manage your contact information (email, address and phone), view your current Handicap Index®, see your latest scores, stay abreast of your playing partners' handicap indexes, and list your favorite courses. For those who participate in association competitions, your tournament results include scores from Minnesota state championships and qualifiers.

Social Media

Follow us on Facebook (*MinnesotaGolfAssociation*), Twitter (*MNGolfAssn*) and Instagram (*mngolfassn*) as additional ways to keep up with everything that is happening in golf in Minnesota and current golf news. We also have a Twitter feed on our homepage at mngolf.org.

eNewsletter

More than 50,000 MGA Members receive news updates keeping them abreast of statewide association activities during the golf season and throughout the year.

Valuable MGA Materials

The MGA also publishes this annual yearbook and media guide, as well as an annual golf course directory, an annual golf calendar of events, news releases on MGA amateur championships and association programs, plus numerous schedules, entry forms and other bulletins.

Handicapping

Handicapping enables golfers of differing skill levels to play equitably together- a vital and important component in the overall golf experience. As the authorized golf association and central handicapping authority in Minnesota, the MGA strives to uphold these values:

- **Peer Review** - Golf clubs issuing Handicap Indexes® must have a minimum of 10 members, and members must have a regular opportunity to play golf together
- **Score Posting** - Each golfer will post every acceptable round for peer review
- **Rules of Golf** - Golfers must follow the Rules of Golf when posting scores for handicap purposes.
- **Frequency of Revision of a Handicap Index** - Golf Clubs issuing Handicap Indexes® must follow the MGA's score-posting season. A player's Handicap Index will be revised and updated the day after a score is posted.
- **Handicap Chairperson** - Golf Clubs issuing Handicap Indexes® must have an appointed Handicap Chairperson to work with all handicap-related issues.
- **Club Licensing** - All member clubs and clubs affiliated with the MGA for handicap administration purposes are required to attend an education seminar and complete a quiz demonstrating knowledge of the new Rules of Handicapping.

WORLD HANDICAP SYSTEM

in association with
USGA

World Handicap System

In 2020, the World Handicap System (WHS) was launched to serve golfers across the world. The United States Golf Association (USGA) along with the six other handicap governing organizations across the world have collaborated to make golf an equitable game for golfers of all skill levels around the globe. This revamped World Handicap System aims to bring the game of golf under a single set of handicapping rules and provide a more consistent measure of players' ability between different regions of the world.

The MGA is the authorized golf association and the central handicap authority for Minnesota, to administer and implement the Handicap System License Program in Minnesota, designed to better maintain the integrity and reliability of the Handicap System.

MGA Members can track their Handicap Index® by receiving the MGA eRevision via email, sent out at each revision throughout the golf season.

The MGA issues approximately 75,000 handicaps annually, including reduced-rate handicaps for juniors. It only takes 54 holes to establish a Handicap Index®. Minnesota's active season is April 1 to October 31. Once a handicap is established, it can be verified via the MGA's website, **mngolf.org**, or at **ghin.com**. The MGA has a full-time staff that provides superior customer service to all MGA member clubs and Associate Members who have questions relating to GHIN or the Handicap System.

FREE GHIN Mobile App

GHIN Mobile is available to all MGA Members. It offers a personalized mobile experience that allows you to manage and follow your game.

Key features include:

- **Score Posting**—Total Score, Hole-by-Hole Score and Hole-by-Hole Score (with Stats)
- **Stat Tracking**—Number of Putts, Greens in Regulation and Driving Accuracy
- **Score History**
- **Golfer Lookup**
- **Course Handicap Calculator**
- **My Card**

Download the free app by searching for "GHIN Mobile App."

Course Rating & Measuring

One of the responsibilities of the MGA as the central handicap authority for Minnesota and authorized golf associations is to provide course rating and measuring services to its member clubs. MGA member clubs are usually rated three times in their first ten years of existence. More mature courses are re-rated every five-to-seven years. This ensures the accuracy and effectiveness of the Handicap System® for all MGA member clubs. New and reconstructed courses are a top priority at the MGA. Nearly all courses within the United States have been measured and rated using the Course Rating™ System Rating guidelines. This allows golfers to report their scores from any of these courses in the country for handicapping purposes. The use of the Course Rating™ System makes the Handicap Index® portable from course to course. MGA course raters have attended calibration seminars and training sessions to qualify for their positions. Each year the MGA's two course rating teams measure and rate approximately 100 golf courses in Minnesota. Laser measuring and strict adherence to specifications ensures accurate ratings at all MGA member clubs. The MGA rating teams are among the top rating teams in the United States.

For the Good of the Game – And Its Future Success

The MGA is proud to support programs such as the Evans Scholars Foundation, the Fairway Foundation, the Minnesota Minority Junior Golf Association, the Physically Limited Golfers' Association and The First Tee. See our list of Allied Associations on pages 9-11 of this Media Guide. In addition to the recognition as allied associations, the MGA publishes an annual golf calendar helping to raise awareness of charitable golf tournament fundraising at MGA member clubs.

Growth of the Game & Junior Golf

Join Online

"Join the Club" was launched as a way to allow golfers to locate MGA clubs seeking new golfers. At mngolf.org, golfers can search and locate a golf club in their area which will allow the golfer to join the MGA online and establish a Handicap Index®. This program has successfully linked unaffiliated golfers to MGA member clubs.

Youth on Course

Youth on Course is a national program that Minnesota is pleased to be a part of that offers golfers ages 6-18 the opportunity to play golf for \$5 or less at participating courses in our state and all over the nation. Interested young players pay \$25 for an annual membership which includes: an MGA Junior Membership, Handicap Index® and the opportunity to play great golf courses for less than \$5.

Check out mngolf.org/youthoncourse to join and see a complete listing of participating Minnesota courses.

Youth on Course is just beginning to grow in Minnesota and as it expands there are additional programs that will be added to set up Youth on Course members for success beyond the green such as paid high school internships and college scholarships.

For more information please contact Joel Comstock at 952-345-3968 or joel@mngolf.org.

National Youth on Course Scholarship Program

High school seniors across the nation have the opportunity to continue on a path to success through higher education that might otherwise be out of reach.

Since the inception of the YOC Scholarship Program in 2008, they have had the honor of awarding over \$2 million total to outstanding high school seniors to support their pursuit of higher education.

Out of the 19 scholarships awarded in 2020, two local Minnesota Youth on Course members were recipients, Taylor Gonzalez, out of Henry Sibley High School, and Jack Traxler, out of Cretin-Derham Hall High School.

Minnesota Golf Association Foundation

The Minnesota Golf Association Foundation (MGA Foundation) is the charitable affiliate of the Minnesota Golf Association. The MGA Foundation is a 501(c)(3) charitable corporation and contributions are tax-deductible. It assists the golf industry in Minnesota by providing charitable support for the administration of the Minnesota Youth on Course Program and two scholarship programs, the Evans Scholars program and the MGA Foundation Women's Scholarship program.

There are several ways you can help the MGA Foundation succeed in its mission to better the game of golf in Minnesota including, becoming a sustaining donor of the MGA Foundation, making a donation to MN Youth on Course or the MGA Foundation Women's Scholarship and purchasing a Minnesota Golf License Plate (see below).

Minnesota Golf License Plate

The Play Golf Minnesota specialty license plate is on sale through the Minnesota department of public safety and select DMV locations. Golfers who pay the \$30 plate fee will have the peace of mind of knowing that proceeds will be directed toward for-good-of-the-game programs, such as junior golf and player development, designated by a joint Minnesota MGA/PGA committee.

To order your golf license plate, visit your local county DMV office.

Minnesota Golf Association Foundation Women's Scholarship

The Minnesota Golf Association Foundation Women's Scholarship (previously known as the MWGA Scholarship Foundation) was established in 1998 and supports young women in their collegiate ventures. The Foundation has committed more than \$800,000 in scholarships to 74 recipients. The criteria for judging applicants are based on their academic excellence, financial need, quality of character, and interest or involvement in golf. The 2020 recipients were Vanessa Hawkins, out of Caledonia High School, and Nicole Olson, out of North Woods High School.

Junior Golf Championships

The MGA offers the Minnesota State Junior Boys' & Junior Girls' Championships and the MGA Junior Team Championship. The MGA oversees United States Golf Association qualifying for the U.S. Junior Amateur and U.S. Girls' Junior Amateur Championships. Juniors who qualify locally compete at the national championship. The MGA helps defray the travel expenses so juniors from Minnesota can attend the event every year.

Evans Scholars – College Scholarships

The MGA, in association with the Western Golf Association, provides Evans Scholarships to deserving caddies. Scholarships are awarded to caddies with financial need who have demonstrated outstanding scholastic performance and community service. Scholarships include tuition and housing. Currently, there are sixty active scholars at the University of Minnesota, eleven of whom are women. Since 1930, when the first two Scholars enrolled at Northwestern University, nearly 11,000 Evans Scholars Alumni have graduated from college, including more than 700 from Minnesota. For more information, contact Anne Colehour at 952-345-3969 or anne@mngolf.org.

Caddie Development in Minnesota

The MGA promotes caddie programs via a statewide network of MGA golf clubs by disseminating information, such as best practices and support materials, and assists member clubs in the recruitment of youth caddies. The Caddie Development Manager, as liaison between the MGA and the Minnesota Caddie Committee, perpetuates the Evans Scholarship by identifying and developing qualified applicants for the Evans caddie-scholar program.

Guest Speaker Bureau

The MGA provides a speaker service for club meetings or special gatherings to discuss MGA services, programs and other related topics.

Hole-in-One Certificates

The MGA recognizes holes-in-one made by MGA members on our website and in a comprehensive database available at mngolf.org. MGA members can enter their “ace” information online including telling a story about their perfect shot and uploading a photo. Recent holes-in-one are featured on the homepage. Once a hole-in-one has been recorded online, a player may print out a handsome certificate recognizing their accomplishment or request the MGA staff to send out a printed certificate. In 2020, 553 holes-in-one and double eagles were recorded by MGA Members. Simply go to the homepage of mngolf.org and look for the highlighted area recognizing holes-in-one. You can see recent hole-in-one stories and photos, explore the searchable MGA hole-in-one database and record your own hole-in-one!

Internships in Golf Administration

The MGA conducts a P.J. Boatwright Jr. internship program that provides education and training in all areas of golf administration. In 1991, the USGA established the P.J. Boatwright Jr. Internship Program, in honor of P.J. Boatwright Jr., a past United States Golf Association Director of Rules and Competitions. Each year, the USGA perpetuates a memorial tribute to P.J. Boatwright Jr. through funding of internship programs for regional golf associations throughout the country, including the MGA. This program is designed to give experience to individuals who are interested in pursuing a career in golf administration, while assisting state and regional golf associations, as well as other non-profit organizations dedicated to the promotion of amateur golf, on a short-term, entry-level basis. Interns help conduct tournaments, junior golf programs, membership services, and other general activities that promote the best interests of golf.

Member Days

This popular and growing program allows our MGA Members to play outstanding golf courses around the state. Primarily an MGA Member benefit, these events of fun golf and camaraderie are also an opportunity for MGA member clubs to host a full field of avid golfers eager to experience a championship-quality event. There is a nominal fee for the golfer, which includes green fees, prizes, food and fun. For details and 2021 Member Days schedule, see the Member Days page of the Member/Junior Events & Program Chapter of this Media Guide.

Regional Meetings/Educational Seminars

Regional meetings provide an opportunity for golf course officials and MGA members to meet and discuss various topics with MGA staff and directors as well as provide great networking opportunities for those attending. The purpose of these meetings is to educate attendees along with enhancing communication between the MGA, member clubs and individual members. Meetings are held throughout the state each year, providing local club officials the opportunity to meet and discuss how the MGA is serving the needs of local clubs and members and to discuss issues that are specific to the local area.

Regional Volunteer Network

More than 300 volunteers dedicate their time and talent to work on a number of different MGA committees making possible all the programs and services that make the game of golf better in Minnesota. In an effort to better serve MGA members throughout Minnesota, the MGA developed and implemented a regional format. The state is divided into six regions, including the Metro, Northwest, Northeast, Southwest, Southeast and West Central; each region is represented by a vice president who coordinates regional activities with the MGA staff.

To help coordinate regional activities, each regional vice president works with a team of volunteer ambassadors to promote communication between the MGA and member clubs on the local level. The role of the ambassador is to develop better relationships and communication flow between the MGA and member clubs at a local level to ensure the best possible service.

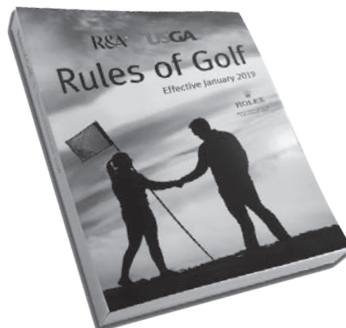

Rules of Golf

The MGA coordinates and conducts sanctioned **Rules of Golf** workshops throughout Minnesota that are open to the public.

In 2021, *MGA Rules On Tap* was launched as a virtual rules resource.

For a complete schedule of **Rules of Golf** workshops and *Rules on Tap* online discussions, visit mngolf.org/Rules_of_Golf.

The MGA office also monitors a “rules hotline” to answer questions on the **Rules of Golf** during the evenings and weekends as an additional benefit to MGA member clubs, 1-800-642-4405, ext. 965 or 952-345-3965.

Senior Tour

In 1996, the MGA Senior Tour began as a series of 18-hole events to enable senior golfers of all playing abilities to participate in competitive MGA events. Today the MGA Senior Tour serves more than 750 senior players statewide. For the 2021 season there are three regional sections (for male players 55 & older), one Super Senior section (for male players 70 & older), one Women's section (for female players 50 & older), and the Gross section with longer tees (for male players 55 & older). Each section offers its own schedule of 18-hole individual competitions. There are also additional All Section team and individual events for regional, Women's and Dual members. Regional section events and All Section events include both net and gross competition in two divisions, Senior (ages 55-64) and Master (ages 65-over) while the Super Senior, Women's and Gross sections have one division. Entry to the MGA Senior Tour is open to amateur golfers who are current Members of the MGA and whose club is a member club of the MGA. Each year culminates with the Senior Tour Finals held at a prestigious course in the state. The top players from each section qualify. See more details about this year's Senior Tour season in the Member/Junior Events & Program Chapter of this Media Guide. Contact the Senior Tour Department at 952-345-3978 or seniortour@mngolf.org for more information.

Tourism

Golf-related tourism is an important industry and vital to the state's economic engine. The golf industry accounts for more than **\$480 million** annually in golf-related revenues. The MGA supports golf tourism efforts through its joint partnership with the Explore Minnesota Golf Alliance and Explore Minnesota Tourism. The MGA's website, mngolf.org, provides a search engine of member club information enabling locals and out-of-towners to quickly access information ranging from phone numbers, green fees and directions to yardage, par, slope and course ratings™ for all MGA member clubs.

USGA Liaison

The MGA, as the central handicap authority for Minnesota and an authorized golf association, is designated by the USGA to administer and implement the Handicap System™ License Program. In addition, the MGA monitors national issues of importance to member clubs, processes amateur status reinstatement applications, and conducts qualifying competitions for all USGA championships.

MGA AWARDS

MGA Member Club of the Year

Stillwater Country Club was named the 2020 MGA Member Club of the Year in recognition of the facility's support of the MGA Associate Member program and its willingness to host MGA events, such as the MGA Senior Tour and Member Days, MGA amateur championships, including, most recently, the 2020 MGA Women's State Amateur, and USGA qualifiers.

Stillwater Country Club

Established in 1924 to accommodate the high demand for golf in the east metro, the club's original nine-hole layout was designed by Tom

Vardon, younger brother to Open champ Harry Vardon. In 1959, the golf course expanded to 18 holes when Paul Coates designed the second nine, as well as reconfiguring many of the original holes. In 2015, the club rebuilt all of the bunkers on the course, restoring many with grass faces in keeping with Vardon's original style. New bunkers were added, some repositioned and several eliminated as unnecessary. Vardon, a prolific golf course architect in high demand in the upper Midwest, was inducted into the Minnesota Golf Hall of Fame in 2012 and is credited with designing more than 40 golf courses in the region.

Fans of Vardon will appreciate that Stillwater's holes one, seven-through-eleven, and 18 are original.

Stillwater Country Club enjoys a storied tournament history in Minnesota golf thanks to its long-running Short Stop (now named after longtime greenkeeper Lyle Cran). Established in 1944, it remains one of the premier amateur events in the Twin Cities and features numerous State Amateur and State Open champions among its past winners.

Stillwater played host to its first state amateur championship in 1963 when Rolf Deming defeated Loyal "Bud" Chapman, 4 and 3, in the 36-hole finals match of the MGA Amateur Championship.

Most recently, Kate Smith was the only player to finish under par through 54 holes of the MGA Women's Amateur Championship this past July, winning with a score of 70-71-74—215 (-1).

Unquestionably, the most decorated player in the club's history is Bev (Gammon) Vanstrum, once called the "Tiger Woods of statewide women's golf" by former MGA president and executive director Warren Rebholz. Vanstrum joined Stillwater CC in 1959. During a stretch from 1953 to 1968, she won 17 state amateur championships: seven MWGA Stroke Play and six MWGA Match Play championships, and four Minnesota Women's Amateur championships. Fittingly, Vanstrum was inducted into the Minnesota Golf Hall of Fame in 1991.

Currently, Stillwater Country Club actively supports the MGA's non-profit mission through a large and active MGA Associate Member program (689 active members) using the GHIN service.

The club will be awarded with a commemorative plaque and featured in the 2021 Directory issue of *Minnesota Golfer*, the official publication of the MGA.

MGA Giles Kobilka Award

Named in honor of a longtime MGA volunteer Giles Kobilka, this award recognizes those individuals whose dedication and outstanding accomplishments have made an important contribution to the amateur game of golf in Minnesota. The honor is intended to be awarded annually to an individual whose career includes not only several years of service volunteering with the association, but also includes exceptional and meritorious contributions aligned with the mission of the MGA.

With nearly a half-century of service to the MGA, Kobilka, who passed away in 2020 at age 85, was a highly regarded by volunteers and competitors alike not only for his personable nature, but also for his unwavering commitment to the volunteer ethos.

Amanda Polanski

MGA Fritz Corrigan Evans Scholar of the Year

The MGA Fritz Corrigan Evans Scholar of the Year Award is bestowed annually to an Evans Scholar from the University of Minnesota chapter house for outstanding achievement in academics, leadership and community service.

The Chick Evans Scholarship program is a four-year college scholarship for deserving caddies, sponsored by the Western Golf Association in association with the MGA. There are currently 965 Evans Scholars attending 19 universities around the country.

In 1996, the MGA renamed the Evans Scholar of the Year award in honor of Fritz Corrigan, a long-time supporter of the Evans Scholarship program, who helped establish the Evans Scholars Chapter House at the University of Minnesota.

Amanda Polanski was named the 2020 Scholar of the Year.

Polanski, a caddie at The Minikahda Club in Minneapolis, is a senior at the University of Minnesota, carrying a 3.9 GPA, and majoring in Biology with a minor in Leadership.

Polanski has an impressive leadership record as an Evans Scholar: In 2017, she received the Adelor J. Petit New Scholar of the Year Award; in 2019, she served as the vice president of finance for the Minnesota Chapter; and in 2020, she was named the co-chair of the Evans Scholars National Committee, and voted Minnesota Chapter president.

Staying involved in the Minneapolis community is important to Polanski, as demonstrated by her volunteer work at the Aurora Center for Advocacy & Education as a violence prevention educator. Polanski has also served as the assistant coach and mentor of an eighth-grade girls traveling basketball team. In addition, she organized the first-of-its-kind Minnesota Evans Women's basketball team which competed at the Evans Scholars Foundation Winter outing. Following graduation in the spring of 2021, Polanski plans to pursue a master's degree in Genetic Counseling.

MGA-PGA MINNESOTA GOLF HALL OF FAME

The MGA-PGA Minnesota Golf Hall of Fame was established in 1987 to recognize Minnesotans for their outstanding contributions to the game of golf. A task force meets annually to determine nominations. The MGA-PGA Minnesota Golf Hall of Fame is housed at Bunker Hills Golf Club in Coon Rapids and is operated and supported by the Minnesota Golf Association and the Minnesota Section of the Professional Golfers' Association of America. The 2020 inductees are following.

William F. "Bill" Brooks

In the early days of Minnesota golf, it would be hard to find anyone as impactful or accomplished as William F. "Bill" Brooks. His golf administrative résumé includes serving as president of the MGA, in 1906-1907, of the Trans-Mississippi Golf Association, in 1916, and as a committee member of the USGA's Green Section, from 1922-1927. Brooks had a hand in bringing several major golf tournaments to Minneapolis and The Minikahda Club: the 1910 Western Amateur and an important early success; the 1916 U.S. Open Championship, played west of Illinois for the first time and won by Chick Evans; and the 1927 U.S. Amateur Championship, where the likes of Bobby Jones and Evans competed, and the former triumphed.

William F. "Bill" Brooks

In addition to his administrative acumen and influence, Brooks, a mechanical engineer by trade, was responsible for innovations that pushed the game into the future. He invented an early tractor-mounted mower which was more efficient and cost-effective than horse-powered mowers, and in collaboration with Minikahda's head greens keeper, Charles Erickson (also posthumously a member of the Minnesota Golf Hall of Fame), experimented on a variety of grasses and aerification methods and invented a new fairway sprinkler system affectionately called the "Sea Serpent."

Otis J. Dypwick

For the sake of creating and conserving golf history, Minnesota was fortunate to be served by Otis J. Dypwick throughout the latter half of the 20th century. Dypwick was director of sports information at the University of Minnesota from 1944-1976, where he covered Gopher sports including golf for more than 30 years. In this time, he also co-authored numerous books and instructional series about the game, and he is credited with capturing and preserving the swings of the likes of Byron Nelson, Patty Berg, Sam Snead and Arnold Palmer, and a litany of other great players. In addition, Dypwick served as director of public relations for several golf tournaments hosted in Minnesota, including the U.S. Walker Cup (1957), the Western Amateur (1958, at the Country Club of Florida), the PGA Championship (1959), the Trans-Mississippi Championship (1959 and 1966), the U.S. Women's Open (1966 and 1977), and the U.S. Open (1970). Among his many talents, Dypwick created tournament publicity, promotions, and authored the programs associated with these historic competitions. The game in Minnesota was undoubtedly elevated thanks to Dypwick's deep passion for sharing the game with others.

Dawn Ginnaty

Dawn Ginnaty

Throughout the 1980s, Ginnaty was a force to be reckoned with in Minnesota golf. She started her career at Edison High School, where she found great success on the course, finishing second in the Minneapolis city high school tournament in both her junior and senior years. At Winona State, where she was persuaded to switch from playing softball to playing golf, she became the team's top performer in both her junior and senior years. After graduating college, she continued to find success on the golf course. While representing Gross Golf Club (Minneapolis) and Northern Hills Golf Club (Rochester), she accomplished the remarkable feat of winning four consecutive Minnesota Women's Public Golf Association Championships, from 1983 to 1986. This winning streak has never been duplicated. Additionally, she won the MGA Women's Amateur Championship (then known as the Minnesota Women's State

Amateur Championship) in 1986 by four-strokes, a notable margin given the level of competition. Clearly, Ginnaty is one of the best players of her time and a well-deserved inductee to the Minnesota Golf Hall of Fame.

For more information about the Minnesota Golf Hall of Fame, including nomination submissions, contact MGA Executive Director, Tom Ryan at 952-345-3971 or Minnesota Section PGA Chief Operating Officer, Jon Tollette at 763-754-0820.

MS. & MR. MINNESOTA GOLF

The annual Ms. & Mr. Minnesota Golf Award was created in 2016 to recognize the outstanding male and female high school senior golfer based on their performance on the golf course, academic achievement and strength of character. Finalists are chosen by a committee of high school coaches and amateur golf representatives. The awards are announced and presented at a banquet in June of each year. All nominees and their families are invited to attend.

FOUR-BALL

Polk & Fiedler

Format: 36 holes of Four-Ball stroke play in elective flights without handicap (Championship or Senior) with the remaining players divided into net flights based upon the number of entries and handicap. Each team member playing with 85% of his sloped handicap. The cumulative 36-hole team score (best-ball net of the team from each hole) will be the team's score for the championship.

Eligibility: Amateur players who are members of a club that is a member of the Minnesota Public Golf Association (MPGA) and carry an active GHIN handicap at that club. Age requirement for Senior division is at least 50 years of age as of the first day of the championship.

Handicap Index: The partners' Handicap Indexes may not differ by more than 8.0 at time of entry. If the difference in handicaps changes to more than 8.0 between partners when the pairings are set-up, the higher handicap player will be reduced to 8.0 above the lower handicap player and then be put into the correct flight.

Champions: Jesse Polk and Mike Fiedler

Another 63 Helps Fiedler and Polk Cruise to MPGA Four-Ball Title *(published October 5, 2020)*

MONTICELLO, Minn. – Firing an 8-under par 63 for the second consecutive round Sunday at Monticello Country Club, the twosome of Mike Fiedler and Jesse Polk earned a four-stroke victory at the 43rd Minnesota Public Golf Association Four-Ball Championship, shooting 16-under 126.

Polk and Fiedler held a two-stroke lead following Saturday's opening round, but started quickly Sunday, each carding birdie on the opening hole before Polk converted his birdie chance at the second.

Fiedler added birdies at the fourth and eighth holes to push the pairing to 12-under for the championship before they would give back a stroke with a bogey at the ninth. Fiedler singlehandedly took control beginning the inward nine, carding five birdies over the final nine holes to help his team to a second round of 63, four shots better than the two some of Justin Burleson and Jesse Larson, as well as the team of brothers Colton and McCabe Buege.

Another 63 Helps Fiedler and Polk Cruise to MPGA Four-Ball Title *continued*

Fiedler claims his first state championship victory since winning the 2017 Minnesota Golf Association Amateur Four-Ball Championship with partner Johnny Larson at Crow River Golf Club.

Teaming up with Andrew McCain in 2015, the twosome won the MPGA Combination Championship at Bunker Hills. Fiedler partnered with Laura Olin to claim the 2006 MGA Mixed Amateur Team Championship at Brackett's Crossing Country Club.

A Loren Krugel winner in 2005, Fielder's first state win came in 1999 at the Minnesota PGA Junior Players' Match Play Championship.

Polk wins his third MPGA Four-Ball in five seasons, claiming the 2016 championship with Sammy Schmitz at Emerald Greens Golf Club before winning again with Schmitz in 2018 at New Richmond Golf Club.

Polk and Schmitz previously paired up to win the 2014 MGA Amateur Four-Ball Championship at Pebble Creek Golf Club, tying a tournament-record with an opening-round 60.

Jesse Polk and Mike Fiedler

The Buege brothers fired a 4-under 71 to begin the championship Saturday and carded eight birdies in a 12-hole span during the final round Sunday to finish four strokes out of the lead at 12-under par 130.

Burleson, who won the MGA Mid-Players' Championship on Wednesday at Cannon Golf Club, teamed up with Larson to fire a bogey-free 66 Saturday and the two would go bogey-free again during the final round, rolling in four birdies during their outward nine before carding another three birdies to finish the round at 7-under 64 to place tied for second at 130.

Berry

Champion: Don Berry

Different Season, Familiar Result as Berry Wins Seventh Minnesota Senior Open

By Nick Hunter (*published June 3, 2020*)

MAPLEWOOD, Minn. – For the second consecutive season, extra holes were required to determine a champion at the Minnesota Senior Open, and for the second straight year, Don Berry emerged victorious.

Lobbing his third shot from a greenside bunker inside of four feet, Berry tapped in for birdie to edge fellow professional Dale Jones on the first playoff hole to claim his second straight victory and seventh Minnesota Senior Open title.

“It’s important for me to play well,” Berry said after playing just his seventh round of the season Wednesday. “Early in the year I want to get off to a good start, just my game, not really the results. I kind of feel I backed into this one. It’s very important for me to feel like I’m playing good early in the year because then you can get on a roll.”

Entering Wednesday’s round with a one-stroke lead over Jones, the two traded jabs early and often as Jones made a pair of early bogeys before sinking back-to-back birdies at Nos. 7 and 8 to keep pace with Berry, one stroke back.

The six-time champ looked as though he would distance himself from the field with a tap-in birdie at the fifth and increasing his lead to three strokes, but a bogey by Berry at the seventh turned into a two-shot swing for Jones.

Berry and Jones both tapped-in for birdie at the par-5 10th, but Berry would make a crucial statement putt on the ensuing hole. With Jones inside of three feet at the 11th, Berry drilled his 15-footer for birdie to maintain a slim margin with seven holes to play.

The two refused to back down as both nearly reached the par-5 12th hole in two, two-putting for birdie before back-to-back miscues by Berry on the final two holes opened the door for Jones as the two both finished 36 holes of regulation at

Country Club to come from behind and defeat Joe Stansberry by a stroke.

With the recent easing of restrictions across the state due to the COVID-19 pandemic, the entire field this week had to quickly acclimate to a number of changes on and off the golf course.

"I don't really enjoy putting with the pin in on short putts," Berry said, as pins were required to stay in the hole at all times this week. "Long putts—20 feet and over I don't really think about it. Short putts I just haven't gotten used to the shadow of the flag and it flapping in the wind. I don't know if it's distracting or if it's just so much different.

"To be honest—the one thing that was very strange was not having a scorecard. I was keeping my score and usually you've got a scorecard and you have some idea how someone else is doing. I had no idea how anyone stood. Even on 18, I didn't know until we added it up and didn't realize I was in a playoff."

Wednesday's defeat marks yet another close call by the 57-year-old Jones, who has now finished inside the top-5 of the last four straight championships. Since 2010 Jones has collected more than 35 top-10 finishes.

Perhaps another sign of his perpetual steady play and laid-back style is the fact that all three of his section victories have come at match play events. He won the Minnesota PGA Match Play Championship in 2008, defeating Berry in the final match at The Wilds Golf Club.

Jones, the head professional at Mendakota Country Club, defeated Larry Norland to win the Minnesota PGA Senior Match Play Championship in 2017, and again last season, where he downed Berry in the semifinals before taking down Craig Brischke in the final match at Chaska Town Course.

"It was fun. [Berry] is tough and I kind of gave it away on 18 with a three-putt and he made a nice birdie on the first playoff hole," Jones said. "Tee to green I thought I was pretty good and I actually putted pretty good this week. It's still early."

Dave Carothers, who claimed the 2017 Minnesota Golf Association Amateur Championship at Interlachen Country Club, posted a final-round 70 Wednesday to earn Low-Amateur honors. He finished in a tie for third with 2011 Minnesota Senior Open champion Bill Israelson at 2-under 142.

4-under 140.

"I won—I feel really good about that, but I sure didn't think I played very good," said the 57-year-old head professional at Edinburgh USA. "My driver is usually one of the best clubs I can count on, but I just hit it so poorly today. I don't feel like I totally deserve it, but I'll take it anyway.

"Golf is weird. Last year, it took a six-hole playoff, but I felt like nobody in the tournament could beat me. A couple years ago at Baker National, I won by like 10. Today it was the same result, but it was a totally different feel of how I played. When you don't hit a lot of great shots, it's tough to be super confident

Developing a penchant for late-round theatrics in recent years, Berry has claimed three of his seven victories at the event by way of a playoff. Berry dueled Steve Whittaker for six extra holes before claiming victory last year at The Jewel Golf Club, and in 2015, Berry got up-and-down from the sand for birdie to get the better of Brad Schmierer in a two-hole playoff at Island View Golf Club. Playing in his first Senior Open in 2012, Berry saved par from a greenside bunker at Edina

Aldrich and Miller Outduel Pilot and Williams in Playoff to Win MGA Women's Senior Four-Ball

By Nick Hunter (published August 25, 2020)

FOREST LAKE, Minn. – Outlasting three-time champions Claudia Pilot and Brenda Williams in a four-hole playoff Tuesday, the team of Betsy Aldrich and Barbara Miller claimed the 2020 Minnesota Golf Association Women's Senior Amateur Four-Ball Championship at Forest Hills Golf Club.

Aldrich and Miller carded an opening round 74 to enter Tuesday's final 18 holes one shot off the lead before carding a 73 to finish in a tie for first with Pilot and Williams at 1-over 147. On the fourth playoff hole, Miller two-putted for par to earn her second win at the event in as many seasons.

"We've wanted to play together and we've tried, but we've always had other partners,"

Miller said after Tuesday's round. "This was the first time we've been partners and it worked out. We knew our games were similar and knew how to feed off of each other."

Miller paired up with Leigh Klasse a year ago as the two staged a final-round comeback, shooting 6-under 66 to edge Pilot and Williams by two shots, giving Miller her first state title.

Aldrich, who entered the week coming off a

runner-up finish at the MGA Women's Senior Amateur Championship at Woodhill Country Club a week ago, claims her first senior four-ball championship and notches her 13th victory in the state.

With her win Tuesday, Aldrich clinches 2020 MGA Senior Women's Player of the Year honors, ending Leigh Klasse's run of 10 straight awards.

"This is an important win for me this year because I want to win [MGA Senior Women's Player of the Year], so this is a big one," Aldrich said.

During the final round Tuesday, Aldrich got to work quickly by two-putting for birdie on the opening hole to move to even par for the championship before Aldrich rolled in a 10-footer for birdie at the fourth, putting her team in sole possession of the lead. Carding bogey at the eighth and ninth holes for the second consecutive day, Aldrich and Miller dropped back to 1-over and into third place.

Miller helped the cause by dropping a 35-footer from off the edge of the 11th green to move her and Aldrich back to even par and within one shot of the lead.

Despite a birdie and one bogey on the scorecard over the final nine holes Tuesday, Aldrich and Miller left themselves with plenty of work, needing lengthy putts to save par and remain in contention. They would bogey the final hole to finish 36-holes at 1-over 147 before watching Pilot's 12-foot par putt for the win stay right of the cup.

The two teams each carded three consecutive pars at the par-4 18th hole before moving to the par-3 10th, where Miller would two-putt for par and the win after Pilot and Williams each failed to get up-and-down to save par.

"We started out great, but the card doesn't show pictures because we were ham and egging it for par," Aldrich said Tuesday. "We limped our way in. We didn't have any big numbers and it wasn't spectacular, but it was steady."

"We never had a tap-in par from [No. 11] on in," Miller added. "We had to make six and 7-footers to save par."

With their most recent win at the event coming in 2014, Pilot and Williams narrowly missed their fourth tournament win Tuesday. The two first teamed up in 2010 to win the championship at Ridgeview Country Club and added a second in 2012 at Red Wing Golf Club.

"I haven't been playing very much tournament golf this year and I'm really not used to it," Pilot said Tuesday. "It was a great start, but we bogeyed the next two holes, so it was like starting par-par-par."

Williams chipped in for eagle on the opening hole to put her and Pilot into the lead momentarily before falling back to 1-over after three holes Tuesday. Williams came back to roll in a short birdie putt at the eighth to put her team back into a share of the lead.

The two regained the outright lead when Williams sank an uphill birdie putt from 10-feet at the 14th, but Pilot and Williams dropped back into a tie with Aldrich and Miller with a bogey at the 15th. Needing a par on the final hole after

a bogey by Aldrich and Miller, Pilot had a par putt to win but couldn't get it to drop, forcing a playoff after shooting 1-over 147.

"What I was happy with, after those first four holes, I finally started hitting the ball better," Pilot said. "Fairways and more and more greens and taking some of the pressure off of Brenda. Yesterday, she had so much pressure on her. But it's always fun to play with your best friend."

"The four-ball is one of my favorite events to play in because of Claudia, of course. It's more fun to play in these events with the yardage being more manageable," Williams said. "When you're ham and egging it as well as we were today, that's always fun."

First-round leaders Lisa Lawry and Trish Olsen fired a final-round 75 Tuesday to finish one shot back in third place at 2-over 148.

Kari Haug and Terry Henschel carded a 4-over 77 during Tuesday's final round to claim a two-stroke victory in the First Flight at 7-over 153, edging the twosome of Molly Baker and Colleen Boerboom. Maren Ogdie and Sue Sajevic built a two-stroke lead following Monday's opening

round and held off the team of Kathy Fisher and Dale Ann Smith to earn a two-stroke victory in the Second Flight, shooting 20-over 166.

In the Third Flight, Marion Holly and Fran Page carded a 14-over 87 Tuesday to better the teams of Janice Barstad and Toni Flaherty and Jill Garritsen and Connie Sugden by three strokes as Holly and Page tallied a 36-hole score of 23-over 169.

Pat Bush and Renee Christensen opened up the championship Monday with a three-stroke lead by carding a 90 before firing a final-round 91 Tuesday to claim a two-stroke victory in the Fourth Flight, downing the team of Ann Harris and Jacqui Jarnes and the pairing of Monica Overkamp and Emi Sako. Back-to-back rounds of 94 helped the twosome of Janet Christianson and Julie Edwards to a slim victory in the Fifth Flight, edging the team of Terry Fraser and Sheila Mullen by one stroke at 42-over 188.

The 2021 MGA Women's Senior Amateur Four-Ball Championship returns to Burl Oaks Golf Club, which played host to the event in 2019.

Barb Miller (left) gets a high five from partner Betsy Aldrich for making a long birdie putt at the 11th hole during the 2020 MGA Women's Senior Four-Ball Championship. Miller and Aldrich won the championship flight after a four hole playoff.

Peterson Earns 28th State Victory with Win at MPGA Mid Public Links

By Nick Hunter (*published June 14, 2020*)

APPLE VALLEY, Minn. – Posting the tournament's only round below par in blustery conditions Sunday, Trent Peterson overcame a slim deficit during the final round by shooting a 1-under par 70 to claim the 16th Minnesota Public Golf Association Mid Public Links Championship at Valleywood Golf Course.

A pair of birdies allowed Peterson to pull away from first-round leader Ralph Baxley late in the final round as Peterson notched his first Mid Public Links Sunday, adding to his total of 28 state championship titles for the 33-year-old.

"This is very satisfying because I've never won this before. I lost in a playoff a few years ago [against Michael Christensen at Highland National] and last year I made an eight on a hole and that kind of knocked me out of it," Peterson said. "I think I've got them all—that's why I wanted it so bad. I can't think of anything I'm eligible for that I haven't won now.

"Yesterday I was rusty," Peterson said of his first competitive round Saturday. "Today I putted much better and made some nice, clutch par putts. I was making everything inside of six feet, which you're going to be hard to beat if you're making putts inside of six feet all day."

Peterson got off to a dreadful start during the opening round Saturday, carding three consecutive bogeys before rattling off four birdies and a pair of bogeys over his final 15 holes to finish one shot back of Baxley at 1-over 73.

Quickly erasing the deficit on the opening hole Sunday, Peterson rolled in a 6-footer to draw even with Baxley before a wayward tee shot at the third led to a bogey. In typical Peterson fashion, he bounced back by rolling in a short birdie putt on the ensuing hole to once again draw even with Baxley.

Peterson, the defending Minnesota Golf Association Men's Player of the Year, reached the left edge of the par-5 12th in two, getting up-and-down for birdie and would take the lead for good, increasing his lead at the 15th by rolling in another short birdie.

Both Baxley and Peterson went long at the par-4 16th resulting in a pair of bogeys as Peterson would make an inconsequential bogey on the final hole to post a 1-under par 71 to claim a two-stroke victory at even par 142.

"I haven't played golf too much, so where I finished after Day One, I was very happy. I was right in it," said Peterson. "It's not really my home course, but I've played it a bunch and I know where to be. These greens were quick and you wanted to keep it below the hole. Downhill, downwind putts were brutal. It's short—I do well on tight courses because I don't hit it very far.

"Usually this course is softer and longer greens if you miss, you can get up-and-down pretty easily. It was tough and I told myself to keep it simple. It's not a long course. I've played here a million times and knew I had to be smart and be patient. I took advantage of the easy holes—I birdied all of the par-5's today."

Of his 28 state titles, three have now come at his "home course" at Valleywood. Peterson won the 2006 MPGA State Public Links Championship in 2006 before he and partner Olivia Herrick claimed medalist honors at the MGA Mixed Amateur Team Championship in 2016

Also familiar with the confines at Valleywood, Baxley, who graduated at nearby Eastview High School, pieced together another steady round for the second consecutive day by playing his first 14 holes in even par Sunday to keep pace with Peterson.

Back-to-back bogeys at the 15th and 16th holes proved costly for Baxley as he carded a final-round 73 to finish alone in second place at 2-over par 144.

"I was very solid other than just one hole. Should've been a green light on 15, making three or four but instead walked off with six. I was hoping to play solid this week and I figured somewhere around even par would be close. I thought I was pretty steady and didn't make many mistakes.

"I pretty much grew up on this course, but I've never seen it play like this—firm, fast and pins where if you were above it, you've got no chance. I actually played defensive and I've never had to do that before. [Peterson's] round today was amazing."

Defending MGA Mid-Amateur champion Justin Burleson, also a longtime Valleywood member, used his experience to his advantage this week, posting a pair of 3-over 74's to finish in third place, six shots back.

Rick Larsen Claims MPGA Net Public Links Medalist Honors By Single Point

By Nick Hunter (*published June 14, 2020*)

Rick Larsen, from Fountain Valley Golf Course, carded 36 Stableford points during Saturday's opening round and followed it with 28 points during Sunday's final round to claim the 2020 MPGA Net Public Links Championship, edging Steve Roers by a single point.

Thomas Kennedy, of Fountain Valley Golf Course, claimed medalist honors in the Net Second Flight, while Nick Holler, from Bunker Hills Golf Club, cruised to a 15-point victory in the Net Third Flight Sunday.

New Format in 2021 (Pool Play):

All Championship players are guaranteed three matches! The first three matches will be a "round robin" format within a "pool" of players determined by seedings. Each match will be worth one (1) point for a win or a half (½) point for a tie. The players with the most points from each pool will advance to the round of 8, with the championship transitioning to single-elimination match play at that time. In the event there is a tie following pool play, there will be a hole-by-hole playoff to determine who will advance.

Eligibility: Must be 30 years of age by the first day of the championship and qualify or have an exemption.

Handicap Index: 6.4 at the time of entry.

2021 Exemptions:

A. 2020 MGA Mid-Players' Champion

B. 2020 MGA Player Point List – Excluding the Defending Champion, the 6 highest ranking players from the Regular Points list to enter.

C. Host Club Exemption (1) – #32 seed

Burleson's Putter Earns Him Second MGA Mid-Players' Championship

By Nick Hunter (published October 1, 2020)

CANNON FALLS, Minn. – Playing bogey-free golf through his first 33 holes at the 14th Minnesota Golf Association Mid-Players' Championship at Cannon Golf Club helped Justin Burleson to his second victory at the event in three seasons, defeating Matthew Norgaard during Wednesday's final match, 2 and 1.

During Burleson's five matches this week, he played 65 holes at 12-under par with just five bogeys to earn his fifth-career victory Wednesday, collecting at least one state win in each of his last three seasons.

"The key in match play is not to give away holes," Burleson said Wednesday. "60-plus holes with five bogeys is about the best I can do.

MGA

MID-PLAYERS'

"I've played really good in the last month. I finished second at [MPGA Combination] and second at the [MPGA State Public Links]. Seconds are great, but even at this level, we're out here to win and play the best we can, so the win means a lot."

Playing state events since 2013 after moving from Texas, Burleson has quietly become one of the state's most consistent golfers, compiling over 20 top-5 finishes in the past seven years, while placing second eight times.

"Most of it is mental. I got back into competitive golf after taking a year or two to get used to thinking through tournaments again," he said. "It's a different game thinking through your shots and it took a little bit to get back to that side of the game."

"The last four or five years, I still hit the ball the same and can hit some good iron shots, but it all comes down to putting. I putted well today and putted great all week—I made more putts from five to 10 feet this week than I have all year."

Despite a pair of birdies and an eagle on the scorecard during the final match Wednesday, Burleson trailed Norgaard by one through nine holes before tying the match with a par at the 10th and taking the lead for good at the 11th, when his birdie look from four feet was conceded.

Falling down by two after a bogey at the 12, Norgaard tapped-in for birdie at the 13th to pull within one, but it was all the closer he would get. Burleson sank his birdie opportunity from six feet at the 14th and would close out Norgaard at the 17th with a par to earn the win, 2 and 1.

Burleson's road to the final match began with a victory over Patrick Simmer, 6 and 5, before dispatching Topher Baron during the Round of 16, 2 and 1.

Burleson found himself on the right end of unfortunate circumstances prior to the start of Tuesday's quarterfinal round when opponent, and last year's runner-up, Jamie Quesnel decided to forfeit out of caution after feeling ill early Tuesday. The unexpected rest helped a refreshed Burleson to a 1-up victory over 2014 MGA Amateur champion Jesse Bull to reach the championship round.

In recent years, Burleson has also showcased his proclivity to playing well in adverse conditions, which is inevitable at some point during the

season in the state of Minnesota. His first state win at the Minnesota Public Golf Association Mid Public Links Championship at Blackberry Ridge Golf Club in 2016 came amid howling wind conditions during the final round.

Burleson claimed a two-stroke victory over Tony Vincelli in blustery conditions at last year's MGA Mid-Amateur Championship, where the final two rounds were postponed nearly five weeks due to weather-related issues.

The 37-year-old Burleson rose to the top of the leaderboard again this week against a trifecta of wet, cool and breezy playing conditions.

"The beginning of the round was really cold today, but it wasn't too bad until the 14th," he said. "Those last four holes, the wind really started blowing. I hit some good punch shots through that stuff and kept it pretty straight."

Norgaard, a longtime professional at Somerby Golf Club who regained his amateur status in 2018, began the championship with a victory over Ryan Luessenheide, 5 and 4, before taking down Tyler Obermueller during the Round of 16 late Monday.

Advancing from the quarterfinal round with a victory over Tony Krogen, 4 and 3, Norgaard reached the final match against Burleson following a 2-up win over Tim McKenney during the semifinal round.

"It was a great match—a lot of good golf and a lot of good shots," Norgaard said Wednesday after earning his best finish at the championship. "Ultimately, I just made too many mistakes and it wasn't enough. It was fun to compete, but Justin deserved to win today—he played better."

"I mis-clubbed on a few holes with the wind and tried to recover and ultimately it came down to two putts. On 14 I missed a 4-footer and on 16 I missed a 6-footer. It was gusty and they were both downhill and on the wrong side of the hole."

Since returning to golf as an amateur, Norgaard qualified for the MGA Amateur last season, but failed to make the cut on his home course at Somerby Golf Club. He won his opening-round match at the MGA Mid-Players' Championship at Crow River Golf Club before falling to Quesnel during the Round of 16.

Earlier this season Norgaard defeated Ben Strauman during the opening round of the MGA Players' Championship at Hastings Golf Club before exiting with a loss to Peter Capouch, 3 and 2. Norgaard then notched his first top-10 finish at the MGA Mid-Amateur Championship at Northland Country Club earlier this month, finishing tied for seventh.

New Format in 2021 (Pool Play):

All Championship players are guaranteed three matches! The first three matches will be a "round robin" format within a "pool" of players determined by seedings. Each match will be worth one (1) point for a win or a half (½) point for a tie. The players with the most points from each pool will advance to the round of 8, with the championship transitioning to single-elimination match play at that time. In the event there is a tie following pool play, there will be a hole-by-hole playoff to determine who will advance.

Eligibility: Must be 55 years of age by the first day of the championship and qualify or have an exemption.

Handicap Index: 7.4 at the time of entry.

2021 Exemptions:

A. 2020 MGA Senior Players' Champion

B. 2020 MGA Senior Player Point List –

Excluding the Defending Champion,

the 6 highest ranking players from the Senior Points list to enter.

C. Host Club Exemption (1) – #32 seed

Gregory Earns First State Title With Victory Over Rose at MGA Senior Players' Championship

By Nick Hunter (*published September 30, 2020*)

CANNON FALLS, Minn. – Playing in just his second state championship this week, Iowa native Jay Gregory jumped out to an early lead over former champion and four-time Minnesota Golf Association Senior Men's Player of the Year Jerry Rose Wednesday and never relented, claiming the 21st MGA Senior Players' Championship at Cannon Golf Club, 4 and 3.

MGA

SENIOR PLAYERS'

Gregory made his debut at the MGA Senior Amateur two weeks ago at Burl Oaks Golf Club and shared the 36-hole lead with eventual winner Leif Carlson before going on to place third behind Steve Whittaker.

Riding momentum from a victory at the Missouri Senior Amateur Championship last week, Gregory entered this week's event ranked No. 12 in the World Amateur Golf Rankings.

"The win last week gave me some confidence, no doubt," Gregory said Wednesday, "I played the same way there as I did here. Both courses were tight, not long and greens were severe and fast.

"The [MGA Senior Amateur] was my first true senior event in the state and I finished third. They've been great events at fun golf courses and this will go towards my [World Amateur Golf Ranking] points, too. I'm excited to come back next year and defend.

Wasting little time during the final match Wednesday, Gregory hit his approach inside of five feet at the opening hole and his birdie chance was conceded. Taking advantage of a Rose double-bogey at the third, Gregory's lead swelled to two, but Rose would answer with a short birdie chance at the fifth.

Rose looked to continue his momentum at the seventh after hitting his approach inside of four feet, but Gregory rolled in his 12-footer for birdie to halve the hole and maintain a 1-up lead. Gregory took a 2-up lead to the final nine following a bogey by Rose at the par-3 ninth.

Taking control of the match at the 10th, Gregory managed to win the hole with a bogey after Rose was unable to find his tee shot right of the fairway. Looking to find a way back into the match during the inward nine Wednesday, Rose watched Gregory sink a 5-foot comebacker at the 11th to halve the hole with par before Rose got up-and-down for par at the 12th to remain three back.

Spinning his approach off the front edge at the 14th, Gregory drilled his birdie chance from 20 feet to take a commanding 4-up lead and would close out the match with a par at the 15th to earn the victory, 5 and 4, for his first state championship win.

"My ball striking was key more than anything," Gregory said following his win Wednesday. "I putted well today, but I came out for about an

hour last night before dark and worked on some things because I have not putted very well. It seemed to help because today I was hitting my lines and my speed was much better."

Gregory, a 55-year-old originally from Lineville, Iowa, who has hosted an outdoor hunting television program for nearly three decades, opened the championship with a victory over Randy Jacobus, 5 and 4, before eliminating 2019 MGA Senior Amateur champion Trent Wilcox, 2 and 1, Monday.

Going up early during his quarterfinal match against Bruce Hegland Tuesday, Gregory showed no signs of slowing as he advanced to the semi-final round against Tom Whaley with a 4 and 3 victory.

Watching Whaley take the early lead late Tuesday, Gregory fell behind for only the second time this week as Whaley led for the first 15 holes of the match before a late rally, including a birdie on the final hole propelled Gregory into the championship match against Rose.

A disappointing finish for Rose, who was denied his second win at the championship Wednesday after defeating Leif Carlson to win the tournament at St. Cloud Country Club in 2017. The result this week is the second runner-up finish in the past three years after Rose fell to David Rehfeldt in 2018.

"It was a frustrating day. Other than a couple shots, I hit the ball pretty well," Rose said Wednesday. "I made a couple mental mistakes—didn't get many putts to go in and got off to a rough start."

Needing a pair of victories to earn his fourth consecutive MGA Senior Men's Player of the Year honors, Rose did just that Monday, defeating Brad Boehne during the opening round, 7 and 6, before cruising to victory during the Round of 16 over Larry Keithahn, 5 and 4.

SENIOR PLAYERS'

Gregory Earns First State Title With Victory Over Rose... continued

He becomes just the second player, along with the late Loyal ‘Bud’ Chapman to earn four Senior Player of the Year nods.

“I came in and had been hitting the ball relatively well. I was focused on winning the first two matches because I knew it would give me a chance to win [MGA Senior Men’s Player of the Year],” he said. “It was a good week, overall, but

it’s disappointing when you don’t play to your expectations.”

Rose slipped past Jeff Teal, 2 and 1, during the quarterfinal round Tuesday and used extra holes to get past 2016 MGA Senior Men’s Player of the Year John Anderson during the semifinals to reach the championship match against Gregory.

Broin Wraps Up Prep Career With a Win at Minnesota Senior Showcase

By Nick Hunter (*published June 9, 2020*)

COON RAPIDS, Minn. – Unlike the storybook ending he was anticipating as the 2020 high school golf season approached earlier this spring, Gunnar Broin's finish at Bunker Hills Golf Club Tuesday is the next best thing. The Colorado State University commit posted a 5-under 67 during his final competitive high school round to claim the 2020 Minnesota Senior Showcase.

"Even though this wasn't the state tournament, I was playing like it was. That was my mindset. I have a lot of memories on this course and know it well," Broin said Tuesday. "My dad was telling me that I need to let it all hang out because it's my last one and I was so glad I could perform."

"I had a lot of hopes coming into today. I've been working on my patience and mental game—staying in it and hopefully this will propel me into my summer tournaments and keep going forward."

On what would've been the opening round of the state high school tournament Tuesday, Broin started quickly by pitching inside of eight feet at the par-4 fifth hole, converting his birdie putt before hitting an 8-iron from 184 yards on the ensuing hole, leaving five feet for eagle to quickly propel him to 4-under for the championship.

Broin Wraps Up Prep Career With a Win... *continued*

Wedging his approach to 12 feet at the par-4 eighth hole, Broin drilled his left-to-right slider and would never look back, adding one more birdie over his final nine holes to earn a two-stroke victory over Edina's Cole Nasby.

"This means a lot and hopefully proves to everyone that I was hungry and ready to take

I felt like I made a statement, especially with [Mr. Minnesota Golf] getting cancelled. There's a couple of guys that had a good chance at it—I really wanted to not only be a finalist, but to win.

"I'm not too salty about losing [on a 25-foot putt in a playoff in the section finals], but I definitely had revenge in my mind and wanted to get back this season."

Broin never got the chance to comeback during his senior season as the COVID-19 pandemic erased the 2020 season before it started.

"The season being cancelled with COVID was probably the worst thing that could've happened—that came out of nowhere," he said. "I was just shocked. I was trying not to think about it, but I was at home and couldn't really go anywhere or do anything."

"My parents helped me get through it and now I think I can use it to my advantage."

With his victory Tuesday, Broin earns a spot in the 2020 Boys High School Golf Invitational at Pinehurst Resort in Pinehurst Village, N.C., August 3-5. Later this fall, Broin will head west this fall to begin his collegiate career at Colorado State University.

"Fort Collins is unbelievable, and they have a really good golf program—top-20 in the nation and a really good coach. They have a lot of good facilities and, obviously, really good players," he said. "I'm looking forward to the competition and working to get better. I cannot wait—if I could, I would go down there right now."

Rolling in three birdies against one bogey during his front nine Tuesday, Nasby turned in 2-under for the championship. Converting three birdie chances over the first seven holes of his back nine, Nasby took a commanding lead over the field before a devastating four-putt double-bogey on the final hole dropped him to a round of 3-under 69.

"It was a pretty good round—putting wasn't great, but I kept it in play for the most part and birdied all of the par-5's, which was beneficial," Nasby said following his round Tuesday. "I needed some putts on the last few holes to go in and had a rough last hole, but overall, it was a good round."

back a state title," Broin said. "I really think Minnetonka as a team would've really had a good chance this year. I really wish we could see what would happen, but I guess we'll never know."

Broin got his first taste of victory at the high school level as a member of the 2016 Class AAA state championship Minnetonka team as an eighth grader, watching fellow Skipper Ben Sigel earn the individual title.

"I didn't know a thing. Shot an 87 during my first round and came back and shot 76 the last round. I miss that year so much—it was probably one of the best years of my life," Broin said, recalling his first state tournament experience.

He would advance to the state tournament at Bunker Hills in each of the next two seasons, but in 2019, Minnetonka failed to qualify as a team and Broin watched Mankato West's Leo Gellert sink a long putt on the first playoff hole, abruptly ending the 2019 high school season.

Broin said his No. 1 focus from that moment was to lead the Skippers back to Bunker Hills during his senior season and second as team captain.

"That was a very big disappointment. [2020] was supposed to be my revenge season. Being so close it drove me through my summer tournaments last year and through the winter," said Broin.

"I felt like I had to prove myself, and this was a perfect opportunity for me to do that today and

Patience Pays Off For Rhodes as She Claims Minnesota High School Senior Showcase

By Nick Hunter (*published June 10, 2020*)

COON RAPIDS, Minn. — There may not have been many high school golfers anticipating their senior season as much as Jaycee Rhodes was. Attending Visitation School for her freshman and sophomore seasons, playing a pair of Class AA state tournaments, Rhodes

and her family felt Eastview High School would be a better fit, where she transferred for her junior year.

As required by the Minnesota State High School League, Rhodes was only eligible to play junior varsity events in 2019, and when a global pandemic cut short her senior year of high school and cancelled the spring season, Rhodes was devastated.

“This year was an amazing year for me—straight A’s,” Rhodes said Wednesday, “but when I found out we weren’t going back to school, I felt like I lost so much; I lost my senior year and my prom. The next day when they said there was no golf season—that broke me down. I’d already lost my junior year.

“Every girl can’t wait to be a captain her senior year and can’t wait to help the team. I couldn’t wait to practice and hang out with the other girls on the team. Golf is so much more than trying to win. It really hurt. This was something I’ve done my entire life and I was waiting two whole years to go out and show what I can do. It was sad and I didn’t get out of bed for three days.”

Playing in her “state tournament” Wednesday, Rhodes shrugged off a pair of early bogeys and fired an even par 72 to claim a one-stroke victory at the 2020 Minnesota High School Senior Showcase in the breezy and cool conditions at Bunker Hills Golf Club.

“[Bunker Hills] is where my sections and state tournament would’ve been, so it was fun to come out here and compete. I was looking to come here and do my best. My dad, my uncle and my family have been waiting for me to do this my entire life, and honestly, so have I. For all high school golfers, our goal is to win the state tournament. I’ve had a lot of patience and grit. This is a hard time for everybody, no matter how it’s hitting each and every one of us.”

On what would’ve been the final round of the state tournament Wednesday, Rhodes stumbled early when she carded back-to-back bogeys to begin her round. Helped by a renewed positive outlook on the course, Rhodes was able to bounce back by sticking her approach at the par-4 fifth inside of four feet and converted birdie.

“After that, I was thinking, ‘This is how my round is going to go.’ I wasn’t thinking about going into the woods on number two. I wasn’t concerned about that,” she said. “From then, it led me to continue to stay strong throughout the entire round.”

Rhodes took a step back with a bogey at the eighth hole, but recovered by hitting a spectacular recovery from the tree line off the ninth fairway to 10 feet, sinking her birdie chance to turn at 1-over.

Reaching the par-5 11th in two, Rhodes two-putted for birdie to move back to even par and moved into red numbers when she sank a 15-foot birdie at the 15th. Unable to get up-and-down to save par at the 17th, Rhodes dropped back to even par for the day and finish with a one-stroke victory over Wayzata High School’s Amy Burnham and Stillwater High School’s Catherine Monty.

“I had an expectation that I needed to do well because I needed to show who I am as a player. I have been working so hard all offseason and it’s paid off, so I was expecting to finish near the top,” Rhodes said. “There are some phenomenal players out here and we’ve been going head-to-head forever and I haven’t gotten to compete with these girls for two years. This is my state title—I want to jump for joy, it’s an amazing feeling.”

With her victory Wednesday, Rhodes, who will play collegiate golf at St. Catherine University in St. Paul, earns a spot in the 2020 Girls High School Golf Invitational at Pinehurst Resort in Pinehurst Village, N.C., Aug. 3-5.

Playing her first 14 holes in 2-under, Burnham stumbled down the stretch, carding a double-bogey at the 16th and then a bogey at the par-3 17th to finish in a tie for second at 1-over 73.

"I started off strong and felt good right from the start. I was getting lucky with some bounces and everything seemed to be going right," Burnham said. "Towards the end of the round, I knew how I was playing, but I think nerves got to me a little bit. It was a new experience for me, I

don't find myself in this situation too often."

Monty carded a pair of early bogeys before finding her footing with a birdie at the par-4 ninth. She would round out her high school career with one birdie against one bogey over the final nine holes to shoot 73 and finish tied with Burnham in second.

"Today was super fun. I'm glad we were able to get out here and play with people I've met during high school golf and some summer tournaments," Monty said Wednesday. "I played pretty well, but I was pretty nervous because I haven't played competitively in a while. I was pleasantly surprised."

Champion: Cecil Belisle

Belisle Rolls to Victory at MGA Players' Championship

By Nick Hunter (August 19, 2020)

HASTINGS, Minn. – With four match play victories to his credit to begin the 42nd Minnesota Golf Association Players' Championship at Hastings Golf Club, Cecil Belisle came across a quote stressing the importance of positivity and cultivating good thoughts prior to Wednesday's final two rounds.

"It was big. I was kind of antsy coming into today. I was anxious and nervous a little bit, which is good because it means you want it and you're hungry and determined," Belisle said, "But I was tired of feeling that way and knew if I brought the same mentality into today, I wasn't going to play that well. When I saw that last night, it just clicked."

Belisle's confidence was evident from his first tee shot early Wednesday as he defeated Peter Capouch, 5 and 3, to reach the final match against Ryan Conn where he would cruise to victory, 5 and 4, to earn his fourth win in the state.

Entering the week as the No. 16 seed in his first appearance at the championship, Belisle would play 95 holes during his six matches and led for a total of 92 of them.

"I guess you don't want to play me in match play," a sheepish Belisle said Wednesday. "I don't really make that many mistakes. I think I'm pretty consistent and I don't really hit it offline. Match play is a par game and a huge mental game. The mental game this week was pretty spot on.

"This is a confi-

dence builder, but you need to keep your ego low and you've got to humble yourself. You have to come into the tournament wanting to win. It's fun to compete out there but I want to win. It's cool to finish in the top-4, but I want to win, it's why I'm here."

Belisle earned an exemption into this week's tournament following his top-10 finish at the MGA Amateur Championship a year ago at Somerby, and began the week with a victory over Bradley Wohlers before he got the better of fellow defending MGA Junior Boys' Co-Player of the Year Ian Simonich, 1-up. During the Round of 16, Belisle hung on to defeat University of St. Thomas golfer Matt Armstrong, 1-up.

During the quarterfinal round, Belisle pulled away from Shane Barnes to advance with a 4 and 2 victory before his win against Capouch early Wednesday. During the final match, Belisle struck first yet again with a birdie at the third before winning the next four holes to take a commanding 5-up lead.

Conn countered by winning the eighth and rolled in a 15-footer to narrow the margin heading to the final nine holes. A determined Belisle bounced right back with a birdie at the 10th and patiently waiting out the final match, clinching the championship with a par at the 14th to win, 5 and 4.

"I hit one bad drive on the front," Belisle said after his foot slipped during his tee shot at the eighth, leading to double-bogey. "Then my swing came back a little bit. Finding the middle of the green and relying on my putter was a good strategy. Just par them to death.

"[Conn] struggled a little bit during the final match, but I did what I needed to do. I know he didn't play his best, but he's a good player—he played at [University of Wisconsin], so you don't play Division I if you're not a good player. He turned it up and played pretty good on the back nine, but I could tell it wasn't his best."

With his win Wednesday, Belisle collects his first win in the state since he the Resorters last season. Playing in five Class AA state championships while at Red Wing High School, Belisle earned individual medalist honors twice and placed inside the top-3 in each of his other appearances.

Belisle will begin his sophomore year at Minnesota State University-Mankato, but still has four years of eligibility because he wasn't on the roster last season.

"I'm looking forward to different competition. Playing guys like Ben Sigel, Frankie [Capan], Angus [Flanagan], Lincoln [Johnson], who are all good Division I players, and getting a feel for that competition this summer will get me ready for playing at the next level."

Conn, who teamed up with Hunter Rebrovich to claim last year's MGA Amateur Four-Ball Championship at The Classic at Madden's, slipped past Mike Wangen to open the championship early Monday before birdying the final hole to defeat Robbie Kelley during the Round of 32.

He hung on to defeat Minnesota Public Golf Association Senior Public Links champion Tony Brown early Tuesday and sank a miraculous 50-footer for birdie on the final hole to complete the come-from-behind victory over Max Tylke during the quarterfinals.

Conn had the tall order of facing 2018 champion and six-time MGA Men's Player of the Year winner Sammy Schmitz during the semifinals early Wednesday, but Conn would take a 3-up lead through eight holes and cruised to victory, 3 and 1, to reach the finals for the first time.

"I had a great front nine this morning kind of lost some mojo at the end of my first match and I think it carried over into my second," Conn said Wednesday. "I didn't quite feel comfortable all day. My swing got away from me a tiny bit. I wasn't physically tired, but probably more mentally and the grind of playing against good players.

"I can take away a lot of positive. I feel like I got here without my best stuff and I'll take solace in that. If had hit it better, I could've been right there but that's the way golf goes. Hat's off to Cecil—he flushed it down the fairway every hole. He had a couple loose irons, but he was pretty much on a nice walk around the golf course today. If you watched him, other than a few bad shots all week, everything else was on the green. He was in the driver's seat all week."

Format: Players in *the Open Division* will play an 18-hole qualifying round the morning of the first day, to establish the Championship and flight brackets. The top fifteen (15) players from the qualifying round will join the Defending Champion (who will be seeded #1 if entered) to complete the Championship Flight. Any tie for the 15th and final spot will be played off on the course on a hole-by-hole basis. If the Defending Champion is not entered, the top 16 players will advance to the Championship Flight.

All other players will be assigned to a flight (of 8) based on qualifying score. Ties for the final spot in a flight and/or seeding positions will be broken by using a score card playoff following the USGA recommended procedure.

Eligibility: Entries are open to any female amateur golfer (the USGA Gender Policy applies), who is currently an Associate Member of the MGA. There are no age or Handicap Index requirements for this tournament.

Gopher Golfer Curran Comes Back Late to Defeat VanArragon at MGA Women's Match Play

By Nick Hunter (*published June 19, 2020*)

PRIOR LAKE, Minn. – Despite hitting her tee shot into trees left of the first fairway to begin a playoff at the Wilds Golf Club Friday, University of Minnesota golfer Grace Curran recovered with a miraculous approach, stopping her ball within six feet of the hole and converted her birdie chance to defeat Kathryn VanArragon, claiming the fourth Minnesota Golf Association Women's Amateur Match Play Championship.

"I was disappointed at the drive. I think I got a little nervous and quick with it. I had a pretty good lie and was trying to hit the green or come up in front," Curran said about the start to playoff. "I was excited to see the result.

pair of birdies early on the back nine to swing the momentum of the match.

"The start to the match was awesome, it was nice to get a 2-up lead and some cushion for the rest of the match. I knew she was going to start dropping putts eventually. I knew I had to keep playing consistent and steady," said Curran, "She did birdie 10 and 11, but the match was still square. I still had to compete and couldn't let that bother me too much. I still had seven more holes to play and that's what kept me going."

"The key for me [this week] was staying confident. There were a lot of good players and knowing that I haven't played a golf tournament in a while, but neither has anybody else and we're all excited to be here," she said. "I'm happy [to win] here in Minnesota considering I go to school here. Everyone here has been so supportive and our coaches have been great this week."

Following her win during the semifinal round Thursday, Curran said the final match against VanArragon would come down to the golfer able to navigate the putting surface best. Providing some late-round drama, Curran sank her birdie chance from 12 feet on the 17th hole to even the match late.

"The putt on 17 was big because I knew eventually, I was going to have to make a birdie if I wanted to win the match," Curran said Friday. "[VanArragon] had a 10 or 15-foot putt for birdie and knew she had a good chance of making it. I knew I had to make that putt."

Curran, a native of the Chicago suburb of New Lenox, Ill., saw her freshman season for the Gophers cut short in early March after playing in seven events and finishing fourth on the team in scoring average. She collected her first top-10 finish at The Golf Rush in California in late February.

Getting off to a solid start during the final round Friday, Curran took a 2-up lead through three holes. Curran's lead was trimmed at the fifth when she failed to get up-and-down from a greenside bunker before VanArragon carded a

Trying to find an opening back into the match, Curran missed a pair of makeable birdie opportunities at the 14th and 16th holes before she would sink a critical birdie putt at the 17th. Finding the bunker at the last, Curran was unable to save par, but VanArragon would three-putt from 20 feet to force extra holes.

"I'm definitely tired—it was a long week," Curran said after playing six rounds in three days in challenging conditions all week. "Down the stretch the adrenaline gets going and something inside of you finds a way to keep going. You're not really thinking how tired you are until after.

"We both hit the ball pretty solid for the most part. A few slip-ups here and there as golf works, but I felt she made a few putts making the turn that were huge. Her putts on 10 and 11 were amazing. If I was going to have a chance to win the match, I was going to have to make some putts down the stretch."

Cruising during her opening-round match against Claudia Kim, 6 and 5, Curran defeated Emma Welch, 2-up, to advance to the quarterfinals against Megan Munneke.

Finding herself down for the first time in the tournament to Munneke after a bogey on the first hole, Curran played flawlessly over the next 13 holes to earn a convincing victory, 5 and 4, to meet Kate Strickland in the semifinals Thursday. Curran took the early lead against Strickland and never looked back, going on to win, 2 and 1.

A disappointing finish for VanArragon, who found herself down early for the first time since the second round when she came from behind to defeat former Red Wing High School star Leah Herzog. VanArragon then ousted Herzog's high school teammate Sophia Yoemans before knocking out another strong player in Taylor Ledwein Thursday.

Playing the 18th hole for the first time this week during the final match against Curran, VanArragon hit

a spectacular shot to the left side of the green where she watched her short par putt to seal the victory glance off the lip of the cup. Missing the green on the playoff hole to the left edge, VanArragon chipped within three feet before Curran ended the match with birdie.

"It was solid, but it was a tough day because Grace is such a good player," VanArragon said after the final match Friday. "I had some ruffles, especially at the beginning, but I got it together and it was a tough match. I can take a lot of positives from this week. It's been a good week."

VanArragon had hoped to add another admirable accomplishment to her young golf career this week as she would've likely become the youngest player to win a women's state match play championship at 15-years-old. She finished off her seventh-grade season with an individual victory at the Class AAA—the youngest to do so—and became the youngest to win the Women's State Amateur last season, shortly after turning 14.

"I was pretty consistent this week and thought I had a good mindset. I had a couple matches where I was 2-down after four or five and I was able to come back. This is a tough course to walk and being able to play 36 holes two days in a row and coming back to play 18 today gave me some mental and physical toughness."

On Thursday, former Minnesota State University, Mankato golfer and current Central University women's golf coach Tabitha Kunst won the 15th and 16th holes of her final match to run away with the championship in the First Flight, 4 and 2, over Greta McArthur.

VanArragon and Ordal Notch Wins at Twin Cities Junior Championship; Stendahl Cards Tournament Low

(published June 25, 2020)

BLAINE, Minn. – Less than a week after a disappointing runner-up finish at the Minnesota Golf Association Women's Amateur Match Play Championship, Kathryn VanArragon bounced right back Thursday by firing a 4-under par 67 to earn a three-stroke victory at the 29th Twin Cities Junior Championship at Victory Links Golf Course.

Setting up to become the youngest player to win the women's state match play championship, VanArragon was denied on the first playoff hole against University of Minnesota golfer Grace Curran Friday at The Wilds Golf Club.

Sluggish to begin a few of her matches a week ago, VanArragon came out firing on a familiar course Thursday, rolling in a 25-footer for eagle at the second before shrugging off a bogey at the third to play her next 14 holes at 5-under before a throwaway double-bogey on the final hole to card a 4-under 67.

VanArragon and Ordal Notch Wins at Twin Cities Junior... *continued*

"[A win] is good momentum and taking the positives from today is always good heading into the tough competition at the AJGA event I have next week," VanArragon said following her round Thursday.

"It's a good start to the summer.

"I was solid today for sure. My driving was solid, but the

best part of my game were my irons. The one thing that could've improved was pitching. I had some trouble with 20 to 40-yard shots today, especially on the back nine."

After her bogey at the third, VanArragon closed out her opening nine with a long-distance eagle putt and three birdies from inside of six feet on her scorecard, including a pair of birdies at the par-3's.

"My confidence was good and the momentum was there," she said after turning in 4-under to climb to the top of the leaderboard. "Last week I got off to a slow start with my irons. From hole one today I hit good approach shots."

Rolling in yet another shorter birdie putt at the par-3 11th, the soon-to-be sophomore at Blaine High School carded her fifth birdie of the round at the par-4 15th and would finish the day with a double-bogey to shoot 4-under 67.

"I've played this course for years, so I think I was excited to come back. Preparation for today was pretty much the same as last week," VanArragon said. "I played a practice round Tuesday and then tried to figure some things out on the range. I just came into today trying to make a new start."

Despite three consecutive bogeys to close out his

opening nine Thursday, Hogan Ordal played his final nine holes in even par to claim a one-stroke victory over Blake Steensland to claim the Boys' 16-18 Division.

"This is pretty exciting because I think this is one of my first wins," Ordal, a 16-year-old soon to be junior at Lakeville South High School said Thursday. "My putting was really solid—I didn't have a three-putt all day. It wasn't one of my better ball-striking days, but my short game was really good and I made it work."

Starting slow with a bogey on the opening hole, Ordal rebounded by nearly making eagle at the par-5 second, tapping in for birdie to draw even. Dipping into red figures thanks by sinking a birdie chance from 10 feet at the fifth, Ordal would stumble beginning at the seventh to turn at 2-over.

"They weren't horrible shots," Ordal said of his three straight bogeys, "but just bad yardage that put me in bad spots. Going into the back nine I just wanted to reset, bring myself back and do my best to try to make some birdies."

Settling in during his inward nine Thursday, Ordal rolled in two more birdie opportunities against two bogeys to finish the round at 2-over 73 to earn the victory.

"I haven't played a ton competitively, but I've been out a lot practicing and playing. I didn't have a lot of expectations because I haven't been hitting the ball that well, but that probably helped today. Lower expectations sometimes help because you don't put so much pressure on yourself.

Not only did Ryan Stendahl shatter his career-low Thursday with a 10-under 61, but he broke the tournament record on his way to a four-stroke victory over Justin Luan in the Boys' 13-15 Division.

"It's way low—69 was my previous best," Stendahl said after his round Thursday. "This is actually my first bogey-free round. A lot of fairways and a lot of greens. I missed two greens. Everything kind of clicked—it was fun today.

VanArragon and Ordal Notch Wins at Twin Cities Junior... *continued*

Dropping an eagle from 20 feet at the second, Stendahl rolled in an even longer eagle putt at the fifth before tapping in a pair of short birdie chances at the sixth and eighth holes to turn at 6-under.

"I was trying to stay in it and to keep going hole-by-hole

with three straight birdies beginning at the 14th to cruise to a four-stroke victory over Justin Luan.

"I knew I liked playing this course from before, so I had a good mindset going in. I was just playing for fun and hit the driver well, which set up good wedge shots," Stendahl said. "I'm friends with a lot of these guys and it's nice to get a win, but I know I need to keep grinding and keep going so I can improve."

With six Minnesota PGA Junior Tour wins in 2019 and two more already to his credit in 2020, Stendahl says Thursday's win is his biggest win to date.

"This is the best win I've had by far and today I was playing with two of my best friends,"

Christopher Pyle, from Theodore Wirth Golf Club, earned a victory in the Boys' 12 & Under Division.

and shot-by-shot. I tried to block out [the front nine 29] and keep focusing."

Stendahl, who will begin his freshman year at Maple Grove High School this fall, nearly carded his third eagle of the round at the 12th to move to 7-under par and would finish the championship

763.295.4653
Pro: Kristi Dostal

Entry Deadline
Friday, June 11, 2021

Champion:
Betsy Aldrich

Format: Players in the *Senior Division* will be assigned to a flight (of 8) based on the Handicap Index. Ties for the final spot in a flight and/or seeding positions will be broken randomly.

The *Championship Flight* will be the Defending Champion (who will be seeded #1), the top four (4) players to enter from the 2020 MGA Women's Senior Player Points List and the top three (3) players to enter, not otherwise included, based on lowest Handicap Index.

There will be consolation flights for each flight. Thus, each player will play at least two matches.

Eligibility: Entries are open to any female amateur golfer (the USGA Gender Policy applies), who is at least 50 years old as of the first day of the championship and is currently an Associate Member of the MGA. There are no Handicap Index requirements for this tournament.

Aldrich, Klasse Emerge from Senior Women's Semifinals

By Mike Fermoye (*published June 28, 2020*)

**This press release covers the Semi-final matches.*

BECKER -- In wrestling, a reversal is an official term, meaning to get out from underneath an opponent's control and get on top of or behind the opponent. If you do that, it's worth two points.

Reversals are not part of the official terminology of golf, but they can happen, especially in match play. You don't get points for those reversals, but they can help you win a match, as top-seeded Betsy Aldrich demonstrated on Saturday in the semifinals of the MGA Women's Senior Match Play Championship.

Aldrich was 1 up going into the 15th hole at Pebble Creek GC, but she had left her putt for par 5 feet short of the cup on the 355-yard par 4.

WOMEN'S SR MATCH PLAY

MGA WOMEN'S SENIOR AMATEUR MATCH PLAY CHAMPIONSHIP *Continued*

*Runner-Up:
Leigh Klasse*

Aldrich, Klasse Emerge from Senior Women's Semifinals... *continued*

Her opponent, Jackie Santopietro, had a chance to tie the match with a 12-footer for par. She could also square the match if she two-putted and Aldrich missed her bogey putt.

Instead, Santopietro gunned her downhill par putt 3 1/2 feet past; Aldrich made her 5-footer; and Santopietro missed her comebacker to tie. Suddenly, Aldrich was 2 up with three to go.

"That was when the trumpet started to play," Santopietro lamented afterward.

Aldrich then executed a kind of mini-reversal on the 16th hole. From 70 yards short in two on the 444-yard par-5, she hit a gorgeous wedge shot to 5 feet. Santopietro was only 20 yards short in two, but had to come over a bunker onto a downhill slope to get at the pin.

"After Betsy hit her shot so close, I didn't have any choice," Santopietro said, "I couldn't play safe."

Trying to flip her third shot barely over the bunker, she came up just short -- and in the bunker. That led to a bogey for her, and she conceded her opponent's birdie, which gave Aldrich, the two-time defending champion, a 3&2 victory.

As a result, she will take on six-time champ Leigh Klasse in the final on Sunday.

Klasse earned her place in the title match with a 3&1 victory over 2011 champ Brenda Williams.

The Klasse-Williams semifinal was a rematch. A year ago, Klasse and Williams both bogeyed the first hole, but Williams then played the next 16 holes in 2 under -- without a single bogey -- and won 2&1. This time, she wasn't quite as sharp, and it was Klasse who made the clutch putts.

Klasse has won a record 54 Minnesota state titles (35 in individual events, 19 in four-balls), but the

10-time MGA Women's Senior Player of the Year has not looked the part of an irresistible force on the golf course this weekend. She is limping badly, because she needs to have her left hip replaced. That would have been done earlier this month if it weren't for medical insurance issues.

Nevertheless, she is still a force to be reckoned with. For the second day in a row, Williams got off to a slow start. She was able to overcome that in a 4&3 victory over Christina Payton on Friday, but on Saturday Klasse was able to grab a 3-up lead after five holes -- and Williams was never able to get the match back to even.

Williams rallied on the front nine, winning the seventh hole (350 yards, par 4) with a par and the eighth (320, par 4) with a birdie, thereby cutting Klasse's advantage to 1 hole. But that was as close as she got.

"Neither of us played all that well," Klasse suggested. Yet Klasse still managed to stay close to par, and she got better as the round went on. She was 3 over after eight holes, and played the last nine holes of the match in 1 over. If she missed a green in regulation, she would either hit her chip close enough for a conceded par, or she would make a 10-footer.

"She made four of those," Williams said. "That wasn't a surprise. Leigh's been doing that forever. How do you think she's won all those tournaments? We've played each other so many times it's impossible to count -- in tournaments here and in national tournaments. There have been three times in national tournaments that we played each other. Leigh's game is just solid, always has been and still is, even with the bad hip."

Klasse won the 315-yard, par-4 11th with a birdie, lost the par-3 12th (128) to Williams' par, but then restored the 2-up lead with a par at the 13th (360, par 4). Both players parred the next three holes. At the 119-yard, par-3 17th, Klasse won the hole with a par to close out the match.

"Now I can go back to moving," said Williams, who is in the always stress-inducing process of relocating her residence, from Minnetrista to Hopkins. She considered withdrawing from the

Senior Match Play, and didn't make the final decision to play until Friday morning.

While Klasse holds the record for most state titles, her contemporary Williams (they were born 37 days apart in 1959) has the record for the most runner-up finishes in Minnesota golf history with 25 (she has also won state championships 11 times). Her most recent second-place finish came last year in this tournament, when Aldrich rallied with a couple of spectacular shots from out of the trees on the last two holes of the final and beat Williams 1 up.

Two years ago, Aldrich outlasted Lynn Anderson in a 22-hole epic final. But the day before that, she defeated Klasse 2&1 in the semis, a result that ended Klasse's six-year reign as the Senior Match Play champion -- and snapped her 19-match winning streak in this event.

On Saturday, Aldrich, 53, had her hands full with the 54-year-old Santopietro, who was something of a surprise semifinalist.

"I've been playing in some of these (senior) tournaments since I turned 50," Santopietro said, "but I've never really been in contention to win any of them."

You couldn't tell that from the way she played this weekend. On Friday, she was 4 over after four holes, then played the next 10 holes in 1 under on the way to a 5&4 quarterfinal victory over Cathy White. She was equally impressive in the semifinals, even if she ended up on the wrong end of the result.

The two semifinal matches were played together in a foursome, and Santopietro was the longest hitter in the group, especially on the par-5's, where she was usually 20 to 25 yards ahead of everyone else. ("I give it a little extra on those holes.") But it was on the first par-5 of the round, No. 2 (445 yards) that Aldrich took a 1-up lead, with a birdie to Santopietro's bogey.

Santopietro came right back, winning the third (338, par 4) and fourth (135, par 3) with pars.

"It was like that the whole front nine," Aldrich said, "back and forth, one player winning one hole and the other winning the next. And we were both right around par. I was playing well, but Jackie was, too. I thought she played great."

Aldrich won the par-3 sixth (130 yards) with a par, but Santopietro won the 320-yard, par-4 eighth with a birdie, before Aldrich leveled the match again with a par 4 at the 320-yard ninth.

*Champion:
Betsy Aldrich*

At the 128-yard, par-3 12th, it appeared that Aldrich would regain the lead when she hit the green with her tee shot and got her first putt close enough for a conceded par. But Santopietro made a 12-footer for par to keep the match even.

"She did that three times on the front nine, too," Aldrich noted.

"Yeah," Santopietro concurred, "but the one on 12 was the last one of those that I made."

She missed her par putt from a similar distance at the 13th (360 yards, par 4), as Aldrich went 1 up with a par.

Both parred the 14th (425, par 5), and then came the 15th hole, which was the crucial one Saturday. Both players missed the green in regulation, and Aldrich was still 25 feet away in three. She made a weak attempt at her par putt, and her 5-footer for bogey was going to break hard from right to left. Advantage Santopietro. But the greens at Pebble Creek can be tricky to read, and Santopietro misjudged the speed of her downhill 12-footer for par, which resulted in the 3 1/2-footer for bogey that she would go on to miss.

Aldrich, who would finish the day 1 over par, didn't miss her 5-footer.

"That was the match right there," Santopietro said ruefully. "I had a chance to be even with three holes to go, and instead I walked off the green 2 down. When you play someone like Betsy, it's tough because you know she's not going to give anything away. But I did. I gave her that 15th hole. She made the putt she needed to make, and I didn't. It was disappointing to lose that way, but I played pretty well -- and I'm getting better. For me, that's the main thing. Just keep getting better."

Bryn Goes Wire-to-Wire to Collect First Amateur Win at Twin Cities Championship

By Nick Hunter (*published June 28, 2020*)

HASTINGS, Minn. — Practically everyone who's ever picked up a golf club has had a brief glimpse of one day playing on a professional tour. But for many professional players, the reality of traveling from tournament to tournament, logging hundreds of miles, depending on meager and intermittent winnings to scrape out a living becomes too much of a burden.

Turning professional not long after his collegiate career ended at the University of Northern Iowa in 2013, it took Yarri Bryn nearly four years of bouncing around mini tours to realize that the life of a pro golfer wasn't the dream he was searching for.

"I tried to work and play, which in hindsight probably wasn't the best idea. I played well here and there and cashed a few checks. But I have a lot of interests and it was hard to be singularly focused on golf and doing that day in and day out. I have a hard time sticking to just one thing," Bryn said Sunday. "Now I look forward to hitting a couple balls or playing once in a while—it's more relaxing than anything."

"I'm trying to have fun playing golf. Doing the mini tour stuff for a while and donating a lot of money, it gets a little less fun. I'm glad to be playing recreationally now."

TWIN CITIES

*Champion:
Yarri Bryn*

Bryn, who played varsity golf for six seasons at Minneapolis South High School, fired a 6-under 66 on Saturday to open the 29th Twin Cities Championship in familiar surroundings at Theodore Wirth Golf Course before posting a 2-over 74 on the final day when the

setting shifted to Hastings Golf Club Sunday, earning a three-stroke victory over Ralph Baxley to claim his first state championship.

"I'm pretty comfortable at [Theodore Wirth]; I've played there a lot growing up, so I know where I can hit driver, which makes it easier to get it down there," Bryn said following his win Sunday. "I haven't been playing that much or that well, so it was kind of a surprise to play well for once.

"I played a little more conservative today because I knew I had a few shots there and tried to scratch out par when I could. The greens were bumpy in some places, but I also didn't have a good handle on where to hit it—I didn't really remember the golf course."

On Sunday, the 29-year-old Bryn carded an early bogey at the par-4 fourth, but bounced right back by getting up-and-down from a greenside bunker at the seventh, rolling in a 5-footer for birdie as he avoided trouble for a majority of the round.

A bogey at the par-4 eighth put Bryn at 5-under for the championship, but a steady final 10 holes, despite a final bogey at the 17th, put Bryn in the clubhouse with a three-stroke victory at 4-under 140.

"A win means I'm halfway decent," Bryn joked. "It's not as big of a stage as some other state events, but there are some good players here and

it's a good warmup. I don't have any complaints. There's still a little rust, but it makes me want to go play a little more.

"A lot of people have played a lot more than I have—I haven't played a lot of tournament golf recently, so I just wanted to go up and hit the ball and not think about it too much."

Regaining his amateur status for the 2019 season, Bryn played in just one event, finishing tied for 42nd at the Minnesota Golf Association State Amateur Championship at Somerby Golf Club.

Opening the Minnesota Public Golf Association Mid Public Links Championship two shots off the lead at Valleywood Golf Course two weeks ago, Bryn stumbled on the final day, shooting an 83 to finish tied for 10th. He's claimed a handful of top-5 finishes since 2007, dating back to his junior golf days.

Reflecting on his days as a professional player, Bryn said not only has his game changed, so has his attitude and self-awareness on the golf course.

"I think you see it in a lot of people who try to play for money. You focus really hard but when you take a step back, you have a little more maturity in your game. I try to let it ride a little better than I used to and try to remember that I'm just playing golf and not working."

Baxley, who claimed a runner-up finish at the MPGA Mid Public Links earlier this month, carded a 1-over 73 to begin the tournament at Theodore Wirth on Saturday before posting the tournament's only score below par at Hastings Golf Club Sunday, a 2-under 70.

Carding a birdie at the third during his final round, Baxley pulled to within three of Bryn with an eagle at the par-5 10th. Digging himself into a hole with bogeys at 11 and 13, Baxley fought back with a birdie at the 16th and would finish the championship three shots back at 1-under 143.

Caleb VanArragon, the 2018 MGA Junior Boys' Player of the Year, carded a final-round 74 Sunday to finish in third place at 3-over 147.

Strafaci Adds to Family Legacy by Winning U.S. Amateur

By David Shefter, USGA (*published August 16, 2020*)

BANDON, Ore. – Tyler Strafaci, 22, of Davie, Fla., captured the U.S. Amateur Championship in dramatic fashion Aug. 16 at Bandon Dunes Golf Resort, in Bandon, Ore. The fifth-year Georgia Tech senior rallied from an early 5-down deficit to defeat Southern Methodist University rising junior Charles “Ollie” Osborne, 20, of Reno, Nev., 1 up, in the 36-hole championship match.

It was Strafaci’s fourth consecutive match to be decided on the final hole. This time, he laced a 4-iron from 245 yards to 25 feet to set up a two-putt birdie, the 25th of the match between the two finalists. When Osborne, who pushed his 5-iron second from 212 yards to the right of the green, failed to convert his birdie from 18 feet, the match was over.

There were tears of joy and several primal screams of excitement, knowing he had fulfilled a lifelong dream of winning America’s oldest amateur competition and play in a Walker Cup, something his decorated grandfather, Frank Strafaci Sr., the 1935 U.S. Amateur Public Links champ, never achieved.

Rose Can Close: Zhang Dethrones Ruffels in 38-Hole Thriller

By Mike Trostel, USGA (*published August 9, 2020*)

ROCKVILLE, Md. – Rose Zhang outlasted defending champion Gabriela Ruffels in 38 holes to win the 120th U.S. Women's Amateur Aug. 9 at Woodmont Country Club, in Rockville, Md. The second-longest match in championship history ended in heartbreaking fashion for Ruffels, who lipped out a 3-foot par putt that would have extended the match.

Zhang, 17, of Irvine, Calif., considered withdrawing from the championship because of a left-wrist injury, but instead opted to rest for 10 days before the Women's Amateur began. A combination of daily ice packs, medical tape and fairways in regulation were the perfect treatment plan for Zhang, who was collected and poised throughout the week.

"Winning the U.S. Women's Amateur means the world to me," said Zhang, the No. 9 player in the Women's World Amateur Golf Ranking. "To have my name on the trophy with the best players of all time is life-changing for me. It's a dream come true."

After a rollercoaster of a morning match, Kate Smith found herself 1-down with one hole to play versus Tyler Akabane, of Danville, Calif., during Friday's Round of 32. Smith won the 18th hole to halve the match and force extra holes. Unfortunately for the Detroit Lake's native, the momentum swung back to Akabane who carded 4-2 to Smith's 4-3 to win the match in 20 holes.

Baker Goes Low at Minnesota Boys' Junior PGA Championship to Come From Behind

(published June 30, 2020)

BIWABIK, Minn. – Entering Tuesday's final round of the 45th Minnesota Boys' Junior PGA Championship seven shots off the lead, Sam Baker carded an eagle and five birdies to stage a remarkable come from behind victory by firing a bogey-free 65 to claim a five-stroke victory at The Quarry at Giants Ridge.

Carding a 6-over 78 during the opening round Monday, Baker quickly got to work during his second round by carding an eagle at the second hole. Following a pair of birdies at the fifth and seventh holes, Baker quickly made up ground by turning in 4-under.

Baker carried momentum to his final nine holes Tuesday by carding birdie at the par-4 10th and added rolled in his fourth birdie of the round at the 13th. Cruising through his inward nine, Baker carded one final birdie at the par-5 16th to finish at 1-under 143 to claim a five-stroke victory over Carson Herron and Bailey Johnston, who finished in a tie for second at 4-over 148.

Hall and Hicks Pull Off Huge Comeback to Claim MGA Mixed Amateur Team Championship

By Nick Hunter (published July 22, 2020)

HASTINGS, Minn. – Entering the final round of the 30th Minnesota Golf Association Mixed Amateur Team Championship facing a seven-stroke deficit Wednesday, University of South Dakota golfers Julia Hall and Ben Hicks put together one of the best rounds in tournament history to come from behind and claim a one-stroke victory at Hastings Golf Club.

The twosome needed three late birdies on their back nine Tuesday to open the championship with a round of 2-under 70, finishing in a tie for eighth. When the tournament resumed Wednesday, Hall and Hicks carded five birdies and a pair of eagles through 17 holes before Hall hit her tee shot on the final hole inside of two feet to set up one final birdie to edge the team of Taylor Ledwein and Alex Schmitz with a final-round 10-under 62.

"We did our best to enjoy the week. Obviously, it's a tournament and we want to play well and put pressure on ourselves, but we wanted to have fun with it and enjoy our time out here," Hicks said Wednesday. "I think this gives us confidence going into the next tournaments we play in this summer and into the college season as well."

"Yesterday we started with a bogey and couldn't really get our putting together—we weren't playing as a team as much as we were today," Hall added. "It didn't really occur to me that we were going to win, but we were a little more relaxed and I felt like we had nothing to lose. We tried to put our best foot forward and we really did today. We're good friends, so it works well for us and we keep each other's spirits up."

Switching from the Four-Ball format during the opening round Tuesday to an alternate shot format for the final 18 holes gave Hall and Hicks the jumpstart they needed early in the round Wednesday.

Teeing off on the 10th hole Wednesday, the two carded three birdies over the first four holes and turned in 6-under 30 with the help of one of two eagles on the day, moving to within one shot of the lead at 8-under for the championship.

"I really like the Modified Chapman and I think it really plays to my strength because I hit it far," Hall said. "I left my partner with a wedge almost every time. After the eagle [at No. 16] it was go-time; there was nothing that was in our way. We had to make up strokes from the day before."

"It's great when you have a woman who can hit it 275 yards, I love hitting wedges and love hitting irons," said Hicks. "It helps when you have 175 yards in on par-5's and a flip-wedge on every par-4. I'm trying to give her an opportunity to hit the green with my tee shot, so when she gets to the green, I can go at pins that are tucked."

"I had one score count on the front nine yesterday, so she carried us," Hicks added. "Today I said let's just get back inside the top-3 and we went 30 on our front nine. From there we know what we can do."

Much like she did during the opening nine the day before, Hall took control when she patted her second shot from 245 yards at the par-5 third and watched her ball stop 10 feet from the cup before Hicks rolled in his team's second eagle of the round to put them into the lead at 10-under.

At the par-5 seventh, Hall hit her approach inside of a foot for a tap-in birdie and would do the same on the final hole at the par-3 ninth, sticking her tee shot for a kick-in birdie to guide the team to a round of 10-under 62 for a 36-hole tally of 12-under 132.

"We didn't want to look at the leaderboard—we knew we were playing well, but it wasn't going to change the way we were going to play. It would just put something else in our heads that we don't really need," said Hicks.

Wednesday's win is the first state victory for both Hall and Hicks. Hall, a six-year letter winner at Hopkins High School, will be a redshirt junior for the Coyotes this fall. At South Dakota, she's competed in 13 events with her best finish coming last September where she placed sixth at the Loyola Fall Invite. She was named Summit League Golfer to Watch.

A Chanhassen High School graduate who was named a Mr. Minnesota Golf finalist following his senior season, Hicks will begin his junior season for South Dakota later this year. Playing in 13 collegiate events, he's placed inside the top-20 three times with his best coming during his freshman campaign, a top-10 finish at the Zach Johnson Invitational.

Ledwein and Schmitz, who began the final round six shots off the lead and one better than Hall and Hicks, got off to a hot start during their opening nine Wednesday, turning in 8-under for the championship by carding five birdies.

Carrying momentum to the final nine holes, Ledwein and Schmitz carded back-to-back birdies at the second and third holes to earn a share of the lead at 10-under before taking a step back with their first bogey of the round at the fifth.

The two bounced back into contention by making an eagle at the par-5 seventh, but fell one shot short after Schmitz's birdie chance from the left fringe curled around the cup on the final hole to post an 8-under 64 to finish second at 133.

Following a round of 1-over 73 to begin the championship Tuesday, the team of Charles Cavanagh and Jane Grove fired a 1-under 71 during the final round of competition Wednesday to earn a two-stroke victory in the Senior Division at even par 144.

Late Birdies Lift McCauley to Second Straight Minnesota Girls' Jr. PGA Championship

By Nick Hunter (published July 7, 2020)

MAPLE GROVE, Minn. – Playing junior golf for the better part of seven years together, not only have Isabella McCauley and Kathryn VanArragon become close friends, but the two have grown into arguably two of the state's best golfers.

McCauley, a soon-to-be junior at Simley High School, and VanArragon, a sophomore at Blaine High School this fall, each have at least three state wins to their credit, and both have also found their way into the record books along the way.

Entering Tuesday's final round of the 45th Minnesota Girls' Junior PGA Championship at Rush Creek Golf Club one shot back of VanArragon, Isabella McCauley used a flurry of birdies late to capture her second straight junior PGA championship, and second tournament victory in seven days.

"I came into today wanting to shoot really low. The first nine was very relaxed and very steady. I made some really good pars and good putts, which really gave me some momentum heading to the back," said Isabella McCauley following

her win Tuesday. "For whatever reason, when I know what I have to be at, I can do it. I knew I was one down to Kathryn and knew I was going to have to birdie. I wasn't expecting her to bogey anything."

"I practiced a lot before this one, the same as [last week], and know that I have the ability to win. In golf anything can happen and I just try to put down a good score every day and take it shot by shot."

Late Birdies Lift McCauley to Second Straight ... *continued*

Taking advantage of a pair of early miscues by VanArragon, Isabella McCauley quickly overtook the lead by rolling in a short birdie putt on the opening hole and would turn in 1-under, two shots ahead of VanArragon.

From a bad lie in the 11th fairway, Isabella McCauley sent her approach over the green and was unable to save par from eight feet, shrinking her lead to one. Going long again at the 13th, Isabella McCauley relinquished the lead momentarily when VanArragon rolled in a short birdie to go up by one.

But Isabella McCauley would come surging back with three consecutive birdies beginning at the 14th to recapture the lead for good, carding a final-round 69 Tuesday to claim a two-stroke victory at 4-under 140.

"[VanArragon] is an amazing player and she's been playing really well the last couple weeks. I knew going into it that I was going to have to play really well to beat her. I was excited to play with her, but at the same time, I was really focused and trying to go at pins and make as many birdies as I could," Isabella McCauley said. "She had a ton of birdie chances on the back,

hitting almost every green. Putts just didn't drop for her."

Despite the cancellation of the spring high school golf season, Isabella McCauley came out firing in her first event of 2020 last week by shooting a 1-under 141 to claim the Minnesota Junior Girls' State Championship at Bent Creek Golf Club by five strokes over younger sister Reese, for her fourth state win.

Isabella McCauley collected her first amateur win in 2018 Minnesota Junior PGA Tournament of Champions before breaking a Class AAA individual record by shooting 9-under 135 at Bunker Hills last June.

After winning the Minnesota Girls' Junior PGA Championship a week later at The Jewel, Isabella McCauley played her last tournament round of 2019 at the Minnesota Golf Champions, which was also the last time she faced VanArragon in head-to-head competition. She made the cut and finished tied for ninth at 221, while VanArragon finished 19th at 229.

A pair of early bogeys to begin her round Tuesday, matched with a handful of missed birdie chances late proved to be too much for the defending Minnesota Golf Association Junior Girls' Player of the Year VanArragon, who finished second or better for the third time in the past three weeks.

"One of the really good things about my round yesterday was my irons and getting some good birdie chances," VanArragon said. "Coming out today and struggling with my irons was difficult because I was doing a lot more scrambling than yesterday, and it's not something I've done a lot of this season.

"The [tap-in birdie] on eight really turned things around. It was a tough start and I had some close putts the last five or so holes. Otherwise I was pretty solid and I was happy I could turn it around after the rough start.

"I really like playing with [Isabella]; we're obviously friends and have been playing together since we were really young. She's a very good player and a very consistent player. Her putts under pressure were so good. I really wasn't trying play any one person, but to put down the best score that I could personally.

VanArragon, the youngest to win the Class AAA individual title in 2018 during her seventh-grade season and the MGA Women's Amateur Championship in 2019, shortly after her 14th birthday, fell in the finals of the Women's Amateur Match Play Championship in mid-June. She bounced back by running away with the Twin Cities Junior Championship June 25.

Last week VanArragon finished 11th at the AJGA Circle K Junior Championship at Otter Creek Golf Course in Columbus, Ind., shooting 5-over 221.

Describing her play in recent weeks, VanArragon said it's been very encouraging. "Even as far back as [women's match play], keeping that momentum going. I get a little bit of a break now, so I can really practice on some things I need to work on to get stronger for the next tournament.

Carding a 1-under 71 Tuesday, Reese McCauley finished in third place at 1-over 145, five shots off the lead, while Courtney Wedin's round of 2-under 70 put her in fourth place at 147.

McCauley Fires 69 to Run Away With Minnesota Junior Girls' Championship

By Nick Hunter (*published June 30, 2020*)

EDEN PRAIRIE, Minn. – Getting her first taste of competitive golf since last fall's Minnesota Golf Champions, Isabella McCauley's game showed very little rust this week, firing a 2-under 69 Tuesday at Bent Creek Golf Club to claim a five-stroke victory over her younger sister, Reese, at the 75th Minnesota Junior Girls' State Championship.

Beginning the final round in a three-way tie for the lead with her sister and Aayushi Sarkar, a steady and patient Isabella McCauley jumped to the top of the leaderboard with a birdie at the sixth before pulling away from the field with a string of birdies to begin her back nine to claim her fourth state victory.

"[This week] says a lot about my preparation and being ready for this tournament. Seeing that pay off was really exciting," Isabella McCauley said. "I practice all winter and this spring I've been grinding and after my practice round here, I knew what shots I needed to work on.

"The biggest key was staying in the fairway. Bent Creek is a tight course, a hard course, so staying in the fairway was key. I was never in water and never OB, so that was a huge help. Then hitting some close approach shots so I was able to make some birdies."

Playing at their home course together nearly 60 times already this season, Tuesday's final round was the first time the two sisters, and teammates at Simley High School, have battled head-to-head in a tournament on the golf course.

"It was business as usual. On 16 I said how much fun it was to play with her and she felt the same way," the elder sister said. "I hope we can play more competitive golf together in the future."

Strong storms delayed the opening round by more than four hours Monday, as players were faced with hot and soggy conditions during both rounds.

"It was still pretty wet, a little drier than yesterday," Isabella McCauley said. "Balls were spinning back—usually mine doesn't spin backwards, but I was seeing a little bit of that today. It was good because you could be a little more aggressive and go at pins more."

She grabbed sole possession of the lead thanks to her birdie from 10 feet at the par-4 sixth before sinking a tester for par at the eighth to maintain her slim margin. Running into trouble at the ninth, McCauley escaped with a bogey and quickly took control of the final round.

"On nine on got in some trouble, but I had to get up-and-down for bogey and that really set the momentum, putting-wise going into the back nine. After a birdie on 10 I felt like I was able to get it going."

After a tap-in at 10, Isabella McCauley's lead increased to three when she sank a 20-footer at the 11th. Playing her final seven holes in even par, Isabella McCauley cruised to a five-stroke victory.

"I was able to get the ball a little closer to the hole today and give myself a better look at birdies, which definitely helped. I was able to stay away from [double-bogey] and made a few less bogeys."

Claiming her first state championship at the Minnesota Junior PGA Players' Tour Tournament of Champions in 2018, Isabella McCauley scorched the field at the 2019 Class AAA state

tournament at Bunker Hills Golf Club, notching a 10-stroke victory at 9-under 135 to set a new tournament-low.

Her most recent victory came at last year's Minnesota Girls' Junior PGA Championship,

where she earned a two-stroke victory over Sophia Yoemans at The Jewel Golf Club.

"This is huge. I was super excited coming into this event and knew I had a good chance at winning. You never know with golf, but I was looking forward to putting down a good score and this means a lot," said McCauley, who will begin her junior year this fall.

Reese McCauley took the early lead Tuesday when her birdie chance from the front of the third green, 30 feet away found the bottom of the cup. She would relinquish the lead for good when she was unable to get up-and-down for par on the ensuing hole.

Over a four-hole stretch during her back nine, Reese McCauley fell as many as six shots at one point but finished strong by sticking her approach inside of two feet on the final hole to post a 3-over 74, finishing second at 146.

"We were probably a little more focused and a little more engaged today, but overall, it was actually really fun and to play with someone that I know. We both played pretty well," Reese McCauley said of playing in the final group with her sister.

"I had a couple lip-outs and a couple bad shots, but I also had some really good ones. [Moving forward] I know I have to keep focused and play one shot at a time. My short game was pretty good this week and I made some good birdies."

Sarkar, a recent Woodbury High School graduate who will begin her collegiate career at Drake University later this year, ran into trouble late and would card a final-round 78 to finish third at 150, while Josalynn Abbott's final-round 75 earned her a fourth-place finish Tuesday.

U of M Golfer Flanagan Breaks Course Record to Claim 103rd Minnesota State Open

By Nick Hunter (*published July 10, 2020*)

LAKE ELMO, Minn. – University of Minnesota golfer Angus Flanagan entered Thursday's final round of the 103rd Minnesota State Open three shots back of Jeff Sorenson's lead, and helped by a birdie-eagle start, Flanagan quickly closed the gap.

But after hitting his tee shot at the par-4 third, Flanagan noticed something was wrong.

"My driver broke—the face cracked in on the third hole," Flanagan said. "I hadn't looked at it, but it sounded a bit different when I hit it. I'm standing on the sixth hole and I'm just figuring this out. It's a hole that you have to put your big-boy pants on and hit a really good tee shot to get over the tree. I'm hitting 3-wood into a wind and pulled it left into no-man's land and luckily made par."

MIN STATE OPEN

The good news for Flanagan was that his caddie, and former Gopher teammate Thomas Longbella, had his driver sitting in the trunk of his car.

"It took me a hole, but they went into Tom's car and grabbed it. Luckily it wasn't in my room—I have a spare one in my room. I'm lucky enough to have hit [Longbella's] driver because I've spent most of quarantine with him. It wasn't alien to me, which was nice."

The soon-to-be senior from Woking, England would play his final 11 holes in 5-under, including a second eagle of the day at the 54th hole to not only set a new course record, an 8-under 64, but Flanagan earned a two-stroke victory over Frankie Capan at 15-under 201.

"It's definitely a confidence booster—my game is in very good shape right now," Flanagan said. "I've been struggling a bit when I've been playing normal because I haven't had the competitive juices and it's fine playing with teammates, but you don't know how you're going to play in a tournament."

"I was nervous on the first tee this morning, but I almost prefer being 7-under instead of 10 because I've won from the front before, but after playing for a while it was just go-go-go and see what I can do. I got off to a hot start and was able to hit some shots under pressure."

Thanks to his 3-under start on the first two holes, Flanagan would turn in 4-under after sinking his birdie chance at the ninth to put him in a three-way tie for the lead at 11-under with Capan and Brent Snyder. A pair of birdies early on his back nine pushed Flanagan to the top of the leaderboard despite a three-putt bogey at the 13th.

Flanagan rolled in short birdie putt at the 15th and would carry a one-shot lead to the final hole before hitting his second at the par-5 18th inside of five feet and buried his eagle putt, going on to win by two.

"I had 178 yards, uphill into a wind with a tucked-left pin. It was a last-day pin and I didn't feel too good over it, but Tom said it was the perfect 6-iron and to draw it against the wind and to trust it," Flanagan said. "I'm not going to lie, I pulled it slightly, I wasn't trying to go left of the

pin, but finishing four feet was perfect. I left myself with a couple basic putts towards the end, downhill sliders, but I hit a good putt and it stayed online and went in."

Claiming his first state victory Thursday, Flanagan becomes the first member of the Gopher golf team to win the tournament since Jon DuToit won a three-way playoff in 2013 at Edinburgh USA following his freshman season at Minnesota. Flanagan is also the seventh amateur to earn medalist honors in the past eight seasons.

This spring was disappointing for Flanagan in more ways than one. The NCAA cancelled the remainder of the spring golf season in March, and the following month, the USGA announced the 2020 U.S. Amateur Four-Ball Championship to be played at Philadelphia Cricket Club would also be wiped out.

Flanagan and Longbella paired up to shoot an 8-under 64 at StoneRidge Golf Club last September to earn a spot in the field for the 2020 national championship.

"Let's not talk about that—it's a bit sad," Flanagan joked. "It was some of the best golf we've played, both of us. We were looking forward to it. I was planning on playing a really strong summer schedule and that was probably one of the main events I was looking forward to."

U of M Golfer Flanagan Breaks Course Record... *continued*

"I get a go at it with my best mate, and guys I know were playing in it. It was tough, but at the end of the day I've been very open-minded during these times. I was nervous not being at home with my family, but Tom has welcomed me in and it's helped me to take my mind off that and golf."

Following his win Thursday, Flanagan quipped that he's been "stuck here" during the COVID-19 pandemic and unable to travel back home across the Atlantic. Hollis Cagner, the 3M Open Executive Director and founder

this fall, got off to a quick start Thursday with birdies on two of his first three holes. But a pair of bogeys mid-round proved to be the difference as he would card two birdies over his final six holes to fall two shots short of Flanagan, posting a 13-under 203.

"I played solid all three days," Capan said Thursday, "I felt like the last two days I couldn't really get anything going, which was disappointing. Every time I'd make a couple birdies, I'd slip in a bogey. It was a good week and there's a lot to build on, especially going into the middle of the summer.

"I'm pleased with how my game is looking and there are some things I need to work on, like putting and taking advantage of par-5's, which with my power, should be easier than it was this week. Overall, it was a great week and I'm looking forward to the [state amateur]."

Joining Capan in Fort Myers, Fla., this fall are 2018 MGA State Amateur champ Van Holmgren, who transferred from North Dakota State University after the 2019 fall semester, and by Winona State University transfer and the defending Minnesota State Open champion Brady Madsen.

Sam Matthews, the 2013 MGA State Amateur champion, and eight-time Minnesota Section PGA Player of the Year Jeff Sorenson finished in a tie for third at 11-under 205 to earn a share of low-professional honors, each taking home a paycheck of more than \$7,000.

The 104th Minnesota State Open will be contested at Chaska Town Course

of The Royal Club who was in attendance during the final round, rewarded Flanagan with an exemption into the second playing of the PGA Tour event at TPC Twin Cities July 23-26.

Capan, who recently finished his sophomore season at the University of Alabama and will now transfer to Florida Gulf Coast University

Angus Flanagan on the 15th tee during the final round of the Minnesota State Open at The Royal Golf Club.

Eagle on Final Hole Gives Brown First Senior Victory at MPGA Senior Public Links

(published July 19, 2020)

RAMSEY, Minn. – Holding a slim lead on the final hole at Rum River Hills Golf Club Sunday, Tony Brown sank his eagle opportunity from 15 feet to claim the 69th Minnesota Public Golf Association Senior Public Links Championship by three strokes.

Brown survived a late surge by two-time Minnesota Golf Association Senior Men's Player of the Year Steve Whittaker, who aced the 118-yard, par-3 14th hole, shooting 2-under 140 to collect his first state victory since his win at the MPGA Public Links Championship in 2014 at Eagle Valley Golf Club.

"I knew it was going to be extremely difficult with the wind today—it was so gusty," Brown said Sunday. "You're just trying to not make a big number and I thought at even par I'd be right in there and then I'd have to make a decision at 18."

"The last hole I had 210 in and I was thinking 4-iron. I knew I had a one-shot lead and figured I'd hit it long if I had to. With so much wind I got it to the middle of the green and was fortunate to get a good read off [Don Howe] and I cashed it."

Brown shared the opening-round lead with Eric Przybyla after both fired rounds of 2-under 69 Saturday. Playing his first seven holes in 1-over Sunday, Brown got into trouble at the eighth by hitting his approach over the green, leading to double-bogey and dropping him to 1-over for the tournament. He would bounce back by sinking his birdie chance at the ninth to take outright possession of the lead at even par.

"My thought was to go and hit nine greens on the back," Brown said after turning in 2-over during his final round. "I was rolling the ball pretty well and wanted to give myself nine chances—I think I hit eight greens on the back."

Chipping within tap-in distance at the par-5 12th, Brown took a step back with a bogey at the 13th, but rebounded by hitting a wedge to 15 feet at the 14th and would convert his birdie chance to take a two-shot lead over Whittaker.

Following a bogey at the 17th, Brown reached the par-5 final hole in two and rolled in his chance to earn his first state win in six seasons.

"I played in the [State Amateur] last week at Edina and I had two bad holes—I had a triple and a double, but I knew I was playing good golf," Brown said. "I like this golf course, but it's not advantageous for me because I'm probably one of the longest guys in the field, and probably the youngest, but I only hit about five drivers today. "My ball-striking has been as good as its been all year, but I've struggled with the putter to try to get that going. Recently I've started to putt a little bit better."

Brown won the 2001 MGA Mid-Amateur Championship when it was contested at Edina Country Club and has since qualified for three USGA championships, most recently the U.S. Mid-Amateur Championship in 2008 at Milwaukee Country Club.

He's also claimed four titles at the Labor Day Classic at Worthington Country Club in 2000, 2002, 2012 and 2016. After graduating from Drake University, Brown bounced around on mini tours as a professional before regaining his amateur status.

Playing his first event as a senior at the Minnesota Senior Open last month after turning 50 in November, Brown posted back-to-back rounds of 74 to finish tied for 13th. Making Sunday's win even sweeter for Brown, is the fact that he's won at each step of his golf career.

"It's exciting because now I've won at the junior level, the collegiate level, professionally, amateur, and now to win as a senior is kind of neat to break the ice."

Whittaker tied a tournament-low Sunday, carding a 2-under 69 for just the third round below par for the championship. Opening with a 74 Saturday, Whittaker played his first 10 holes in

Eagle on Final Hole Gives Brown First Senior Victory at MPGA Senior... *continued*

2-under Sunday and would momentarily earn a share of the lead thanks to his third-career ace at the 14th. A late bogey derailed Whittaker's hopes of earning his sixth senior title in the state. He finished three shots back at 1-over 143.

Skip Schultz overcame a two-stroke deficit entering Sunday's final round to post a 78, claiming victory in the 65 & Over Division by shooting a 36-hole total of 13-over 155, edging both Char-

lie Whitcher and Robert Casura by one stroke.

An up-and-down front nine saw Schultz turn in 2-over for the round, but he would card birdie at the par-4 10th to move to 8-over for the championship. Schultz managed to hang on during a rough final seven holes, including a double-bogey at the 18th to win the 65 & Older age group.

Late Birdies Carry Capan to MGA Amateur Title

By Nick Hunter (*published July 16, 2020*)

EDINA, Minn. — Surrendering a late lead for the second time in two weeks must've seemed like a cruel flashback for Frankie Capan Wednesday during the final round of the 117th Minnesota Golf Association Amateur Championship.

Capan was unable to bounce back from a pair of mid-round bogeys at last week's Minnesota State Open, and watched as University of Minnesota golfer Angus Flanagan pulled away with a two-stroke victory.

Entering the final 18 holes with a four-stroke lead, Capan was bounced from the top of the leaderboard with back-to-back bogeys late to relinquish his lead once again. This time however, Capan flipped the script by rallying with a pair of birdies to hold off the surging duo of Andrew Israelson and Van Holmgren to collect his first state victory and a little redemption as well.

"It always feels good to win and hoist a trophy at the end of the day, but I wish I had a couple shots back," Capan said following his final round Wednesday. "The game is feeling good and after last week, I really wanted this one. Angus put together a very good final round

and ended up shooting the course record. I put together really good golf and just got beat. It was tough to get over last week, but this one feels really good.

"It was a very up-and-down round today. I started off with a par and then birdied two—made a nice little 40-footer, but wasn't really able to get anything going until later in the round. It was a little frustrating because it was a lot different than the first two days. I was playing well and hitting good, consistent shots and making birdies on the easier holes."

After lengthy putts to start, Capan was unable to make any substantial putts for the next 14 holes. Bogeys at four and six trimmed Capan's lead to one over Holmgren, but he rolled in a short birdie at the eighth to turn at 11-under for the championship.

A two-putt birdie at the par-5 12th stretched Capan's lead to two, but he would run into trouble at the 13th by putting his second shot into the water. Limiting the damage with a bogey, and clinging to a share of the lead, Capan bogeyed the par-4 14th to fall one back.

Press release continued on page 172.

Frankie Capan, North Oaks GC, drives at the 5th tee during Wednesday's final round at the 2020 MGA Amateur Championship. Capan set an amateur scoring record at 12-under par, 66-67-71--204, to win the championship.

Late Birdies Carry Capan to MGA Amateur Title... *continued*

Capan responded by sticking his approach inside of six feet at the 15th and rolled in his birdie look to pull even with Holmgren. Finding the rough left of the 16th fairway, Capan took control by hitting one of his best shots of the tournament. From thick grass Capan chopped his approach to 25 feet and drilled his birdie chance to take sole possession of the lead.

“Walking up the 16th green I had a smile on my face because I had a good feeling I’d make that putt,” said Capan.

With back-to-back bogeys by Holmgren on the final two holes, Capan carded a pair of routine pars to clinch the victory, setting a tournament record in relation to par at 12-under 204.

Capan, a North Oaks, Minn., product, played

Asked how the decision to transfer came about, Capan replied, “I chalk that one up to Van—he’s really good at recruiting. Florida is a great place and I’ve always felt as though I’d eventually like to move there, assuming I go on to play professional golf. After I made the decision to leave Alabama, he and I went down to Florida Gulf Coast and checked it out and felt it was the best place for me.

“Van and I have a nice little rivalry growing right now. He and I are playing two more tournaments this summer, so we’re looking forward to that. He and I are best of friends—I’ve known him since I was six or seven. Both of our games are in good shape and we can’t wait to get down to Florida and tee it up.”

Prior to his win Wednesday, Capan notched four top-10 finishes during his first two seasons for the Crimson Tide. Last summer he advanced to the quarterfinal round of the 117th Western Amateur Championship at Point O’Woods Golf and Country Club.

In 2016 he won the AJGA Junior Puerto Rico Open and was invited to the PGA Tour’s Puerto Rico Open, where he missed the cut by one stroke. He earned medalist honors and the team title the following year at the Toyota Junior World Cup in Japan. During his senior year at Southwest Christian Academy near Phoenix, Ariz., Capan carded a 59 to claim the individual title by 10 strokes.

Capan qualified for three U.S. Junior Amateur Championships and three straight U.S. Amateur Four-Ball Championships, winning the national tournament with partner Ben Wong in 2017 at Pinehurst. He was named the MGA Junior Boys’ Player of the Year later that year. He will make his first appearance at the U.S. Amateur Championship next month at Bandon Dunes Golf Resort in Bandon, Ore.

Entering Wednesday’s final round eight shots off the lead, the defending MGA Players’ champion Israelson posted a tournament-low 7-under par 65, that included a stretch of five birdies in a seven-hole span to quietly finish in second place

two seasons at the University of Alabama but will transfer to Florida Gulf Coast University later this year with Wednesday’s counterpart, Holmgren and Winona State University transfer Brady Madsen.

at 10-under par 206—without the longest club in his bag.

"I didn't have a driver. I broke it mid-round yesterday and I got a couple new shafts in there last minute, but they're not what I need, so I only hit that a handful of times today. It was probably a good thing because I was hitting a lot of fairways and hitting a lot of really good wedges. I rolled the putter really well—I changed the putter, too," Israelson laughed, "I honestly probably should've putted with that putter all week. I'm kind of kicking myself now, but I missed a 4-footer on 17 for birdie and another inside of 10 feet on 18.

Israelson played the second and third rounds of the tournament without a bogey.

"I'm excited where my game is at and happy I was able to come out and play well," he said. "I wish I would've played the course more, so I should've been a little more prepared—that's probably the one regret from the week, but I played as smart and well as I could have."

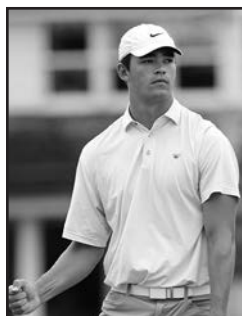

Playing his first 12 holes in 3-under Wednesday, Holmgren moved to 11-under with his birdie at the par-5 13th and would take the lead

momentarily when Capan made bogey at the 14th. But the chance of a second title in three seasons was dashed with two bogeys on the final two holes as Holmgren would card a final-round 70 to finish in a tie for third with Sammy Schmitz and Trent Peterson at 9-under 207.

Edina Country Club played host to the event for the first time in 34 years this week. Dave Nordeen posted a 2-over 218 to win the championship in 1986.

Herron and Kuznik Winners at Minnesota PGA Junior 'Sota Series Match Play Championship

(published July 22, 2020)

BRAINERD, Minn. – Bouncing back from a disappointing 15th-place finish at the Minnesota Golf Association Amateur Championship a week ago at Edina Country Club, Carson Herron went 6-for-6 at the Minnesota PGA Junior 'Sota Series Match Play Championship, defeating Ryan Stendahl in the championship match, 2-up, Wednesday at Dutch Legacy at Cragun's Resort.

Herron, who will begin his senior season at Minnetonka High School this fall, defeated Jonathon Essen to open the championship Monday before downing Jack Wellen during the Round of 32. Getting past Carter Korkowski, 4 and 3, during Tuesday's quarterfinal round, Herron went on to beat Nicholas Lechtenberg, 6 and 4, to reach the semifinal round Wednesday.

Facing off against Leo Gellert, Herron took a 3-up lead after nine holes and cruised to a 5 and 4 victory to reach Stendahl in the final match Wednesday afternoon.

During the championship match, Herron would bogey the opening hole but came charging back with a pair of birdies over his next four holes, adding three more over the next 10 holes to take a 3-up lead to the 16th. Stendahl pulled within one after back-to-back bogeys by Herron at 16 and 17, but Herron would close out the match with a par at the last for the win, 2-up.

Stendahl, a winner at the Twin Cities Junior Championship last month, defeated Tommy Marker and Parker Glas during the first day of competition before getting the better of Erik Stoxen and Walter Ylitalo on Day Two to reach the semifinals where he defeated Sam Baker, 2-up, to face Herron in the finals.

Kuznik Survives Late Scare to Win Girls' Match Play Title

(published July 22, 2020)

Building a sizable 6-up lead after nine holes Wednesday, Camille Kuznik pulled away from Shelby Busker late in the championship match to win the Minnesota PGA Junior 'Sota Series Match Play Championship at Dutch Legacy at Cragun's Resort.

Kuznik, a soon-to-be senior at Orono High School, dropped four consecutive holes to Busker during the back nine to watch her lead trimmed to two before she carded a birdie at the par-5 16th hole to clinch the match, 3-up.

Cruising to a 6 and 5 victory over Nicki Son during the opening round Tuesday, Kuznik downed Emily Renner, 4 and 3, to reach the semifinal round. Facing Madi Hicks early Wednesday, Kuznik carried a slim lead to the 16th hole before ending the match at the 17th with a 2-up victory.

Busker, a recent graduate of Detroit Lakes High School, knocked out Ciara O'Connor and Olivia Salonek on the first day of competition before cruising to her semifinal win over Maddie Simon, 5 and 4, to reach the championship against Kuznik.

Thompson Earns Second PGA Tour Win at 3M Open

By Nick Hunter (published July 26, 2020)

BLAINE, Minn. – Growing up at Forty Niner Country Club in Tucson, Ariz., Michael Thompson spent hours as a young kid on the practice green and hitting balls out of the bunker, dreaming of playing on the PGA Tour.

Falling back on those memories late Sunday, Thompson hit the most important shot of the tournament on the 16th hole during the final round of the 3M Open, blasting out of a greenside bunker to inside of three feet, setting up an easy birdie to move the top of the leaderboard.

Needing a two-putt from 15 feet on the final hole to secure his first PGA Tour win in 2,702 days, Thompson claimed his second-career PGA Tour victory when his birdie putt found the bottom of the cup to finish two shots better than Adam Long.

“I love bunkers—that was the one thing I did when I was a kid after I got home from school was I would go sit in a bunker for a couple hours and just hit bunker shots,” Thompson said following his win Sunday. “I have really good feel in the bunker and good visual for how I want the shot to come off, and for that to happen on the 70th hole, you know, potentially give me a one-shot lead if I make birdie there, it was perfect timing.

“I played really solid golf. I think I only had three bogeys all week. Just really stuck to my game, played Michael Thompson golf, allowed my

putter to speak volumes, I think. To hit those shots coming down the stretch, those last two holes are not easy. I couldn't have asked for a more perfect scenario to finish a tournament. To see that go in was just relieving."

Thanks to his win Sunday, Thompson jumps 112 spots in the FedEx Cup Rankings to 39th and now heads to next week's World Golf Championships-FedEx St. Jude Invitational in Memphis, Tenn., also earning spots in a number of events, including the PGA Championship, U.S. Open and Sentry Tournament of Champions.

"It's job security for two more years, it's benefits of the sponsors that I have and it gives me the confidence to know that I can compete on the biggest stage in the world in this game and that I can do it again," Thompson said. "To have the opportunities to play in some of the bigger tournaments, to finish the year and put myself in a chance to make Atlanta, I've never been in a better position, I think, than right now on the PGA TOUR.

"Man, I am chomping at the bit to go prove myself again really. Next week is another opportunity on a golf course that I absolutely love. Winged Foot for the U.S. Open is my favorite golf course in the entire world. I mean, you couldn't have written a better script for where I'm at right now."

Since his first win on the Tour in 2013 at the Honda Classic, Thompson has collected 10 top-10 finishes, he claimed a third-place finish most recently at the 2015 FedEx St. Jude Classic. Thompson finished one shot back of Webb Simpson at the 2012 U.S. Open at The Olympic Club in San Francisco.

Entering Sunday's final round with a share of the lead with Richy Werenski, Thompson started slowly with a bogey at the third hole to fall back to 14-under for the championship before back-to-back birdies at the fifth and sixth holes.

Turning in 16-under, the 35-year-old former University of Alabama golfer Thompson rolled in his birdie look from 10 feet at the 10th and would then birdie two of his final three holes to earn the victory, pushing his winnings for 2020 over \$1.5 million.

Entering the week as one of the favorites coming off his eighth-place finish a week ago at The Memorial Tournament, Tony Finau carded one

bogey during his final nine holes, missing four consecutive birdie chances late before a birdie on the final hole to finish in a nine-way tie for third at 16-under 268.

"I had some great looks down the stretch. I didn't make the putts I needed to. Nos. 12,

14, 15, I needed to get one of those I felt like kind of coming down the stretch and I wasn't able to make one of those putts," said Finau. "I had another look on 17, and you've got to make those putts to win the tournament and I wasn't able to do it today. But my game's in a great place with three majors right around the corner and that's pretty exciting for me."

Since the 2016-17 PGA Tour season, nobody has collected more top-10 finishes than Finau with 30. Tommy Fleetwood is Finau's closest competitor with 16 top-10's during that stretch. Falling to Webb Simpson in a playoff at the Phoenix Open in February, Finau was denied his first PGA Tour victory since he won the 2016 Puerto Rico Open.

The second playing of the PGA Tour event in Minnesota, formerly a PGA Tour Champions event since 1994, didn't exactly extend 'Minnesota Nice' to the five players with local ties this week. Wayzata's Tim Herron and former University of Minnesota golfer Tom Lehman both finished 36 holes of play at 1-under 141 to miss the weekend cut by one stroke.

Spring Lake Park, Minn., native Troy Merritt, who finished in a tie for seventh at last year's inaugural event, carded a second-round 69 Friday to miss the cut by two strokes at even par 142, while former Gopher and 2012 Minnesota Golf Association Amateur champion Erik van Rooyen missed the cut by three shots at 143.

Playing as the only amateur in the field this week, current Gopher Angus Flanagan, who earned an exemption into the championship with his victory at the Minnesota State Open two weeks ago, posted a 4-over 146 to miss the cut by six.

Mann Overcomes Early Deficit to Claim first State Win at Minnesota Junior Boys' Championship

By Nick Hunter (*published July 28, 2020*)

DETROIT LAKES, Minn. – Following an admirable 3-under 68 Monday to open the 93rd Minnesota State Junior Boys' Championship at Detroit Country Club, Dayne Mann's game plan was to resist the urge to get caught up in leaderboard watching. It didn't last long as curiosity got the better of him Monday night, but he was pleasantly surprised to see he stood in third place after the first day of competition.

"I've never been in contention at a two-day tournament—it's only the second two-day event I've ever played in," said Mann, who picked up the game as a seventh-grader.

Mann erased four-stroke deficit Tuesday and, despite a late string of bogeys, carded a birdie on his final hole to card a final-round 70 claim a two-stroke victory over Andrew Ramos to collect his first state championship victory.

"Everything peaked for me—the right time, right place. My misses were in the right areas, my driver was solid when I hit it, but the 4-iron was the biggest part of my game this week because of how short and how narrow the course was. Putting was a big asset to my game the last two days," Mann said.

"This is huge—I haven't been very successful in summer tournaments and this still hasn't really hit me. But it's amazing to get a win. It's been a grind and a long road for sure."

Despite being in an unfamiliar spot early Tuesday, Mann composed himself on the opening hole by reaching the par-5 first hole in two and two-putting from 15 feet for an important birdie to start the final round.

"It definitely helped the stress and anxiety. Without a doubt helped settle the nerves. I tried to keep my mind calm and stick to my game plan and hit the shots on the tee box that I knew would be rewarding."

Mann carded a second birdie at the par-4 sixth before rolling in a 10-footer at the ninth to turn in 6-under and in outright possession of the lead. Stumbling early on his back nine, Mann bogeyed the 10th and 12th to fall back to 4-under before he carded a third bogey at the par-3 17th.

Managing a one-shot advantage heading to the 36th hole Tuesday, Mann hit his approach to eight feet and curled in his right-to-left breaker to capture his first victory in the state at 4-under 138, two shots better than Ramos.

"This is only my second tournament of the summer and going into the [back nine] I think I lost a little bit of focus—I ended up making three bogeys, but it's always nice to bounce back with a birdie."

A 2020 graduate of St. Francis High School, Mann will begin his collegiate golf career at Concordia University-St. Paul this fall.

Ramos, who will begin his freshman year at Blaine High School later this year, entered the final round six shots back of the lead following his round of 70 Monday. Ramos carded three consecutive birdies beginning at the fifth hole, but gave back a stroke with a bogey at the seventh to turn at 2-under for the day.

He would play his first seven holes of the final nine at even par before a bogey at the 17 dropped his two shots off the lead late to finish second at 2-under 140.

Defending champion and first-round leader Ian Simonich entered the final 18 holes with a three-shot lead, but struggled on the final day Tuesday, posting a 6-over 77 to finish tied for third with Leo Gellert, Braeden Sladek and Samuel Baker at 1-under 141.

Smith Runs Away with Second MGA Women's Amateur Championship

By Nick Hunter (published July 29, 2020)

STILLWATER, Minn. – Entering the final round of the 2020 Minnesota Golf Association Women's Amateur Championship with a four-shot lead, University of Nebraska golfer Kate Smith claimed her second title in four seasons by posting a 2-over 74 Wednesday, cruising to victory at Stillwater Country Club.

Smith's cushion never fell below three shots Wednesday despite a rough patch during her final round as she pulled away late, capping off the championship with a short birdie on the last hole to finish six strokes better than Sophia Yoemans at 1-under 215.

"This one is really special—any championship win is special. I don't know how many more [amateur championships] I'll play in. I was really proud of how I managed my mental game this week and really kept a good head on my shoulders.

"It was a huge honor to win two years ago playing with Sarah Burnham and Taylor [Ledwein]. I looked up to Sarah so much and I know I'm playing with girls this week who are going to go on and do great things after I'm gone. It's a huge honor to win again this year, playing with two younger girls who are really great players. Watching Minnesota golf grow has been really awesome."

With her victory Wednesday, Smith earns her 14th state championship title and now joins 17 other women who've claimed multiple Women's State Amateur wins.

Sticking her approach inside of four feet at the par-4 second, Smith rolled in her birdie chance to move to 4-under for the tournament but would take her only double-bogey of the championship at the par-3 eighth. Following a bogey at the ninth, Smith turned at 1-under for the championship with a three-shot lead.

Looking to find her footing over the final nine holes, Smith struggled again at the 11th, leading to a second straight bogey before hitting a remarkable second shot from a tough lie left of the 12th fairway, rolling in a 5-footer for birdie to maintain a three-shot lead.

Despite a bogey at the 17th, Smith stretched her lead to six heading to the final hole where she would chip inside of three feet and tap in for birdie to claim a six-stroke win over Yoemans, carding a 54-hole tally of 1-under 215.

"I got off to a really great start and felt like I was really going to go low, but had a couple weird yardages and made a couple of mistakes here and there," said Smith. "Sometimes in championships you start playing match play with your group. I sort of reeled it back and said we need to get back to par. Making the turn I was a little flustered, but I got together on the back and got it done. I was more focused on myself and the course than anything.

"When I got to 3-over, I thought, 'Let's not shoot 75 today,' but I was kind of fighting my score at the end, trying to get as close to par as I could."

On a difficult Northland Country Club setup in 2017, Smith earned a one-stroke victory by shooting 5-over 218. She finished tied for fifth in 2019 at White Bear Yacht Club three strokes above par and claimed a runner-up finish at last year's championship at 9-over 228. Still, Smith insists she thrives when the courses play longer and tougher.

"I think it's really fun when shooting under par is tough to do," Smith said following her win Wednesday on a 6,400-yard Stillwater layout which yielded only four scores below par all week, two of those belonging to her. "On the Tour you just don't see that anymore."

Earlier this spring, Smith's senior season at Nebraska was cut short, and she would begin her summer schedule in early June with a tie for 18th at a star-studded Women's Texas Open, a field consisting of former women's No. 1 Stacy Lewis and U.S. Women's Open champion Brittany Lang.

Smith

Thanks to her effort, Smith jumped 40 spots in the World Amateur Golf Rankings and earned an invitation to her first U.S. Women's Amateur Championship next week at Woodmont Country Club in Rockville, Md.

The Detroit Lakes, Minn., native missed the cut for match play at the 2020 North & South Women's Amateur Championship at Pinehurst Resort two weeks ago, but bounced back by finishing tied for 24th at the Women's All Pro Tour's Cooper Communities NWA Classic in Arkansas on Friday, shooting 9-over 297.

Already a familiar name in golf circles across the state, Smith found her way into the record books in 2016 when she won her fifth individual high school title her senior season, for which she was named Ms. Minnesota Golf its inaugural year. She also led Detroit Lakes to four team titles as a six-year letter winner.

Smith claimed the Minnesota Junior Girls' State Championship in 2012 and earned medalist honors while leading her foursome to the team title at the MGA Junior Amateur Team Championship in 2013 before winning the Minnesota PGA Junior Players' Tournament of Champions.

In 2016 she claimed the Resorters Tournament before her win at the 2017 MGA Women's Amateur at Northland Country Club, holding off Burnham and Taylor Ledwein for a one-stroke victory. Her most recent victory came at the Women's State Open last year where she defeated Jasi Acharya on the first playoff hole after shooting 5-over 147.

Smith Runs Away with Second MGA Women's Amateur... continued

During her first four seasons at Nebraska, Smith notched 24 finishes inside the top-25 and 16 career top-10 finishes. She owns five school records, including career scoring average of 73.45 over 104 rounds. She was named Big Ten Golfer of the Week three times and this past season became the first Cornhusker to earn the Big Ten Mary Fossum award for posting the lowest stroke average relative to par amongst all conference golfers.

Smith will return to Lincoln, Neb., later this year after being granted a fifth year of eligibility by the NCAA following the cancellation of the 2019-20 season due to COVID-19.

"I had planned to professional and after [LPGA Qualifying School] was cancelled, it was a huge moment for me to go back to college," she said. "Having nine months to get better with my team again will be great and it definitely makes this summer of amateur golf super special."

Beginning her round nine shots off the lead Wednesday, Yoemans played her first six holes in 1-over before driving the green at the par-4 seventh and sank a 30-footer for eagle to creep her way up the leaderboard. She rolled in a second lengthy putt at the 10th and added another birdie at the 11th to climb into contention before a double-bogey at the 13th derailed any momentum she had.

Yoemans chipped within inches on the final hole to quietly finish in second place at 5-over 221 for her third consecutive top-5 finish at the event.

"I had a pretty rough start to the tournament and yesterday was a good improvement from the first day," said Yoemans, a soon-to-be sophomore at the University of Missouri. "Today was an up and down round, but other than one stretch on the back, I was pretty happy with my round today and my irons were really good this week."

"I have one more event next week at [Minnesota Women's State Open] on a course I know super well—I live really close, so I'm excited to get after it.

Isabella McCauley entered Wednesday's final round four strokes off the lead, but faltered down the stretch, posting a 77 on the final day to finish in a tie for third with Shelby Busker at 6-over par 222.

2nd Place:
Sophia Yoemans

Anderson Wins Twin Cities Senior Championship for 9th State Victory

(published August 4, 2020)

LAKEVILLE, Minn. – Bouncing back from a runner-up finish after falling in a playoff to Ray Pontinen at last year's Twin Cities Championship at Majestic Oaks Golf Club, John Anderson fired a 1-under 70 Tuesday at Brackett's Crossing Country Club to claim his first state championship since 2009.

Back-to-back birdies at the sixth and seventh holes Tuesday gave Anderson all the help he would need as he carded one bogey over his final 11 holes to earn a two-stroke victory over Paul Schubring, Randy Newman and longtime playing partner Bill Tadewald.

Anderson claimed his first state championship in 2002 at Theodore Wirth Golf Course and followed it up by winning a pair of Minnesota Golf Association Amateur Team Championships and two Minnesota Public Golf Association Combination Championships over the next four seasons.

After winning the MPGA Four-Ball in 2008, Anderson claimed his biggest state victory by winning the Minnesota Senior Open at The Links at Northfork the following year. He finished 2009 with his most recent win at the MPGA State Senior Public Links Championship.

For more than a decade, Anderson has developed into one of the state's most consistent senior players, claiming 17 top-5 finishes, while qualifying for a pair of U.S. Senior Amateur Championships. In six events in 2016, Anderson never placed worse than 10th, while collecting four top-5's and was named MGA Senior Men's Player of the Year.

Despite a bumpy finish to his round Tuesday, carding a pair of bogeys over his final three holes, Skip Schultz fired a 3-over 74 to earn a one-stroke victory over Dale Speetzen in the Masters Division for his fourth victory over the past five seasons.

Teeing off on the 10th hole Tuesday, Schultz carded three bogeys during his front nine and dropped to 4-over after a bogey at the par-3 second. Schultz found his rhythm shortly after when he carded three consecutive birdies beginning at the par-3 fourth, moving him to 1-over.

A pair of bogeys over his final three holes wasn't enough to keep Schultz from earning medalist honors for the second straight season in the Masters Division.

Ledwein and Welch Come From Behind to Win Second MGA Women's Four-Ball Title

By Nick Hunter (*published August 6, 2020*)

DELLWOOD, Minn. – A string of birdies early on their back nine Wednesday boosted the twosome of Taylor Ledwein and Megan Welch to a final-round 67 and a three-stroke victory at the 2020 Minnesota Golf Association Women's Amateur Four-Ball Championship at Dellwood Country Club for their second title in three seasons.

Ledwein and Welch, who claimed the 2018 championship at Crow River Golf Club, entered the final round two shots behind a pair of University of Minnesota teams consisting of Kate Lillie and Grace Kellar and Emma Carpenter and Grace Curran, before staging a late rally Wednesday, carding four birdies over the final eight holes to pull out the victory by shooting 8-under 138.

"We kind of talked yesterday, and we weren't playing great—we just weren't making anything—so we thought if we could just get to a few under, get within striking distance and give ourselves more opportunities to have two birdie looks, we would be fine," Ledwein said.

Teammates at Bradley University, Ledwein and Welch carded back-to-back birdies at the fourth and fifth holes Wednesday to quickly jump into a share of the lead and would turn at 4-under for the championship.

Welch two-putted for birdie at 11 and Ledwein countered by recovering from a bad chip at the 13th by rolling in her birdie chance from six feet to boost the twosome to 6-under for the tournament and one shot better than Kellar and Lillie.

Looking to pull away late, both Ledwein and Welch had short birdie putts at the par-4 14th and Ledwein would put her birdie chance from six feet in the middle of the cup at the 17th to seal the championship, carding one last par to shoot a bogey-free 67 to earn a three-shot victory at 8-under 138.

“We had a bogey on the third hole yesterday, but had a couple good birdie chances that we just missed early on, so we knew those birdies were out there,” Welch said. “It’s a tougher course than [2018], so we just wanted to have options for making birdies, but knew making par would still be good.”

“The other big thing for us today was the par-3’s—they were hard,” Ledwein added. “They were long and I think on all four we had birdie looks. Par was going to be a good score on those with how long they were playing.”

On Wednesday, Ledwein added her eighth state championship to her impressive golf resume, which includes wins at the MGA Women’s Amateur and the Women’s Match Play in 2018, as well as back-to-back Class AAA individual titles during her junior and senior seasons at New Prague High School.

Ledwein will opt for a fifth season at Bradley this fall after missing parts of her senior season with an injury. She’s claimed 16 top-10 finishes with one collegiate victory, while earning Missouri Valley Conference Golfer of the Week honors five times during her career.

With her collegiate career nearing an end, Ledwein reflected with a new perspective on a victory turned bittersweet.

“Who knows where I’ll be in a year because I’ll be done with school, so I may be working or if I do decide to turn pro,” she said. “Megan was

at her lake, so it means a lot that she came from her family stuff to play together at least one more time. It means that much more because it could be the last time I play in it.”

Welch, who claimed a Minnesota Junior PGA Players’ Tour Tournament of Champions win in 2015 prior to her win with Ledwein in 2018, will begin her third season at Bradley later this season. During her sophomore season, she claimed a top-10 finish and a pair of top-20’s, earning MVC Golfer of the Week honors.

“This one means a lot more because [in 2018] I was just going into college and we weren’t as close, but now we’re best friends and do everything together, so it’s fun to be able to do this together again, too,” said Welch.

Carpenter and Curran took a share of the first-round lead with Gopher teammates Kellar and Lillie Tuesday, after both twosomes fired rounds of 4-under par 69.

Curran, who defeated Kathryn VanArragon in a playoff at The Wilds Golf Club to claim the MGA Women’s Match Play Championship in June, and Carpenter carded a bogey at the par-3 sixth hole, but bounced back when both birdied the par-5 eighth. A bogey at the ninth dropped Carpenter and Curran out of the lead at 3-under for the championship.

Over the final nine holes, the two mustered back-to-back birdies at the 14th and 15th to pull within three shots of the lead and would finish in a tie with Gopher teammates Kellar

and Lillie at 5-under 141, carding a final-round 72.

"I struggled today and didn't feel as comfortable over the ball and didn't hit it great, but felt it was important to be the best teammate I could to Emma. She played really well and I know my energy reflects back on her, so I knew it was going to be important to not get too down on myself," Curran said Wednesday.

"It's a crazy game and can change whenever."

"It was a blast [playing with Kellar

and Lillie]," said Carpenter. "This is my third or fourth tournament of the summer and with our current situation, I'm grateful to be playing competitive golf and happy to be out here. [Ledwein and Welch] played awesome today and definitely deserved the win. Sometimes the putts don't really fall and it's the way it goes."

Despite an early end to their freshman seasons when the NCAA shutdown this spring, Carpen-

ter and Curran, both soon-to-be sophomores from Illinois, hope to carry the success from their respective summer schedules back to campus this fall, however the season may look.

"I know [Curran] had an awesome summer and we felt pretty good about the way we played and hope to carry that momentum into the fall," Carpenter said. "Under the circumstances, to stay as focused as we have this summer, and really to keep grinding it out and stay focused on our goals—we hope to carry that into the fall season."

"I'm super excited for the fall," said Curran, who claimed the Golfweek Midwest Collegiate at Purdue University's Kampen Course in West Lafayette, Ind., on Friday. "This was a great summer for us and our teammates. It'll be great to get back together and put it all together and work as a team again."

Kellar and Lillie got off to a rocky start Wednesday by taking bogey on the opening hole, but would battle on the front nine to regain a share of the lead with a birdie at the eighth. Turning at 4-under and even with Ledwein and Welch, Kellar and Lillie couldn't keep pace, tallying a pair of birdies with a bogey on the final hole to shoot a final-round 72 to finish three shots back at 5-under 141.

Olivia Herrick, who has nine women's state four-ball titles to her credit, and partner Paige McCullough posted a final-round 69 to finish in fourth place at 142, while the defending champion team of sisters Stephanie and Leah Herzog finished fifth at 2-under 144.

Berry Emerges in Playoff to Claim Fourth Minnesota Senior PGA Professional Championship

By Nick Hunter (*published August 4, 2020*)

MEDINA, Minn. – Entering the final round of the 46th Minnesota Senior PGA Professional Championship two shots off the lead, Don Berry posted the tournament's only score below par Tuesday at Medina Golf and Country Club, outlasting both Dale Jones and Ty Armstrong in a playoff to claim his fourth win at the championship and 13th state senior title.

Helped by a pair of early birdies, Berry fired a 1-under 71 to force a three-way playoff before winning the third extra hole against Jones to earn his third section win of the season as he now advances to his seventh Senior PGA Professional national championship since 2012.

"Yesterday I shot 74 and it could've been 77 or 78," Berry said. "You shoot the lowest score you can and if I wouldn't have stayed with it and grinded it out yesterday, I would've been out of it. If you're bad rounds are relatively good, then you've still got a chance.

"I was trying to shoot 65 today, I didn't think I needed 65, but I'm just trying to shoot the lowest score I can. I knew if I played good today that I'd be in it."

Berry Emerges in Playoff to Claim Fourth Minnesota Senior PGA... *continued*

Rolling in birdies at the first and second, Berry quickly pulled within one shot of the lead, but fell three shots back with a bogey and an Armstrong birdie at the sixth. Berry answered by carding a pair of birdies over his final three holes on the front to turn at 1-under and sole possession of the lead.

Unable to get up-and-down to save par at the par-3 13th, Berry managed to hang onto a slim advantage over Armstrong and Jones despite missing multiple birdie opportunities late in the round.

"I had chances on 15 and 16, but 16 was a really bad one. I thought I had it read and then I got over it and changed my mind. Sometimes your feet tell you something different and then you get over and felt it went more to the center."

A bogey at the last dropped Berry into a three-way playoff before Armstrong was eliminated on the second playoff hole with a bogey. Narrowly closing out the tournament with a pair of birdies, a simple tap-in for par on the third playoff hole proved to be the difference as Jones failed to get up-and-down to save par.

"I played good early, but this course is just hard. The greens are really difficult, especially when the pins are tough. All balls here funnel towards the middle of the green, and if the pin's not in the middle, it's going away from the hole. I thought I had it going and then on the back, the pins were really hard and it was hard to get the ball close.

"I don't feel like I played well enough to win. I've really struggled with my swing this year and just haven't felt good about it. I know I'm struggling when I'm trying new stuff. Last year, I went through the whole summer with one swing thought. This year if I hit three bad shots, I'm looking for something different. When I start really searching and changing my swing thoughts a lot during a round of golf, I know I'm struggling and it's been a lot of that."

Berry picked up his first win of the season at the Minnesota Senior Open at Keller Golf Course in similar fashion in early June, defeating Jones on the first playoff hole after both finished the 36-hole championship at 4-under 140. A win

at the Faribault Golf Club Pro-Am last month pushed his season earnings over \$7,500.

Berry now advances to the national championship along with Jones, Armstrong, Jason Sudenga, Daniel Callahan and Larry Norland at PGA Golf Club in Port St. Lucie, Fla., Oct. 15-18.

Tuesday's result is yet another disappointing finish for Jones who has now collected 18 top-3 finishes since 2015, while earning victories at the Minnesota PGA Senior Match Play Championship in 2017 and 2019.

"I played pretty steady. Today's round was up-and-down like it was at [the Minnesota Senior Open], but it's fun to be in the hunt. I was right there again and one of these days, I'm going to beat [Berry]."

Carding a 1-over 73 to open the championship Monday, Jones carded a pair of birdies against two bogeys on his opening nine Tuesday and repeated the pattern over his final nine holes, including a birdie at the 18th in regulation to force a three-way playoff.

Monday's co-leader Armstrong got off to a quick start Tuesday with a long birdie putt at the first before holing out from the sand at the sixth. Losing his tee shot at the seventh led to a double-bogey and he would need a birdie at the par-5 14th to climb back into a tie for the lead.

Armstrong managed to save par after finding the sand on the first playoff hole, but wasn't as fortunate at the par-3 17th second playoff hole, missing a 6-footer for par.

"I'm happy—I haven't played a lot, so to get back to nationals is awesome," Armstrong said. "I played good and I'm getting closer to playing somewhat like I used to, so that's fun. I still need to get a little mentally stronger.

"I haven't been in this position in a while. It didn't use to be this hard."

Sudenga carded a final-round 75 to finish fourth at 4-over 148, while Callahan placed fifth at 149. Norland and Steve Fessler finished tied for sixth at 150, but Norland claimed the final qualifying position in a two-hole playoff.

Gellert Starts and Finishes Strong to Claim Third Win of Season

By Nick Hunter (*published August 11, 2020*)

MAPLEWOOD, Minn. — Leo Gellert rolled in three consecutive birdies to start his round Monday and added an eagle to begin the back nine on his way to a 4-under 68 at Keller Golf Course to claim the 22nd Minnesota Junior PGA Golf 'Sota Series Players' Tour Tournament of Champions.

Inclement weather shortened the championship to 18 holes Tuesday, as Gellert collects his first state championship with a two-stroke victory over Ryan Stendahl.

"I was striking the ball really well and I had some short birdie opportunities," Gellert said. "I made a good putt on 10 from off the green for eagle, struggled to hit greens a little bit later in the round, but the nice chip in on the last hole really helped my score."

“I wish it would have gone another day but, I’ll take what I can get—I was grateful to come out with the win.”

Gellert improved on his third-place finish from a year ago where he led after the opening round and would card a 1-over 73 to finish one stroke back of both Carson Herron and Daniel Renner. On Monday, Gellert came out firing by carding three consecutive birdies to open his round and quickly climb the leaderboard. He took a step back with a bogey at the fourth, but answered by rolling his birdie putt at the par-4 eighth to turn in 3-under.

Carrying momentum to his back nine Monday, Gellert reached the par-5 10th in two and sank his eagle chance to jump to 5-under for the tournament. Giving back a stroke with a bogey at the 11th, Gellert countered by dropping his birdie opportunity at the par-3 13th.

Back-to-back bogeys at 13 and 14 dropped Gellert to 3-under for the championship, but he

would rebound to finish strong with some late-round fireworks, chipping in for birdie to claim a two-stroke victory.

Stendahl claimed the Boys’ 13-15 Division at the 2020 Twin Cities Junior Championship at Victory Links Golf Course, posting a 10-under 61 to earn a four-stroke victory and days later carded an 8-over 152 to place eighth at the Minnesota Junior PGA Championship at The Quarry at Giants Ridge.

On Monday, Stendahl played his first seven holes in 2-under before taking bogey at the par-4 ninth. He began his inward nine with a birdie at the 10th but dropped to even par with a pair of bogeys at the 13th and 15th holes. Finishing strong, Stendahl rolled both birdie chances at the 16th and 18th holes to finish second at 2-under 70.

Jordan Slagle, Justin Luan and Cole Nasby each fired rounds of 1-under 71 Monday to finish in a three-way tie for third.

Girls' Champion:
Olivia Salonek

Salonek Wins at MN PGA Junior Players' Tournament of Champions

By Nick Hunter (published August 11, 2020)

MAPLEWOOD, Minn. – Struggling with what she described as erratic play to begin the 2020 summer golf season, Olivia Salonek fit together all facets of her game this week at the 22nd Minnesota PGA Junior Golf 'Sota Series Players' Tour Tour-

late bogeys to take a two-stroke opening-round lead over Saachi Deshmukh.

Salonek got off to a bumpy start Tuesday with back-to-back bogeys on the first two holes to fall to 4-over, but nearly aced the par-3 fourth when her tee shot bounced off the flagstick and stopped two feet away for an easy, tap-in birdie.

Salonek took a bogey at the par-4 fifth hole, but again was bailed out by her putter, sinking a 20-footer for birdie to get back to 3-over. Reaching the back of the par-4 ninth hole with her approach, Salonek drilled her birdie putt from 30 feet away to turn at even par for the round.

Severe weather forced players off the course for an extended period of time Tuesday before tournament and course officials shortened the championship to 27 holes, giving Salonek a two-stroke victory over Deshmukh at 2-over 109.

"My putter was a lot better than it has been all year, so I was really happy that I figured it out," said Salonek. "I felt really confident in my putter and my game."

Qualifying for this week's championship with a victory in Faribault in mid-June by carding a final-round 77, Salonek has now collected 21 Minnesota Junior PGA championship titles dating back to 2013.

nament of Champions at Keller Golf Course, shooting a 2-over 109 to claim her second win this year.

"I had a different mindset going into this tournament because my it hadn't been working all season. This week I played shot-by-shot and it ended up working out for me," Salonek said Tuesday. "My rounds haven't been very consistent and this year I've kind of been all over the place."

"I'm very happy—it's been a really long time since I've won a tournament and I actually felt like I played well and deserved it. It was a good win."

Playing her first 14 holes in even par to open the championship Monday, Salonek carded a pair of

Ledwein Struggles Late as VanArragon Pulls Out a Victory at Women's State Open

By Nick Hunter (*published August 11, 2020*)

LAKE CITY, Minn. — Following a pair of runner-up finishes earlier this season, back-to-back rounds of 2-over 73 gave 15-year-old Kathryn VanArragon her first win of the 2020 season Tuesday, claiming a one-stroke victory at the 20th Minnesota Women's State Open at The Jewel Golf Club.

Entering the final round three shots off the lead, VanArragon trailed by as many as seven shots after a string of bogeys to close out her front nine. Chipping away hole-by-hole on her back nine, the defending Minnesota Golf Association Junior Girls' Player of the Year carded a late birdie to become the youngest winner in Minnesota Women's State Open history.

"I'm honored and grateful—it was a really fun week," said VanArragon, who becomes the eighth player to win both the MGA Women's Amateur and the Women's State Open. "I don't think I've really grasped it yet, but it's really exciting.

"It's been a good summer for me and this is a similar win [to Women's Amateur] because they are such great fields, so it's amazing to get the win this week."

A pair of late bogeys put VanArragon in the clubhouse at 2-over 73 following the opening round of play Monday. Carding three bogeys over her final five holes of her front nine Tuesday, VanArragon trailed first-round leader Taylor Ledwein by seven strokes before rolling in 10-footer for birdie at the par-4 10th to move to 4-over.

The soon-to-be sophomore gave back a shot with a bogey at the 13th, but bounced back by chipping inside of 15 feet at the par-5 15th and converted her birdie look for what proved to be the difference, putting her in the clubhouse lead at 146. VanArragon learned shortly after that Ledwein had played her final six holes in 7-over, stumbling to a second-place finish at 5-over 147.

"I wasn't really aware of anything happening on the leaderboard. I was happy with how I played but I wasn't really expecting much," VanArragon said. "It was a nice surprise. I knew there were going to be a lot of good players at the top, I just sort of came in thinking that if I could get off to a good start and put down a good number, to see where that got me.

"I came out on one and two with a couple good iron shots, but just couldn't really putt. That was really the story on the front nine. Going into the back nine I was a little bit discouraged with a few bogeys, but tried to start fresh with a new mindset. Getting the birdie on 10 did a lot for my confidence and gave me a new nine and a new start."

VanArragon first caught the attention of Minnesota golf enthusiasts when she advanced to the finals of the 2016 Drive, Chip and Putt competition at Augusta National Golf Club. Two years later she became the youngest golfer to claim the Class AAA individual title as a seventh-grader playing varsity golf for Blaine High School. She entered the record books once again last season when she became the youngest player to win the MGA Women's Amateur Championship just days after her 14th birthday.

She fell to University of Minnesota golfer Grace Curran at the MGA Women's Amateur Match Play Championship in June and finished two shots back of Isabella McCauley at the Minnesota Girls' Junior PGA Championship in early July.

For the first time this season, VanArragon had older brother, Caleb, a golfer at Valparaiso University, on the bag this week, helping recreate some magic after he caddied during her win last year at Town and Country Club.

"He helps me a lot whenever he caddies—keeping me focused on the next shot, which is something that's really important for every golfer, but it's especially important when you're playing in a big tournament."

A devastating finish for Ledwein Tuesday, who was coming off a victory last week at the MGA Women's Amateur Four-Ball Championship with partner Megan Welch for her eighth state championship win. Seemingly in full control Tuesday, Ledwein turned in 1-under for her round before converting a short birdie at the 10th, sticking her approach inside of four feet.

Ledwein's problems off the tee during Tuesday's final round were magnified over the next eight holes as she missed the green at the par-3 11th, leading to a bogey before she lost her tee shot left of the 14th fairway, leading to the first of two triple-bogeys to finish her round.

Ledwein Struggles Late as VanArragon Pulls Out a Victory... continued

Getting back on track at the par-3 15th by getting up-and-down for par, Ledwein managed a two-stroke lead walking to the 18th tee box, but again she would lose her ball in a wooded area left of the fairway. Playing her provisional, Ledwein's fourth missed her target and after missing her putt for double-bogey to force a playoff, a visibly upset Ledwein tapped in for a second-place finish.

"Obviously the ending today wasn't what I was hoping for, but I have to take the good with the bad. I think I can really learn from today and take it into trying to build myself to be a better player," an emotional Ledwein said after her round Tuesday. "Making sure that I finish rounds and don't get too into my own head is what is key. I really like how I am rolling the ball right now. I made a lot of good saves for up and down today and my chipping was right where I wanted it."

Ledwein will return to Bradley University in hopes of a fifth season after a shoulder injury sidelined the New Prague, Minn., native for most of the fall season in 2019.

"Since my shoulder issue I really have tried to stop over-swinging, which is what I was doing today on the swings that put me into trouble. Making sure I keep my swing short and compact rather than long and loose is the main focus. This summer was another solid summer of golf."

University of Missouri golfer, and Red Wing, Minn., native Sophia Yoemans posted the low round Tuesday, firing a 1-under 71 to finish in a five-way playoff with four-time champion Lisa Grimes, University of Minnesota's Grace Kellar, Molly Stevens, and former Red Wing teammate Leah Herzog at 6-over par 148.

Christensen Combo Cruise to MGA Four-Ball Title

By Nick Hunter (*published September 10, 2020*)

HUTCHINSON, Minn. – After setting a tournament-record with a round of 59 to begin the 59th Minnesota Golf Association Amateur Four-Ball Championship on Monday, cousins David and Michael Christensen tied another tournament record, a 36-hole aggregate score of 125, most recently achieved when the twosome of Jesse Polk and Sammy Schmitz won in 2014.

A final-round 66 Wednesday at Crow River Golf Club allowed the Christensens to run away from the field with a sizable seven-stroke victory over Polk and Schmitz.

“What golf has brought to our family—we grew up playing and love tournament golf,” Michael Christensen said Wednesday. “As you get older, you cherish the opportunity to play with loved ones. It’s our competitive nature to want to win and get your name on the plaque and have that there. It’s nice to check that box.”

“This trophy has been around forever. To have such a great round, to be in contention and to win it and have our names on it together—the Christensen name—it doesn’t get any better,” David Christensen added. “It’s one of those things that’s a milestone for me to have my name on that trophy.”

The Christensen cousins entered Wednesday's final round five strokes ahead of the team of Bradley Wohlers and Topher Baron, and got to work quickly despite poor conditions for the third consecutive round when David Christensen rolled in his birdie chance from four feet at the third to move to 13-under for the tournament.

In trouble seldomly this week, Michael Christensen missed his par putt from 10 feet after his teammate failed to save par from 12 feet at the par-4 fourth for the twosome's first bogey of the week.

Following back-to-back birdies at the fifth and sixth holes, the two stared down bogey for a second time Wednesday before Michael Christensen buried his putt from 12 feet to save par at the eighth and remain four shots ahead of Polk and Schmitz.

With David out of the 12th after finding the water with his second, Michael answered by sinking a 12-footer for birdie to push the two to 15-under.

"When [Michael] made his birdie on 12 is when I felt like the pressure was off," said David Christensen. "Things could've gone dramatically different had that putt not gone in. The wheels were kind of dragging along a little bit. I felt like we got the momentum back a little bit on that hole."

Already up by five over Polk and Schmitz, the Christensens added birdies at the 14th and 15th holes to post a final-round 66 to tie the low round for the day, while cruising to a seven-shot victory at 17-under 125.

"When we look back at some of the great teams over the years that have played really well in competitive four-ball, it's the people that have played a ton of golf together," David said. "Many times, two really good players in the state pair up together and it doesn't work out the same way. It has a lot to do with the chemistry and the trust you have in your partner."

"The first 10 holes were not as easy as it had been," Michael said. "On Monday we were both in the hole at the same time and never came close to making bogey. Today, there was a deal where one of us had to step up. Some of those hole locations were tricky, and with the lead, it allowed us to play to the safe side instead of taking those chances. We were able to let the round come to us a little bit versus having to force it."

Michael, who won the Northland Invitational three weeks ago, claims his first state champion-

ship since 2017, when he defeated Trent Peterson in a playoff at the Minnesota Public Golf Association State Mid Public Links Championship at Highland National Golf Course.

A Grand Rapids, Minn., product, Michael played with current PGA Tour player Kevin Streelman at Duke University, where he remains tied for third in program history for career tournaments played. He led the 1997-98 team in low-stroke average and sits inside the program's top-10 for number of rounds in the 60's.

After graduating in 2000, Christensen turned professional and played on multiple mini tours, but would find more success as a caddie for his former teammate Streelman from 2008 to 2010. Michael made one appearance on the PGA Tour, the 2001 John Deere Classic, finishing tied for 47th. He began playing as an amateur once again in 2009.

Owner of 13 wins statewide, Christensen's victories include a pair of Class AA individual titles, as well as the 1995 MGA Amateur at Alexandria Golf Club.

"I love competing like this. When you play poorly, now you just go home and get back to life," the 43-year-old Michael Christensen said Wednesday. "When you play poorly professionally, the next day you're on the range and you're not sleeping because you're trying to figure it out. It's nice to be able to have both."

A native of Elk River, Minn., 44-year-old David Christensen most recently captured the MPGA Combination Championship in 2011 at Bunker Hills. He was a member of the 1993 MGA Junior Team champions and won the 1997 MGA Amateur Championship at Wayzata Country Club. He added a MGA Players' Championship win to his resume the following year, defeating Mitch Thornell at Golden Valley Country Club.

After graduating from East Tennessee State University in 1999, Christensen spent the better part of six years on both the Canadian and Nationwide Tours, playing in a pair of PGA

Tour events, both at the Bell Canadian Open in 2001 and 2002. He began playing amateur golf once again in 2007.

"I've never looked back," David said of his professional career, "I don't miss those days—they were fun, but I don't miss them."

Polk and Schmitz played their opening nine in 3-under,

highlighted by Polk's 45-foot putt for eagle at the sixth before giving back a stroke with a bogey at the ninth. The former champions bounced back with a birdie at the 11th, but it was all the closer they could get to the surging cousin twosome. Polk and Schmitz followed their opening-round 65 with a 4-under 67 Wednesday to finish second at 10-under 132.

Former University of Minnesota Golf Noah Rasinski and former Winona State University golfer Michael Schmitz posted a final-round 66 to finish alone in third place at 134, while defending champions Ryan Conn and Hunter Rebrovich finished in a tie for fourth with 2018 champions Joe Conzemius and Will Hickey at 6-under 136.

Peterson Makes Her Senior Debut a Success

By Mike Fermoye (*published August 18, 2020*)

WAYZATA -- Adele Peterson was a golfing prodigy. She finished second in the Oklahoma Women's Amateur when she was 15 years old. She started college at SMU in 1982, then switched two years later to the University of Tulsa, which at the time was to women's college golf what 16-time national champion Houston was to men's college golf. UT had won three national titles in the preceding four years, and the Golden Hurricane finished second at the 1985 NCAA tournament, when Peterson was a junior. She finished ninth individually that year, and was a first-team All-American as a senior in 1986. (She was inducted into the UT Hall of Fame in 1998, under her maiden name, Adele Lukken.)

Shortly after graduating that spring with a degree in marketing, she turned professional, and she played on the LPGA Tour for seven years. She didn't have a lot of high finishes, but she tied for 15th at the 1991 U.S. Open. Although she didn't know it, she was pregnant with the second of her four children at the time. She played a limited schedule in 1992 and '93.

"It was tough with two kids," she remembers, "and it would have been impossible with three."

So Peterson, who is married to Paul Peterson, the PING sales representative for this area, retired from the women's pro tour -- and from competitive golf altogether -- after she had her third child in 1994.

But this year, after more than a quarter of a century away from competition, she decided to give tournament golf another shot. She entered the MGA Women's Amateur in July, just to get a feel for competing again (she tied for 38th against "the younger girls") and to prepare for her debut as a senior, which she made this week.

It turned out to be a trophy-raising success, as she won the MGA Women's Senior Amateur Championship by four shots at Woodhill Country Club.

Having opened with an 80 on Monday, Peterson played the first 13 holes in even par on Tuesday, and went on to shoot a 4-over 76, for winning total of 156.

Betsy Aldrich, who won her third consecutive State Women's Match Play title earlier this summer, made things interesting. She birdied three of her first six holes to pull even with Peterson, then hit a rough patch in the middle of the round, but rallied again on the back nine before being undone by a triple-bogey 7 at the 17th hole.

She finished with a 78 and a 36-hole tab of 160, which was good for second place.

"The weather was perfect, and the course is in great shape," Aldrich said. "It was really fun. But if you make a mistake out here, Donald Ross (the course designer) will get you."

Claudia Pilot, a two-time Women's Senior Am champ, has cut back on her tournament schedule this summer, because she's moving. Nevertheless, she played well from tee to green at Woodhill and was tied with Peterson for the lead after Day 1. Her putting was less than stellar. She left a lot of putts short, including some 3- and 4-footers. But she made a 12-foot par putt on the 18th hole on Tuesday to shoot 82. That gave her a two-day total of 162 and a third-place finish, one ahead of Cathy White, who also closed with an 82 to claim fourth.

"I finally got a putt to the hole," Pilot marvelled as she walked off the 18th green, "and it went in. It's amazing how that works. Maybe I should have tried that before the last hole of the tournament."

Brenda Williams, who won the Senior Am in 2015, shot 84 and was fifth with a 165.

Trish Olsen was sixth with a 167 (85-82), and Lisa Lawry seventh at 169 (85-84).

As she held the trophy ("It's kind of heavy"), Peterson said that she has always felt roughly the same level of nervousness, whether she was playing in an amateur tournament or an LPGA Tour event.

"You're always a little nervous because you don't know how you're going to play," she explained. "That's the way I was today, and it was the same when I was playing in professional tournaments. You hope you're going to play well, but you never really know what to expect."

Of course, it always helps to calm the nerves when you can birdie the first hole (337 yards, par 4), as Peterson did on Tuesday. She hit a gap wedge to 3 feet and converted the putt. Her only bogey on the front nine came at the 362-yard, par-4 fourth hole, but the long-hitting 57-year-old (Peterson averages about 240 yards off the tee) hit a 19-degree rescue second shot to 12 feet at the 434-yard, par-5 sixth hole. She left the eagle putt just short, but tapped in to match the birdie that Aldrich had made a few minutes earlier. (Peterson was in the last threesome, with Pilot and Williams. Aldrich was one group ahead, with White and Lawry.)

Aldrich had also birdied the par-3 second (131 yards) and the fourth. So she was level with Peterson through 24 holes, both of them 9 over for the tournament.

They both bogeyed the seventh (326 yards, par 4). But Aldrich doubled the 342-yard, par-4 ninth, and she didn't get off to a great start on the back nine. She bogeyed the 10th (308 yards, par 4), the 12th (479, par 5) and the 13th (150, par 3).

Meanwhile, Peterson was running off six consecutive pars, from the par-3 eighth (185 yards) to the par-3 13th -- and suddenly, she had a five-stroke lead.

Peterson Makes Her Senior Debut a Success *continued*

But Aldrich wasn't done yet. The 53-year-old former college hockey player (Dartmouth) stiffed a wedge shot at the par-5 14th (446 yards) and made one of the few birdies on that hole this week.

Peterson had a nasty 25-foot left-to-right-breaking

putt, and she nearly made it. But she missed the next one, too, from 3 feet.

The 15th hole at Woodhill is a 378-yard par 4, and it was the hardest hole on the course for the senior women. Both Aldrich and Peterson bogeyed it.

Aldrich then parred the 155-yard, par-3 16th.

Peterson spent some time on the 16th tee debating whether to hit a 7 iron, as she had from the upper tee on Monday, or a 6 iron, because the lower tee was being used for Tuesday's final round. She pulled the 7 initially, then changed her mind and went with the 6. It was too much club, barely, but enough to cause a problem.

"A hole plays shorter from an elevated tee," she explained. "So it has to play longer from a lower tee. That's why I used the 6."

Her shot landed 12 feet left of the pin, which was near the back of the green, and it bounced into a wicked lie 4 feet into the rough.

"I could barely see the ball," she winced, "and I was standing right above it."

Peterson's chip shot scooted across the green and off into the rough in front of it. Her second chip finished well short of the cup, and she two-putted from there for a double-bogey 5.

That reduced her advantage over Aldrich to a single stroke. But up ahead, Aldrich was in trouble. She had dumped her second shot at the

par-4 17th (344 yards) into the front bunker, roughly 80 feet from the pin, and she caught the ball in the eye with her blast from there. It sailed over the green, almost to the 15th tee, leaving her with a 70-yard shot -- with a level-10 degree of difficulty -- back to the green.

"I hit a super shot from there," she said. "I thought it was perfect, but it caught a branch on the last tree between the green and me, and it dropped down into a terrible spot."

The ball was within 3 or 4 inches of a tree, which meant that Aldrich had to assume a kind of croquet stance, facing forward, not sideways, and swing at a 90-degree angle to her body. And she had to get the ball up quickly enough to clear two concrete walls. It was another level-10 shot, but she pulled this one off, and managed to get the ball to the fringe at the back of the green. But the damage was done.

She two-putted for a 7.

Peterson made a pair of routine pars at 17 and 18, and Aldrich also parred the 18th.

"I told you (at the Women's Match Play tournament) that I like match play better than stroke play," she pointed out, laughing a little bit ruefully, "and my reason for that is that I tend to have one really bad hole in every round. Do you see what I mean? I had a 7 in the Match Play final (on the par-5 14th at Pebble Creek). I had a 7 on the seventh hole here yesterday. And I had a 7 on the 17th today."

Although she didn't win, Aldrich did put herself in a strong position to claim the 2020 MGA Senior Women's Player of the Year Award. She got 100 points for second this week and has 200 points for the season. The player closest to her in the standings is Peterson, with 125.

Last year, Aldrich finished second to Leigh Klasse on the Senior Women's points list. Klasse, who lost to Aldrich in the final of the Women's Senior Match Play in June, had her left knee replaced in July and is out for the season as a result.

Champion: Noah Rasinski

Former Gopher Rasinski Survives Playoff to Win MPGA State Public Links

By Nick Hunter (*published August 16, 2020*)

STILLWATER, Minn. – Following the opening round of the Minnesota Public Golf Association State Public Links Championship last year at the Jewel Golf Club, Noah Rasinski sat in a tie atop of the leaderboard with Maxwell Tylke before stumbling to a third-place finish with a final-round 75.

Rasinski found himself in a similar situation this week, pacing the field by firing a 2-under par 70 to begin the championship Saturday at Loggers Trail Golf Course, but earned a bit of redemption during the final round Sunday.

Curling in a birdie putt from eight feet on the first playoff hole, the former University of Minnesota golfer claimed victory over Justin Burleson and Yarri Bryn for his fifth state title as he becomes the fourth player to win both the Junior Public Links and the State Public Links Championships.

"The biggest key was just patience. The first day I felt like I hit the ball really well and wasn't making any putts, I should've had a couple more birdies," Rasinski said after his win Sunday. "Today I was pretty steady—it went a little wayward at the end, but I stayed patient and got it done in the playoff."

"The MPGA has been a big part of my career growing up at a public golf course. I loved the events they put on and my high school teammates and friends from our course would come play in the [Junior Public Links]. It was nice to bring it back for them and have a trophy sitting in the clubhouse."

Rasinski rolled in a 20-footer for birdie on the opening hole Sunday to move to 3-under for the championship and keep pace with Bryn, and would get up-and-down for birdie at the ninth to turn in 4-under with a share of the lead.

Converting his birdie opportunity from eight feet at the par-4 11th, Rasinski regained the outright lead at 5-under, but a pair of late bogeys dropped him into a three-way tie for the lead heading to the final hole. Rasinski sent his tee shot far right at the 18th, but recovered by hitting a blind approach inside of 15 feet, where he would two-putt for par to force a playoff.

Forced to lay up in the playoff at the par-5 10th, Rasinski's third came to rest eight feet left of the cup, and after Bryn's birdie putt came up short, Rasinski curled in a left-to-right breaker for birdie. Left with four feet to extend the match, Burleson's putt missed as Rasinski earned his first victory in four years.

"I thought I had a good chance to win coming in this week. I was leading after the first round of the tournament last year and didn't have a great second round," Rasinski said. "I kind of felt like the same thing was going to happen there at the end, but thankfully it all worked out."

Rasinski, a graduate of Lakeville South High School, began his collegiate at Concordia University-St. Paul, where he collected a pair of victories and was a three-time Northern Sun Intercollegiate Conference Player of the Week during his freshman and sophomore seasons.

Transferring to the University of Minnesota to begin his junior year, Rasinski competed in 11 tournaments during his final two seasons, with

his career-best finish coming last fall where he tied for 13th at the MacDonald Cup before his senior season was cut short in March.

"It was a grind at times, but I've been finding my game over the last month coming off the weird end to the college season," said Rasinski, who graduated from Minnesota earlier this spring. "It was kind of tough getting back into it, but I'm finally seeing some hard work pay off."

Rasinski

Rasinski won the 2015 MPGA Junior Public Links Championship at Emerald Greens and was a member of two winning Minnesota Golf Association Junior Team championships, claiming individual honors in 2016. He notched a pair of top-5 finishes in 2019, including a fourth-place finish at the MGA Amateur Championship at Somerby Golf Club.

Rasinski will be in the field at Monday's MGA Players' Championship at Hastings Golf Club, but says he will decide to either play in the MGA Amateur-Four Ball Championship next month or turn professional before moving to the Phoenix area this winter.

"I'll be working on my game to get ready for either the [Mackenzie Tour or Korn Ferry Tour Qualifying School] next year, so it's exciting and a good time for me start playing well and get a win."

Beginning the final round two shots back Sunday, a pair eagles during his back nine helped put Burleson into contention, chipping in at the 10th before rolling in an 8-footer at the 16th to pull within one shot of Rasinski. Burleson would card a tournament-low 3-under 69 to force extra holes.

Looking for his third eagle of the day, Burleson reached the par-5 10th in two during the playoff, but left his eagle putt four feet short and watched his birdie chance roll right of the cup.

Former Gopher Rasinski Survives Playoff to Win... *continued*

"Overall, it was a pretty good week. I started off kind of shaky on the first nine yesterday, but my last three nines I played well and made some putts," Burleson said Sunday. "At the end of the day, the putter ruined it on the last hole.

"I was pretty steady—no complaints. The last hole I left the second shot where you want to be, below that hole with the back-to-front slope. The greens were rolling, they were smooth, but a little thick. I couldn't make myself hit it and I didn't want to leave it four feet above the hole. But you have to make right-edge 4-footers all day and I didn't make it."

Claiming the MGA Mid-Amateur late last season, Burle-

son was searching for his first win of the 2020 season, but will have to settle for his eighth runner-up finish at a state championship since 2013.

"[My game] is finally coming together," Burleson said of the unusual circumstances to begin the 2020 golf season. "This has been the first tournament I've pieced everything together for the most part."

Burleson has a pair of MPGA Mid Public Links titles to his credit as well as the MGA Mid Players' Championship. He earned his first stroke play title last fall when he claimed a two-stroke victory over Tony Vincelli at Bearpath Golf and Country Club.

Bryn, who claimed the Twin Cities Championship at Hastings Golf Club in late June, entered Sunday's final round one shot off Rasinski's lead and began his day with a bogey before rolling in four birdies over his next five holes to move to the top of the leaderboard.

Carding a birdie and two bogeys over his final nine holes, Bryn had the advantage off the tee during the playoff, but was eventually eliminated after chipping his third shot to the front edge of the green and lagging his birdie chance to three feet before Rasinski dropped his birdie putt.

Defending champion and a two-time winner of the event, Trent Peterson carded a final-round 71 Sunday to finish in fourth place at 1-under 141.

Carlson Goes Wire-to-Wire for Third MGA Senior Amateur Victory

By Nick Hunter (*published September 18, 2020*)

MINNETRISTA, Minn. – Exactly 10 years since his last win at the Minnesota Golf Association Senior Amateur Championship, Leif Carlson entered this week's 99th edition of the championship at Burl Oaks Golf Club with modest expectations.

"I wasn't expecting to win, that's for sure," Carlson said Thursday. "To be at the age I'm at, I'm just happy to be alive. I felt like I was hitting the ball pretty good and I know this course pretty well."

The 67-year-old Carlson fired an opening-round 72 to share the early lead with John Anderson and Bob Neuberger before a round of 1-over 73 Wednesday put him atop the leaderboard Jay Gregory with 18 holes to play.

Helped by his precision on the putting surface this week, a steady Carlson turned in an impressive round for the third consecutive day Thursday, despite a stressful bogey on the final hole, shooting a

MGA

SENIOR AMATEUR

final-round 73 to secure his third MGA Senior Amateur Championship win with a two-stroke victory over Steve Whittaker at 2-over 218.

"I putted really well this week and I hit my irons really solid," Carlson said. "To win 10 years since my last and still be competitive means a lot."

With his win Thursday, Carlson becomes the eighth player in tournament history to claim three victories, and the first player since Ron Clayton in 2007 to win both the 65-and-older Master Division as well as the overall championship.

Carlson quickly distanced himself during the front nine with three birdies and a bogey over his first seven holes Thursday. A bogey at the eighth put Carlson at even par for the championship, holding a four-stroke lead with nine holes to play.

The 2012 MGA Senior Men's Player of the year lost two strokes with a three-putt bogey at the 10th, while Whittaker rolled in a 25-footer for birdie, but Carlson responded by tucking in his birdie opportunity from 15 feet at the 11th.

Making a crucial up-and-down to save par at the 13th after finding both a fairway and greenside bunker, Carlson's lead was trimmed to two once again at the 14th when trouble off the tee led to his fourth bogey of the round.

Carrying a two-stroke lead to the final hole, Carlson narrowly avoided disaster after his tee shot plugged in the penalty area right of the 18th fairway. After a drop, Carlson's third was clipped by trees and fell well short of the green. A spectacular recovery stopped eight feet from the hole before Carlson sank his bogey putt, while Whittaker three-putted for bogey to finish two shots back.

"I was just trying to hit a driver solid. If I would've done that, the water really isn't it play. I pushed it and didn't hit it solid," Carlson said of the late-round drama Thursday. "It flew the water but it was six inches from being over the [penalty area]. My best option was to go straight back. I thought I hit a good shot, but it caught the top of the tree and dropped straight down."

Carlson's win Thursday is his first since he teamed up with Greg Murphy to win the MGA Senior Amateur Four-Ball Championship on the same course in 2017. Carlson's first state win came at the Minnesota Public Golf Association Four-Ball Championship with Murphy in 2003.

He claimed his first MGA Senior Amateur win in 2008 at Woodhill Country Club and added

a second two years later at The Minikahda Club. Carlson and Murphy won their second title together at the MGA Senior Amateur Four-Ball at St. Cloud Country Club in 2015.

Whittaker's final round Thursday, which included one birdie and a three-putt bogey at the 18th, gave the 67-year-old a second-place finish at 4-over 220 for his best performance at the event since he tied for third in 2017 at Island View Golf Club.

"I hit 16 greens today—you can't complain about that. And I had no three-putts until the 18th hole. Keeping it play here is important; it's not super long, but you have to be a good putter. We talked when we played a practice round and I thought the best putter is going to win this tournament, and he did. Leif putted great.

"Leif is a good friend and I was really happy to see him play so well. I went out and tried to do my best. I wasn't playing Leif—I was playing the golf course today. I was really relaxed and really at peace. I went out and had a good time."

Whittaker was searching for his first state championship since the 2016 MGA Senior Players' Championship, when he defeated John Anderson at Wayzata Country Club. He won a pair of senior titles in 2010 at the Twin Cities Senior and the Minnesota Senior Open before his win at the MGA Senior Amateur a year later.

Whittaker claimed his first Senior Players' Championship win over Tom Ryan at Island View in 2013, and became the one of the oldest players to earn medalist honors at the Minnesota Public Golf Association Mid Public Links Championship in 2015 at the age of 62.

On Thursday, Whittaker entered the final round three shots behind Gregory and Carlson, patiently carding nine straight pars to begin the round before dropping a 25-footer for birdie at the 10th to pull within two shots of Carlson's lead.

Carlson Goes Wire-to-Wire... *continued*

Finding the sand at the par-4 14th, Whittaker made a sensational up-and-down to save par to stay within striking distance of Carlson. With a bogey at the 18th for the second straight day, Whittaker would post a final-round 72 to finish two shots back of Carlson.

Earlier this season, Whittaker finished tied for fourth at the MPGA Mid Public Links Championship at Valleywood Golf Course before his second-place finish at the MPGA Senior Public Links Championship at Rum River Hills Golf Club, three shots behind Tony Brown after shooting a final-round 69.

Last week, Whittaker finished fourth in the Senior Division of the MGA Four-Ball Championship with partner John Spreiter.

Recovering from a rocky front nine Thursday, Gregory played his final nine holes in 1-under to post a final-round 76 to finish in third place at 5-over 221. Mark Knutson, winner in 2012 at Northland Country Club, posted one of two rounds below par Thursday to finish tied for fourth with Anderson at 7-over 223.

"I keep a simple philosophy of trying to do my best. It's been a hard year physically because I have a pinched nerve," Whittaker said. "I've done everything imaginable, but today it didn't bother me at all. I've been really inconsistent—I had a really good start to the year, but then this flared up. I'll enjoy this while I can."

Jones Holds Off Snyder to Win Minnesota PGA Professional Championship

(published August 25, 2020)

BYRON, Minn. – Sinking a two-foot birdie putt on the first playoff hole Tuesday at Somerby Golf Club, Dale Jones defeated Brent Snyder to claim the 90th Minnesota PGA Professional Championship.

Jones previously went eight seasons without a victory from 2008 to 2016, but now owns wins in back-to-back seasons and earns a spot in the 54th PGA Professional Championship next spring at PGA Golf Club in Port St. Lucie, Fla.

Firing a 5-under 67 Monday, Jones entered the final round Tuesday with a two-stroke advantage over both Brent Snyder and Eric Rolland. Jones played his first nine holes in even par with two birdies against two bogeys to remain at 5-under for the championship before a bogey at the par-3 13th dropped him back into a share of the lead with Snyder.

Jones

Momentarily dropping back to second at 3-under following a bogey at the 16th, Jones bounced back by sinking his birdie opportunity at the 17th and would finish 36 holes of regulation at 4-under 140 with Snyder.

With four state titles to his credit, Jones has been one of Minnesota's most consistent professional players for well over a decade, collecting nearly 50 top-10 finishes since 2007.

Also joining Jones at the national championship next spring will be Snyder, Jeff Sorenson, Derek Holmes, Luke Benoit and Kris Kroetsch. Eric Rolland and Bill Israelson earned the final two qualifying spots following a playoff.

Entering the week with three wins already this season, the always steady Snyder carded four birdies and a bogey during his opening round to sit three shots back. During Tuesday's final round Snyder rolled in a lone birdie at the par-5 fifth hole to post

a 4-under 140 for a share of the lead.

Chipping inside of three feet on the first playoff hole, Snyder's birdie chance grazed the lip and wouldn't drop.

In 16 events this season, Snyder has finished inside the top-10 in all but one, collecting more than \$19,000 in earnings on the season.

Sorenson fired a final-round 69 to finish in third place at 3-under 141, while Holmes posted back-to-back rounds of 71 to place fourth at 142.

Acharya Goes Back-to-Back at MGA Women's Mid-Amateur

By Nick Hunter (*published August 31, 2020*)

DULUTH, Minn. – Playing in just her eighth state championship this week at the 24th Minnesota Golf Association Women's Mid-Amateur Championship, Jasi Acharya fired back-to-back rounds of 75 to claim a three-stroke victory Monday at Northland Country Club, becoming the fourth player in tournament history to successfully defend her title.

Entering Monday's final round in a share of the lead with Betsy Aldrich, the 2019 MGA Women's Player of the Year Acharya rolled in a late birdie to pull away and collect her second-career state win.

"The whole day felt like I was in survival mode," Acharya said after Monday's final round in wet and windy conditions. "Nothing really felt great, but I was just trying not to do anything too stupid. It was quite a different course today, not just from the rain, but the wind blowing from a different direction, which played quite a bit different on a lot of holes.

"This win is special and I'm very excited. This course has gone to the top of my list as far as courses in Minnesota go—I could play this thing just about every day. I'm proud of the way I survived out there

today and I didn't give up at any point. I tried to minimize mistakes and didn't have any big numbers the last two days, which was key."

Prior to her 12th-place finish at the MGA Women's Amateur Championship at Stillwater Country Club in July, Acharya had never finished worse than eighth in six starts, including one win and three runner-up finishes.

Acharya's first state win at last year's Women's Mid-Amateur came after the tournament was cut short to just 18 holes, where the former University of Montana golfer sank a 30-foot putt on the final hole to card a 2-over 74, edging both Aldrich and Klasse by one stroke.

In a moment of déjà vu Monday, Acharya watched as heavy rain fell on the course and delayed final-round tee times by three hours.

"It's nice to get both days in this year," she said. "I really look forward to this event the last few years I've played it and it's been fun getting to know some of the ladies a little better since I haven't lived here that long."

When the final round got under way, Acharya carded three bogeys over her first six holes to slip to 7-over for the championship, but maintained a two-stroke lead through nine holes. Even after back-to-back bogeys at the 11th and 12th holes, Acharya hung onto a slim lead before getting a read off Herrick's putt at the 16th, dropping a 6-footer for birdie to stretch her lead to three.

"I thanked [Herrick] for that because that was a little bit of a swing. Betsy had holed a couple nice putts and I had a good line, so it was nice to roll one in," Acharya said. "I don't know if I made anything besides that one over four feet over the last two days."

A steady Acharya closed out with a two-putt par on the final hole to notch her second straight round of 75 to win by three strokes, shooting 8-over 150.

"It was a fun year and I'm glad I got to play in the events I did," said Acharya, a 36-year-old sales specialist at PXG. "I probably can't have high expectations as I might want to because I know that this game requires a lot more than just going out on the golf course. Hopefully I'll have more time to work on the game moving forward and I'd like to compete a little more. It

was nice to cap it off this way.

"I tried to stay patient this week, knowing that bogeys were going to happen and not to force anything. When you do that, you end up leaving yourself with a six-foot, downhill putt and those are quite scary out here."

Acharya

A second straight runner-up finish for Aldrich came down to her putter over the final 18 holes Monday.

"I hit the ball really, really well and the 7-over that I was, was literally seven missed putts under eight feet. I had little breaking putts that missed by a millimeter short, long, right and left," Aldrich said. "It would've been a several-stroke swing if I could have made a few of those. That's what it came down to—I missed a lot of makeable putts."

Aldrich bogeyed the opening hole and then could card four straight bogeys to fall to 9-over for the championship and two shots off the lead. Rolling in an 8-footer for birdie at the par-4 15th, Aldrich climbed back to within two, but a bogey on the final hole put her in the clubhouse at 11-over 153.

"I didn't have my usual double or triple-bogey, so I was very steady over the last two days. Jasi deserved it today—she played really steady"

Aldrich claimed her third consecutive MGA Women's Senior Amateur Match Play Championship earlier this season and teamed up with Barbara Miller to win the MGA Women's Senior Four-Ball Championship last week.

She closes out the season with her second runner-up finish and will earn her first MGA Women's Senior Player of the Year Award, ending Leigh Klasse's 10-year streak.

Former University of Minnesota golfer and 2017 champion Paige McCullough fired a final-round 80 to claim a tie for third with two-time champ Olivia Herrick at 17-over 159.

Peterson Nearly Flawless to Win Third MGA Mid-Amateur in Four Seasons

By Nick Hunter (*published September 2, 2020*)

DULUTH, Minn. – Defending Minnesota Golf Association Men's Player of the Year Trent Peterson is accustomed to being chased by his fellow competitors, and following his second consecutive round of 71 Monday, Peterson enjoyed a one-stroke advantage entering Tuesday's final round of the 33rd MGA Mid-Amateur Championship at Northland Country Club.

In search of his second win of the season, Peterson's approach to navigating the difficult conditions at Northland to remain ahead of the field was simple: "Par is good out here; par is your friend."

Peterson executed his plan admirably Tuesday by firing a final-round 72, despite a double-bogey finish to claim a one-stroke victory over two-time champion Troy Johnson as Peterson becomes the fourth player in tournament history to claim three titles, winning three of the last four championships.

MGA

MID-AMATEUR

"I played great, but I putted phenomenally—that's what it was," said Peterson, who collected his 29th state victory Tuesday. "I hit the driver great and irons were okay, but it didn't matter because no matter where I put it, I chipped and made the putt. I had some great two-putts and I was making five and 8-footers for par. I putted fantastic for 16 holes.

"It's nice because I haven't been able to play as much as I would like and to be able to still play well is satisfying. We played a great golf course this week—I love this golf course, and against a great field. To be able to hold them off is amazing."

Beginning at 11th hole of his second round at Northland Monday, Peterson played 27 consecutive holes without a bogey before his tee shot at the par-3 17th rolled over the green, where he'd be unable to save par from six feet for his first blemish of the final round Tuesday.

"I hit a great tee shot on 17. It was 167 yards and I hit my 170 club into the wind, thinking it would be middle of the green and it landed pin-high. I hit it perfect. I hit an okay chip and then played too much break on the putt," said Peterson of his first bogey of the final round.

Standing over his tee shot at the 54th and final hole with a three-stroke advantage Tuesday, Peterson was reminded of his drive at the 18th in the final match of the 2008 Players' Championship at Northland that nearly cost him the championship.

"I smothered my tee shot left. That was 12 years ago and I'm standing there thinking, 'Don't smother it.' That's a terrible swing thought and I blocked it out right. I made a mental error—only one of the day, but I should've just stopped."

Similar to his 2008 match against Tom Jenkins, Peterson was fortunate to hang on to earn the victory, making a double-bogey Tuesday to edge Johnson and finish at 2-over 214.

With a win at the Minnesota Public Golf Association State Mid Public Links Championship at Valleywood Golf Course earlier this season, the 33-year-old Peterson extended his streak of at least one state win each season since he regained his amateur status in 2013.

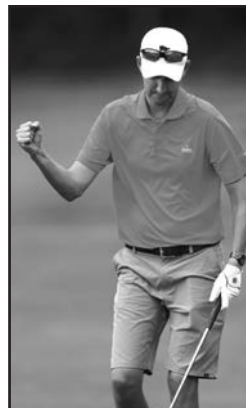

Lightening his competitive golf schedule since enrolling at the Minneapolis School of Anesthesia last year, Peterson has maintained his high level of play despite rarely having time to work on his golf game. In five events this season, Peterson won twice with four top-5 finishes.

"I usually play better the more I play and as the tournament goes on. From round one to round three, I played way better. I get in that rhythm and understand what my swing is doing—that's how I practice."

During the final round Tuesday, Peterson rolled in two birdies on his front nine, but recovered with four putts over three feet to save par and remain on top of the leaderboard. Peterson created separation from Andy Jacobson and Johnson when he sank an 8-footer for par at the 10th.

He would roll in a delicate par putt at the 11th before getting up-and-down after missing the green left at the par-3 12th. The crucial point of the final round came at the par-4 13th where Peterson found trouble off the tee and was forced to punch out. Left with a 12-footer from off the front edge, Peterson drilled his par putt to maintain a two-stroke lead.

"It's a hard course and I knew I had to be consistent," Peterson said. "It's a marathon not a sprint, and I stayed below the hole and made par. I had some long putts, but I was below the hole. I had so much confidence in the putter today."

Peterson Nearly Flawless to Win... *continued*

A pair of late bogeys proved costly for Johnson Tuesday as he was denied his third win at the event by posting a 1-over par 72 to claim a runner-up finish at 3-over 215.

“It was kind of a Jekyll and Hyde round—I was making some birdies and some bogeys, but just couldn’t keep stringing a solid round together,” Johnson said Tuesday. “I didn’t feel totally comfortable today because I haven’t played that much to really get in the groove.

“I’m happy with the tournament and I think I did a little bit of everything. I putted well at times and hit some good irons. If I was a little more consistent, I think I would’ve been a lot better.”

Johnson carded three birdies against three bogeys on his front nine, unable to make up any ground on Peterson, but would chip in for birdie at the par-5 11th to pull within two. Bogeys at the 13th and at the last would send Johnson away with his third runner-up finish at the championship.

After earning his first victory at the 2010 championship at Minneapolis Golf Club, Johnson claimed a second victory in 2014 at Chaska Town Course.

Entering the final round tied with Johnson and Joe Conzemius one shot back at 2-over, Jacobson played a spectacular front nine, rolling in three birdies to share the lead with Peterson until the inward nine.

Jacobson, a winner of 10 championships in Minnesota, would stumble down the stretch by carding five bogeys over his final nine to card a final-round 73 for a fourth-place finish at 4-over 216.

“It was going great on the front, but three-putting [No. 11] really put me behind the eight ball against Trent because he just doesn’t make mistakes,” Jacobson said Tuesday. “When he made that putt from off the green at 13, that was a game changer. I felt like I was still in it and I was trying to be aggressive down the stretch, but that can backfire on these pins.”

Using 21 putts during his final round Tuesday, 61-year-old David Haslerud carded an even par 71 to finish in fourth place at 5-over 217. Haslerud, winner of the MGA Senior Amateur Championship in 2017, paired up with Matt Yeager last month and fired back-to-back rounds of 63 to claim the MGA Senior Four-Ball Championship at Southern Hills Golf Course.

Loeber Wins Second Straight MGA Net Amateur *(published September 9, 2020)*

NISSWA, Minn. — A pair of net eagles late during his round helped Rich Loeber to a final-round total of 36 Stableford points for the come from behind victory at the 2020 Minnesota Golf Association Net Amateur Championship at The Pines at Grand View Lodge Wednesday, defeating Bernie Lueck to successfully defend his title.

Loeber, who claimed his first win at the event last year at Hastings Golf Club, entered the final round two points behind 18-hole leaders Rick Larsen and David Yesnes following Tuesday's opening round at The Preserve.

Loeber got off to a quick start with a net birdie on the opening hole before closing out his front nine with two bogeys and a double. Loeber would begin his back nine with a net bogey on his 10th and followed it with a net double-bogey at the 12th.

But Loeber would find his footing in a hurry by carding two net birdies and a pair of net eagles over his final six holes to complete the come-from-behind victory, collecting 36 Stableford points on the final day to capture a one-point victory

Kunkle Wins Women's Net Amateur in Playoff *(published September 9, 2020)*

A net eagle early on her back nine gave Cindy Kunkle the boost she needed to finish Wednesday's final round of the 2020 Minnesota Golf Association Women's Net Amateur Championship in a tie with Sally Deyak before prevailing in a playoff.

Deyak racked up 35 Stableford points during Tuesday's opening round at The Preserve to take a four-point lead over Shawna Johnson.

Kunkle carded a net double-bogey on the opening to begin Wednesday's final round, but bounced back with a net birdie at the fourth and would erase the four-point deficit with Deyak after nine holes.

Both Kunkle and Deyak collected 15 Stableford points over the final nine holes to finish the 36-hole championship in a tie with 63 points before Kunkle was declared the winner in a scorecard playoff.

Entry Deadline
Monday, August 30, 2021

Format: This tournament is a 27-hole, one-day event. Each two-man team will play nine holes partner best ball, nine holes partner scramble (best shot), and nine holes partner alternate shot. The championship division and the net division are elective at the time of entry. All other teams shall be divided into flights based on total team handicap and will play at gross.

Eligibility: Open to amateur players who are members of a club that is a member of the Minnesota Public Golf Association and carry an active GHIN handicap at that club.

Handicap Index: The partners' Handicap Indexes may not differ by more than 8.0 at time of entry. If the difference in handicaps changes to more than 8.0 between partners when the pairings are set-up, the higher handicap player will be reduced to 8.0 above the lower handicap player and then be put into the correct division

Anderson and Polk Winners at 35th MPGA Combination Championship

(published September 21, 2020)

HASTINGS, Minn. – Danny Anderson and Jesse Polk combined to post a 13-under 96 at Emerald Greens Golf Club Sunday to earn a three-stroke victory at the 35th Minnesota Public Golf Association Combination Championship.

Anderson and Polk combined to shoot 35 to open the championship in a Best Ball format before a blistering 28 in the scramble portion of the tournament to take the 18-hole lead. The two fired a 35 during

MPGA

COMBINATION

the final nine holes, an alternate shot format, to claim victory over the twosome of Justin Burleson and Will Hickey.

Anderson, who claimed the Lakeland Invitational on his home course at Eagle Creek Golf Club in June, earns his second win at the championship, teaming up with Andy Jacobson to win the 2017 championship at Bunker Hills Golf Club. Anderson also paired up with Jacobson to win the 2017 MPGA Four-Ball Championship at Rum River Hills Golf Club.

Polk earns his first win at the championship Sunday and adds to his golf resume, which includes a pair of wins at the MPGA Four-Ball Championship with partner Sammy Schmitz, and a record-tying performance with Schmitz at the Minnesota Golf Association Amateur Four-Ball Championship to win the event in 2014 at Pebble Creek Golf Club.

Burleson and Hickey opened the championship by shooting 33 during the Best Ball format of the championship Sunday, then would combine

to shoot 31 during the Scramble portion of the tournament. They finished the final nine holes with a 35 to earn a second-place finish at 10-under 99, three shots back.

Danny Anderson and Jesse Polk talk about a putt on the 10th green of the Gold course during the 2020 MPGA Combination Championship.

8 under for the Last 10 Holes, Haslerud & Yeager Win Senior 4-Ball

By Nick Hunter (*published August 11, 2020*)

FARMINGTON -- As they were walking up the fairway on the 547-yard, par-5 12th hole at Southern Hills Golf Club on Tuesday afternoon, Matt Yeager and Dave Haslerud were looking at the scores in the MGA Senior Four-Ball (on the MGA scoring app). At the time, they were tied for fourth place with three other teams, at 10 under par, four behind the leaders, Jim Lehman and Jerry Rose. Both Lehman and Rose had just birdied the par-3 11th hole to go 6 under for the round, 14 under for the tournament.

"We were telling each other that we needed to get going, so that we could finish second," Yeager said after the round was over. "The way Jim and Jerry were playing, especially Jerry, we didn't think there was any way we could catch them."

But the Yeager-Haslerud team proceeded to stage a remarkable comeback, going 6 under in the last seven holes, and as a result, they were able to claim a one-stroke victory over Lehman and Rose.

It ultimately came down to the 18th hole, a 514-yard par 5. Haslerud got his ball up and down for a closing birdie. Rose, the reigning three-time MGA Senior Player of the Year, had a 15-foot putt for eagle, which would have created a tie and forced a playoff, but he left the putt just short.

"I'd like to have that putt over," he lamented, having just shot 65 on his own ball. "But we played well. They played better. When the other guys are holing out wedge shots and shooting 29 on the back nine, you just have to tip your cap to them."

Haslerud and Yeager combined for their second consecutive 63 (8 under) and a 36-hole total of 126. Rose and Lehman closed with a 64 and finished at 127.

John Brellenthin and Tim Peterson turned in a 65, which put them at 129, and that was good for third place. Scott Hanners and Curt Howard were one behind them, at 130, after a second-round 66.

This was the second near miss in the last three Senior Four-Balls for Lehman and Rose. They finished second two years ago, losing in a playoff to Tom Heidrick and John Sexton, before winning the crown last year.

It was the second MGA title for both Haslerud and Yeager. Haslerud won the 2017 State Senior Amateur (he finished second in the 2019 Senior Am). Yeager won the MGA Four-Ball in 1999 with J.B. Lloyd (they had a couple of second-place finishes in the Four-Ball, as well).

Having begun the day tied for the lead, Haslerud and Yeager got off to a good start, with a birdie from Yeager at the 504-yard, par-5 first hole. Rose had a short putt for birdie, but missed.

"That was the last time he missed for a while," Haslerud noted.

Rose and Lehman, a four-time State Senior Amateur champion, pulled even again when Yeager bogeyed the second hole (206 yards, par 3) and Haslerud doubled it -- and then Rose went on a tear. He birdied the third hole (320, par 4), the fifth (369, par 4), the sixth (435, par 4), the seventh (376, par 4) and the ninth (472, par 5) to cap off a front nine of 5-under 30.

"He was making putts from everywhere," Yeager marvelled.

Meanwhile, Yeager and Haslerud were making six pars in a row, and drifting further and further behind.

The Northland Invitational is one of the biggest tournaments of the year in Minnesota amateur golf, and Yeager won it in 2008 -- then basically gave up the game for seven years.

It is axiomatic that gainful employment and children are hard on a tournament player's golf game, but the reverse is also true.

Golf is hard on anyone who has a job and kids, and that was why Yeager decided to take a break.

"I have two girls," he said, "and a job, and I was always rushing off to the golf course. There really wasn't time for everything that I was trying to do. That was why I quit. Not trying to squeeze golf into the equation of my life just made things easier."

There was also the little matter of a bad hip. Yeager got that replaced in 2016. Although he has returned to golf, he hasn't played in many tournaments, but he's played in a few things, like club championships, and he won the Minnesota Valley club championship in 2017.

It was Yeager who snapped the par streak his team was on Tuesday, and got himself and Haslerud going in the right direction again with a birdie at No. 9. His 5-wood second shot missed the green, but he got up and down for a 4 that basically, that kept the Yeager and Haslerud within sight of Rose and Lehman, although they were still four behind.

Haslerud's birdie at the 417-yard, par-4 10th cut the deficit to three, but the double birdie by Lehman and Rose at the 163-yard 11th

restored their four-stroke advantage. Yeager then matched the birdie by Rose at the par-5 12th.

And then Haslerud took over. He birdied the 13th (351 yards, par 4) with a 12-foot putt, and then hit the shot of the tournament on the next hole. After his drive at the 407-yard, par-4 14th, he was 108 yards from the pin. He hit what turned out to be the perfect shot with his sand wedge from 108 yards. It landed 2 feet short of the cup and hopped in -- for an eagle 2.

Suddenly, he and Yeager were within one of the lead.

"Now things were getting interesting," Haslerud said.

He and Yeager drew even when Rose and Lehman bogeyed the par-3 15th (147 yards), and after both teams parred the 16th hole, Haslerud gave his team the lead with a birdie at the 17th (355 yards, par 4), hitting a lob wedge from 84 yards and converting his 14-foot putt.

"It's a crazy game," he said, after he and Yeager received the first-place trophy. "With seven holes to go, we thought we had no chance, and now we're holding the trophy. Amazing."

In the Masters Division, brothers Bob and Bill Anderson won their fourth first-place Senior Four-Ball trophy. They won the regular division in 2009, and they have now won three times in the Masters Division.

They shot 65 on Monday and led by two, and they seemed to be cruising to victory midway through the back nine of the final round. Then Rob Wight rattled off consecutive birdies on the 14th, 15th and 16th holes, and he had a 5-foot putt for birdie at the 17th. It appeared that he and partner Rick Ehrmanntraut were going to be within a single shot of the Andersons. But

Wight missed the putt, and he and Ehrmanntraut made a bogey at the 18th.

The Andersons birdied the 18th -- and won by four. The shot 67 on Tuesday, good for a 36-hole aggregate of 132.

Wight and Ehrmanntraut fell back with that valedictory bogey into a tie for second at 136, along with last year's champions, Don Howe and Denny Barr. Both of those teams shot 69 on Day 2.

Snyder Edges Borgen for Fourth Minnesota PGA Match Play Win (published September 30, 2020)

BYRON, Minn. – A pair of birdies over his final nine holes helped professional Brent Snyder to a victory over Chris Borgen at the 51st Minnesota PGA Match Play Championship Tuesday at Somerby Golf Club, collecting his fourth championship win since 2010.

In 19 official events during the 2020 season, Snyder has five victories and finished outside of the top-10 only once, while amassing over \$14,000 in winnings.

With his win Tuesday, Snyder ties Bill Israelson for the third most wins at the event, one behind Don Berry's five championship wins, while George Shortridge remains the tournament's winningest player with eight victories.

Never trailed during the final match against Borgen Tuesday, Snyder found himself tied through 10 holes before taking the lead for good with a birdie at the 11th hole. Taking advantage of a Borgen bogey at the 12th, Snyder extended his lead before applying pressure when his birdie chance was conceded at the par-4 15th.

Snyder bogeyed the 16th as his lead was trimmed to two, but closed out the match at the 17th with a par to earn the victory, 2 and 1.

Snyder

During the season-long event, which began in late June, Snyder began his championship run by defeating Hazeltine National Golf Club head professional Chandler Withington, 5 and 4, before cruising to victory over Ryan Hanford during the Round of 32, 6 and 5.

Facing Ty Armstrong during the Round of 16, Snyder had little trouble coming away with victory, 6 and 5, before downing Jim Leary during the quarterfinal round, 3 and 2.

On Tuesday, Snyder edged Steve Fessler, 1-up, to reach the final match against Borgen, who earlier had dispatched Eric Rolland to reach the final round.

Champion & Low Amateur: Angus Flanagan

Flanagan Comes From Behind to Claim Second Win of the Season at Minnesota Golf Champions

By Nick Hunter (*published October 4, 2020*)

GOLDEN VALLEY, Minn. – Since his sophomore season at the University of Minnesota, Angus Flanagan has shown the ability to not only shoot low scores, but the capacity to shoot low scores at the most opportune times.

Flanagan entered the final round of the 2019 Big Ten Championships trailing by two strokes before coming from behind to earn medalist honors, becoming the first Big Ten champ for the Gophers since Jose Mendez in 2014.

Earlier this season, Flanagan entered the final round of the Minnesota State Open three strokes behind professional Jeff Sorenson and would fire a course-record 64 to earn a two-stroke victory at Royal Golf Club. Weeks later, at the 118th Western Amateur Championship, Flanagan continued the trend by firing a final-round score of 66 to earn medalist honors at Crooked Stick Golf Club.

Following his second-round 70 at the 46th Minnesota Golf Champions Saturday at Golden Valley Country Club, Flanagan had hoped to call home in England to inform his father that he sat in fourth place, two shots off the lead with one round to play.

“Because of the time difference he was already asleep, but in the morning, he sent me a text and said, ‘Just go do an Angus.’ Everyone seems to know me as a last-round guy,” Flanagan said.

Fueled by an eagle at the 10th hole Sunday, where he holed-out from a greenside bunker, Flanagan fired a final-round 66 to claim a

two-stroke victory over Nate Stevens to earn his second state victory of the season.

"Expectations were pretty high, even though I didn't play well the first two rounds. My scores were pretty good—I played pretty defensive, so I didn't really make any numbers," said Flanagan Sunday. "I didn't make many bogeys all week and didn't have any today. As long as I can limit that and take advantage of my length on the par-5's, I should be okay.

"I'm very happy with the way I performed. I took a couple of weeks off and wasn't really practicing as much, so it's nice to know that I still have it. I hit a couple of scrappy shots out there, but was able to recover pretty well."

Flanagan led the field with only four bogeys over 54-holes this week, and played the par-5's at 13-under for the three rounds. With his win Sunday, Flanagan becomes the third player to win the Minnesota Golf Champions and Minnesota State Open in the same season and first since George Shortridge claimed both titles in 1981.

Rolling in an 8-footer on the first hole Sunday, Flanagan quickly moved to 6-under for the championship and would pull within one shot of the lead following back-to-back birdies at the fifth and sixth holes.

Finding the bunker right of the 10th green, Flanagan took control of the tournament when his shot from the sand dropped into the cup, sending him into the lead at 10-under.

"The bunkers are really flat here and they've got big, steep faces, so it's hard to get elevation," he said. "I trusted myself, had speed through it and hit a great shot that bounced once, checked next to the pin and trickled in."

Nearly sinking another eagle from 20 feet at the 13th, Flanagan tapped in for birdie to take a two-stroke lead before sticking his tee shot at the par-3 14th inside of four feet, leading to a birdie and a four-stroke lead after a Stevens bogey. Playing fundamental golf to close out his round with four straight pars, Flanagan claimed victory at 12-under 207.

"I was on cruise mode and had to go at the middle of the greens, because 15, 16 and 17 are tough holes and they're not holes you want to have a lead on. They're so sloppy, so you have to miss in the right spots. I had to take the pin off the green and leave easy putts. If I make it great,

but if I don't, I can make par and off I go.

"That's old Angus—senior year Angus. Freshman and sophomore Angus would've been going at every pin and making stupid errors. Now I know I can get the ball close enough and putt the ball well enough."

Flanagan

Thanks to his performance at the Minnesota State Open in July, the Woking, England product earned an exemption to the 2020 3M Open from the tournament's executive director, Hollis Cagner. Making his debut in a PGA Tour event, Flanagan carded back-to-back rounds of 73 to miss the cut by six strokes.

"It was nice to be a really small fish in a big pond," Flanagan said. "Growing up, that's how I used to play golf. In the last year things have changed, and when you play in [national tournaments] guys know who you are."

More recently, Flanagan lost in a playoff at the Windsong Invitational at Windsong Farm last month. With the fall collegiate season cancelled, Flanagan hopes the NCAA will allow the season to begin next spring. For now, he'll begin his offseason preparations early, still unsure of his plans beyond his senior year.

Stevens, who entered the final round tied for the lead with Andrew Israelson, came out firing Sunday with a birdie on the opening hole before playing his next eight holes at 2-under. A lone bogey at the par-3 14th proved costly for the Northfield High School junior as a pair of birdies over his final four holes weren't enough to catch Flanagan, shooting 10-under 209.

"I know Angus is the best player in the Big Ten, so coming in I knew I'd have to hold him off. I thought if I could get to double digits under par, I'd have a pretty good shot," Stevens said following his round Sunday. "I putted the ball really well this week—I really like the greens here. They're very sloped and pretty quick. It was just fun to play out here."

Flanagan Comes From Behind to Claim Second Win... *continued*

"I've been playing pretty good this summer and have a couple wins, so the main expectation was just to have fun. I know that I can play with the best players in the state and maybe even the country. Angus is a top-50 amateur in the world."

Stevens recently committed to play his collegiate golf at the University of Notre Dame.

"It's a dream come true to go to my dream school," he said. "It's the school I've had in mind

even before golf, so to be able to play golf there is just an added bonus."

A string of three bogeys over a four-hole span midround kept Israelson from remaining in contention Sunday. The former North Dakota State University golfer posted a final-round 73 to finish third at 7-under 212.

Brent Snyder and Ryan Helminen each placed fourth at 5-under 214 to share Low-Professional honors.

Quesnel and Tylke Headed to U.S. Amateur Four-Ball; Johnson and Klein Advance From Four-Way Playoff

By Nick Hunter (*published October 7, 2020*)

BLAINE, Minn. — A fast start and strong finish, highlighted by a 40-foot birdie on the final hole Tuesday at Victory Links Golf Course, helped the team of Jamie Quesnel and Max Tylke to a round of 7-under 64 to earn medalist honors and a spot in the 2021 U.S. Amateur Four-Ball Championship next spring.

Tuesday's sectional qualifier consisted of 50 teams, playing for two spots in the field at next year's national championship, which will be played May 22-26 at The Home Course at Chambers Bay in University Place, Wash.

Joining Quesnel and Tylke at the championship will be Troy Johnson and Geoff Klein, who advanced from a four-way playoff early Wednesday after play was suspended due to darkness late Tuesday.

"We've played four or five events together and had some [second-place finishes], so it's good to bump through and qualify," Quesnel said Tuesday. "We've been close and put ourselves in position where we had to birdie three of the last four."

Press release continued on page 288.

Quesnel and Tylke Headed to U.S. Amateur Four-Ball... *continued*

"It's the first time we got off to a start where we had any control," Tylke said. "It was perfect because we had at least some control of our outcome instead of having to make a bunch of birdies at the end and hoping to tie."

Quesnel holed his eagle chance from 25-feet at the second before Tylke strung together three consecutive birdies beginning at the fifth to quickly move to 5-under for the day.

"That was all iron play. I didn't have more than six feet," Tylke said of his hot streak on the front nine Tuesday. "The iron play was perfect there and the eagle to start was huge. We had a good up-and-down at four and ran from there."

Tylke converted his fourth birdie of the round at the par-5 12th to move the twosome to 6-under before Quesnel's no-doubter from 40 feet at the last found the bottom of the cup to finish atop the leaderboard with a 64.

"We really ham and egged—I think we tied on two holes," Quesnel said Tuesday. "When I was taking breaks, [Tylke] was doing it and he had a good stretch of birdies. I bogeyed four straight and he made par on every single one. He threw some darts and got us right into the mix of things."

Quesnel, who owns three victories at the Labor Day Classic in Worthington, Minn., qualifies for his first USGA championship Tuesday, while Tylke heads back to his first national championship since his appearance at the U.S. Amateur at Riviera Country Club in Los Angeles. Tylke also earned a trip to the U.S. Amateur Public Links Championship in 2013 at Laurel Hill Golf Club in Lorton, Va.

Late Tuesday, Johnson and Klein finished 18 holes of regulation in a four-way tie with the team of Jesse Bull and Mike Fiedler, the twosome of 2013 Minnesota Golf Association Amateur Four-Ball champions Jordan Hawkinson and Jesse Larson and the pairing of David Daly and Robbie Kelley at 6-under 65.

Resuming the playoff early Wednesday, Klein dropped his birdie chance on the second playoff hole to clinch the final qualifying spot for him and Johnson.

During their round Tuesday, Klein rolled in a pair of birdies during his front nine, while Johnson added a third birdie for the twosome at the par-4 ninth to turn in 3-under. Klein continued his hot play to the final nine holes, carding three consecutive birdies beginning at the 11th, which included a massive 90-footer for birdie, to move to 6-under and the two would tally consecutive pars to close out the round in a tie for second.

USGA

U.S. FOUR-BALL

No stranger to playing on a national level, Johnson will make his 13th appearance at a USGA championship next spring, including appearances at the U.S. Amateur Four-Ball two of the past three seasons.

“Geoff was our horse for sure,” Johnson said Wednesday. “He played an almost perfect round of golf making five birdies, and one in the play-off today. He didn’t need my help much but I was there when he did, so I felt good about that.

“It’s a lot of fun to play with a partner—it doesn’t seem to have the same pressure or feel as other [USGA] events I’ve played in, so I’m excited to see what Chambers Bay is like.”

Earning his first trip to a national event in more than 10 years Wednesday, Klein twice qualified for the U.S. Mid-Amateur Championship in 2007

and again in 2010. Taking the position of head golf coach at Minnesota State University, Mankato for over five years, along with raising a young family kept Klein away from competing himself.

“This is my first USGA event since 2010 so it means a lot to me,” said Klein, “I was starting to wonder if I was going to get back to one.

“It was awesome to have someone with Troy’s pedigree to ask me to partner with him. He’s very steady, so it made it easy for me to play kind of stress-free. I’m not sure I’ve made a longer putt in my life than on the 11th. It was a bogie hole we turned into a birdie with a lot of luck.”

The tandem of Hawkinson and Larson finished as first alternates, while the pairing of Jesse Bull and Mike Fiedler finished as second alternates.

By Nick Hunter (published October 6, 2020)

BLAINE, Minn. – Firing a round of 7-under 64 before surviving a playoff against University of Minnesota golfers Emma Carpenter and Grace Curran Tuesday at Victory Links Golf Course, the team of Gianna Clemente and Avery Zweig earned medalist honors, as well as a spot in the 2021 U.S. Women's Amateur Four-Ball Championship.

From a field of seven teams Tuesday, Clemente and Zweig earned the lone qualifying spot to next year's national championship, which will be played April 24-28 at Maridoe Golf Club in Carrollton, Texas.

U.S. AMATEUR FOUR-BALL QUALIFYING *Continued*

Texan Zweig and Ohio's Clemente Earn Qualifying Spot... continued

"The [U.S. Women's Amateur Four-Ball], to me, is the most fun USGA event," Zweig said. "That was my first USGA exposure and having a partner to help deal with the nerves and pressure and also to enjoy the experience with, is really helpful. I've always loved this event and [next year] is in my home town."

"I had pretty high expectations for myself coming in—I wanted to qualify," the 12-year-old Clemente said Tuesday. "Playing with [Zweig] is always a great experience and I wanted to come out and have fun."

Both Clemente and Zweig converted their birdie chances at the second hole before Zweig holed a 35-footer for birdie at the fourth. From a difficult lie in the rough at the par-5 fifth, Clemente hit her approach inside of eight feet and rolled in her birdie chance to move the team to 3-under.

After sinking a pair of birdie chances from over 10 feet at the sixth and eighth holes, Zweig helped the twosome quickly build momentum with an outward nine tally of 5-under 30.

"We were able to get off to a good start, which was helpful because some of the beginning holes are difficult," she said.

"I felt good about our front nine, I thought we did the best we could and made as many putts as we could," Clemente added.

Zweig dropped a 12-footer for birdie at the 12th and Clemente countered by sticking her approach inside of five feet at the 14th to get to 7-under for the qualifier before Zweig added the twosome's final birdie at the par-4 15th.

With a one-stroke lead heading to the 18th hole, Clemente lost her tee shot right of the 18th fairway, leaving Zweig to three-putt from the back edge of the final green to force extra holes with Carpenter and Curran.

"I thought I hit a good approach shot, but it took a huge hit and I was on the back of the green," Zweig said after her bogey at the final hole Tuesday. "I had a downhill 40-footer and it's hard to gauge the speed out of the first cut. I had a breaking 20-footer for par and at that point I figured we were probably going to a playoff."

With a second three-putt bogey in as many holes, Zweig was saved by Clemente who left her birdie chance short, but rolled in a 2-footer for par to earn medalist honors.

*1st Alternates:
Emma Carpenter & Grace Curran*

Zweig, a 13-year-old from McKinney, Texas, has now qualified for the U.S. Women's Amateur Four-Ball in three of her last four seasons. In 2017, Zweig and fellow Texan Malena Barrientos qualified at Windsong Farm before Zweig and partner Cory Lopez earned medalist honors at Chaska Town Course.

Clemente, from Warren, Ohio, qualified for her first U.S. Women's Amateur Four-Ball Tuesday, having qualified for last year's U.S. Women's Amateur Championship at Old Waverly Golf Club in West Point, Miss.

Carpenter and Curran got off to a fast start Tuesday, both carding birdie at the par-5 second before Carpenter rolled in her birdie look at the fifth. Carpenter took advantage of a birdie chance again at the fifth before dropping her fourth birdie of the front nine at the par-3 eighth to help her and Curran reach 4-under for the round.

Carpenter kept her momentum rolling to the back nine, sinking her birdie putt at the 10th

and would sink her sixth birdie of the day, when her putt at the par-4 13th found the bottom of the cup to move to 6-under. Curran stepped up by carding her second birdie of the day at the difficult par-3 17th and the two would go on to finish in a tie for first at 7-under 64.

During the playoff, Carpenter lost her tee shot right of the first fairway, while Curran reached the green in regulation, but watched as her par putt from five feet curled around the cup and wouldn't drop, tapping in for a bogey and a second-place finish.

Earlier this season, Carpenter and Curran carded a final-round 72 to finish in a tie for second with fellow Gopher teammates Kate Lillie and Grace Kellar at the MGA Women's Amateur Four-Ball Championship at Dellwood Country Club.

Carpenter and Curran finished as first alternates, while the twosome of Isabella McCauley and Emma Welch finished as second alternates, shooting 2-under 69.

The MGA Member Day program features popular casual play days allowing MGA members to experience great golf courses around the state. Considered primarily as a member benefit, these events of fun golf and camaraderie are also an opportunity for MGA member clubs to host a full field of avid golfers eager to experience a championship-quality event. Last year's host sites included: Lafayette Club, TPC Twin Cities and White Bear Yacht Club.

MGA WOMEN'S MEMBER EVENTS

Eligibility: Players must be current MGA members.

MGA Women's Spring Scramble

Each player on a team tees off, then each golfer on the team plays her second shots from the best-driven ball. All players will then play their third shots from the best second ball, and so on. The field will be flighted after the registration deadline, and teams will be assigned to flights based on the lowest individual Handicap Index of the two team members. There are no Handicap Index limits for this events.

2021 MGA Women's Senior Tour

Membership-based program for women 50 years and older with a Handicap Index limit of 36.4. Included in the Senior Tour membership is a free hat and eligibility to pick and choose events to play in from the 2021 schedule which includes 14 events. More details about the Senior Tour on the next page.

MGA Women's Member Day

9-Holes of golf with friends plus a luncheon cruise afterward. There is no Handicap Index requirements for this event.

MGA Women's Team/Club

Two-person team gross and net competition with six holes of scramble, six holes of alternate shot and six holes of four-ball, plus a club competition for those two-person teams composed of players from the same club. Each club/league that is represented by two or more teams made up of players from the same club will compete in the club component of this event.

See page 263 of this Media Guide for more details and last year's results.

MGA SENIOR TOUR

Format: Membership-based program for males and females with six different sections (Metro, Northern, Southern, Super Senior, Women's, and Gross). Each section has its' own schedule of events plus an All Section schedule of events available to Metro, Northern, Southern, Women's and Dual members.

Dual memberships are available to Super Senior or Gross players. As a Dual member you can belong to the Super Senior or Gross sections plus one other regional section (Metro, Northern or Southern).

Flights by age are offered in the regional sections (Senior/Master) and one flight is offered with the Women's, Super Senior and Gross sections. Net and gross prizes awarded for all sections except for the Gross section (no net).

Performance points are awarded for high finishes in each event. Top players in total performance points (top 4 events) from each section qualify for the Senior Tour Finals. Top players in total performance points (all events) in the Metro, Northern and Southern sections combined qualify for the MGA/WSGA Senior Tour Cup Matches.

Visit mngolf.org/seniortour or see page 283 of this Media Guide for the complete schedule with host sites.

Age Requirement: Metro, Southern, Northern, Gross (55 years and older), Super Senior Men (70 years and older), Women (50 years and older) — as of anytime in the current year.

Eligibility: Must be a current MGA member.

Handicap Index Requirements: 24.4 or lower for Metro, Northern, Southern and Gross. 36.4 or lower for Super Senior and Women's.

2021 Drive, Chip & Putt Championship

Sunday, April 4, 2021
Augusta National Golf Club
Augusta, Ga.

Now in its seventh year, the Drive, Chip and Putt Championship aims to help younger generations begin their lifelong connection with golf by providing a fun, interactive platform for participants of all skill levels. This free youth golf development initiative welcomes boys and girls ages 7-15 to participate in separate divisions in four age categories. Local qualifying takes place in all 50 states. Top performers at the local level will advance through subregional and regional qualifiers, respectively. Top 80 performers – 40 boys and 40 girls – earn an invitation to the National Finals at Augusta National.

Stage 1: Local Qualifying (May/June/July/August) - in all 50 states
Stage 2: Subregional Qualifying (July/August) - approximately 60 sites
Stage 3: Regional Qualifying (September/October) - 10 host sites
Stage 4: Championship Final (April the following year)

DISCONTINUED CHAMPIONSHIPS

3M CHAMPIONSHIP

The 3M Championship was a professional golf tournament in Minnesota on the PGA Tour Champions schedule, played annually at the TPC Twin Cities in Blaine. 3M was the main sponsor of the tournament.

It debuted in 1993 as the Burnet Senior Classic, and was originally held at the Bunker Hills Golf Course in nearby Coon Rapids. After eight editions, the tournament moved to the newly built TPC Twin Cities in 2001, when 3M took over as sponsor.

Within the tournament was the "Greats of Golf Challenge," an exhibition scramble on Saturday among teams of former major winners and hall of famers of both genders. Recent participants include Jack Nicklaus, Gary Player, Lee Trevino, and Nancy Lopez.[5]

In 2018, it was announced that the 2018 3M Championship would be the final playing of the event, as it would be replaced by the 3M Open on the PGA Tour starting in 2019. Kenny Perry was the final champion of the event, winning his third 3M Championship on August 5, 2018.
