MESSAGE FROM THE PRESIDENT

On behalf of the 75,000 members and more than 400 member golf courses of the Minnesota Golf Association I would like to welcome you to the 2013 MGA Yearbook and Media Guide – a tool intended to inform and educate everyone connected with the game of golf in Minnesota about the many opportunities available for all golfers and golf enthusiasts.

For more than a century, the MGA has been leading the steward for amateur golf in our state. What started out in 1901, with seven member clubs and a goal to identify the best amateur player, has grown to encompass more than 24 state championships and national qualifiers. Competitions aside, MGA serves all golfers in a state that consistently ranks at or near the top in golfer participation. In fact, golf means approximately $2.4 billion to the state’s economy (read more at page 11). In association with 16 allied organizations representing those who make a living from the game to those who see the game as a way to improve other peoples’ lives, the not-for-profit MGA is a year-round organization that serves the game for all golfers in Minnesota.

The MGA actively supports, financially and otherwise, a diverse number of organizations like the Western Golf Association’s Evans Scholars program and a number of other organizations that promote the game to disabled golfers, disadvantaged youth and groups that have traditionally found challenges in their path when it comes to the game of golf.

In addition, our award-winning magazine, Minnesota Golfer, provides entertaining and informative coverage on the local golf scene, and our website, mngolf.org, is a primary resource for all information and events related to the MGA and golf in Minnesota.

The MGA is able to give back to the game because first and foremost our member clubs and associate members choose to join in and support the MGA. Our exceptional staff, board members, ambassadors and volunteers turn this support into an out-and-out wave of activity on behalf of the game in our state.

Thanks, everyone, your support is so greatly appreciated. Together let’s make 2013 a great year for the game that we all love so much!

The Minnesota Golf Association, founded in 1901, is a nonprofit organization dedicated to upholding and promoting the game of golf and its values for all golfers in Minnesota. The MGA currently serves more than 400 member clubs and 75,000 amateur golfers throughout the state which makes the MGA one of the largest golf associations in the country. The MGA, through its programs and services, strives to preserve the integrity of the game to make golf more enjoyable for all.

Seven golf clubs founded the Minnesota Golf Association in 1901, creating an organization designed to foster, promote and conserve golf within the state. In the more than 100 years since its inception, the MGA has produced a long list of services oriented towards the golfer, the golf course and the game itself.

The first of those services was the competitive golfing event, the Amateur Championship. First played at the conclusion of the MGA’s inaugural meeting, the Amateur is one of the oldest and longest running sporting events in the state. It has become a popular tradition with over 800 golfers competing annually. The growth of golf has prompted the addition of events to the MGA’s championship schedule. There are now 17 MGA amateur championships for golfers of all ages and abilities.

For the younger golfers, the MGA sponsors a statewide junior program. Each junior competes on a district level for three weeks. The top two teams and individuals in each district advance to regional competition where the top two teams and individuals from each region qualify for the MGA Junior Team Championship. Almost 900 juniors from approximately 125 courses participate every year.

Golfers interested in supporting the MGA can join the MGA’s Membership Program through member clubs by contacting a club directly or through the MGA Join Online Program. Members receive a regularly updated USGA Handicap Index® and MGA publications including the Minnesota Golfer magazine and the MGA Member Links eNewsletter, and have the opportunity to compete in MGA championships and events. Associate Member dues are the primary source of funding for the MGA’s services.

For the golf courses in the state, the MGA offers club memberships. With a tradition founded on service, the MGA offers golf courses a unique network of information and assistance. An extensive course rating program keeps MGA member clubs’ ratings up to USGA standards. This ensures that every member handicap accurately reflects a golfer’s potential ability. MGA member clubs also receive club rosters, tournament schedules, course rating posters and dozens of other important pieces of literature each year. An MGA golf calendar informs golfers about various club events and tournaments that occur around the state. The MGA compiles these dates every spring and sends the calendar to all Associate Members on its mailing list – more than 62,000 households.

When new courses, tourists and Minnesotans need information, the MGA’s databases include names, numbers and facts to answer almost any inquiry. The MGA also includes a volunteer network of MGA directors. These individuals are largely responsible for assisting the MGA with its communications and services around the state. In addition, the MGA actively monitors state legislation to ensure the best interests of the game of golf are pursued. Any changes that will affect MGA member clubs are quickly passed along.

With the Rules of Golf being an integral part of the game, rules education and dissemination are an important service offered by the MGA. Not only does the MGA have input on the USGA’s Rules of Golf Committee, it actively advocates those rules around the state. This involvement includes the sale of Rules of Golf and Decisions books, managing the Rules Hotline and the presentation of Rules Seminars.

Advocacy for Golf in Minnesota
The MGA monitors the state capitol for legislative issues that might impact golf in Minnesota. Over the last several years, the MGA and its Allied Associations have worked with legislators on a number of issues including creating legislation ensuring the regulated use of phosphorus by golf courses and developing proportional property taxes for Minnesota golf courses.

Golf is a $2.4 billion Industry in Minnesota.
In general, golf in Minnesota provides $361 million in golf tourism, $776 million in wage earnings (34,653 jobs), and $52 million in funds raised for charity. Minnesota golf is part of a larger $76 billion U.S. economy (Golf 20/20).

The MGA and allied associations commissioned an Economic Impact Study of the Golf Industry to articulate the contribution of golf to Minnesota’s economy and establish the golf industry as a significant business sector. In 2006, the size of Minnesota’s direct golf economy was approximately $1.2 billion (or a total of $2.4 billion, if the effects of golf dollars from other linked industries are factored in). The golf industry is on a par with several other important industries: dairy products ($1.1 billion), printed circuitry ($1.3 billion), and accounting, tax and payroll ($1.4 billion).

Course Rating & Measuring
One of the responsibilities of the MGA as the central handicap authority for Minnesota and authorized golf associations is to provide course rating and measuring services to its member clubs. MGA member clubs are usually rated three times in their first ten years of existence. More mature courses are re-rated every five-to-seven years. This ensures the accuracy and effectiveness of the USGA Handicap System™ for all MGA member clubs. New and reconstructed courses are a top priority at the MGA. Nearly all courses within the United States have been measured and rated using the USGA Course Rating System™ Rating guidelines. This allows golfers to report their scores from any of these courses in the country for handicapping purposes. The use of the USGA Course Rating System makes the USGA Handicap Index™ portable from course to course. MGA course raters have attended USGA calibration seminars and training sessions to qualify for their positions. Each year the MGAs two course rating teams measure and rate approximately 100 golf courses in Minnesota. Laser measuring and strict adherence to USGA specifications ensures accurate ratings at all MGA member clubs. The MGA rating teams are among the top rating teams in the United States.

Evans Scholars – College Scholarships
The MGA, in association with the Western Golf Association, provides Evans Scholarships to deserving caddies. Scholarships are awarded to caddies with financial need who have demonstrated outstanding scholastic performance and community service. Scholarships include tuition and housing. Currently, there are sixty active scholars at the University of Minnesota, eleven of whom are women. Since 1930, when the first two Scholars enrolled at Northwestern University, nearly 10,000 Evans Scholars Alumni have graduated from college, including more than 600 from Minnesota. For more information, contact Anne Colehour at 952-345-3969.

For the Good of the Game – And its Future Success
The MGA is proud to support programs such as the Evans Scholars Foundation, the Fairway Foundation, the Minnesota Minority Junior Golf Association, the Physically Limited Golfers’ Association and The First Tee. In addition to the recognition as allied associations, the MGA publishes an annual golf calendar helping to raise awareness of charitable golf tournament fundraising at MGA member clubs.

**GHIN Handicap Service**

The USGA Handicap System™ was developed to make the game of golf more enjoyable by enabling players of differing skill levels the ability to compete on an equitable basis. The system provides a Course Handicap™, regardless of ability, and adjusts the player’s USGA Handicap Index® up or down as his or her game changes. A USGA Handicap Index, issued by a golf club or authorized golf association, is a service mark of the USGA, and indicates a measurement of a player’s potential ability on a course of standard playing difficulty.

On January 1, 2005, the USGA designated the MGA, authorized golf association and the central handicap authority for Minnesota, to administer and implement the USGA Handicap System License Program in Minnesota, designed to better maintain the integrity and reliability of the USGA Handicap System.

MGA Members can track their Handicap Index by receiving the MGA eRevision through email, sent out at each revision throughout the golf season.

The MGA issues approximately 75,000 handicaps annually, including reduced-rate handicaps for juniors. It only takes five scores to calculate a USGA Handicap Index. Minnesota’s active season is April 1 to October 31. However, handicap revisions occur twice monthly on the 1st and 15th of each month throughout the year. Once a handicap is established, it can be verified on the Internet via the MGA’s website, mngolf.org, or at ghin.com. The MGA has a full-time staff that provides superior customer service to all MGA member clubs and Associate Members who have questions relating to GHIN or the USGA Handicap System.

**Growth of the Game**

In 2003, the MGA and several key allied golf organizations formed the Minnesota Golf Council to “grow the game” in Minnesota.

**Play Golf Minnesota**

Play Golf Minnesota is a week-long series of golf events timed around spring’s season-openings for golf in Minnesota. The Minnesota Golf Association and the Minnesota Section of the PGA of America partner in an awareness-raising program called Play Golf Minnesota. Last year, more than 50 golf courses from around the state participated in Play Golf Minnesota by hosting golf clinics, lessons and special offers targeted to beginner, junior, women and senior golfers.

The seventh annual Play Golf Minnesota week is scheduled for April 27-May 5, 2013. More information about the special events planned for the week and a list of participating golf courses can be found at playgolfminnesota.com. This is an important marketing opportunity for MGA member clubs to make golfers in their community aware of special events to get them more involved in the game.

**Join the Club**

“Join the Club” was launched as a way to link unaffiliated and new golfers to MGA clubs seeking new golfers. At mngolf.org, golfers can search and locate a golf club in their area that is searching for new members. Golf clubs can promote league and club memberships as well as allow unaffiliated golfers who are new to the game to sign up online for an MGA Membership.
“Bring Your Family to the Golf Course”
Now in its tenth year, the MGA’s “Bring Your Family to the Golf Course” program has successfully introduced new players to the game and encouraged families and adults to participate in the game of a lifetime. MGA member courses participating in the “Bring Your Family” program offer a free green fee for youths under the age of 18 accompanied by a paying adult. Participating golf courses are encouraged to include lessons and clinics targeted to family golfers.

The 2013 program will run July 8-14 with a list of participating clubs at mngolf.org in late June. Many MGA courses find family programs an effective way to grow the game at their facility and run family programs throughout the summer.

Guest Speaker Bureau
The MGA provides a speaker service for club meetings or special gatherings to discuss MGA services, programs and other related topics.

Hole-in-One Certificates
The MGA recognizes holes-in-one made by MGA members. A comprehensive database is available at mngolf.org. MGA members can enter their “ace” information online or report it to the club pro or manager where they had their hole-in-one to forward their information onto the MGA. Once a hole-in-one has been recorded online, a player may print out a handsome certificate recognizing their accomplishment or request the MGA staff to send out a printed certificate. In 2012, more than 750 holes-in-one were recorded by MGA Members. Simply go to the homepage of mngolf.org and look for the highlighted area recognizing holes-in-one. You can see recent hole-in-one stories, explore the searchable MGA hole-in-one database and record your own hole-in-one!

Internship in Golf Administration
The MGA conducts a P.J. Boatwright Jr. internship program that provides education and training in all areas of golf administration. In 1991, the USGA established the P.J. Boatwright Jr. Internship Program, in honor of P.J. Boatwright Jr., a past United States Golf Association Director of Rules and Competitions. Each year, the USGA perpetuates a memorial tribute to P.J. Boatwright Jr. through funding of internship programs for regional golf associations throughout the country, including the MGA. This program is designed to give experience to individuals who are interested in pursuing a career in golf administration, while assisting state and regional golf associations, as well as other non-profit organizations dedicated to the promotion of amateur golf, on a short-term, entry level basis. Interns help conduct tournaments, junior golf programs, membership services, and other general activities that promote the best interests of golf.

Junior Golf
The MGA developed a junior program in 1961 and since that time, the program has grown. In order to preserve this trend, today and in the future, the MGA actively promotes junior golf throughout the state. Almost 900 juniors compete annually around the state in the MGA Junior Program. Both boys and girls are eligible to play up to their 19th birthday. MGA Member Clubs have been very supportive in this venture in donating tee times to accommodate these juniors as the program is provided at no cost to junior golfers.

The MGA’s junior scope is even broader. The MGA offers the Minnesota State Junior Boys’ Championship and works in conjunction with the Minnesota Women’s Golf Association to offer the Minnesota State Junior Girls’ Championship. The MGA also participates in national and international junior events. The MGA oversees United States Golf Association qualifying for the U.S. Junior Championship. Juniors who qualify locally compete at the national championship. The MGA helps defray the travel expenses so juniors from Minnesota can attend the event every year.

Member Days
This popular and growing program allows our MGA Members to play outstanding golf courses from around the state. Primarily an MGA Member benefit, this day of fun golf and camaraderie is also an opportunity for MGA member clubs to host a full field of avid golfers eager to experience a championship-quality event. There is a nominal fee for the golfer, which includes green fees, prizes, food and fun. See page 154 for the 2013 schedule.

Regional Meetings
Regional meetings provide an opportunity for golf course officials and MGA members to meet and discuss various topics with MGA staff and directors as well as provide great networking opportunities for those attending. The purpose of these meetings are to educate attendees along with enhancing communication between the MGA, member clubs and individual members. Meetings are held throughout the state each year, providing local club officials the opportunity to meet and discuss how the MGA is serving the needs of local clubs and members, and to discuss issues that are specific to the local area.

Regional Volunteer Network
More than 300 volunteers dedicate their time and talent to work on 16 MGA committees making possible all the programs and services that make the game of golf better in Minnesota. In an effort to better serve MGA members throughout Minnesota, the MGA developed and implemented a regional format. The state is divided into six regions, including the Metro, Northwest, Northeast, Southwest, Southeast and West Central; each region is represented by a vice president who coordinates regional activities with the MGA staff. To help coordinate regional activities, each regional vice president works with a team of volunteer ambassadors to promote communication between the MGA and member clubs on the local level. The role of the ambassador is to develop better relationships and communication flow between the MGA and member clubs at a local level to ensure the best possible service.

Rules of Golf
The MGA coordinates and conducts sanctioned Rules of Golf workshops throughout Minnesota that are open to the public. Since 2004, the MGA office monitors a “rules hotline” to answer questions on the Rules of Golf during the evenings and weekends as an additional benefit to MGA member clubs, 1-800-642-4405, ext. 965 or 952-345-3965.

Senior Tour
In 1996, the MGA Senior Tour began as a series of 18-hole events to enable senior golfers of all playing abilities to participate in competitive MGA events. Today the MGA Senior Tour serves more than 800 senior players statewide. For the 2013 season there are four regional sections offering seventeen scheduled events and the Super Senior section for players 70 and older featuring eight scheduled events. Most of the events are individual competitions along with three two-man, team events for the regional sections and one two-man, team event for the Super Senior section. Regional section events include both net and gross competition in two divisions, Senior Division (ages 55-64) and Master Division (ages 65-over) while the Super Senior section has one division competing in net and gross. Entry to the MGA Senior Tour is open to amateur golfers who are current Members of the MGA and whose club is a member club of the MGA. Each year culminates with the Senior Tour Finals held at a prestigious course in the state. The top sixteen players from each section qualify (four in Senior Gross, four in Senior Net, four in Master Gross, four in Master Net, eight in Super Senior Gross and eight in Super Senior Net.

Tourism
Golf-related tourism is an important industry and vital to the state’s economic engine. The golf industry accounts for more than $361 million in golf-related revenues. The MGA supports golf tourism efforts through its joint partnership with the Explore Minnesota Golf Alliance and Explore Minnesota Tourism. The MGA’s website, mngolf.org, provides a search engine of member club information enabling locals and out-of-towners to quickly access information ranging from phone numbers, green fees and directions to yardage, par, slope and course ratings for all MGA member clubs.

Turfgrass Research
The MGA provides complimentary USGA Agronomist visits to select MGA Member Clubs. Since the program’s inception, approximately 130 courses have received a visit from a USGA Agronomist. Courses are selected based on hosting MGA events and for promoting MGA membership and programs. For more information, contact Joel Comstock at 952-345-3968.

USGA Liaison
The MGA, as the central handicap authority for Minnesota and an authorized golf association, is designated by the USGA to administer and implement the USGA Handicap System™ License Program. In addition, the MGA monitors national issues of importance to member clubs, processes amateur status reinstatement applications, and conducts local and sectional qualifying competitions for USGA championships, including the U.S. Open, Senior Open and Amateur Championship.
MGA AWARDS

MGA Member Club of the Year
Brackett’s Crossing Country Club was named MGA Member Club of the Year in 2012. The honor is based on the facility’s support of the MGA Associate Members program, involvement with the MGA Junior program, and willingness to host MGA championships and qualifiers.

Brackett’s Crossing Country Club, located in Lakeville, Minn., officially opened in 1965 as the Honeywell Country Club – a part of the 465 acre Honeywell Recreation Center. In order to meet the needs and desires of golfers in and around Lakeville, the course began the transition to public membership in the mid 1970’s followed by an official name change to Brackett’s Crossing of Lakeville in 1981.

Over the years, Brackett’s Crossing has graciously hosted many MGA qualifiers and championships beginning in 1969, including the 1973 Senior Four-Ball Championship, the 1993 MGA Amateur Championship, the 2003 MGA Mid-Amateur Championship, the 2006 MGA Mixed Amateur Team Championship, the 2009 MGA Senior Amateur Four-Ball Championship, and most recently, the MGA Women’s Mid-Amateur Championship in 2012.

In addition, the club has hosted a half dozen MGA Senior Tour events, as well as, several MGA Junior Team Qualifiers while being actively involved in the MGA Junior Program for many years.

In 2012, Brackett’s Crossing had 520 active MGA members using the GHIN service. The staff of Brackett’s Crossing actively attend various MGA meetings and events.

The club received a plaque and is featured in the winter 2013 Directory Issue of Minnesota Golfer, the official publication of the MGA.

MGA Volunteer of the Year

More than 300 volunteers dedicate their time and talent to make it possible for the MGA to provide all the programs and services that make the game of golf better in Minnesota. Volunteer assignments range from working at MGA events and on committees to acting as a liaison with member clubs through the MGA Ambassador Program. The award is based on commitment to the MGA and amateur golf, through volunteering efforts, such as the number of days and hours worked, ability, willingness to do required assignments, initiative, and attitude.

Also known as the President’s Award, the 2012 Volunteer of the Year Award was given to Bob Bullard of Mendakota Country Club for his exceptional volunteer service during the year. Bullard began volunteering for the MGA in 2008. He has worked more than 500 hours during that time and this year put in nearly 250 hours.

“In attitude, actions and rapport with colleagues, staff, tournament players and spectators, Bob truly epitomizes the spirit of the President’s Award,” said Jim Lehman, MGA past president, at the 2012 MGA Annual Meeting.

The Warrent J. Rebholz Distinguished Service Award

The Warrent J. Rebholz Distinguished Service Award was established in 1994 to honor individuals who, through their actions, have exemplified the spirit of the game at its highest level and who have made a substantial contribution to the game in Minnesota, or on a national or international level. Individuals may come from any golf-related area or discipline. The award is named in honor of Warren Rebholz, the longtime MGA executive director (1970-1992) and former “Commish” of the popular MGA Senior Tour.

The 2012 recipient was Ede Rice, a member of Woodhill Country Club and Edina Country Club. Rice is a former officer of the Minnesota Women’s Golf Association (president in 1995), and a long-time director of the Minnesota Golf Association (first woman elected as a director in 1994). Rice’s record of volunteerism extends from the local club level all the way to the national level. She has chaired numerous committees including the Golf Committees at both Edina and Woodhill. She continues to participate as a tournament rules volunteer for the MWGA and is an active director of the MGA. Rice is a passionate advocate for the caddie scholars at the University of Minnesota Chapter House of the Western Golf Association’s Evans Scholars Foundation, where she was elected as a WGA director in 1995 and became the first woman elected to the WGA Board of Governors in 2010. For a span of five years (2006-2011), Rice served on the USGA’s Women’s Committee and she currently serves on the USGA Regional Affairs Committee.

As a qualified rules official at the national level, Rice has officiated at several USGA national championships, including the men’s and women’s U.S. Opens. She has also served as the official in charge for sectional qualifiers for both the U.S. Women’s Amateur and U.S. Women’s Opens. She served as general chair of the USGA Women’s State Team Championship in 2001 when it visited Woodhill Country Club, and she later served as the Minnesota women’s team captain at the 5th USGA Women’s State Team Championship in 2003.

A long-time competitive golfer, Rice has won a dozen club championships at the Woodhill and Edina Country Clubs. She played tennis as a youth and it wasn’t until her marriage to Jack Rice that she took up the game of golf. In 1994, Rice qualified for the U.S. Women’s Mid-Amateur. In 2006, she won the Minnesota Women’s Four-Ball and Senior Four-Ball Championships. She also made it to the first round of match play at the USGA Senior Women’s Amateur that year, and, by the end of the golf season, she had won the MGAs Senior Women’s Player of the Year honor.

Clayton Rask put on a virtuoso display of power golf on May 13, averaging well over 300 yards with his tee shots at Minneapolis Golf Club while putting together a 7-under-par 65 on the way to a victory his third in the Minnesota Golf Champions.

The former Gopher star -- and Nationwide Tour regular -- concluded the 54-hole championship with an aggregate of 207 (-9).

Witness to Rask’s bogey-free round, was Jeff Sorenson, the Director of Golf at Columbia GC and three-time Minnesota PGA Player of the Year, who was duly impressed by what he saw.

Sorenson said, “He played like a (PGA) Tour pro.”

Rask, a former MGA Player of the Year (2007) made his first birdie at No. 3, a 565-yard par-5. After launching his drive 330 yards, he hit a 6-iron just short of the green, chipped to 8 feet and drained the putt.

“I really wasn’t making any putts the first two days,” he said. “So it was nice to make the one at 3. That got my putter going.”

Among other mind-boggling things that Rask did on Sunday was at the 11 when he hit a 345-yard drive and then flipped a 62-yard wedge close enough to make a birdie, and he followed that with a 330-yard drive and a 170-yard pitching wedge for another birdie at the par-5 12th.

MWPGA FOUR-BALL CHAMPIONSHIP

**Format:** This is an 18 hole four-ball stroke play competition where two women play as partners, each playing her own ball. The lower score of the partners is the score for the hole.

**Eligibility:** Players must be current MWPGA league members. Team members may belong to different clubs. The lower handicap on each team determines the team’s flight.

### 2012 RESULTS

**18th MWPGA Four-Ball Championship**

**May 19, 2012**

Emerald Greens Golf Club, Hastings, Minn.

5,184 yards, par 72

Olivia Lansing and Natalie Samb ended up in a playoff for the title with Leigh Klasse and Merridith Duellman-Joly. High winds made the course pretty tough, but Samb’s hot putter (including a couple 20 foot birdies) put her team on top. Stacy Lambert and Kara Salava missed the playoff by a single shot with a 69, and finished third.

MGA/PGA CUP MATCHES  

Underdogs are almost always well advised to get out in front as quickly as possible. Coming from behind is for the favorites. The MGA team did precisely what it needed to do in the 36th MGA/PGA Cup Matches, winning 10 and tying another of the first 12 matches that were decided. For the PGA, which has won a lot more of these annual contests than it has lost, there was no coming back from the hole it dug for itself, and the result was a 24-16 victory for the state’s best amateurs. The pros lead the series, 26-8-2.

2012 RESULTS

28TH MINNESOTA SENIOR OPEN

June 4-5, 2012
Edina Country Club, Edina, Minn.
6,650 yards, par 72

When Don Berry arrived at Edina Country Club to play in the first round of the Minnesota Senior Open, he had the feeling that, suddenly, everyone was looking at him. The 14-time Minnesota PGA Player of the Year was the object of so much attention, in part, because he’s dominated the Minnesota golf landscape for the last two decades, but also because this was his first time playing against the seniors. He turned 50 in February.

So Berry came into the Senior Open as the New Kid in Town, and basically a co-favorite with John Harris, a 10-year veteran of the Champions Tour. And when the proceedings concluded, Berry was in a familiar situation -- holding the first-place trophy.

His chances didn’t look all that great when he bogeyed the 14th hole and fell three strokes behind the leader, Joe Stansberry. But Berry managed to par the last four holes on a brutally difficult Edina layout. That gave him a 2-under 70 and a 36-hole total of 141 to victory.

Stansberry, whose 68 on Day 1 gave him the first-round lead was seemingly on cruise control in the middle of the round two, but made bogey on the par-4 15th hole and couldn’t recover. He bogeyed the last four holes for a 74 and total 142 for second place.
In the MGA Women’s Mid-Amateur Championship, Kristen Wagner eked out a one-stroke victory over Leigh Klasse. Both players closed with 4-over-par 75’s, but Wagner posted a 36-hole total of 151. Klasse finished at 152.

Katie Hanneman took third place at 154, after shooting her second straight 77. Kara Salava was another two back in fourth place, at 156 (77-79), and Claudia Pilot, a former three-time Mid-Am champion, was fifth with a 157 (76-81).

Wednesday’s final round of the Women’s Mid-Am had Wagner, a native of Indiana who played college golf at Wake Forest in the 1990’s, moved to Minnesota in 2006 and has been one of the state’s best players since she began playing tournament golf again in 2009, as the first-round co-leader. She continued her strong play in the second round as she birdied the 474-yard, par-5 14th hole at Brackett’s to expand her advantage to three strokes over Klasse, a six-time winner of this tournament who hasn’t finished out of the top two since some time around the turn of the millenium.
But Wagner, left an opening as she bogeyed the 15th, 16th and 17th holes, which left her tied with Klasse. The stage seemed set for Klasse to claim her seventh Mid-Am trophy. At that point, however, the tournament made a 180-degree turn.

Wagner reasserted herself with a par at the 480-yard, par-5 18th, and Klasse made a bogey, which meant that Wagner had won her first Minnesota individual stroke play championship.

It’s her third state title overall. She won the 2010 Minnesota Women’s Public Golf Association Four-Ball, with Ann Brilley as her partner. Her one previous individual title came in the 2011 MWPGA Match Play Championship, where she defeated guess who in the final? -- Klasse.

**2012 Champion:** Gretchen Huhnerkoch

The last time a Minnesota Women’s Public Golf Association tournament came down to a contest between Olivia Lansing and Gretchen Huhnerkoch, Lansing chipped in for eagle on the final hole to win the State Public Links Stroke Play Championship.

That was four years ago. On Sunday, it was down to Huhnerkoch and Lansing once again, this time in the State Public Links Match Play final at Brookview GC. But it wasn’t going to be a re-run of 2008. Huhnerkoch pre-empted the possibility of any last hole heroics by Lansing, as she concluded the proceedings early and defeated Lansing 4&3.

2012 Champions: Craig Brischke & Martha Nause

Craig Brischke won this year’s TapeMark with a tournament-record 62 in the first round and strong play in a howling wind over the final three holes. Trailing by two as he teed off on the seventh hole his 16th of the day (he started on the back nine), Brischke went birdie-par-par to post a 72, which gave him a 54-hole aggregate of 202 (11 under), and that was good enough for a one-stroke victory over Jon Sauer.

In addition to tying the record for lowest 18-hole score with his 62, Brischke, who won the TapeMark once before, in 2000, set a record for the longest span between two victories by the same player -- 12 years.

Women’s Division: Martha Nause and Katie Detlefsen had to work overtime to decide the matter of the Women's champion, after both finished 36 holes at 147. Detlefsen, who followed a 69 with a 78 on her way to the playoff, put her second shot on the first playoff hole (No. 1) about 25 feet left of and below the hole. She failed to make her birdie. Nause (73-74) hit her second shot 10 feet right of the hole, and she made her birdie to claim first place.

MGA MID-PLAYERS’ CHAMPIONSHIP

Sammy Schmitz was a Division III All-American at St. John’s, and like a lot of college golfers he decided that playing golf for a living might be fun. One year of mini-tours persuaded him otherwise.

He got his amateur status back, and his name began showing up near the top of leaderboards in MGA events in 2008. That was the year he made it to the semifinals at the Players’ Championship. It was his first top-10 finish in a major state tournament, and there would be a lot more. In 2009, he won the Twin Cities Championship, an event with a field that keeps getting stronger, and then finished fourth in the State Amateur, fourth in the State Open and second in the State Public Links. He had five more top-5 finishes in state events during the next two years. Three of those were runner-up performances, including one at the 2011 State Open. Then he had a big break through, winning the 2011 MGA Mid-Amateur (Stroke Play) by seven strokes. Once he smashed through that wall, there was no stopping him.

Schmitz, the 2011 MGA Player of the Year, opened his 2012 schedule with another seven-stroke victory, this one in the State Public Links Mid-Amateur at The Jewel Golf Club, and then he picked up his...
third state title in eight months by winning the MGA Mid-Players’ (Match Play) Championship at Dacotah Ridge Golf Club.

By the time he had beaten Jesse Larson 5&3 in the final, there could be no doubt about who the best player in the field was. Schmitz never saw the 17th tee, and he played the 16th hole only once, in a 3&2 semifinal victory over Geoff Klein.

Afterward, the victor said the key was “consistent iron play,” which enabled him to make “lots of pars.”

You have to win five matches in 2 1/2 days to hold the Mid-Players’ trophy, which is a grind. Nevertheless, Schmitz seemed to be getting better as the tournament wore on. He was even par Tuesday morning in his 5&3 quarterfinal victory over Jesse Bull, 1 under against Klein on Tuesday afternoon in his semifinal triumph, and 2 under on Wednesday in his dispatching of Larson in the final.

David Kokesh summed up his victory in the MGA Senior Players’ Championship on Wednesday by saying: “I struck the ball solidly from tee to green, but the real key was putting. Once I got to the green, I made a lot of putts.”

And he made them when they mattered, mainly late in his matches, but also early in matches when he really needed to get something going.

His 2&1 victory over Steve Whittaker in the title match was fairly typical. Whittaker, the 2011 MGA Senior Player of the Year, grabbed the initial advantage with a birdie at the par-5 third hole, and increased it to 2 up with a par at the fifth. But then Kokesh reversed the momentum by making one of his clutch putts for birdie at the seventh hole.

He followed that up by winning the eighth and the ninth with pars and gained the upper hand.
Whittaker, a kind of walking M*A*S*H unit (he’s had a knee replacement and major back surgery in the last eight months, and is scheduled to undergo rotator cuff surgery on Friday), knows how to win big tournaments, as he has demonstrated in the past couple of years by claiming titles in the State Senior Open (2010) and State Senior Amateur (2011).

As the Senior Players’ final made its way around the back nine, he needed to reassert himself, and his birdie at the par-5 13th might have done the trick -- except that Kokesh also birdied the hole. That may have deflated Whittaker, because Kokesh was able to win the long 14th (a 456-yard par-4) with a bogey, one of only two bogeys that he made in the match (he was 1 under for the 17 holes he played).

Whittaker also birdied the 17th. But Kokesh made one last clutch putt to halve the hole and conclude the match.

Earlier in the tournament, Kokesh had been 1 down with two holes to play against Timothy Connell in the Round of 16, and responded by winning the last two holes, thus eking out a 1-up victory. In the quarterfinals, he played the last four holes in 1 under to defeat two-time State Senior Am champion Leif Carlson 1 up; and after getting an early lead against former three-time Senior Player of the Year Dick Blooston in the semifinals, he went right for the jugular, making three birdies in a span of seven holes as he dismissed Blooston 7&6.

With the Senior Players’ victory, Kokesh earned an exemption into this year’s State Amateur at Hastings CC in July.

33RD US SENIOR OPEN SECTIONAL QUALIFYING
June 14, 2012
Edina Country Club, Edina, Minn.
6,650 yards, par 72

Guys who play the game for a living took all five of the available spots in the 2012 U.S. Senior Open Qualifying at Edina Country Club.

Jim Rutledge, a Champions Tour regular, earned medalist honors by blitzing the back nine and finishing with a 4-under-par 68. He started his round inauspiciously, with a double bogey on the first hole, but he was even par by the time he completed the 10th hole, and he then birdied the par-3 11th, eagled the par-5 12th and birdied the par-5 13th. From there, he made six consecutive pars to finish two clear of everyone else.

John Harris, the former perennial MGA Player of the Year who relinquished his amateur status and joined the Champions Tour 10 years ago this week (June 13) when he turned 50 (he has won once on the Senior Circuit, at the 2006 Commerce Bank Classic in New York), tied for second with a 70. His round was similar to Rutledge’s in that he was even par early on the back nine, through 11 holes, and then played the last seven in 2 under, thanks to birdies at the 12th and 14th.

Also posting a 70 was Tom Byrum.

Two other Champions Tour players, Dick Mast and Joe Daley, got the last two spots by tying for fourth with 71’s.

The first alternate spot went to the Champions Tour, as well, in the person of Ronnie Black. He shot 72.

The qualifier was supposed to be completed on Thursday, but rain, lighting and thunder prevented that. Some players had as many as 16 holes still to play when the round was resumed Friday morning.

QUALIFIER
Jim Rutledge, Victoria, BC (Canada) 68
John Harris, Minneapolis 70
Tom Byrum, Sugar Land, Texas 70
Dick Mast, Amherst, Va. 71
Joe Daley, Scottsdale, Ariz. 71

ALTERNATES
Ronnie Black, Tucson 72
Mike Zinni, Mankato 73

Championship – Three qualifiers made it to the final round with Byrum finishing tied for 36th, Rutledge tied for 33rd place and Mast finishing the highest, tied for 15th place.
MPGA FOUR-BALL CHAMPIONSHIP

Each team member playing with 90% of his sloped handicap. The cumulative 36-hole team score (best-ball net of the team from each hole) will be the team's score for the championship. It is a testament to the changes in golf over the last couple of decades that Andy Jacobson, who averages about 275 yards off the tee, could have been outdriven by every opponent he faced this week at Windsong Farm Golf Club in the MGA Players’ Championship.

The way things worked out, however, being consistently outdriven was an advantage for Jacobson, because it gave him a chance to hit his approach to the green first. If you go first, and you hit the green time after time after time, you can put a lot of pressure on the other guy. And Jacobson hit a lot of greens.

That was basically the story of how he won six straight matches -- and the championship.

In the title match, Jacobson never missed a fairway, he hit 13 out of 15 greens, and he also putted very nicely. That’s a tough combination to beat.

This was Jacobson’s first state title.

2012 Champion: Dylan Gergen

There’s something about Keller Golf Course that brings out the best in Dylan Gergen. In 2007, when he was a senior at Cretin-Derham Hall, he shot a 5-under-par 67 on an absolutely miserable May day in the Section 3AA Tournament (that was the last year of the old two-class format).

The weather was a lot better on Sunday for the final round of the Twin Cities Championship at Keller -- actually, the weather was just about perfect -- as Gergen shot another 67. What made this round almost as impressive as the one from five years ago was that the Loyola University (Chicago) alumnus made it look so easy. He had about nine birdie putts in the 5- to 15-foot range -- and he made two of them.

That turned out to be just enough, however, and he won the tournament. His 36-hole aggregate of 140 -- he shot 73 on Saturday in the first round, which was played at Bunker Hills -- gave him a one-stroke victory over Jordan Hawkinson and Sammy Schmitz, who won this tournament three years ago.

Schmitz, the reigning MGA Player of the Year, appeared to be on the way to his second TC Championship title as he maneuvered his way around the front nine in 32 (4 under). In the process, he made two

eagles, holing a 63-yard wedge shot for a 2 at the 375-yard second hole, and then making a 3 at the 465-yard, par-5 ninth.

Hawkinson arrived at his 141 from the other direction. After a first-round 75, he was lamenting the unreliability of his driver. On Sunday, he hit it pretty well on a course as tight as Keller to shoot 66.

Unfortunately for Gergen, he wasn’t translating his first-rate ball-striking into birdies. The one putt he did make definitely helped the cause, however. It was a 5-footer for eagle 3 at the 505-yard, par-5 third.

It had been a little more than two years since Gergen’s last victory, which came in a college tournament during his junior year at Loyola.

2012 Overall Champions:
Monifa Sealy & McCabe Buege

McCabe Buege and Monifa Sealy, both University of Central Florida
sophomores-to-be took the first-place trophy at the 2012 MGA
Mixed Team Championship.

Buege and Sealy were tied for the lead after an opening round of
8-under-par 64. That was the Four-Ball part of the tournament. They
started the second round of Modified Chapman (alternate shot)
competition by making an eagle 2 at the first hole. By the time they
reached the turn, they were three strokes ahead of the pack; and for
all intents and purposes, they closed the deal with consecutive birdies
at the 11th, 12th, 13th and 14th holes. They ended up posting a 66,
and their 36-hole tab of 130 gave them a two-stroke victory over Tom
Whaley, a former State (men’s) Mid-Amateur champ, and the reigning
State Women’s Mid-Am champ, Kristen Wagner.

33rd MINNESOTA WOMEN’S STATE AMATEUR FOUR-BALL CHAMPIONSHIP

Celia Kuenster and Cassie Deeg decided early this spring, shortly before they started the high school season, that they were going to join forces and play in the Minnesota Women’s State Four-Ball Championship.

Having no experience in the tournament, or any tournament like it, they didn’t know what to expect.

“We didn’t even know what a good score would be,” Deeg says. But they figured out that part pretty quickly.

On Tuesday, they combined for a 5-under-par 69 at North Oaks Country Club. It was their second sub-70 round against a field that produced only one other sub-70 in either round, and their 36-hole total of 137 earned them a wire-to-wire victory.

The defending champions, Olivia Lansing and Natalie Samb, shot 70 for the second day in a row, and the resulting 140 was good for second place.

Steffi Neisen and Gretchen Huhnerkoch played the final nine holes in 4 under on the way to a second-round 70, which put them at 141 and in a tie for third place, along with University of Minnesota teammates Anna Laorr and Jaclyn Shepherd. Laorr and Shepherd were the only other team besides Kuenst and Deeg to crack 70; they shot 69 on Tuesday, after opening with a 72.

Neisen and Huhnerkoch, like Laorr and Shepherd, are college players. Samb is Huhnerkoch’s teammate at Wichita State (Neisen plays for Nebraska). Lansing is two years removed from her college career at Drake, where she set a school record by winning 10 tournaments.

Deeg graduated from Stillwater High School in June. In a couple of months, she will join Neisen at the University of Nebraska. Kuenster still has two years left at Cretin-Derham High School.

2012 MINNESOTA PGA JUNIOR CHAMPIONSHIP (AGES 13-18)
July 9-10, 2012
Geneva Golf Club, Alexandria, Minn.
6,613 yards, par 72 boys • 5,675 yards, par 72 girls

Sara Detlefsen, who won the MWGA State Junior Girls Championship four years ago and nearly won it again two years ago, won the Minnesota Section PGA’s Junior Girls title, thanks to a final-round 69 (3 under par) at Geneva GC.

The Eastview graduate -- and Florida Gulf Coast recruit -- birdied the 14th, 17th and 18th holes in the final round and finished 36 holes with an aggregate of 145, which gave her a seven-stroke victory.

Kate Smith, the Detroit Lakes eighth-grader who won the state Class AA high school crown this spring, finished second with a 152, after a final-round 75. Then came Jennifer Pederson, an Augustana recruit who just graduated from St. Croix Lutheran, in third place at 154.

The Boys Division crown went to Dalton Charboneau, who graduated from Osseo this spring and will be heading for Southern Illinois in a few weeks. He posted a second straight 70. His 4-under total of 140 edged Eastview senior-to-be Brady Hanson.

Hanson was tied with Charboneau for the first-round lead, and followed his opening 70 with a 71.

Charboneau led by a single stroke through 14 holes on Tuesday. Both players birdied the par-3 15th, and both played the last three holes in even par, although in completely different ways. Charboneau went par, par, par; Hanson went double bogey, birdie, birdie.

With their victories, Detlefsen and Charboneau qualified for the 2012 National PGA Junior Championship. Neither made it to the final round of the championship.

#### 112th US Women’s Amateur Sectional Qualifying

**July 10, 2012**

Hillcrest Golf Club of St. Paul, St. Paul, Minn.

**6,220 yards, par 72**

Steffi Neisen has qualified for five U.S. Golf Association tournaments. Her younger sister McKenzie has played her way into three. But the Neisen girls had never qualified for the same USGA tournament until Tuesday at Hillcrest GC, where they earned two of the four available berths in the 2012 U.S. Women’s Amateur Championship.

Maria Gabriela Lopez, who just graduated from high school in Mexico and will be a freshman at the University of Arkansas this fall, was the medalist. She didn’t do much to distinguish herself on the front nine, but she blistered the back nine with five birdies for an incoming 31 and 2-under-par 70 for the round.

Former two-time Iowa state high school champ Susan Kirschenman, a junior-to-be at Missouri-Kansas City, claimed the second spot with a 71.

Next, at 72, came McKenzie Neisen, who concluded her sophomore year at New Prague four weeks ago by finishing second in Class AAA at the state high school tournament.

Steffi Neisen, a junior-to-be at Nebraska finished with a 74 putting herself in a four-woman playoff for the last spot.

Also in the playoff were Canadian Jisoo Keel, Jaclyn Shepherd, who will be a senior at Minnesota, and Celia Kuenster, the Cretin-Derham Hall junior-to-be who has already won two state high school titles and is the reigning Minnesota Women’s Amateur champ.

Neisen made birdie on the first playoff hole to claim the final qualifier spot whiles Kuenster played off with Shepherd for the first alternate position and secured it on the fifth playoff hole with a par.

86TH MINNESOTA STATE JUNIOR BOY’S CHAMPIONSHIP

July 11-12, 2012
Rochester Golf & Country Club, Rochester, Minn.
6,468 yards, par 70

On Tuesday, Jack Pexa, who will be a senior at New Prague this fall, caddied for New Prague junior-to-be McKenzie Neisen in the U.S. Women’s Amateur Qualifying at Hillcrest GC. It was a successful endeavor, as Neisen shot 72 (even par) and claimed the third of four available spots.

On Wednesday and Thursday, Pexa played in the Minnesota State Junior Boys Championship, That went pretty well, too. He opened with a 2-over-par 72 and followed it with a 73, which gave him an overall score of 145 -- and a one-stroke victory.

Dominic Kieffer, who will make the transition from Byron High School to Colorado State University later this summer, finished second at 146, having put together a pair of 73’s.

Three of Pexa’s contemporaries -- Lakeville South’s Justin Doeden, Minnetonka’s Jacques Wilson and Detroit Lakes’ Karter Smith, all of whom will be juniors -- tied for third at 148.

Miles Death, a Wayzata graduate who will be playing for South Dakota in the fall, closed with a 73 and finished sixth at 149.

2012 RESULTS

67TH MINNESOTA JUNIOR GIRLS’ STATE CHAMPIONSHIP

July 11-12, 2012
Oak Marsh Golf Club, Oakdale, Minn.
5,580 yards, par 70

On Thursday, a month after winning her second straight state Class AAA high school championship, Celia Kuenster won her second Minnesota Junior Girls Championship in a row.

The Cretin-Derham Hall junior-to-be got off to a glorious start, hitting her 19-degree rescue onto the green at the 442-yard, par-5 first hole at Oak Marsh GC and making a 25-foot putt for eagle.

She went on to shoot a 2-under-par 68, which gave her a 36-hole total of 141 -- and a one-stroke victory.

Sarah Burnham matched her first-round score of 71, and the resulting 142 earned her the runner-up spot for the second consecutive year. (Last year, she lost to Kuenster in a three-hole playoff.)

The only other player within five strokes of par was Kate Smith, who won the state AA high school championship this spring as an eighth-grader. She ended up with a 76, and her 36-hole tab of 148 gave her sole possession of third place with three strokes to spare.

MWPGA STATE PUBLIC LINKS CHAMPIONSHIP

Format: 36 holes of stroke play.
Eligibility: Players must be a current MWPGA league member.

2012 RESULTS

65TH MWPGA STATE PUBLIC LINKS CHAMPIONSHIP

July 14-15, 2012
Pebble Creek Golf Club, Becker, Minn.
5,469 yards, par 72

Sarah Burnham knows what it’s like to come close to winning a state championship. In 2011, at the conclusion of her freshman season at Wayzata, she finished two strokes out of first in the Class AAA part of the state high school tournament. A couple of weeks later, she lost the Minnesota Girls Junior Championship to Celia Kuenster in a playoff.

Last week, Kuenster edged her for the Girls Junior title again. This time, Burnham led after one round, then got off to the worst imaginable start in the second (6 over par after five holes), but responded with a spectacular rally, going 5 under over the last 12 holes -- only to lose by a single stroke.

So it felt as though justice was served on Sunday when she broke through and won the Women's State Public Links Stroke-Play Championship at Pebble Creek GC.

Starting the day five behind Olivia Lansing, who probably set a record for Minnesota women's golf with her 7-under-par 65 on Saturday, Burnham produced a 3-under-par 69 for a two-day total of 139 (on the Red and White nines at Pebble Creek).

She could have won in the regulation number of holes, but she missed a 4-foot birdie putt on the 18th green. As a result of making a par instead, she finished 36 holes tied with Lansing, who shot 74 on her way to 139.

On the first extra hole, Burnham hit her approach to 6 feet. Lansing hit her second shot over the green, chipped to 5 feet and then missed the par putt, which meant that all Burnham needed was a two-putt par to win. Which she did.

P. Host Club Exemptions (2)
In retrospect, there might have been a kind of inevitability to Frederick Van Rooyen’s victory on Wednesday in the MGA State Amateur.

The University of Minnesota senior-to-be from South Africa took the lead in the second round, when he shot a 3-under-par 68 at Hastings Country Club. He followed that with a 73 in the final round, which gave him a 54-hole total of 213 and a three-stroke cushion between himself and the three players who tied for second -- former champ David Christensen, 2011 MGA Player of the Year Sammy Schmitz and Matt Schneider.

There was also a three-way tie for fifth, including Andy Jacobson, who went 7 over par on his last five holes in the first round on Monday while shooting 79, but came back with a 68 and a 70 to finish at 217, four strokes out of first place. He tied with Jesse Larson and Van Rooyen’s Minnesota teammate Colton Buege.

It’s been 45 years since the State Am switched from match play to stroke play. Since then, there have been 20 winners -- out of a possible 46 -- who were either current Minnesota players or alumni, and the Gophers have tended to win their titles in bunches, beginning with a stretch of six in a row from 1970 to ‘75.

They also won two in a row (1980-81), three in a row (‘85-87), four in a row (1998-2001) and now another two in a row.

A year ago, Donald Constable, who had recently concluded his senior season as the No. 1 player for Minnesota, won the State Am. He was succeeded as the No. 1 player in the Gopher lineup by Van Rooyen during the 2011-12 season.

So it seems sort of fitting that Van Rooyen also replace Constable as the State Amateur champion.

2012 Champion: Ryan Peterson

Cameron White made what had to be the best birdie of his life at the 249-yard, par-3 17th hole at Bunker Hills Golf Course on Sunday afternoon in the final round of the Minnesota State Open. But Ryan Peterson trumped it with the best birdie of his life at the 18th hole, thereby breaking a four-way tie between himself, White, Ryan Helminen and Stephen Bidne, for first and claiming the first major title of his budding professional career.

The decisive birdie was Peterson's fifth in a span of 10 holes. It capped off a closing 67 (5 under par) and gave him a 54-hole total of 207.

Green Haven Golf Course, Anoka, Minn.

MPGA JUNIOR PUBLIC LINKS CHAMPIONSHIP

Format: 18-hole stroke play event. There will be multiple divisions based on age. The low 12 players and ties regardless of division will play an additional 9 holes for the championship round.

Eligibility: Open to all male junior amateur players, ages 13 to 18, on the first day of the championship, who are affiliated with or play substantially all of their golf at a public golf course.

2012 RESULTS

2012 MPGA JUNIOR PUBLIC LINKS CHAMPIONSHIP

July 23, 2012
Keller Golf Club, St. Paul, Minn.
6,450 yards, par 72

Morgan Rask was in fourth place after 18 holes in the Minnesota Public Golf Association’s Junior Championship at Keller GC. But the soon-to-be senior at Rogers shot the lowest final nine and then defeated Grant Exsted of Mille Lacs in a playoff to win the tournament.

Exsted and Rochester Century’s Michael Klampe, both of whom, like Rask, will be seniors this fall, were tied with even-par 72’s after the first 18. Ted Urch, who will be a junior at Owatonna, was third with a 73; and Rask was another stroke behind at 74.

Rask then shot 34 and Exsted 36 on the concluding nine, which put both of them at 108 for 27 holes. Klampe closed with a 37 to finish one back at 109, in third place. Urch was fourth at 111, after a final nine of 38.

Dillon John, who graduated from Mounds View in June, matched Rask’s 34 on the final nine. That got him a fifth-place finish at 112.

In the playoff, Rask won on the second extra hole.

His overall score of 137 earned medalist honors for Drewitt and more important, he claimed one of the three spots available in the 2012 U.S. Amateur

The other two spots went to Charlie Danielson and Hudson Carpenter. They tied for second.

SOMERBY GOLF CLUB –
Another Australian, Todd Sinnott claimed the medal and the first spot in the area’s second qualifier, by shooting 6-under-par 138.

Grabbing the other two spots were the guys who tied for second place at 140: Roy Bourke, also from Australia and Donald Constable.

Constable, the 2009 MGA Players’ Champion, 2010 MGA Player of the Year, and 2011 MGA State Amateur Champion, followed his morning round of 72 with a 68 for a total of 140.

Bourke was the only player besides Sinnott to break par in both rounds, with a 69 and a 71 for a 140 total.

17TH MINNESOTA WOMEN’S STATE MATCH PLAY CHAMPIONSHIP

July 30-August 1, 2012
Mankato Golf Club, Mankato, Minn.

Cassie Deeg made a worthy defense of her Minnesota Women’s State Match Play title at Mankato Golf Club. The Stillwater High School graduate/University of Nebraska recruit made it through four matches to get back to the final, and once there, she kept battling back against Jaclyn Shepherd.

But Shepherd, who will be a senior at the University of Minnesota this fall, never let Deeg get the upper hand and after losing a 2-up lead in the middle of the back nine, she reasserted herself and claimed the crown with a 2&1 victory.

In the Senior Division, Leigh Klasse avenged her loss to Brenda Williams in last year’s final by defeating Williams 3&2.

2012 RESULTS

91ST MGA SENIOR AMATEUR CHAMPIONSHIP
August 27-29, 2012
Northland Country Club, Duluth, Minn.
6,450 yards, par 71

The 2012 MGA Senior Amateur turned into a coming out party for Mark Knutson, as the 55-year-old senior rookie separated himself from the other contenders and won by six strokes.

Knutson made a couple of clutch birdies on the front nine and then simply avoided the major disasters that befell his closest pursuers on the back nine. He shot a valedictory 3-over-par 74 -- one of only three final-round scores under 76 -- and posted a 54-hole total of 221.

Jon Empanger, who has won major state senior titles in each of the three seasons since he turned 55 (Senior Four-Ball in 2010, Senior Publinx in ’11 and ’12), was tied with Knutson after eight holes. But he went 6 over on the next four, capping off the catastrophic stretch with a 4-putt double bogey at the 12th. He wound up with an 80, which gave him a cumulative 227, and put him in a tie with Dave McCook for second place.

This is the second time that McCook had finished in the top three at the Senior Amateur in the last four years. He was third in 2009 at White Bear Yacht Club. In 2010, he made it to the final in the MGA Senior Players’ (Match Play) Championship before losing to Colby Lund.

Mark Knutson
Like Empanger, he made a double bogey at the par-5 11th. He followed that with a three-putt bogey at the 12th, which left him six behind with as many to play.

Craig Hanson matched Knutson for the second-best score of the day with a 74, and that moved him all the way up to fourth at 228.

The best score of the final round was turned in by David Rehfeldt, who shot 72. That put him at 229 and earned him a tie for fifth with former two-time champ Leif Carlson, who had a 78.

37th MINNESOTA SENIOR WOMEN’S STATE AMATEUR CHAMPIONSHIP

September 4-5, 2012
Golden Eagle Golf Club, Fifty Lakes, Minn.
5,644 yards, par 72

Leigh Klasse won her third Minnesota Women’s State Senior Amateur Championship in a row. While she was at it, she virtually locked up her third consecutive MGA Senior Women’s Player of the Year Award. The 52-year-old Klasse shot the low round of the tournament, a 71, and completed 36 holes at Golden Eagle Golf Club with an aggregate score of 148.

Claudia Pilot, who had been battling tendinitis all summer, came back from a first-round 81 with a 76. The resulting 157 was good for second place. Pilot, a former two-time Women’s Senior Am champ, has bee the runner-up to Klasse twice in three years.

Mary Flynn started the day tied with Pilot and shot a 78, which put her at 159, in third place.

Brenda Williams, who was tied with Klasse for first place after the opening round, labored mightily on day two but could do no better than an 85, which put her in a tie for fourth at 162, along with Luanne Cortesi. Cortesi closed with an 84.

MGA SENIOR AMATEUR FOUR-BALL CHAMPIONSHIP

Format: – 36 holes of Four-Ball stroke play
Eligibility: – Must be 55 years of age by first day of championship. Team members may be from different member clubs.

2012 RESULTS
39TH MGA SENIOR AMATEUR FOUR-BALL CHAMPIONSHIP
September 10-11, 2012
Prestwick Golf Club, Woodbury, Minn.
6,374 yards, par 72

Larry Barnacle and Tom Smith won the MGA Senior Four-Ball Championship with a lot of consistency. No eagles. No double bogeys. No bogeys, either, for that matter. Just a lot of pars (24 for the two rounds) and birdies (12).

They secured the victory with a 7-under-par 65 on day two, which gave them a 36-hole total of 132.

Last year’s champions, James Price and Randy Garber, made a worthy defense of their title, shooting 67 in the rain in the second round and ending up at 135. That was good enough for second place.

There was a three-way tie for third at 137 that included Leif Carlson and Mark Boetcher, who combined for a closing 69 (only eight teams in a field of 78 broke 70 in Round 2). Carlson and Boetcher won the regular MGA Four-Ball Championship twice, but they haven’t won the senior version yet. Also finishing at 137 were the teams of Don Howe and Dennis Barr, and Pat McBride and Pete Hill. Both shot final-round 71’s.

**MPGA COMBINATION CHAMPIONSHIP**

**Format:** This tournament is a 27 hole, one day event. Each two-man team will play nine holes partner best ball, nine holes partner scramble (best shot), and nine holes partner alternate shot. Divisions will be determined by the Committee based on the number of entries received and their combined handicaps. Teams will play within their divisions with no handicap.

**Eligibility:** Open to amateur players who are members of a club that is a member of the Minnesota Public Golf Association and carry an active GHIN handicap.

**Handicap Index:** The partner’s handicap indexes may not differ by more than 8.0 at time of entry. If the difference in handicaps changes to more than 8.0 between partners when the pairings are set-up, the higher handicap player will be reduced to 8.0 above the lower handicap player and then be put into the correct division.

25TH MGA MID-AMATEUR CHAMPIONSHIP

September 17-19, 2012
Midland Hills Golf Club, Roseville, Minn.
and Town & Country Club, St. Paul, Minn.

6,381 yards, par 72 Town & Country Club

Sammy Schmitz went into the final round of the State Mid-Amateur Championship on Wednesday at Midland Hills Country Club with a three-stroke lead. He came out of it with a two-stroke victory — and a second consecutive Mid-Am title.

"It was an adventure," Schmitz said with a sigh, after making one double bogey, one eagle, four bogeys, three birdies and nine pars.

When the accounting was done, the 2011 MGA Player of the Year had a 1-over-par 73, which gave him a 54-hole aggregate of 215.

The USGA Men’s State Team Championship, as well as the Women’s State Team Championship, grew out of the USGA’s Centennial celebration in 1995. It was believed that a new championship, one in which each state could be represented by non-college, amateur golfers, was a good way to cap the USGA’s year-long birthday celebration. In enthusiasm and fine golf, the State Team Championship proved such a success that it has been instituted to return every two years, alternating men and women each year.

Invitations are extended for the Minnesota team based on MGA player point standings with an emphasis on recent finishes, and additional competitive criteria intended to field the strongest teams possible.

**Format:** Each state fields teams of three players. There are 54 holes of stroke play with only the best three scores counted each of three rounds.

USGA State Team Championship continued on next page.
In the championship's short tenure, Minnesota amateur golf has shined: the men's team has won twice (1997, 2001), nearly won in 1999, and holds two more top-ten finishes; the women's team has one win (2001), and four top-ten finishes.

In 2001, the MGA's centennial year, Minnesota played host to the 4th USGA State Team championships -- the men's team was victorious at Hazeltine National Golf Club in Chaska, and the women's team also claimed a win at Woodhill Country Club in Wayzata - making Minnesota the only state to claim the men's and women's state titles concurrently.

There were 16 total points in the boys competition and the winner was the first team with 8 1/2 points. There were 12 total points in the girls’ competition and the winner was the first team with 6 1/2 points.

Eligibility: Teams were selected from the junior player points lists and the current boys and girls champions of the state high school A & AA, along with the Minnesota State Junior Boys’ & Minnesota State Junior Girls’ Champions. In addition, the latest Players of the Year and Junior Champions were also invited, if eligible. Manitoba had its own standards for selecting the 14 player team.
