MEMBERSHIP APPLICATION PROCESS

MEMBERSHIP Registration begins on **Monday, FEBRUARY 5.**

You may register online with a credit card at mngolf.org or by filling out an application to be mailed or dropped off.

MEMBERSHIP WITHDRAWALS/REFUNDS

Senior Tour Membership Fee will be refunded if the MGA office is notified before a player plays in their first Senior Tour Event or before the sixth event of the season.

EVENT FORMATS & DETAILS

- All events will have assigned shotguns or tee times depending on COVID restrictions.
- Net and Gross prizes are awarded*
*There are no Net prizes in the Gross section.
- Stableford format is used for all events.

DIVISIONS & TEES

REGIONAL INDIVIDUAL SECTION EVENTS & ALL SECTION 36-HOLE INDIVIDUAL EVENTS

There are two divisions on two different tees:

Senior (55-64 or 65+ choosing to play as a Senior) or **Master** (65+).

- **SENIOR TEES** (6000-6200 yards)
- **MASTER TEES** (5700-5900 Yards)

Players 65+ preferring to play from the Senior tees have the option to compete in the Senior Division for the entire season. These players must notify the Senior Tour department at least 2 weeks prior to their first event to make this choice.

*A player's division is determined by their age as of May 1 except for 65+ players choosing to play in the Senior division.

*A player may not change divisions during the season even if they happen to turn 65 during the active season.

*In All Section individual events with a double shotgun scheduled, Senior and Master players will be separated between the two shotgun times (AM and PM).

For **Gross, Super Senior, and Women's section events** there are no age categories with one division of competition.

- **GROSS TEES** (6300-6500 yards)
-When courses can allow.
- **SUPER SENIOR TEES** (5600-5900 yards)
-Super Senior Tees are only used in Super Senior events.
- **WOMEN'S TEES** (4900-5200 Yards)

DUAL Gross and Super Senior players compete in either the Senior or Master divisions in the regional events. *There are no Gross or Super Senior Tees in Regional Individual events & All Section events.*

ALL SECTION TEAM EVENTS

Male players have two divisions (Senior or Master) as in the Regional section events. Players may pair up together no matter what division or section they play in (Senior, Master or Metro, Northern, Southern, Super Senior, etc.) Any teams paired with a combination of a Senior division player with a Master division player will compete in the Senior division. There are no Gross or Super Senior divisions so Gross and Super Senior players teamed together will compete in their regional section division.

Female teams compete in their own flight.

HANDICAP INDEX

Your MGA Membership with your home club must be active for the 2024 season no later than April 15 or two weeks prior to your first event to ensure an accurate course handicap index for each event.

PRIZES

For all events, net and gross prizes are awarded (except for the Gross section with only gross prizes). Merchandise certificates will be awarded as determined by the MGA Senior Tour Committee.

No contestant can win more than one award per event. If a player wins in both Net & Gross, the larger prize amount will be awarded and if prize amount is the same, will be awarded the Gross prize.

Ties will be broken for prizes awarded.

NEW! MGA SENIOR TOUR "MAJORS"

The Rebbie Open was so popular in 2023 that the MGA Senior Tour will be implementing a series of "Major" events. These events (including the return of the Rebbie Open, named in honor of Warren Rebholz, the founder of the Senior Tour), will be special 18-hole or 36-hole individual events with a larger prize pool and higher performance points awarded! The Rebbie Open will also have a tee gift for every participant.

ENTRY PROCEDURE FOR EVENTS

EVENT Registration begins Monday, MARCH 4.

Sign-up for events online with a credit card at mngolf.org or by filling out an event entry form to mail or drop off.

SECTION EVENT SIGN-UP

Section events are *NOT* filled on a priority basis.

As long as an entry for an individual section event is received by an entry deadline it will be eligible for play or included in a drawing if an event is oversubscribed (see below for info regarding drawings).

Event entry deadlines are 2 WEEKS prior to each event.

With an oversubscribed field for a section event, there will be a random drawing to bring the field down to 120 players per shotgun (or the maximum number for the event)- those players not making it into the field will be put on a waiting list. Wait-listed players will be notified of their wait list status and contacted if openings become available. Players remaining on a wait list will not be wait-listed again for a section event for the current season.

In the Metro section (with multiple options offered on the same date) each participating player will sign up for one of the options. If one of the sites oversubscribes a random draw will be held to determine players in that host site option. The waitlisted players will be contacted and be moved into the second host site option on that date.

ALL SECTION EVENT SIGN-UP

All Section events are filled on a first-come, first-served basis.

LATE ENTRIES ARE NOT AVAILABLE AFTER THE ENTRY DEADLINE -

With the size of the Senior Tour and coordination of many events, late changes can be challenging especially with confirmed numbers given to each host site. So please mark your calendars for entry deadlines for the events you want to play in so you don't miss them.

PAYMENT PROCESS FOR EVENTS

All checks and credit cards are processed immediately upon receipt of an entry.

EVENT WITHDRAWAL & REFUND PROCEDURES

Entry fee will be fully refunded if the MGA office is notified by 3:00 pm, THREE BUSINESS DAYS PRIOR to an event:

Monday event (withdrawal required **by Wednesday**)

Tuesday event (withdrawal required **by Thursday**)

Wednesday event (withdrawal required **by Friday**)

Thursday event (withdrawal required **by Monday**)

Friday event (withdrawal required **by Tuesday**)

No refunds will be given for any reason after the withdrawal deadline to the start of the event.

Online withdrawals will receive a charge back immediately to the credit card used for entry. For those entries with payment made by check, reimbursement checks will be mailed out as soon as possible after the event.

PAIRINGS AND RESULTS

Pairings are created in the week prior to each event.

For most of the Senior Tour events, pairings are created in a similar handicap index order with some created in an ABCD format. This allows more players the opportunity to play with different golfers throughout the summer.

WE DO NOT ACCEPT PAIRING REQUESTS.

The Senior Tour is an opportunity to meet new golfers. The team events provide an opportunity to play with a particular buddy.

Please be respectful of the players you are playing with.

Be considerate regarding smoking and remember to work together as a tee group to keep up pace of play and just help each other out. Everyone is here for the same reason to have a fun, competitive golf outing!

SHOWING UP ON TIME & NO SHOWS

Please be respectful of the host site, Senior Tour staff and other competitors by showing up in a timely manner and honoring your commitment to participate. Arriving within 15 minutes of your shotgun time is considered late. **Arriving late means you will not be able to play.**

BEFORE TRAVELING TO EVENTS

- **Read the Event Information Email** which is sent to each player no later than a few days prior which includes your pairings, local rules, printable scorecards and GGID code for mobile scoring. If you are unable to find the email be sure to check your "junk/spam" folder in your email box. If you still are unable to find it, information is on each event's homepage.

WHAT TO DO UPON ARRIVAL AT EVENTS

- **Check in** to let the site captain know you are there and confirm you have your GGID code for mobile scoring. Grab a blank scorecard from the Pro Shop if you did not bring a printed scorecard from the event email/homepage so you have a backup to proof mobile scoring.
- **Senior Tour hats:** Pick it up your free Senior Tour hat your first event.
- **Warm up** until 15 minutes prior to your shotgun start or tee time. Range balls are always free and included in your event fee (you will be notified in event information if a range is not at a host site)
- **When waiting for pre-event announcements at shotgun events or to tee off at your tee time,** meet your tee group and choose who will do the mobile scoring. Each tee group has a GGID code unique to each event. Whoever is keeping score can enter that code on their USGA Tournament scoring app.

WHAT TO DO IF IT LOOKS RAINY

• ALL SENIOR TOUR EVENTS ARE HELD RAIN OR SHINE

In the event of any changes, communication will be made through event homepages plus emails and texts will be sent to each participant. If you see no postings or receive no messages head to the course to play.

SCORING

Players assist with the scoring process by keeping hole-by-hole scoring on their smart phones with the free USGA Tournament Management app.

At end of round, each tee group should proof final scores in tournament scoring area in a timely manner. A site captain may close competition when adequate time has been allowed to approve scores. Any scores turned in after close of competition will be considered a DQ, but the score will still be posted to GHIN.

PACE OF PLAY

Please make every effort to keep a good pace of play. Work with your fellow players to keep up with the group ahead of you at all times. If you fall back at all, close the gap. The host site staff and MGA staff will do their best to range and fore-caddie, but ultimately it is up to you the players to keep up pace. Talk to each other and be aware of the time. If having a slow hole take extra steps to make up the time.

PACE OF PLAY POLICY

***When addressing a group that has fallen out position, each Site Captain has the authority to take the following steps:**

1. Make note of how far out of position a group is and give warning to the group.
2. Follow up with warned group a few holes later to see if position has improved. If the group's position has not improved, require player(s) inhibiting good pace to pick up and record zero points for hole(s) going forward determined by the site captain. Other player(s) not inhibiting pace in the group may continue playing.

***An individual who has been warned at multiple events to speed up play will have to meet with the Senior Tour committee.**

PRACTICE ROUNDS

No provisions have been made for practice rounds at any Senior Tour sites but clubs may be open to public play at prescribed times.

HANDICAP REVIEW POLICY

The Senior Tour Committee will be monitoring scores throughout the year with the authority to modify a player's handicap for Senior Tour events going forward. The Senior Tour Committee will handle handicaps on a case by case basis.

SCORING FORMAT & REQUIREMENTS

In order to tabulate the winners of events as quickly as possible, each player's score must be entered into the mobile Tournament Management app. Please have a paper back up of your score on a printed scorecard from the event homepage or a course scorecard from the pro shop.

If a player fails to complete a hole, a score should be entered that he or she most likely would have had. All of our Senior Tour events are in a stableford format. If you are having a particularly tough hole and are out of the points for that hole, it is okay to pick up and record what you most likely would have had. This is not a requirement but certainly is a help with pace of play.

Stableford Points

1 Point = Bogey 3 Points = Birdie 5 Points = Double
2 Points = Par 4 Points = Eagle Eagle

Upon completion of play, players must check their hole-by-hole scores and verbally approve of their final score at the scorer's table. This is your signature confirming your official score. Each tee group should report to the scorer's table for score verification together immediately after the round.

All scores during an MGA Senior Tour event will be posted by the MGA to each player's GHIN handicap record.

SENIOR TOUR PERFORMANCE POINTS

The Senior Tour utilizes a performance points system to determine qualification for the **Senior Tour Finals** and the **MGA/WSGA Cup Matches**. There are overall performance points standings for each section and an overall performance points standings for all of the regional sections combined for the MGA/WSGA Cup Matches.

For each Senior Tour event, the top eight positions in the net and gross competition in each division in each individual and team event will receive Senior Tour Performance Points.

Performance points will be awarded as follows per person:

	18-hole Regional Ind. Event	18-hole All Section Ind. "MAJOR" Event	36-hole All Section Ind. "MAJOR" Event	18-hole All Section Team Event
1st	50 pts	70 pts	80 pts	30 pts
2nd	40 pts	60 pts	70 pts	24 pts
3rd	35 pts	50 pts	60 pts	21 pts
4th	30 pts	45 pts	55 pts	18 pts
5th	25 pts	40 pts	50 pts	15 pts

***Ties will NOT be broken for Performance Points position.**

Gross & Super Seniors: There are no Gross or Super Senior points awarded in the Metro, Northern, and Southern sections. For DUAL members playing in their regional section events they will compete and earn points in their respective division standings in their regional section. For their Gross or Super Senior events they will be awarded points in the Gross or Super Senior point standings.

Dual Gross or Dual Super Senior members playing in

All Section events: (Please see Senior Tour Divisions on page 1 for information regarding team event divisions.) Dual members getting points in an All Section event will have them applied to their regular section standings.

SENIOR TOUR FINALS

The Finals are the championship of the Senior Tour. Players from each section will qualify to be invited to the Finals. Golf and luncheon is free to all players playing that day. The competition will be an individual stableford net and gross competition with champions recognized in both net and gross for Senior & Gross combined, Master & Super Senior combined, and Women's.

QUALIFYING PROCESS FOR THE FINALS

Each player's performance points accumulate for an overall performance point total in their participating section(s) that is taken from their top four finishes in their Section and All Section events.

Northern and Southern Sections: The top four players in Net and Gross, in each age division (Senior and Master), 16 total qualifiers.

Metro Section: The top eight players in Net and Gross, in each age division (Senior and Master), 32 total qualifiers.

Super Senior Section: The top four players in Net and Gross, 8 total qualifiers.

Gross Section: Top four players qualify.

Women's Section: The top four players in Net and Gross, 8 total qualifiers.

Tie-breakers for Senior Tour Finals qualifying spots:

- Tie-breaker for players with same total of points:
 - If both players have over 4 events the higher fifth event is the tie-breaker.
 - If either player has 4 events or less, the best performance is the tie-breaker.
- If additional tie-breaker is required contact the Senior Tour Dept.

MGA/WSGA SENIOR TOUR CUP MATCHES

SENIOR TOUR - MGA RULES OF PLAY AND INFORMATION

Minnesota Golf Association Senior Tour Play is governed by the USGA Rules of Golf and by the following Local Rules and Definitions. Additional Local Rules for each club will be distributed at each event.

Unless otherwise noted, the penalty for breach of a Local Rule or Condition is: General Penalty (two-strokes).

TIME OF STARTING - In an Individual event, the player shall start at the time and hole laid down by the Committee. If the player arrives at the starting point, ready to play before his group has completed their first hole, the penalty for failure to start on time is two strokes at the first hole in stroke play. If the player arrives after the first hole is completed, he is Disqualified. He may continue to play but cannot turn in a score for the event.

OUT OF BOUNDS - Defined by nearest inside points of stakes, flags, fence posts, masonry walls at ground level. When OB is defined by a white line on the ground, the line itself is out of bounds. Rule 18.2a.

ALTERNATIVE TO STROKE AND DISTANCE - When a player's ball has not been found (lost ball) or is known or virtually certain to be out of bounds, the player may proceed as follows rather than proceeding under stroke and distance. For two penalty strokes, the player may take relief by dropping the original ball or another ball as described in Model Local Rule E-5.

PENALTY AREAS - Penalty areas are marked as either red or yellow. Rule 17.

- When stakes, flags and lines are used to define penalty areas, stakes and flags identify penalty and lines define margins.
- When a lateral penalty area is defined on only one side, it is deemed to extend to infinity.
- When penalty areas and lateral penalty areas are bounded by out of bounds, the penalty's margin extends to and coincides with the out of bounds line.

GROUND UNDER REPAIR - Defined by white lines. French drains are deemed to be ground under repair. Flower beds are mandatory relief. Rule 16.1a.

YARDAGE DISTANCE MEASURING DEVICES

The Local Rule is as follows: Yardage Distance Measuring Devices are allowed during play under Rule 4.3a. "If, during a stipulated round, a player uses a distance-measuring device to gauge or measure other conditions that might affect his play (e.g., elevation changes, wind, speed, etc.), the player is in breach of Rule 4-3, for which the penalty is two strokes for the first offense and disqualification for the subsequent offense."

PACE OF PLAY - Please make every effort to keep a good pace of play. Work with your fellow players and keep up with the group ahead of you at all times. If you fall back at all, close the gap. The host site staff and MGA staff will do their best to range and fore-caddie, but ultimately it is up to you the players to keep up pace. Talk to each other and be aware of the time. If you are having a slow hole take extra steps to make up the time.

*Please note, each Site Captain has the authority to:

- ask a group that has fallen behind to pick up their balls, move to the next hole and record zero points on their scorecards for the skipped/unfinished hole.
- close competition and determine results and prizes when adequate time has been allowed to turn in scorecards. Any cards turned in after close of competition will be considered a disqualification, but score will still be posted to GHIN.

RULES 13.1d - When a player's ball lies on the putting green, there is no penalty if the ball or ball-marker is accidentally moved by the player, his partner, his opponent, or any of their caddies or equipment.

- The moved ball or ball-marker must be replaced as provided in Rules 13.1d and 14.2.
- This Rule applies only when the player's ball or ball-marker lies on the putting green and any movement is accidental.
- Note: If it is determined that a player's ball on the putting green was moved as a result of wind, water or some other natural cause such as the effects of gravity, the ball must be played as it lies from its new location unless the ball was already lifted, marked and replaced.

OBSTRUCTIONS - An obstruction is anything artificial, including the artificial surfaces of roads & paths and white lined areas tying into them, except: Rule 15/16.

- A. Objects defining out of bounds, such as a wall, fences, stakes & railings;
- B. Any part of an immovable artificial object which is out of bounds;
- C. Any construction declared by the Committee to be an integral part of the course.

NO PRACTICING ON THE COURSE PRIOR TO ROUND -

Players are not to practice on the course before the start on the day of a Senior Tour event. Players may only practice in designated practice areas.

•PRACTICE - RULE 5.2. Before or Between Rounds

5.2b. Stroke Play: Before a round or play-off on any day of a stroke-play competition, a competitor must not practice on the competition course or test the surface of any putting green on the course by rolling a ball or roughening or scraping the surface.

Rule 5.2b is modified in this way: when two or more rounds of a stroke-play competition are to be played over consecutive days, a competitor must not practice between those rounds on any competition course remaining to be played, or test the surface of any putting green on such course by rolling a ball or roughening or scraping the surface.

Exception: Practice putting or chipping on or near the first teeing ground or any practice area before starting a round or play-off is permitted.

•PENALTY FOR BREACH OF RULE 5.2b: Disqualification.

NO PRACTICE PUTTING RULE - Rule 5.5b is modified in this way: between the play of two holes, a player shall not play any practice stroke on or near the putting green of the hole last played. This does not preclude a player from finishing out a hole in a Stableford event where his score may not be used in a team competition. Penalty - Two Strokes at next hole.

DOUBT AS TO PROCEDURE - Applies to stroke play. A competitor may play a second ball if the competitor is doubtful of his rights or procedure. Before taking further action, the competitor must announce to his marker or fellow-competitor his decision to proceed under this Rule and which ball he wishes to count if the Rules permit. The player shall report the facts to the Committee before returning his score card even if he scores the same with both balls; if he fails to do so, he shall be Disqualified.

OVERHEAD POWER LINES - If a ball strikes an overhead power line or cable, the player must disregard that stroke, abandon the ball and play a ball as nearly as possible at the spot from which the original ball was played in accordance with Model Local Rule E-11.

EMBEDDED BALL - In the general area, a ball embedded in its own pitch-mark in the ground, except in loose sand, may be lifted without penalty, cleaned and dropped within one club length of the reference point. Rule 16.3a.

REPORTING RESULTS - Upon completion of play, players should check their hole-by-hole scores carefully. Both the player and the marker must sign the card and return it to the Committee in a prompt manner. All scores must be totaled.

PLAYING FROM WRONG TEEING AREA - If a competitor, when starting a hole, plays a ball from outside the teeing area or wrong teeing area, he incurs a penalty of two strokes and must then play a ball from within the teeing ground.
