

MESSAGE FROM THE PRESIDENT

For more than a century, the Minnesota Golf Association has been a steward of the amateur game in our state. What began in 1901, with seven member clubs and a goal to identify the best amateur player, today encompasses nearly 35 state championships, national qualifiers and numerous regional and club competitions. Minnesota consistently ranks at or near the top in golfer participation and represents an industry that means \$2.3 billion annually to the state's economy. Clearly, we are passionate about playing the game and take seriously our role as its steward.

In association with 15 allied organizations representing those who make a living from the game to those who see the game as a way to improve the lives of others, the new MGA is a year-round non-profit organization that serves the game for all golfers in Minnesota. The MGA actively supports, financially and otherwise, a diverse number of organizations like the Western Golf Association's Evans Scholars program and a number of other organizations that promote the game to disabled golfers, disadvantaged youth and groups that have traditionally found challenges in their paths when it comes to the game of golf.

Ede Rice. MGA President

The reason the MGA is able to give back to the game is first and foremost because of the more than 92,000 associate members and the more than 400 member golf clubs who choose to join in and support the MGA. Our exceptional staff, board members, ambassadors and volunteers turn this support into programs and services on behalf of the game in our state.

The 2024 MGA Planning Guide is a handy tool designed to keep you abreast of the numerous state amateur championships, local and sectional USGA qualifiers, PGA section tournaments and other important golf happenings occurring on the local and national golf calendar.

Thanks, everyone. Your support is so greatly appreciated. Together let's make 2024 a great year for the game that we all love so much!
